

THE MOST GENEROUS MASTER EVER Chapter 297

After a while, before Ye Qiu could speak, Liu Qingfeng collapsed and knelt down.

“Martial Uncle, I beg you. Please use your divine power to save my master’s life. I’m willing to exchange my life for it.”

Ye Qiu was deeply touched and gratified when he saw his sorrowful gaze. Senior Brother had taken in a good disciple.

He could understand Liu Qingfeng’s feelings very well. It was the same feeling he had back then. He had suddenly lost the most important person in his life. The loss of control of his emotions was difficult to hide.

Even Lin Qingzhu and Zhao Wan’er felt their hearts ache.

They didn’t dare to think about it. If the person lying on the ground was Ye Qiu, their reaction might be even worse than Liu Qingfeng.

“Master!”

Lin Qingzhu tugged at Ye Qiu’s clothes and wanted to say something, but Ye Qiu signaled her to be quiet with a look. Then, he said, “All of you, move aside.”

As soon as these words were spoken, everyone was delighted. Ming Yue said in surprise, “Junior Brother, can you really save him?”

Even Qi Wuhui couldn’t sit still anymore. Joy surged into his heart. I knew this kid could do it. He really could do it. Back then, I was already dead so thoroughly, but he could still save me. Senior Brother’s problem was nothing.

Hearing Ye Qiu's words, Qi Wuhui immediately felt that he no longer had to worry after this round. He was prepared to see how Ye Qiu would revive him.

Ye Qiu turned around and looked at Ming Yue. He smiled and said, "What's so difficult about that? It's just a small matter. I can revive Senior Brother with a flick of my finger. Not only that, I still have to give him some good fortune."

As soon as these words were spoken, everyone was delighted. No one present thought that Ye Qiu was bragging.

If he said he could, he definitely could.

Liu Qingfeng was so grateful that he kowtowed a few times on the ground. He was so excited that he didn't know what to say.

"Move aside."

Ye Qiu slowly walked to Meng Tianzheng's side and revealed a faint smile. He took out a Resurrection Pill.

That's right, it was the immortal pill he used to save Qi Wuhui.

As soon as this pill appeared, the entire cave fell silent. Everyone immediately sucked in a breath of cold air.

“Gasp... Immortal pill. Where did this guy get so many immortal pills? And the effects are each more terrifying than the other.”

Qi Wuhui was shocked. When Ye Qiu saved him, he had already used one. Later on, when he was fighting Tianmeng, he used two more. How many did he have?

How could he know that Ye Qiu had more than a hundred of these pills? He was so poor that he only had immortal pills left.

“Hehe...”

Ye Qiu smiled when he saw their shocked expressions. He slowly walked up to Meng Tianzheng and fed him one. He continued, “The root of trouble in Senior Brother’s body has accompanied him for a hundred years. It’s not a simple matter to completely eliminate it.

“In the next forty-nine days, I want you to guard Violet Cloud Cave Abode and protect me to stabilize the sect’s situation. Sect Master has passed away. The situation is dangerous. Someone has to take charge of the situation. Otherwise, it will easily cause chaos.”

Ye Qiu turned around and said seriously. Qi Wuhui and Ming Yue nodded.

Qi Wuhui said, “Don’t worry, Junior Brother. With me around, they won’t be in chaos.”

Ming Yue also nodded and said, “I’ll protect Violet Cloud Cave Abode. Senior Brother, go out and take charge of the situation. In case some people outside take advantage of the chaos to affect our sect’s foundation.”

The people Ming Yue mentioned seemed to be referring to something.

On the surface, the Heaven Mending Sect looked very harmonious, but on the surface, there was always one person maintaining the balance, and that was Meng Tianzheng. If he died, some people would definitely want to do something. After all, there were all kinds of people in the sect.

There were all kinds of descendants of large families and factions mixed in. Once there was a conflict of interest, it would definitely cause chaos.

“Hmph, I want to see how they want to rise.” Qi Wuhui snorted coldly, his eyes revealing a trace of cold killing intent. He turned around and walked out of Violet Cloud Cave Abode, leaving this place.

Ye Qiu looked at him deeply and didn’t say anything. He turned around and said to his two disciples and Liu Qingfeng, “You guys should go too.”

“As you wish.”

Lin Qingzhu nodded and replied. The three of them left Violet Cloud Cave Abode at the same time.

Only Ye Qiu, Meng Tianzheng, Ming Yue, and the sleeping Little Linglong were left.

Ye Qiu slowed down and teased, “Senior Sister, I’ll have to trouble you next.”

Ming Yue blushed when she met his teasing gaze and realized that he was staring fixedly at the little rabbit on her chest.

“I’m so angry. Why are you still joking at a time like this?”

Ye Qiu smiled and turned around to return to Meng Tianzheng. At this moment, he had already eaten the Resurrection Pill. The medicinal effect had already begun to take effect, and the vitality in his body was rapidly increasing.

Just one Resurrection Pill was enough to save his life, but Ye Qiu didn't want to end it so rashly. He wanted to completely eliminate Meng Tianzheng's root of trouble, let him regain his vitality, and give him another great fortune. He had done too much for the Heaven Mending Sect all these years. Ye Qiu also wanted to do something for him.

Therefore, Ye Qiu's original plan of using the Heaven and Earth Nourishment for the Heaven Mending Sect's disciples had changed. It was better to give it to Meng Tianzheng than to those disciples.

After all, most of those disciples were good disciples who cared about the sect, but there were also some ingrates.

Ye Qiu slowly pushed out his palm.

In an instant, the world suddenly changed color. A shocking power circled around the mountain stream. Dark clouds instantly covered the sky above Violet Cloud Peak.

Outside the hall, everyone looked up at the sky with surprised expressions.

"It's Martial Uncle Ye. Martial Uncle Ye has displayed his divine power."

The originally quiet and nervous square instantly became excited because of this action. They firmly believed that as long as Ye Qiu took action, he would definitely be able to save the Sect Master.

At this moment, the news of Meng Tianzheng's death swept through the entire Eastern Wasteland like a violent wind.

Some were happy, while others were sad. Because his position was too special, it caused a huge commotion.

“Meng Tianzheng actually passed away?” Jiang Jiezhi said in disbelief in the Jade-Lake.

He had just received this news and was extremely shocked.

.

At such a critical moment when the Eight Desolates gathered and the Path to Heaven opened, as the Sect Master of the Heaven Mending Sect, the number one holy land in the Eastern Wasteland, Meng Tianzheng actually passed away at this critical moment.

What did this mean?

Some people guessed that it was a sign of imminent chaos.

For a moment, the entire Eastern Wasteland was filled with worry. Everyone felt the pressure of danger. At the same time, this news also spread to other domains. Some Holy Lands were very happy when they heard this news.

“Haha... The Sect Master of the number one holy land in the Eastern Wasteland actually died just like that. I thought that the Heaven Mending Sect was our greatest opponent this time. I didn’t expect to worry too much.”

“Their Sect Master has just passed away and the entire sect is in grief. It’s definitely impossible for them to recover in a short period of time. It’s time for us to exert our strength.”

For a moment, the surroundings were in an uproar. The death of a sect master was a very heavy blow to the sect.

If the new Sect Master did not stabilize the situation in a short period of time, it would cause internal strife in the sect and kill each other. After all, this position was too powerful. It was impossible for anyone to give up.

Therefore, many Holy Lands were already prepared to watch a good show.

However, to their disappointment, not only did the internal strife they imagined not happen, the entire Heaven Mending Sect seemed peaceful and quiet. They did not mourn, nor did they announce the new Sect Master. It lasted for several days without any movement.
