

THE MOST GENEROUS MASTER EVER Chapter 317

Ye Qiu used the most direct method to respond to Li Tian.

That was his answer.

He was very angry. The shocking murderous aura on the Immortal Slayer in his hand was his current mood. This old thing took advantage of his seniority to bully his disciples and wife while he was not around.

Today, Ye Qiu would kill him even if he had to break the Heavens. He was clearly telling the world that if they wanted to bully his people, it depended on whether they were qualified.

The sword pierced through Li Tian's body, and a shocking murderous aura instantly baptized his entire body.

Li Tian was heavily injured by this sword and ruthlessly smashed onto the East Sea, causing ripples.

"One Strike Decides the Universe?"

"Oh f*ck."

This sudden change caught everyone off guard. They did not react at all. When they completely reacted, they were only shocked.

"Is this the anger of a Martial Monarch?"

Everyone's faces were pale and they were still in shock. They had only heard of this person's deeds in legends and had never seen it with their own eyes. Now that they were lucky enough to see it, everyone was shocked.

He was really not afraid of anything. He killed the White Tiger Patriarch and the Pixiu Ancestor just like that.

There was no hesitation at all.

In the beginning, they thought that Ye Qiu would submit to Li Tian. After all, having the protection of this powerhouse was extremely helpful to his future path.

However, no one expected that not only did Ye Qiu not agree, he even killed the other party with a single strike.

Yes, he killed him. How dare he?

"Oh my god, this is too fierce. Who in the world can fight this guy?"

For a moment, everyone was only shocked and respectful. There was no longer any provocation. Even the Martial Monarchs and old monsters hiding in various corners revealed terrified expressions.

Ye Qiu used this sword to tell them that they could provoke anyone in this world but him.

That strike shook the sky and the surroundings.

The Immortal Slayer tore through the sky, leaving a perfect arc that returned to Ye Qiu's hand. His white clothes fluttered as he cut through Lian Feng's shackles with a single step and brought her out.

"Oh..."

Lian Feng had just been picked up when she suddenly barged into a warm embrace. She was shocked and turned around. When she realized that it was Ye Qiu, she was stunned. She did not resist. Instead, she looked into his eyes and smiled lovingly.

Ye Qiu smiled and hugged her. He took full advantage of her.

Seeing this scene, a heart-wrenching sound came from afar.

"No!" Hua Feiyu let out a heart-wrenching cry as he watched the immortal couple fly together in the rolling lightning.

At this moment, it seemed to be snowing heavily. The snowflakes were incomparably desolate.

After successfully leaving the lightning pool, Lian Feng looked at Ye Qiu in a daze. She couldn't help but erupt. She kissed him gently. At this moment, the world seemed to have stopped. Another desolate shout sounded.

"No!"

From then on, there was another sad person in this world.

This sudden kiss shocked even Ye Qiu. My little wife is actually so bold as to take advantage of me openly? No, this can't be tolerated. I have to kiss her back.

Ye Qiu was just about to hug her and return the favor when Lian Feng suddenly pulled away from his embrace. Her face was still filled with a sweet smile.

Ye Qiu reached out to grab her and realized that he had missed. She had already fled. Her face turned red as if she was a little embarrassed.

How could Ye Qiu know how fast Lian Feng's heart was beating? She was also surprised by her own boldness. However, her personality was like this. She was direct and straightforward. She reunited with the person she liked again. The unconcealable joy made her attack decisively.

After quickly leaving Ye Qiu's demonic claws, Lian Feng hurriedly left and arrived beside the two little girls. Her heart was pounding.

She thought to herself, "What a strange feeling. Looks like Senior Sister didn't lie to me. Kissing the person I like is really exciting. This is the sweet love that Senior Sister mentioned, right?"

Lian Feng was delighted. She looked forward to it, but she was also a little hesitant, afraid that she would lose this feeling. She stared blankly at the figure in the sky. She hid the joy in her heart and regained her usual coldness.

However, her red face did not dissipate.

"Mistress, what's wrong? Why is your face red? Lin Qingzhu hid a smile in her eyes and asked seriously.

Lian Feng was shocked when she heard this. She touched her hot face and suddenly regretted her rashness. This was too embarrassing. She actually did such a bold thing in front of a junior. She said seriously, "Children shouldn't interfere in adult matters."

When Lin Qingzhu heard this, the corner of her mouth twitched. She looked at herself, then at Zhao Wan'er, and then at her mistress's chest. "Alright, I admit that I feel inferior. Boohoo... It was indeed much smaller."

After saving Lian Feng, Ye Qiu looked coldly at Li Tian in the deep sea. The anger in his heart completely erupted at this moment. This detestable fellow had almost injured Lian Feng and his two disciples.

Ye Qiu had to make him pay a heavy price today.

While he was furious, he was also very glad that Lian Feng was present. Otherwise, his two disciples would probably have been killed by him today. He looked at the deep sea as the huge body slowly sank into the sea of blood.

Ye Qiu could feel that he wasn't dead. He had just been devoured by the Immortal Slayer's murderous aura and hadn't recovered. After waiting for an unknown period of time, he heard a loud bang and the Nine Heavens trembled.

In the sky, dark clouds instantly covered the sky, and rolling lightning crushed over.

Everyone was shocked as they felt an unprecedented pressure slowly crushing over.

"It's not over yet."

A ray of light suddenly descended from the Nine Heavens and shot onto Li Tian's body. In an instant, his vitality began to increase rapidly.

A terrifying power gradually spread in his body, and the injuries in his body were completely healed at this moment.

“Roar!”

With a furious roar, Li Tian woke up again, his eyes red. At this moment, he seemed to have been possessed. There was only bloodthirsty killing in his eyes. There were no emotions at all.

“Hmm? Demonic aura...”

Seeing this, Ye Qiu was stunned. He was especially familiar with this demonic aura. This was because he had fought against this demonic aura before, so he was naturally familiar with it.

This demonic energy was the demonic energy on Tianmeng’s body.

At this moment, Ye Qiu was stunned. He was deep in thought and didn’t react for a moment.

“Interesting. A dignified divine beast descendant actually fell into the hands of the demons?”

After an unknown period of time, Ye Qiu revealed a strange smile.

He wondered if his ancestors would climb out of their coffins in anger when they found out that their descendants had fallen from grace and entered the demon race that they looked down on the most? Would they punch him twice?
