

THE MOST GENEROUS MASTER EVER Chapter 319

“Oh... That’s true. It’s indeed a little difficult for you to deal with this old thing with your current strength.” Seeing that Lian Feng did not speak, Xiao Yan mocked again and said, “In that case, let me deal with this piece of trash for you.”

As soon as these words were spoken, everyone from the Heaven Mending Sect was instantly enraged.

“Damn it, he’s too arrogant.”

“How dare he look down on us like this? Where does he get his sense of superiority from?”

For a moment, everyone was furious. Xiao Yan’s words were filled with sarcasm. It was like a sharp sword that pierced deeply into their hearts.

Even Qi Wuhui couldn’t help but curse, “Damn it, this kid is even better at pretending than me. Could it be that all the disciples of the Heaven Mending Sect are like this?”

As he cursed, Meng Tianzheng glared at him, indicating for him not to speak nonsense and be careful not to anger the other party. He had the capital to be arrogant. How could a mere King-Ranked dare to provoke a Perfected Immortal?

Meng Tianzheng suppressed everyone’s anger and slowly walked up. “Everyone...”

Before he could finish speaking, Feng Tianyu and the others’ pupils constricted in surprise and fear when they saw him. He blurted out, “First... First Eld-”

Before he could finish speaking, he hurriedly suppressed it. Meng Tianzheng didn't understand either. He only saw that their expressions were very strange. Even the insufferably arrogant Xiao Yan revealed fear.

After an unknown period of time, Feng Tianyu seemed to have thought it through and his heart immediately became clear.

"Haha, old man, may I know your name?"

Meng Tianzheng was stunned when he saw how polite he was. He wondered if he was that powerful now. Even such an arrogant Perfected Immortal is so respectful to me?

Immediately, Meng Tianzheng felt secretly delighted. He felt that he could do it again. Could it be that my aura of the Act Tough King had been leaked? Hehe, not bad, not bad.

"Ahem ahem..." Meng Tianzheng coughed lightly and said very steadily, "I am the Sect Master of the Eastern Wasteland's Heaven Mending Sect, Meng Tianzheng. Greetings."

The expressions of the three of them instantly changed when they heard this name. They looked at each other and did not say a word. No one knew what they were thinking.

However, Meng Tianzheng could tell that they seemed to be very afraid of him. He was somewhat puzzled. When did I become so intimidating?

"Haha, so it's Sect Master Meng. I'm Feng Tianyu, greetings."

Feng Tianyu broke out in cold sweat and bowed humbly.

Some people could not figure out why he, a dignified Perfected Immortal, was so respectful to the Sect Master of a human orthodoxy.

This sudden turn of events was a little confusing. On the other hand, Ye Qiu, who had been silent, seemed to have seen something. He was silent and revealed a strange smile.

“Is that so? Interesting.” Ye Qiu muttered, as if confirming his previous guess.

The atmosphere was a little awkward. Xiao Yan could not lower his head for a moment and changed the topic. “Alright, my time is limited. Let’s end it here.”

As he spoke, an immortal sword appeared in his hand, preparing to fight Li Tian.

Unexpectedly, Ye Qiu remained silent and slowly stood in front of him, blocking his path.

“Hmm?”

Xiao Yan immediately frowned and was very unhappy. This reckless thing actually dared to block his path?

“What do you mean?”

Cold killing intent gradually erupted, and the atmosphere became extremely tense.

No one knew what Ye Qiu was trying to do by forcing himself at this time. Facing Xiao Yan’s question, he calmly said, “There’s no need to trouble you for this old fellow. I’ll deal with him myself.”

“Haha,” These words made Xiao Yan laugh.

Where did this young man come from? Even he found it extremely difficult to deal with Li Tian’s current demonic energy. This ignorant fellow in front of him actually dared to talk nonsense about dealing with him?

“How laughable. Alright, I want to see how you court death.”

Xiao Yan laughed in anger. He crossed his arms and prepared to watch the show. He wanted to see how this fellow who did not give him face would die later. He was certain that Ye Qiu would be killed by Li Tian in less than a round.

At that time, he would attack and kill Litian with absolute supreme methods.

Ye Qiu’s sudden action also attracted Feng Tianyu’s attention. He asked curiously, “Junior Sister Lian Feng, who is this person?”

Lian Feng thought for a moment and looked at Xiao Yan with disgust. She said coldly, “Heaven Mending Sect, Sword-Wielding Elder, Ye Qiu.”

“Ye Qiu?”?I don’t know him.

Shaking his head, Feng Tianyu did not intend to interfere. He knew that his arrogant senior brother had already gone against the other party. However, when he saw that the other party was also a successor of the Heaven Mending Pavilion, he also had the attitude of watching a good show.

It was a good opportunity to see how many stunning geniuses had appeared in the human orthodoxy over the past millions of years.

Seeing that the atmosphere was getting more and more tense, Ye Qiu wasn't in a hurry to attack. Instead, he looked at Xiao Yan provocatively. Clearly, his playful nature had been aroused and he was gradually turning scheming.

He said, "Courting death? Haha! That won't happen. Why don't you go to the other side and I'll kill you both together?"

"What did you say?"

As soon as these words were spoken, Xiao Yan was instantly enraged. He, a genius, had an extremely high status even in the Heavens.

No one had ever dared to look down on him like this. Ye Qiu actually spoke arrogantly and asked him to go opposite to beat him and Li Tian at the same time?

His killing intent instantly soared, and the anger in his heart could no longer be suppressed. Today, he really wanted to teach this ignorant mortal a lesson.

As soon as Ye Qiu said this, the entire venue was in an uproar.

"Oh my god, he's still the same person. It's still that familiar formula."

"Too arrogant. One Li Tian is already difficult enough to deal with, but he actually wants to increase the difficulty. As expected of my idol, he's so domineering."

For a moment, the atmosphere instantly stirred. Ye Qiu's words made everyone's blood boil. He should treat such a high and mighty immortal so domineeringly.

Aren't you arrogant? If you have the guts, go to the other side and see if I'll kill you.

Ye Qiu's words seemed to have vented the anger in everyone's hearts. Ever since Xiao Yan descended to the mortal world, his arrogant and disdainful gaze had always suppressed them until they did not dare to say anything.

Now that someone had avenged them, they immediately felt secretly happy. They really wanted to shout, "Awesome, this is too f*cking awesome. It's even better than ordering ten stunning women at the same time."

Seeing that the atmosphere in front of him had gradually become wrong, Xiao Yan's eyes were filled with killing intent and his expression gradually turned cold. He was furious.

Just as he was about to flare up, a hand pressed on his shoulder to suppress the anger in his heart and reminded him.

"Senior Brother, don't forget that the First Elder didn't ask us to come down to fight among ourselves."

"I know. I don't need you to remind me."

He was very angry. He did not give Feng Tianyu any face.
