

THE MOST GENEROUS MASTER EVER Chapter 282

“Un,” Feeling the intense pain in her body, Zhao Wan’er’s face turned pale and she let out a soft groan.

Her soft cry reminded Ye Qiu, waking him from his surprise.

“Grit your teeth and hold on. It’ll be over soon.” With a shout, Ye Qiu exerted strength again. A terrifying power of karmic flames pushed into Zhao Wan’er’s body.

As the blood circulated and the spiritual energy spread, he continued to deduce the Red Lotus Karmic Flame technique. While deducing the Karmic Flame for Zhao Wan’er, the three Dao Flowers in Ye Qiu’s body were also tainted with a trace of flame aura.

Seeing this, Ye Qiu was shocked. He didn’t expect this operation to cause the Flower of Great Dao to react. On the Dao Fruit, it bloomed and bore fruit again, injecting the power of karmic flames.

It had to be said that this Red Lotus Karmic Flame was indeed terrifying. Ye Qiu had only comprehended it briefly, yet it was able to cause such a huge reaction. He could feel that his strength had increased several times.

There was a different concept under the burning of this Heaven Burning Flame.

“The wild fire can’t be burned down, but it can be reborn when the spring breeze blows? Cursive Sword, fourth sword technique, Life and Death With A Thought?”

“Hiss...”

Ye Qiu instantly sucked in a breath of cold air. He was shocked. In his hurry, he had actually comprehended the concept of the fourth sword technique and entered the realm with a thought. He grasped the fourth sword technique of the Cursive Sword Art, Life and Death With A Thought.

This was a sword technique that dominated life and death in the world. It was extremely powerful. In terms of strength, it was not inferior to the third sword technique.

...

“Phew...”

Taking a deep breath, Ye Qiu’s eyes became excited. After a long time, he finally calmed down. Now was not the time to be happy. The most important thing now was the transformation of his second disciple.

“Suppress!” With a cold shout, Ye Qiu injected another karmic flame. Zhao Wan’er’s body trembled and her face was extremely pale. Clearly, under the continuous destruction of this power, it was extremely painful and uncomfortable. However, she relied on her tenacious willpower and insisted on not disappointing her master.

“Reversing the stars, the sun and moon, suppress!”

With a cold snort, Zhao Wan’er exerted strength again and encouraged her fighting spirit. In the chaos, she comprehended the Red Lotus Karmic Flame. Under the baptism of the karmic flames, the divine bone in her body was slowly transforming. An immortal aura surrounded it, and the divine bones were gradually tainted with an immortal aura.

Seeing this, Ye Qiu knew that the last moment had arrived. He no longer held back and attacked with all his might. He reminded her, “Hold your breath. I’ll help you one last time.”

“Alright!” Zhao Wan’er replied seriously. Whether she could achieve a supreme immortal body depended on this last gamble.

“It’s starting!”

Zhao Wan’er’s body trembled and she revealed a pained expression as she felt another terrifying power pour into her body. “Un, Master’s power is so intense.”

As Ye Qiu injected the last of his power, Zhao Wan’er began to refine on the spot and enter a meditative state.

The world suddenly lit up. A shocking flame soared into the sky, and the entire Violet Cloud Peak surged. Everyone inside and outside Qin Chuan felt the terror of this strange flame. They all raised their heads and looked in the direction of Violet Cloud Peak.

“How terrifying. As expected of the strongest fire in the world. I can’t believe this power.” Qi Wuhui took a deep breath and said in shock.

The other masters also revealed terrified expressions. Today, they had personally witnessed what a true immortal technique was. Just this shocking pressure made them feel the threat of death. No one dared to say that they were confident in their entire lives when facing the enemy.

“What happened below? I’m so anxious.” Qi Wuhui said anxiously, but there was nothing he could do.

He was not the only one who was anxious. At this moment, Lin Qingzhu was even more anxious than him. She knew better than anyone that this Red Lotus Karmic Flame belonged to her junior sister. It must have been her junior sister who caused such a huge commotion. She was very worried about her junior sister’s safety, but she couldn’t take that step. She could only worry here.

In her nervousness, she could not help but clench the corner of her clothes tightly. Her snow-white dress fluttered in the wind, and the wind blew through her beautiful black hair. Under her beautiful face was a pair of worried eyes.

“Qingfeng, what happened? Why did Master Ye suddenly attack Qian Yi?” In a moment of desperation, Meng Tianzheng questioned solemnly.

At this moment, they thought that the commotion below was caused by Ye Qiu suddenly attacking Daoist Qian Yi.

Liu Qingfeng panted heavily and hurriedly explained, “Master... I don’t know why Martial Uncle Ye attacked either. I remember that Martial Uncle Ye’s gaze changed instantly after Martial Uncle Qian Yi said that he inherited the Violet Cloud lineage.

“Then, he asked Martial Uncle Qianyi about his Violet Cloud inheritance and checked his cultivation.

“Later on, Martial Uncle Ye pointed out the shortcomings of Daoist Qian Yi’s cultivation and pointed out the problem with his body.

“At first, there was no problem. Everything seemed very harmonious. Who would have thought that Martial Uncle Ye would suddenly attack and injure Martial Uncle Qian Yi with a palm, immediately crippling his foundation? I was in a hurry and didn’t dare to persuade him. I could only come back and report to you.”

After hearing Liu Qingfeng’s long explanation, everyone became more and more confused. Weren’t they getting along very well in the beginning? It was completely like an expert guiding a small cultivator and pointing out the problems in his cultivation. Why did the atmosphere suddenly change? What was Ye Qiu doing?

No one could figure it out, but the scheming Meng Tianzheng seemed to have guessed something. He immediately heaved a sigh of relief and said, “Hmm... Junior Brother Ye is not a temperamental person.

Since he's giving pointers, there must be something else. Perhaps there was indeed a problem with Junior Brother Qian Yi's foundation, so Junior Brother Ye suddenly took action and abolished his foundation. It's just that I can't understand. How is he going to rebuild his foundation?"

He couldn't figure it out. This might be the secret of Violet Cloud's inheritance. He didn't know much about this inheritance.

Everyone heaved a sigh of relief after they heard what he said. It seemed like Qian Yi was fine. However, they could not figure out where this Red Lotus Karmic Flame came from. Could it be that Ye Qiu had imparted this secret technique to him when he was guiding Qian Yi?

No... Impossible. Even if Ye Qiu wanted to impart such a powerful secret technique, he would definitely impart it to his disciples first. Next would be the disciples of the various factions of the Eastern Wasteland's Heaven Mending Sect. How could it be passed on to an outsider?

"Ah... I'm so anxious." Qi Wuhui said. The more he thought about it, the more anxious he became.

Ye Qiu was usually quiet and rarely came out to walk around. However, he always liked to cause a huge commotion. This movement had implicated the entire Heaven Mending Sect.
