

## THE MOST GENEROUS MASTER EVER Chapter 302

As the golden lion appeared, the entire East Sea erupted.

In the crowd, Daoist Tiantong's expression was terrifyingly gloomy as he looked at the insufferably arrogant Golden Lion. He looked down as if he was looking down on all living beings. His proud head was raised high the entire time.

"Golden Lion! Legend has it that it's a descendant of the Immortal Ancient's golden bloodline. During the Chaotic Era, it was a dominator-grade descendant with a monarch's bloodline."

Looking at the golden lion, the expressions of the people from the Eastern Wasteland darkened. How could they match such a natural born supreme being? He had a golden bloodline from birth and was a Paragon expert from the start. How could you fight him?

"Master, looks like it won't be easy for our Eastern Wasteland to gain a foothold here this time." He Wushuang said with a solemn expression when he saw the Golden Lion.

He had tried his best and used the help of the orthodoxy to barely reach the peak of the Cardinal realm. He was only one step away from the Paragon realm. He originally thought that he could be considered an expert here, but as soon as this golden lion appeared, he instantly suffered a blow in his heart.

"Phew..." Daoist Tiantong felt the pressure multiply. He took a deep breath and said helplessly, "There's nothing I can do. Their ancestors were once glorious. He had a golden bloodline and was born a Paragon. My Eastern Wasteland is originally a barren land. There are even fewer monarch and king's descendants. Now, we can only take it one step at a time."

The appearance of the underwater immortal palace attracted countless geniuses from various domains.

Daoist Tiantong did not know what to do.

“Look, another Paragon has descended.”

The crowd suddenly became chaotic. Light descended from the sky and a white light flickered. From the clouds, a snow-white tiger walked out.

As soon as the white tiger appeared, the golden lion immediately put away his arrogant gaze and cast his hostility at that tiger.

This was an Immortal Ancient bloodline from the Mystic Domain. It was a Bloodthirsty White Tiger. It was violent by nature and loved to kill. The strength of a natural born Paragon was unfathomable.

.....

Even the golden lion did not dare to say that it was confident of winning.

As soon as the white tiger appeared, he instantly looked at the golden lion with hostility. He turned around and looked at the human cultivators below. “A bunch of ants dare to come here to join in the fun?”

With a cold shout, the white tiger’s killing intent erupted. It instantly called out to its followers behind it and said, “Kill them.”

In an instant, hundreds of followers charged down from behind, preparing to kill all the human cultivators below.

In the eyes of the white tiger, he only recognized opponents who could compete with him in terms of bloodline. Clearly, the human race was not among them.

Therefore, his actions were very direct, which was to kill.

The expressions of the disciples of the various Holy Lands below instantly changed when those hundreds of followers charged over.

“Damn it, we didn’t provoke him, but he actually wanted to kill us.”

“F\*ck, let’s fight it out with him.”

In an instant, everyone began to form a formation to deal with the enemy. A bloody battle inexplicably began.

The Golden Lion ignored the White Tiger and watched quietly. He did not like to kill like the White Tiger, but he also looked down on these weak human cultivators.

A bloody battle erupted. The Eastern Wastelands camp was the first to be attacked.

This was because their strength was the weakest among the many factions. They are definitely the first to be cleared.

.

At this extremely dangerous moment, a clear light flickered. A green lotus descended from the sky and gradually bloomed at the bottom of the sea.

This sudden scene shocked everyone into looking up. They saw a white figure vaguely appear in the light screen, like a white lotus growing in the darkness. It was so dazzling.

“It’s Fairy Fuyao!”

Everyone was delighted. The figure behind the screen was the person from the Jade-Lake Holy Land, Fuyao, who had already obtained the status of the Jade-Lake Fairy.

Fuyao suppressed the world with one hand and instantly activated her Paragon power. She instantly swept through the hundreds of experts and looked at the white tiger in the sky. Her aura was not inferior to the other party at all. The faint immortal aura made her seem even more holy.

“Interesting... There’s actually such a person in the Eastern Wasteland?”

Fuyao’s appearance immediately attracted the white tiger’s attention. After taking a closer look, he discovered that there seemed to be an extremely terrifying figure standing silently behind Fuyao to protect her.

Seeing this, the white tiger immediately understood something. It sneered and said, “So you’re the successor of some big shot. I thought you were some shocking genius.”

After saying that, the white tiger suddenly attacked. A furious roar shook the sky, and an instant of power swept over, stirring the entire East Sea.

The white tiger runes were revealed, and the terrifying power made the onlookers feel pain.

In the fog, Fuyao formed hand seals with both hands, using the Heaven and Earth Suppression Technique to perfection.

The two sides fought for the first time. The powerful force suppressed the Nine Heavens and a tsunami rose.

“Hiss...”

“Is this the top battle of the strongest geniuses in the world?”

“It’s terrifying...”

This earth-shattering battle of spells shocked everyone until their expressions changed drastically. They could not understand the profundity of it at all. From the state of both sides, they could roughly determine that this probing move was on par.

However, how could they know Fuyao’s current physical state?

She naturally understood very well that she was already at a disadvantage in that strike just now. She was just holding on and not letting herself show any signs of defeat. She couldn’t help but praise in her heart. As expected of a golden bloodline, her combat strength was indeed terrifying.

After exchanging a single move, the white tiger clearly knew Fuyao’s background. A trace of admiration flashed across its eyes. He said, “Human woman, you’re not bad. All these years, there are very few people who can withstand a single strike from me.

“You being able to block my attack proves that you’re outstanding enough. I admire a genius like you very much. I’ll give you two choices. Either you become my pet and serve me, or you die.”

At this point, the white tiger’s eyes turned cold. He liked to step on the geniuses respected by the world. That feeling was very wonderful. If he could not take her in as a pet, he could only kill her. He also did not allow anyone to threaten his status.

“Hiss...”

“What arrogance. He actually wants Fairy Fuyao to be his pet?”

As soon as the white tiger said this, the expressions of everyone present changed. No matter what, Fuyao was still the nominal successor of the Jade-Lake Fairy and had great fortune. How dare he be so arrogant?

For a moment, everyone was incomparably angry. Humiliating Fuyao was equivalent to humiliating them.

The White Tiger was completely looking down on the Eastern Wasteland’s orthodoxy. In his eyes, all of them were like trash.

“Damn it! This damn animal actually dares to underestimate us.”

Everyone was holding back their anger.
