

THE MOST GENEROUS MASTER EVER Chapter 289

With Qi Wuhui's shout, all the disciples present instantly reacted.

"F*ck!" He slapped himself hard and said excitedly, "Damn it, I'm really not giving in. How could I be in a daze at this time?"

As he spoke, he sat down cross-legged and began to absorb it.

The other disciples followed closely behind. In less than a moment, the entire Violet Cloud Peak was filled with people. Fortunately, this wave of nourishment was shocking enough. It was completely enough for all of them to absorb for a few days and nights.

In the end, Ye Qiu didn't care what realm they could reach. It would depend on their own luck. However, from the looks of it, Qi Wuhui really had a chance to break through to the King-Ranked realm.

It had to be said that this old kid was really lucky. Back then, a Resurrection Pill saved his life and even helped him break through to the Paragon realm. The remaining power in his body was abundant and full of vitality. It seemed to have rejuvenated his second spring, and his cultivation had really advanced by leaps and bounds.

Other than Qi Wuhui, there was another person present who could break through to the King-Ranked realm, Ming Yue.

She did not say a word from beginning to end and only silently absorbed it. Perhaps it was the stubbornness in her heart that made her like this. Ever since she felt that she was getting further and further away from Ye Qiu, she began to fall silent. She cultivated every day, forgetting to eat and sleep. She had also reached the peak of the Paragon realm. She was just missing this opportunity to break through to the King-Ranked realm.

Looking at the sweat on her pretty face, Ye Qiu looked at her with heartache and didn't disturb her. He knew very well that his Little Senior Sister was a very competitive person. If not for her limited aptitude, how could she have fallen behind so much with her hard work?

"Sigh..." Ye Qiu sighed and felt helpless. This might be the cruelest thing on the path of cultivation.

He had never cared about Ming Yue's cultivation, but this matter seemed to be a knot in her heart. She consciously felt that she wasn't worthy of Ye Qiu. During this period of time, she had deliberately kept a distance. She only silently worked hard.

...

Every time he wanted to help her, he was rejected by her. This made Ye Qiu very helpless.

"Master!"

Just as Ye Qiu was in a daze, Lin Qingzhu's voice came from behind. Ye Qiu turned around and immediately covered his forehead.

"Oh... Why are you still standing there? Hurry up and absorb it."?Look at my silly disciple. The disciples of the other peaks have already begun to absorb crazily, afraid that they would absorb less than others if they were a second later. However, she actually stood there foolishly and remained unmoved.

"Ah... Oh..."

Lin Qingzhu was stunned for a moment and immediately came back to her senses. She thought that her master had some special arrangements for her. It seemed like she was thinking too much.

Lin Qingzhu curled her lips and cursed herself. She hurriedly sat down and prepared to start cultivating.

Unexpectedly, Ye Qiu suddenly interrupted her and said, "Forget it, follow me."

Ye Qiu turned around and looked at his second disciple, then at his eldest disciple. He felt a little conflicted. Now that his second disciple had taken off, he did not have to worry about her cultivation for the time being.

However, this eldest disciple was still in the Cardinal realm. Her aptitude had not changed at all. Although she had his help, she would not fall too far behind with such aptitude. However, he could not be by their side forever. She had to learn to grow up on her own one day.

After thinking about it seriously, Ye Qiu decided to be ruthless. After all, this eldest disciple was the true darling. He could not let her suffer.

"Let's go."

After softly instructing Zhao Wan'er to maintain order here, Ye Qiu brought Lin Qingzhu to the back mountain, Violet Cloud Cave Abode. He was prepared to bring his disciple into seclusion for a period of time. It was a good opportunity to organize the treasures he had just obtained.

The current Ye Qiu could be said to be rich. He was full of confidence and felt very comfortable.

Lin Qingzhu followed her master into Violet Cloud Cave Abode, feeling extremely nervous. She couldn't help but think to herself, "Why did Master bring me here? Could it be that he has something special to give me?"

Thinking of this, she smiled sweetly in her heart and became even happier. As long as it was from her master, she would like it no matter what it was.

After entering Violet Cloud Cave Abode, Lin Qingzhu immediately saw Little Linglong sleeping in the lotus pond and instantly became excited.

“Linglong...”

Just as she called out and was about to go over to see Little Linglong, Ye Qiu hurriedly stopped her and said, “Don’t go over. Your junior sister is currently in the midst of her transformation. She can’t be disturbed.”

Hearing her master’s serious instructions, Lin Qingzhu resentfully retracted her foot. However, her gaze never left Little Linglong’s figure. She must have missed the days without Little Linglong recently.

“Alright, I know that you all miss Little Junior Sister, but now is not the time.” Ye Qiu gently comforted her and said, “Disciple, as the master of Violet Cloud Peak, you should feel a little nervous.”

“Now that Wan’er has broken through to the Paragon realm, her strength has advanced by leaps and bounds. Little Linglong will at least be at the Martial Monarch realm when she wakes up after this deep sleep.”

“As their senior sister, you can’t fall too far behind.”

As soon as these words were spoken, Lin Qingzhu's eyes darkened. Her heart trembled and she blamed herself. How could she not want to increase her strength? She had always been working hard. However, her aptitude was just like that. What could she do?

"Master, I understand. I will work hard."

Lowering her head, Lin Qingzhu pursed her lips and gritted her teeth. She had always known her shortcomings were due to her foundation. Her starting point and progress had always been much slower than those true geniuses.

Previously, news came from outside that Fuyao of the Jade-Lake had already entered the forbidden land for seclusion and inherited the Jade-Lake Fairy's technique. The moment she came out of seclusion would be the moment the gap between them widened.

He Wushuang of the Heavenly Lake had also entered the forbidden area for seclusion. This Heavenly Saint had always kept a low profile. It was very easy to create the illusion that his potential was only so-so.

But was that really the case?

Lin Qingzhu naturally didn't believe it, so she felt a huge pressure from inside out. It forced her to think about this question seriously. Was she really qualified to compete with these people? Although she had already reached the peak of the Cardinal realm and was temporarily in the lead, she also knew in her heart that everything she had was given to her by her master. It had nothing to do with her personal ability.

Ye Qiu's heart ached when he saw her pitiful gaze. He was even more certain that he wanted to help his eldest disciple improve her physique.

“Sigh...” Ye Qiu only sighed and shook his head. He continued, “Silly girl, remember my words. In my heart, you have always been the most outstanding person. Don’t worry, I’m here. I won’t let you suffer at all.”

Ye Qiu gently brushed her beautiful hair. Lin Qingzhu looked up at him with a trace of tears in her eyes. The emotions in her heart were difficult to hide.

“Master,” She hugged her master tightly. This warm embrace made her feel completely safe.

“Alright, how old are you? Why are you still crying every day?” Ye Qiu teased and brought her to another cave, preparing to modify her.
