

THE MOST GENEROUS MASTER EVER Chapter 315

Hua Feiyu's face instantly darkened after being berated by Lian Feng. Gradually, he mocked himself and fell into self-doubt. He claimed to be invincible among his peers and the most eye-catching existence among the younger generation.

However, he appeared so afraid in the face of a being like Li Tian.

Was he qualified to compete with Ye Qiu? He couldn't help but ask himself. Back then, Ye Qiu didn't show any fear when facing enemies several times stronger than him. Instead, he killed an immortal with a single strike and completely became famous.

Under his light, Hua Feiyu looked even more dim and gradually disappeared from everyone's sight.

In the current Great Desolate World, everyone was talking about the Heaven Mending Sect's Sword Immortal. However, very few people mentioned the peerless Saint of Mount Yao who had passed the test of the three thousand stone paths.

He could clearly see the trace of disgust in Lian Feng's eyes. At this moment, he understood. He would never have this chance again.

After Lian Feng finished berating Hua Feiyu, she turned around and stared coldly at Li Tian. She said, "Old thing, with me here today, don't even think about taking anyone away."

"You!" Li Tian was furious by these words. He threatened, "Heaven Mending Goddess, you have to think carefully. Do you really dare to become enemies with my White Tiger God Clan for two little girls?"

“Cut the crap. My Heaven Mending Sect has never feared any enemy in the world. I don’t care if you’re a god or an immortal. If you want to fight, then fight.”

Lian Feng protected her children domineeringly and did not retreat at all.

Her words were undoubtedly the most effective calming pill for Lin Qingzhu and Zhao Wan’er. They were extremely touched. They did not expect their master’s wife to support them so much.

At this moment, Lian Feng had completely become their Mistress.

Li Tian was instantly enraged when he heard Lian Feng’s words. “Haha, good, very good... Heaven Mending Pavilion? They have their own way of courting death. Then don’t blame me for being rude. Do you really think that I’m afraid of those old fellows from your Heaven Mending Pavilion?”

.....

At this moment, Li Tian couldn’t care less. He had to teach Lian Feng a lesson and let her know what it meant to be arrogant. He was not afraid even if the old monsters above personally came down.

In an instant, Li Tian let out a long cry towards the sky. The color of blood instantly dyed the East Sea red, and the world trembled.

In the blood mist, Li Tian’s body became larger and larger. A terrifying pressure instantly pressed down.

Lian Feng staggered and could not stand steadily. She was extremely nervous. She had never fought such an opponent before, so she was a little inexperienced.

With a raise of her hand, the Heaven Mending Technique went all out, and an equally terrifying power erupted.

The entire East Sea was in chaos after the earth-shattering battle. All living beings were trembling in fear.

“Oh my god, it’s a battle between immortals. Everyone, be careful. A single aftershock can easily kill us in a battle of this level. Don’t get close.”

All the immortal holy lands and large clans were trembling in fear, not daring to approach that domain at all.

Under the powerful eruption of the Heaven Mending Technique, the blood curtain was vaguely about to be torn apart. Li Tian snorted coldly. “Hmph, you don’t have the qualifications to fight me. If not for your special status, I would have killed you today.”

As soon as he finished speaking, Li Tian glanced over coldly. In an instant, a blood-colored light shot out and instantly disintegrated Lian Feng’s domain. Then, he prepared to trap her in the lightning cage.

Lian Feng used all her strength and prepared to break the shackles in one go. However, she did not have any Dharma artifact that could tear through the Immortal Dao domain. She had suffered a huge loss.

After Li Tian imprisoned Lian Feng, he waved his hand and a terrifying force rushed towards Lin Qingzhu and Zhao Wan’er in the crowd.

“Be careful!”

Lian Feng panicked when she saw this scene. However, she was still imprisoned and could not break free at all. She could only watch as the two girls were swept away by Li Tian.

This sudden change caught everyone off guard. Lu Feng watched as his two martial nieces were taken away. He roared, "Stop him."

As they spoke, everyone moved out together in an attempt to stop Li Tian. However, the other party's force forced everyone back.

At this critical moment, a stone sword emitting blood energy suddenly tore through the sky. In just a breath, it cut the Qi in half.

In their panic, Lin Qingzhu and Zhao Wan'er's faces were pale. After losing their restraints, they fell from the sky. The stone sword turned around and caught them. The two of them attached themselves to the sword and were still in shock.

Lin Qingzhu reacted in time. She touched the sword under her feet and felt extremely wronged.

"Immortal Slayer, Master is here..."

At that moment, it was as if she had found her soul. The grievance in her heart had finally found its source.

The moment the Immortal Slayer appeared, the expressions of everyone present changed. Many people's eyes flashed with fear. Clearly, they all recognized this sword.

Hua Feiyu had the most complicated expression. No one knew this sword better than him. It was not so much a sword as the owner of this sword.

"Ye Qiu!"

"What!"

The crowd trembled when they heard this familiar name. Everyone looked around, trying to find that extraordinary figure.

In the lightning seal, Lian Feng was stunned. For the first time, a happy smile appeared on her cold face.

“He’s here.”

At this moment, all the worries in her heart seemed to have been dispelled. She was no longer so afraid. Because she knew that the man who could reassure her was here.

Indeed, under everyone’s expectant gazes, the void distorted and flashed for a moment. A white figure slowly appeared in the sky above the East Sea.

“What kind of terrifying fellow is this?”

Under the underwater immortal palace, Monkey, who had been watching the show, revealed a terrified expression. For some reason, when he saw this guy, he felt an inexplicable sense of familiarity. There was a hint of fear in the familiarity, and it came from the soul. It was as if it was carved into his bones.

Ye Qiu expressionlessly crossed the void and arrived at the battlefield in a step.

The moment he arrived at the sea, tens of thousands of figures appeared behind him. Those figures were undoubtedly from the Heaven Mending Sect.

“Senior Brother Sect Master.”

In the crowd, Lu Feng saw a familiar figure and said casually. In an instant, the despairing hearts of all the Heaven Mending Sect disciples present were instantly washed away by the desire to fight and their confidence was revived.

“Who is it!”

Seeing this sudden change, Li Tian’s expression changed as he coldly berated.

Ye Qiu ascended to the heavens in a single step. After settling his two disciples down, he summoned the Immortal Slayer. With one hand behind his back, he looked at the huge creature calmly.

After a while, Ye Qiu pushed out the Immortal Slayer Sword and floated proudly in the sky in front of Li Tian.

“Old thing, do you recognize this sword?”

Li Tian looked over. When he saw the stone sword that was emitting blood energy and was filled with ruthlessness, his pupils instantly constricted and he revealed a terrified gaze.

“Immortal... Immortal Slayer. How is that possible? Wasn’t this sword already destroyed on the Immortal Ancient Battlefield back then?”

The moment the high and mighty White Tiger Li Tian saw the Immortal Slayer, fear finally appeared on his face.
