

THE MOST GENEROUS MASTER EVER Chapter 311

“Damn it...”

At this moment, in the sky, the six Perfected Immortals were instantly enraged when they saw their teammates being kicked flying and severely injured.

The leader suppressed the anger in his heart and slowly walked out, glaring at Lian Feng.

“Who are you? How dare you interfere in the matters of my White Tiger God Race. Could it be that you want to be our enemy?”

Lian Feng did not move in the face of his threat. “So what? White Tiger God Race? Heh... They’re just a bunch of trash who survive in the cracks. They dare to come to this world to cause chaos?”

“You!”

Lian Feng’s words were extremely lethal. The white tiger leader was instantly so angry that he vomited blood. It was as if the scar in his heart that he was most unwilling to reveal had been exposed by Lian Feng.

Facing his anger, Lian Feng did not retreat at all. Instead, she continued to take a step forward.

“A bunch of trash who only know how to bully the weak. Your clan was lucky enough to survive the chaos in Immortal Ancient. You didn’t dare to show your face in the era of heroes, but now you dare to show off in the mortal world? What’s so good about bullying children? Come and bully me.”

With just a few words, Lian Feng angered the six True Immortals into anger. It was as if in her eyes, these things that their race treated as secrets were not secrets.

“Impudent! Attack together and kill her!”

The leader of the white tigers, Li Chou, shouted angrily, and the other five Perfected Immortals instantly charged out.

The battle was about to begin. Lian Feng was calm in the face of the siege of six Perfected Immortals.

.....

Today’s battle was to completely crush the dignity of this clan and return the name of the Heaven Mending Sect to its original position.

One against six?

“My Heaven Mending Sect doesn’t fear anyone in the world. Bring it on.” Lian Feng shouted coldly and domineeringly. She pushed with both hands, and in an instant, a seven-colored divine light erupted.

In the dazzling fireworks, the power of the Heaven Mending Technique was maximized.

After inheriting the Heaven Mending Goddess status, she had successfully grasped the true profundity of the Heaven Mending Technique. This technique also truly touched the immortal technique, Ling Yue. This was the true Heaven Mending Technique.

When it was used in her hand, the expressions of everyone in the Heaven Mending Sect changed drastically.

They had all seen the Sect Master use the Heaven Mending Technique, but it was far from being able to reach this level.

It was deduced by Lian Feng as if she was the savior of the world, holy and flawless.

The power of Heaven Mending that emitted seven-colored light instantly enveloped the entire East Sea.

For a moment, some of the mysterious experts watching in the dark revealed terrified expressions.

A world-shaking battle erupted. Lian Feng activated the Heaven Mending Immortal Technique and suppressed six Perfected Immortals alone without being at a disadvantage. Even after the Perfected Immortal who was kicked away by Lian Feng joined the battlefield, nothing changed.

“Oh my god, this is too terrifying.”

Everyone was shocked, including the Heaven Mending Sect. This was because this peerless Empress who had suddenly appeared was here to help them. However, they could not understand why the other party wanted to help them.

“Ahem ahem...”

In the battle, Lu Feng, who had yet to die, struggled to stand up again. When he saw this scene, he was also shocked.

Seeing that he had woken up, Lin Qingzhu and Zhao Wan'er hurriedly walked over to take care of him.

“Martial Uncle, are you alright?” Zhao Wan'er asked with concern. Lu Feng was injured because he saved her, so he was very grateful to this Martial Uncle who rarely spoke.

“Ahem... I’m fine.” Lu Feng coughed heavily. He said that he was fine, but in reality, a few of his ribs had been completely broken and his body had suffered a fatal blow. If not for his tenacious will, he would have died.

Lin Qingzhu immediately saw through his physical condition. She hurriedly took out a Connate Extreme Spirit Pill and handed it to him, saying, “Martial Uncle, this pill can help you recover from your injuries. Quickly eat it.”

Lu Feng was also shocked when he saw Lin Qingzhu take out a Connate Extreme Spirit Pill.

“Ah, Martial Niece Lin, this won’t do. What right do I have to withstand such a precious gift from you?”

Lin Qingzhu said unhappily, “Martial Uncle, why are you still being so polite to us at a time like this? It’s just a pill. We don’t know how to repay you for risking your life to save Wan’er.”

“Haha,” Lu Feng smiled miserably and said, “I’ve lived for more than a hundred years and have lived enough. But you’re different. Your future is still long. It’s worth it to use my old life to exchange for the lives of you young people.”

Hearing his words, all the disciples at the side were touched. For a moment, their gazes became incomparably respectful.

“Martial Uncle...” Lin Qingzhu was touched and said, “Hurry up and eat this pill. The situation is dire now. We’re still counting on you to control the situation.”

At this point, Lu Feng hesitated for a moment. He turned around and looked at the expectant gazes behind him.

“Okay,” He did not refuse anymore. He took the Extreme Spirit Pill and swallowed it. In an instant, a shocking power began to rapidly repair the injuries in his body. In a short moment, he completely recovered.

Lu Feng was also shocked by this terrifying recovery ability. He said, “There’s actually such a magical pill in the world. Martial Niece Lin, who refined this pill?”

Zhao Wan’er replied with a smile, “Hehe, it’s my master.”

“Oh? So it’s Junior Brother Ye...”

Lu Feng was shocked, but he quickly let it go. He couldn’t help but admire Ye Qiu a little more. It was no wonder that he could maintain his undefeated record with such a terrifying recovery pill.

Returning his gaze to the battlefield above, Lu Feng frowned as he watched the peerless Empress suppress seven Perfected Immortals alone. He was also shocked and said, “Martial Niece Lin, do you know where this Empress came from? Why did she help us?”

He asked the question in everyone’s hearts.

Hearing this question, Lin Qingzhu hesitated for a moment. She gritted her teeth and said, “She’s my master’s wife.”

“What!”

As soon as these words were spoken, everyone was shocked.

“Oh my god, is our Martial Uncle Ye that fierce? He can even suppress such a powerful woman?”

This shocking news instantly shocked everyone in the Heaven Mending Sect. Who would have thought that this peerless empress was actually from Violet Cloud Peak? Didn't that mean that their Heaven Mending Sect now had two Martial Monarchs?

As soon as this news was released, even Lu Feng could not remain calm. He couldn't help but laugh.

“Haha, look what I've discovered. No, no. When I get back, I must tell my fellow senior brothers about this. This peerless empress is actually Junior Brother Ye's Dao companion? This news is definitely explosive. Junior Brother Ye, oh Junior Brother Ye, you hid it well.”

Lu Feng seemed to have discovered a shocking piece of gossip. His worried old face immediately lit up.

It was as if what happened in front of him couldn't compare to the gossip about Ye Qiu.
