

THE MOST GENEROUS MASTER EVER Chapter 253

“Powerful and domineering?”

Ye Qiu pondered for a moment and thought about it carefully. It seemed like there was. Back then, when he plundered Old Daoist Xuanyuan, Ye Qiu had obtained a heaven-grade secret technique called Dharma Idol World.

Once its secret technique was used, it could greatly increase its body size and strength. It was extremely intimidating. If it was someone else cultivating, it would be very good for showing off, but the effect might be worse.

But it was different for the monkey. He cultivated the Big Dipper Technique, which was indestructible to begin with. If he cultivated this technique, the two would complement each other, causing the power of Dharma Idol World to soar. Perhaps the skill could reach the God-grade.

Thinking of this, Ye Qiu immediately revealed a meaningful smile. That was it.

“Alright, I’ll teach you the Dharma Idol World.”

As soon as these words were spoken, Monkey was shocked. This name sounded awesome.

“Thank you, Master. I want to learn this.” Monkey immediately said excitedly.

Ye Qiu also smiled when he saw his excited expression. Hehe, learn more. You might make a small profit, but I’ll never lose anything. I wondered what kind of return I could trigger with this Dharma Idol World.

Ye Qiu was really looking forward to it.

“Sit down.”

After instructing the monkey to sit down, Ye Qiu slowly raised his hand. In an instant, a force crazily surged into the monkey’s body. He raised his hand and pressed it on the monkey’s head. A golden scripture surged into the monkey’s body.

Boom!

.....

With a loud bang, a scripture appeared in the monkey’s mind. It was the scripture of the Dharma Idol World. As soon as this scripture appeared, Monkey was instantly shocked. He was no longer a novice cultivator.

In the past month, Ye Qiu had made him familiar with hundreds of Dao scriptures. He already knew Dao techniques like the back of his hand. He could feel that this secret technique was very suitable for him. He immediately knelt down and said gratefully, “Thank you for imparting the technique, Master.”

Ye Qiu only waved his hand and said, “Today, I’ll teach you this technique. I hope you can cultivate it well. Let me see you use it.”

The monkey’s comprehension was extremely high. In just a few minutes, it had already grasped the introductory profundities of the Dharma Idol World. He slowly stood up and turned around. In an instant, his body doubled in size.

“Hehe, fun, fun! Bigger, thicker!”

Monkey was overjoyed. He did not expect this Dharma Idol World to be so fun. As soon as he finished speaking, his body doubled in size, reaching more than ten meters tall. As his body expanded, he could feel his strength soaring.

In his excitement, Monkey shouted again, "Bigger, thicker."

"F*ck!"

Ye Qiu was shocked to see a monkey that was a thousand feet tall. It had to be said that this secret technique was indeed quite scary. Just the aura alone could scare the enemy. There was no need to fight.

[Ding...]

[You imparted a Heaven-grade secret technique to your disciple, a Dharma Idol World, triggering a Critical Hit Return.]

[Do you want to activate it?]

"It's here." Hearing this familiar voice, Ye Qiu smiled strangely and said, "Activate."

Let me see, what was the return?

[Ding... congratulations, you have triggered 8,000 times critical strike and obtained an immortal technique: Divine Sun.]

"F*ck..."

This immortal technique shocked Ye Qiu so much that he stood up.

“Divine Sun?”

This technique had the same effect as the Dharma Idol world, but it was different from the Dharma Idol world. The other party could only crush his opponent in terms of aura and had the buff of increasing strength.

Once Divine Sun was used, it would be the dusk of the gods, suppressing the opponent. It was even more terrifying than the Blood Drinking Skill. It could forcefully increase Ye Qiu’s cultivation without leaving any side effects.

Ye Qiu didn’t dare to imagine that scene. It was like inviting a god to his body.

Oh, I can’t beat you? It’s fine, I’ll invite a god. It could be said to be an invincible bug. If he matched it with his heaven-defying sword technique, Ye Qiu would be invincible in the world.

“F*ck, did the heavens specially send this monkey to my side to farm treasures?”

Ye Qiu was stunned. Why was the drop rate of this monkey so high? Why did it always give him a high critical hit?

Ye Qiu immediately took off after getting an immortal technique.

“Hehe, not bad, not bad. From now on, I want to see who else dares to bare their fangs in front of me?”

Ye Qiu was very happy. Now, even when he looked at Monkey, he felt that he was handsome. In this world, it was difficult for Ye Qiu to lose with such an immortal technique.

Strange origin? It was not worth mentioning.

The Novel will be updated first **on *novelbin.net***

Ye Qiu looked up at the sky and saw that the monkey was playing happily. He was still growing bigger. He was really having fun.

Ye Qiu suddenly had an ominous feeling. He quickly understood what this feeling was.

After the monkey's body became larger, it became as tall as the sky. It stretched out its hand and shook crazily at a continent in the Otherworld.

“F*ck...”

“What happened?”

The living beings of the Mystic Domain on the other side were awakened by this sudden tremor. They walked out one after another and looked up at the sky. Above their heads, a huge monkey was looking down at their world with a smile. His dishonest hand was still shaking the Mystic Domain Continent.

Facing his provocative actions, the powerful creatures in the Mystic Domain were instantly furious.

“How dare a lowly ant be so bold?” With a furious shout, a white tiger roared and rushed out of the mountain stream.

Its white tiger strength actually had the strength of a Cardinal. It charged towards Xun Wukong in an instant.

Xun Wukong was shocked and caught off guard by this sudden attack. His own strength was not as strong as the white tiger. However, with the powerful enhancement of the Dharma Idol World, he could still compete with the other party.

Monkey was furious after being ambushed. He shouted, "Where did this little bastard come from? You even dare to provoke your Grandpa Xun. You're courting death."

The monkey instantly slapped over. That terrifying power swooped down. The white tiger felt a trace of death threat and felt fear. He did not dare to take it head-on and successfully dodged the attack with his agile speed.

However, it dodged, but the land behind it would suffer.

Boom!

The monkey slapped down, and the ground instantly trembled. A region of the Mystic Domain was directly razed to the ground.

Seeing this, all the noble descendants in the Mystic Domain were furious.

"Damn it, is this a provocation from the Eastern Wasteland?"

"The two domains have been merged for a month and have been peaceful without any conflict. I thought that they would be respectful to us, but I didn't expect them to let a monkey provoke us today."

"If we tolerate such provocation, will the living beings of the other domains think that we're easy to bully?"

Immediately, the living beings in the Mystic Domain were furious.

Monkey's momentary playfulness could be considered the first time it caused a conflict. Of course, he did not think that there was anything wrong with it. He was still playing.

When Ye Qiu saw this, he knew that he couldn't teach this monkey anymore.

“Oh my god, he hasn't even finished his apprenticeship and he's already caused such a huge trouble. He's starting a conflict between the two domains with his own strength? Yes, I wasn't wrong. This monkey is born to cause trouble. I should leave as soon as possible.”

After thinking for a moment, Ye Qiu didn't stop Monkey and quietly left Penglai Mountain. He had returned to his original appearance. At this point, Patriarch Bodhi had completely disappeared from this world.

It wasn't that Ye Qiu was afraid of the creatures of the Mystic Domain. No matter what, he was still a Martial Monarch realm expert. How could he be afraid?

The main reason was that he did not want to take the blame and clean up after the monkey. Let him deal with the trouble he caused himself. In any case, he was born with the providence of the world. He was born from the world and would not die so easily.

“Haha, little cat, you dare to show off in front of me? Watch how I defeat you.”

For a moment, the battle completely began. Such a huge commotion attracted the attention of everyone in the Eastern Wasteland and the Mystic Domain. Many people were dumbfounded by this monkey that suddenly appeared.

“F*ck! Could this monkey be the one from a month ago?” Qi Wuhui said with a dumbfounded expression.

In front of the Jade Pure Hall of the Heaven Mending Sect, the seven peak masters stood side by side in front of the hall and looked at the huge stone monkey above their heads.

Didn't they say that this monkey was an auspicious sign? Why did he take the initiative to provoke a conflict between the two domains?

Meng Tianzheng was silent. He looked at the monkey and didn't know what to say.

“Hmm... There must be something fishy about this.” Meng Tianzheng turned around to look at Lin Qingzhu and muttered, “Martial Nephew Lin, is your master back?”

Lin Qingzhu shook her head. Her master had left the mountain a month ago and did not say where he had gone. He had not returned until now.

“Do you think this monkey was secretly taught by Junior Brother for a month?” At this moment, Qi Wuhui suddenly said. When everyone heard this, they felt that it was ridiculous.

“How is that possible? I don't think Junior Brother is such a boring person. Did he disappear for a month for no reason just to teach a monkey?”

“My Heaven Mending Sect has so many young talents. If he wants to take in disciples, wouldn't he be free to choose?”

Everyone did not believe it either. This was impossible.

“I was just saying.” Qi Wuhui curled his lips and said. He was just guessing.

Ye Qiu had disappeared for a month for no reason. He was indeed a little curious about what he had gone to do. After all, it was too much of a coincidence. He had disappeared when the monkey was born.

As they were discussing, a white light descended from the sky and slowly landed in front of everyone.

“Master.”

Lin Qingzhu immediately walked up excitedly and called out obediently when she saw who it was.

Ye Qiu smiled faintly and looked at his obedient disciple, feeling very relieved. My little darling is still the best. Unlike that monkey who likes to give me stimulation. My little heart can't take it.

Fortunately, Ye Qiu retreated quickly. Otherwise, it would be bad if he was exposed.

“Junior Brother, where have you been for the past month?”

Qi Wuhui became even more suspicious when he saw Ye Qiu return. His intuition told him that there was something fishy going on. When the monkey appeared, he happened to disappear. After the monkey came out of the mountain, he happened to appear again. Wasn't this too much of a coincidence? Could it be that he really taught this monkey?

Ye Qiu felt Qi Wuhui's suspicion and immediately felt guilty. Could this old kid have guessed something? Thinking of this, Ye Qiu couldn't help but have a thought. Why not... silence him? Hmm, feasible...
