

## THE MOST GENEROUS MASTER EVER Chapter 323

According to Feng Tianyu's understanding, the other successors had yet to choose a Dao companion.

From their perspective, choosing a Dao companion was also a very important thing. A good Dao companion could help them cultivate better. The other party's resources and conditions were also extremely helpful to them. Therefore, they had to consider it carefully. Unless it was absolutely necessary, they would not choose easily.

At this moment, Lian Feng seemed to have chosen Ye Qiu.

Feng Tianyu couldn't help but be curious. Didn't Lian Feng know the importance of this? Or was Ye Qiu really the best choice?

After thinking about it...

"Interesting. This competition is getting more and more interesting." Feng Tianyu smiled as he muttered in his heart. They had all seen the combat strength Ye Qiu displayed just now.

It was indeed stunning. Feng Tianyu admitted that under those circumstances, he probably wouldn't have been able to withstand Ye Qiu's sword. He couldn't help but start to look forward to what kind of heaven-defying strength Ye Qiu would erupt with when that day came to help Lian Feng take down the position of the Goddess.

"Haha, Junior Brother Ling, looks like our Junior Sister Lian Feng is already taken. How do you think the senior brothers above will react after knowing this?"

Feng Tianyu teased. Ling Yue shook his head. He knew the personalities of his incomparably arrogant senior brothers very well. All of them were talented and proud people. They had cultivated bitterly for so many years just to wait for an opportunity.

In their eyes, only the most sacred successor of the Heaven Mending Sect was worthy of them. Because this was a win-win situation. Therefore, they had not married for many years because they were waiting for these heirs to arrive.

Who would have thought that before these heirs grew up, the flowers had already been picked in advance? If they knew, they would probably even want to swallow Ye Qiu alive.

“I think this Junior Brother Ye won’t have a good life in the future.” Ling Yue replied seriously and shook his head without saying anything.

“Hmph!”

Compared to their watching mentality, Xiao Yan was more dissatisfied. Clearly, he was also one of those people. He was very depressed when he saw Lian Feng fall into Ye Qiu’s arms. He originally wanted to show off in front of Lian Feng and pretend to be an expert. Ordinary girls really couldn’t withstand it.

Unexpectedly, Ye Qiu suddenly appeared and not only stole all his limelight, but he even went against him.

The more he thought about it, the angrier Xiao Yan became. His desire to become stronger became stronger. After he returned, he had to cultivate diligently. He had to defeat Ye Qiu once and let Lian Feng know who the true chosen one was.

He also thought to himself that since Lian Feng was already taken, he could only target the other heirs. After all, the Goddess’s heaven-sent opportunity was hard to come by. Once he missed it, he would never see it again.

After flirting for a while, Lian Feng suddenly remembered that she still had something to do and interrupted Ye Qiu’s groping hand. She turned around and looked coldly at Feng Tianyu and the other two. “Senior Brothers, this matter is over, thank you for coming to help.”

Hearing this, the corners of Feng Tianyu and the others' mouths twitched. They blushed and felt extremely awkward.

Yes, they were indeed here to help, but the problem was that they were not of any help.

This was more or less awkward.

“Haha... Junior Sister Lian Feng, I'm ashamed. We came but we didn't help much. We don't dare to accept your greeting.”

Feng Tianyu smiled awkwardly and looked deeply at Ye Qiu. “Junior Brother, it's our first time meeting today. You had shown us a good show. If we didn't come down here today, we wouldn't have known that there was actually such a stunning genius in the Heaven Mending Sect.

“After I return, I will definitely report to the First Elder. I believe the First Elder will be very happy when he hears this news.”

Among the three of them, Feng Tianyu was the only one Ye Qiu liked. He was very humble and polite, unlike Xiao Yan, who was arrogant and rude, with the attitude of 'he's the greatest'.

Ye Qiu also smiled in response to Feng Tianyu's goodwill and said, “Senior Brother, you flatter me. It's just a small trick. It's not worth mentioning. How would I dare to show off in front of Senior Brother Xiao with my insignificant cultivation?”

As soon as these words were spoken, Xiao Yan's face darkened, and his eyes seemed to be filled with killing intent. He was furious. He gritted his teeth in anger. "Damn it, I'm not even saying anything. You still want to stab me before I die? You like to provoke me, right?"

"Hmph!" Xiao Yan flicked his sleeves and replied coldly, "Ye Qiu, you have guts. I admit that you have some ability, but not much. Compared to the descendants of the Monarch's bloodline in the Three Thousand States, you're still far from being the chosen one. Don't be too arrogant. There are many more outstanding people than you."

Ye Qiu smiled and said, "Yes, that makes sense, but I think this sentence suits you better."

"You!"

In an instant, the tense atmosphere rose again. Seeing that they were about to fight, Feng Tianyu hurriedly stopped them.

Seeing this, Lian Feng silently stood behind Ye Qiu and secretly laughed. "This guy is too bad, but I like it."

He was responding to Xiao Yan's arrogance at the beginning. He was purely trying to disgust him.

As expected, Xiao Yan flew into a rage out of humiliation with just a few words. He knew that he was indeed a little arrogant when he just appeared. Knowing that he was in the wrong, he couldn't be bothered to argue and suffered in silence.

After thinking about it, he felt that it was not enough to vent his anger. He said, "Hmph... Don't be too smug. This time, you angered Li Tian. Do you think you can reach the Upper Realm alive? This old fellow is famous for seeking revenge for the smallest grievance. You won't have a good time."

After saying that, Xiao Yan waved his hand and left. If he stayed any longer, he would be asking for humiliation.

Seeing him leave, Feng Tianyu also looked at Ye Qiu worriedly. After hesitating for a moment, he said, "Junior Brother Ye, you don't have to worry too much. I'll personally look for the First Elder after I return.

"I believe he will definitely not sit back and do nothing after knowing your existence. Li Tian will definitely not do anything out of line with him watching."

After saying that, Feng Tianyu took a deep look at Meng Tianzheng behind him and became even more certain of his thoughts.

Ye Qiu didn't refuse his good intentions and only nodded.

In the end, Feng Tianyu left with Ling Yue and returned to the upper realm after giving a few instructions. After they left, the world returned to peace and order returned to normal.

At this moment, a violent bang suddenly sounded from the East Sea under his feet. With a bang, a shocking wave slapped the shore and the ground trembled.

"What's that?"

Everyone was shocked. They saw that the underwater immortal palace suddenly emitted an intense golden light. Suddenly, a golden light flickered and broke through the boundary of the sea, rushing into the sky.

"The Immortal Palace has appeared."

Everyone was shocked.
