

THE MOST GENEROUS MASTER EVER Chapter 306

Zhao Wan'er faced death calmly and did not retreat at all.

Li Yuan was furious after hearing this. It was as if there were thousands of flames of anger in his chest that erupted uncontrollably.

"What arrogance. I don't care whose disciple you are today. I will kill you to pay for his life. How dare you kill the direct descendant of my White Tiger Clan with a golden bloodline? Even if Ye Qiu came personally today, he has to give me justice." Li Yuan shouted angrily. The pain of losing his son had already made him lose his rationality.

Hearing his murderous words, Lu Feng glanced at Zhao Wan'er, who was standing in the cold wind and looking slightly helpless.

That petite body stood in front of everyone. Lu Feng shook his head and sighed. "Sigh... Have my hundred years of cultivation been wasted? I actually let a junior stand in front of me at a time like this."

After saying that, a look of death flashed across Lu Feng's eyes. Before he walked out, he secretly opened a secret scroll and turned into a stream of light that flew towards Violet Cloud Peak.

After quietly doing this, Lu Feng slowly walked out. He said coldly, "Hmph, the life of your golden bloodline is your life. Isn't the life of a human disciple my life? Sir, are you bullying my Heaven Mending Sect for having no one?"

For a moment, the atmosphere gradually became anxious. It was as if a huge battle was about to begin. No one from the Heaven Mending Sect retreated in the face of the pressure of the King-Ranked aura.

This generation of disciples had been baptized by blood. The fighting spirit and courage in their hearts could withstand the test. Compared to this white tiger, the female demon back then was even more terrifying. Didn't they not retreat either?

Zhao Wan'er's heart trembled when she heard Lu Feng's words. She turned around and looked at this low-key Martial Uncle. She did not expect Martial Uncle Lu to stand up for her at a time like this. She originally wanted to bear this karma alone, but Lu Feng's words directly influenced all the new generation disciples.

A cold sneer came from the crowd. "Ridiculous. What dogsh*t golden bloodline? So what if we killed it? What can you do? Why would my Heaven Mending Sect need to explain to you?"

For a moment, all the disciples of the Heaven Mending Sect were filled with righteous indignation. They replied angrily without any intention of retreating.

Seeing this scene, Li Yuan was furious and almost vomited blood. He never expected that as an Immortal Ancient big clan in the Mystic Domain, he would be provoked by a group of ants today. This was looking down on the might of his White Tiger Clan.

Under his anger, Li Yuan laughed loudly. "Haha! Good, very good! Heaven Mending Sect? Hmph, you're just a small orthodoxy. How dare you provoke my White Tiger Divine Clan. Today, even Ye Qiu can't save your lives.

"Die!"

In an instant, Li Yuan roared towards the sky. A lightning cage instantly descended from the sky.

For a moment, everyone from the Heaven Mending Sect was trapped inside. Such divine might suppressed everyone until they could not raise their heads. How could they withstand the power of a King?

The battle officially began with Li Yuan's furious shout. The flickering lightning kept emitting dazzling sparks.

Everyone present was dumbfounded.

“Looks like the Heaven Mending Sect will be completely wiped out in this battle.”

Seeing this situation, Daoist Tiantong and Jiang Jiezhong looked at each other and saw a trace of admiration in each other's eyes. In this crisis, what made them incomparably impressed was that not a single disciple of the Heaven Mending Sect retreated. They envied the unity and courage of this orthodoxy.

“Hmph, you have no right to criticize my Eastern Wasteland.” As if he had made up his mind, Daoist Tiantong shouted coldly and instantly drew his sword.

Seeing him suddenly attack, the other Holy Lands of various sizes seemed to have received a call and their blood instantly boiled.

They had waited a long time for this moment. Ever since they came here, they felt all kinds of disdain from the geniuses of the other domains. There was a ball of fire in their hearts.

Zhao Wan'er had saved their reputation. How could they stand by and do nothing in this situation?

“Haha... White Tiger God Clan? A bunch of arrogant animals actually dare to call themselves a god clan. My human race is the orthodox of the world.”

While everyone was at a loss, tens of thousands of figures joined the battlefield with the Jade-Lake and Heavenly Lake Holy Lands as the leaders.

In an instant, they split the lightning cage. The moment they attacked, tens of thousands of white tigers pounced down from the sky.

“Ant, you dare to boast shamelessly.”

Everyone was shocked when they saw this scene. No one expected the White Tiger Clan to attack completely in this battle. There were actually many experts above the Cardinal realm among the tens of thousands of white tigers.

For a moment, a bloody battle completely erupted. Above the Heavenly Abyss, Li Yuan’s eyes were filled with killing intent as he locked onto Zhao Wan’er.

“Today, I want to see who can save you.”

Li Yuan was filled with killing intent. He shouted angrily and instantly slapped down with his palm.

Zhao Wan’er’s expression was solemn. She didn’t dare to be careless at all. She knew very well that she had no chance of making a mistake when facing a King-Ranked powerhouse. If she was not careful, she would die on the spot. However, it did not mean that she did not have the strength to fight.

If she was the previous her, she would definitely die when facing Li Yuan. However, it was no longer the same as before. She felt the restless immortal bones in her body emitting an earth-shattering power that continuously baptized Zhao Wan’er’s body.

She slowly closed her eyes, as if she was enduring the baptism of holy light.

The immortal bone stimulated the Red Lotus Karmic Flame in her prefecture sea, making it dozens of times stronger. The five spiritual springs in her body began to surge with powerful energy.

Zhao Wan'er closed her eyes tightly and a faint smile appeared on her face.

“Master was right. This immortal bone contains endless power. It can only unleash its greatest power when you are close to despair.”

Under the stimulation of the immortal bone, Zhao Wan'er's heart became firm.

“King-Ranked powerhouse? Hmph... I'm fighting a King-Ranked powerhouse.”

With a cold shout, she instantly used the Infinite Universe Palm. In an instant, the world changed and a heat wave attacked.

When that divine technique was used, it felt like it could cover the sky. The instantaneous change covered more than half of the sky.

“Infinite Universe Palm!”

Seeing this scene, Lu Feng sucked in a breath of cold air. He was very familiar with this secret technique. Wasn't this Ye Qiu's ultimate technique? When did Zhao Wan'er learn it?

This sudden change shocked everyone. Even the disciples of the Heaven Mending Sect did not know when Zhao Wan'er had learned this move.

As she activated it, the laws of heaven and earth suddenly changed. A supreme divine might instantly erupted, and it actually did not belong to the aura of the Li Yuan.

“Suppress!”

Zhao Wan'er instantly opened her eyes as the power of heaven and earth suddenly distorted.

The burning karmic flames instantly covered the sky and burned the imprisoned cage to ashes.

Li Yuan was shocked. He was actually unable to control this shocking flame. He could only give up on attacking and slowly retreat.
