

THE MOST GENEROUS MASTER EVER Chapter 283

How could they know that Ye Qiu was busy doing something big?

After the last flame entered Zhao Wan'er's body, Ye Qiu escorted her and helped her transform. Under the baptism of layers of karmic flames, her body slowly began to transform, and her blood retained the aura of flames.

Under the heat, Zhao Wan'er was drenched in sweat. However, she was not in the mood to worry about this now. She endured the intense pain and the destructive power that was continuously attacking her limbs and bones. She gritted her teeth and endured.

Boom!

With a loud bang, a powerful force was instantly expelled, and the entire hall was instantly scattered by this powerful force.

Qian Yi, who was sitting not far away and comprehending the Dao, had yet to recover from the joy of reconstructing his foundation and breaking through to the next realm. He was instantly hit by this power and slammed into the wall.

"Pfft..." Coughing out a mouthful of blood, Daoist Qian Yi cursed, "Who, who ambushed me?"

Daoist Qian Yi was really angry. He was originally happy and prepared to try again to see if he could break through to the King-Ranked realm in one go. Who would have thought that he would be interrupted by this impact and lose the chance to exert strength again?

He struggled to stand up. When Daoist Qian Yi saw the situation in the hall, his expression instantly changed.

“Immortal... immortal technique? No... How is this possible? The Heaven Mending Sect of the Eastern Wasteland, Violet Cloud Peak, actually has such a shocking immortal technique?”

He couldn't believe what he was seeing. He was incomparably shocked and froze on the spot.

...

In his heart, he had always treated their Heaven Mending Sect in Heaven Domain as the orthodox sect because the secret techniques they grasped were more comprehensive and powerful.

But now, when he saw this scene, the firm belief in his heart began to collapse. Everything in front of him completely destroyed his confidence.

Ye Qiu, who was in the hall, deduced the Heavenly Dao with one hand and the Karmic Flame with the other. He was like an immortal from heaven, standing alone in the world.

Daoist Qian Yi was incomparably shocked in his heart. Just this person alone had defeated his Heaven Mending Sect. Only Lian Feng, who had inherited the status of the Heaven Mending Goddess, could compare to such an immortal technique.

However, Lian Feng could not be said to belong to the Heaven Mending Sect of the Heaven Domain. She was the goddess of the entire Heaven Mending Sect.

Therefore, she couldn't compare to Ye Qiu, so they lost.

“Phew... This is too terrifying. Who in the world can withstand such flames? If this person appears at the summit, how will my Heaven Mending Sect deal with him?” Daoist Qian Yi thought to himself and gave up. However, after knowing this secret, he did not intend to report to the Sect Master when he returned. Instead, he chose to bury it in his heart.

This was because Ye Qiu had done him a huge favor. If it weren't for Ye Qiu's help, he probably wouldn't have been able to break through to the mid-stage Paragon realm in his life, let alone the late-stage Paragon realm. It was Ye Qiu who saved his cultivation path and pulled him back from his lost path.

He had nothing to repay him with. The only thing he could do was hide this secret for Ye Qiu. It had to be said that he was a person who knew how to be grateful. However, if Ye Qiu knew what he was thinking, he would probably say, there's no need to hide. How can I show off if you don't go out to promote?

Daoist Qian Yi stood in the hall, feeling uneasy. He didn't dare to leave because this hall was protected by Ye Qiu. Those karmic flames wouldn't be dangerous to him. However, if he left this hall, he might be melted by the karmic flames in an instant. Therefore, he could only stay here and not go anywhere.

As time passed, they heard a bang.

With a loud bang, Zhao Wan'er's body trembled and she spat out a mouthful of blood. Her face was extremely haggard and pale. However, after spitting out that mouthful of blood, her body began to undergo a tremendous change.

“It's done?”

Ye Qiu was shocked. He didn't have time to take care of Zhao Wan'er's injuries and went straight for the divine bone. He hurriedly checked and instantly discovered that the divine bone had already begun to transform. The purple runes on it gradually began to transform, slowly turning into a red color with red flames.

The immortal bone gathered a wave of power and instantly surged towards her limbs and bones. The powerful immortal power healed the injuries in Zhao Wan'er's body. Once the immortal bone was formed, Zhao Wan'er's temperament underwent a tremendous change. She was like a fairy who had descended to the mortal world, exceptionally moving.

"Master!"

Once the immortal bone was formed, Zhao Wan'er was incomparably delighted. She was just about to tell her master the good news.

Ye Qiu interrupted her and said seriously, "Don't be distracted. Now is not the time to be happy. Continue to push forward. Hold your last breath and break through in one go."

"Okay!" Zhao Wan'er nodded. She frowned and her expression became incomparably serious.

After the immortal bone was formed, there would be a chance for heaven and earth nourishment. In just an instant, powerful immortal power was activated. It pounced towards Zhao Wan'er's spiritual spring. In her prefecture sea, a terrifying power gradually boiled, and karmic flames burned.

Zhao Wan'er instantly used the True Primordial Record and began to crazily absorb this power.

"Phew..."

Seeing that the situation had finally stabilized, Ye Qiu heaved a sigh of relief. He slowly retracted his power. The reconstruction was complete. What happened next would depend on how she grasped it.

This nourishment might allow her to reach the peak of the Cardinal realm or even higher. It all depended on how much she could absorb.

Retracting his palms, Ye Qiu began to check his changes. Just now, he was focused on protecting Zhao Wan'er and didn't have time to pay attention to his situation.

At this moment, Ye Qiu took the time to comprehend his own technique. In the spiritual spring, the three Dao Flowers were already stained with the power of karmic flames.

Ye Qiu was delighted, "Hehe... Not bad. With this Karmic Flame, the power of my sword technique has increased several times. If I fight that Ancestor Pixiu again, I can kill it until it doubts life."

It was said that a battle between realms was as difficult as ascending to the heavens, but to Ye Qiu, it seemed to have become very simple. Not to mention a Martial Monarch realm expert, he even dared to say that he would kill any immortal that came. Even if the order of the Heavenly Dao didn't pressure his opponent, Ye Qiu could still kill him.

"Life and Death With A Thought."

Turning around, Ye Qiu began to study the fourth sword technique he had accidentally comprehended. After simply sensing it, he instantly sucked in a breath of cold air and was even more shocked.

"F*ck! This strike is awesome."

Ye Qiu couldn't think of any words to describe this sword. In short, only the word awesome could describe it.

"Haha... Awesome, too awesome!"

Today was another fruitful day.

Ye Qiu didn't expect that Daoist Qian Yi's arrival could bring him such a huge gain. Just based on this, I have to acknowledge this underling. In the future, if you're bullied outside, tell me their names. I'll uphold justice for you. Let's see which fool dares to bully you.

"Haha!" Ye Qiu laughed loudly and slowly stopped. He stood up from the ground. He could not hide the joy in his heart and laughed out loud.
