

## THE MOST GENEROUS MASTER EVER Chapter 275

Liu Qingfeng called out, his voice echoing between the martial arts arena.

A red-robed woman slowly walked out of the hall and gently pushed open the door. That scene was like the scenery in a painting, exceptionally beautiful.

“Hiss... F\*ck... Even a disciple who opens the door is a Cardinal?” Seeing this scene, Daoist Qian Yi immediately sucked in a breath of cold air.

Oh my god, what kind of immortal place was this? That was a Cardinal. In any holy land, she would be a genius, a saintess, or a saint. Was she just a labor disciple who opened and closed the door here?

Clearly, Zhao Wan'er's actions just now made Daoist Qian Yi think that she was just a disciple responsible for doing chores for the Martial Monarch.

Unknowingly, Ye Qiu's deterrence became stronger.

Even a Cardinal was only worthy of doing chores for him. Then as a Paragon, I was probably only worthy of serving tea. Phew... No, looks like I have to find an excuse to slip away. It's too scary. Daoist Qian Yi thought to himself and took a deep breath.

Even though he had yet to see the real person, he was already scared out of his wits.

In the image, the red-robed woman walked out in a dignified manner. She glanced at Daoist Qian Yi behind Liu Qingfeng.

“Please come in.”

Zhao Wan'er politely gestured for them to enter.

Hearing this, Daoist Qian Yi knew that he could not avoid this calamity today. He could only brace himself and follow Liu Qingfeng into the Qianqing Hall.

As soon as he entered the hall, he saw a man in white sitting on the high seat. His eyebrows were sharp and his eyes were deep. It was as if he could see through one's thoughts at a glance, giving people the feeling that there were no secrets in his eyes.

.....

An invisible pressure suddenly surrounded Daoist Qian Yi, and his breathing began to tense.

“This... is the legendary Eastern Wasteland's Martial Monarch?”

Daoist Qian Yi was shocked. He did not expect this person to be so young and comparable to the one in their Heaven Domain. The most terrifying thing was that his cultivation level was completely obtained by himself without the help of any Dao status. He had only reached this step today after killing his way to the Dao.

One had to know that it was not easy for a Martial Monarch to attain the Dao. If one did not have the inheritance of the Dao, they would need to experience various tribulations and the test of the Heavenly Dao to successfully attain the Dao. His success in Dao Validation was enough to prove that his elegance crushed everyone of his generation.

Daoist Qian Yi hurriedly walked down and bowed respectfully when he saw the figure resting with his eyes closed. “Heaven Mending Sect of Heaven Domain, Daoist Qian Yi greets the Martial Monarch.”

Ye Qiu slowly opened his eyes after hearing this greeting. He was expressionless and gave off a dignified feeling.

Suddenly, Daoist Qian Yi felt the pressure multiply. He was so nervous that he did not dare to raise his head.

“Un,” The atmosphere was silent for a long time before a voice finally came from the stage. Ye Qiu slowly said, “Heaven Mending Sect of the Heaven Domain? Which lineage are you from?”

Hearing this, Daoist Qian Yi’s heart skipped a beat and he said nervously, “Martial Monarch, I am the successor of Violet Cloud.”

Ye Qiu’s eyes lit up when he heard this. Interesting... This person was actually the successor of Violet Cloud.

As soon as Daoist Qian Yi said this, even Liu Qingfeng revealed a surprised gaze. Violet Cloud lineage? Looks like there’s a good show to watch.

The corners of Liu Qingfeng’s mouth curled up into a cunning smile. Don’t doubt it. He had deliberately taken a big detour to bring Daoist Qian Yi to Violet Cloud Peak. This was because in the entire Heaven Mending Sect, the only thing that could make him put away his arrogance was Violet Cloud Peak.

Although Liu Qingfeng was usually gentle and refined, his scheming nature was not weak at all. Perhaps it was Ye Qiu’s influence.

Ye Qiu’s interest was piqued when he heard that the other party was from Violet Cloud. He slowly stood up from his seat.

“Violet Cloud lineage? Hmm...” Ye Qiu muttered to himself and instantly arrived in front of Daoist Qian Yi.

Before he could react, he pressed down on his shoulder and a terrifying force entered his body.

“Hiss...”

In an instant, Daoist Qian Yi’s face turned pale. He could not struggle under the pressure of a Martial Monarch. He could only let Ye Qiu’s power walk around his body before slowly retreating.

Letting go of him, Ye Qiu smiled and said, “I understand! No wonder my master told me back then that the Violet Cloud Treasured Tome was incomplete. So the incomplete part is with you guys.”

Just now, Ye Qiu had only probed a little and discovered the flaw of the Violet Cloud Treasured Tome he cultivated. A part of his flaw happened to be a part of Ye Qiu’s lineage.

Back then, the two sects had no choice but to separate. In order to ensure that the inheritance could be passed down, they did not have time to copy it again. They used the simplest and most crude method to split them into two and take a portion each.

At this point, the inheritance was incomplete and had not been completed for many years. There were many doubts about what happened back then, and also many logical contradictions. However, it was too far away to verify what happened back then.

“Phew...”

Daoist Qian Yi broke out in cold sweat and took a deep breath as he looked at this terrifying existence in front of him. Just now, he thought that he had been rude and that Ye Qiu wanted to kill him. So it was a false alarm. I was scared to death. Fortunately, I was steady enough. Otherwise, I would have peed just now.

Ye Qiu returned to his seat and continued, "I just checked your body's situation. Your cultivation progress is very slow due to flaws. Do you know that?"

As soon as these words were spoken, Daoist Qian Yi was shocked. He could even tell this. After a short shock, he was delighted. Could it be that the Martial Monarch wants to guide me?

Thinking of this, Daoist Qian Yi immediately became excited.

What Ye Qiu said just now was right. The Violet Cloud Treasured Tome he cultivated did have this problem. Because there were flaws, he was unable to complete the laws. Therefore, after cultivating for many years, he was still stuck at the early-stage Paragon realm and could not break through.

The elders of the same generation as him were almost at the peak of the Paragon realm, but he was still at the early-stage Paragon realm. He was also very anxious. After all, he was the only successor of Violet Cloud in the Heaven Domain. He did not want to ruin his sect's inheritance.

He had always wanted to complete this technique, but all these years, he had traveled thousands of miles and searched for all kinds of techniques, but he could not find a way to complete it.

"Martial Monarch, please enlighten me." Daoist Qian Yi said excitedly.

If Ye Qiu could help him complete his Dao technique, it would be his greatest favor.

Originally, his intention for coming to the Eastern Wasteland this time was to take a look at the Heaven Mending Sect in the Eastern Wasteland and Violet Cloud Peak's inheritance to see if he could complete his technique.

However, after talking to Lin Qingzhu in the Jade Pure Hall, he realized that the two sects had been separated for many years. A path that was originally established was re-developed and walked on another path.

Therefore, it was impossible to complete it.
