

## THE MOST GENEROUS MASTER EVER Chapter 327

He deeply understood the feelings of these Heavenly God Hall disciples. The situation was similar to the Heaven Mending Sect back then.

Although it was nothing, Ye Qiu didn't expect them to be so grateful. He was also very gratified. After a while, he said, "Get up, it was nothing. There's no need to thank me. The demon has been eliminated today. You should cultivate well in the future to avoid nurturing such a demon again."

Everyone was grateful and replied in unison, "Martial Monarch is right. We will definitely obey."

After dealing with Feng Tuwang, Ye Qiu had no intention of staying any longer. His gaze returned to the battle below.

At this moment, as the world breathed, the faintly discernible immortal aura emitted a dazzling light again.

The seven Martial Monarchs began an intense battle below. It was impossible to determine the outcome in a short period of time.

Suddenly, there was a flash of light. The immortal treasure seemed to be running at a fast speed and quickly escaped from everyone's sight.

"Not good, it's running. Chase after it!"

At that moment, everyone no longer had the mood to tangle. They instantly used various heaven-defying precious techniques to chase after it with all their might.

Lian Feng was shocked when she saw this scene. She hurriedly rushed into the sky and shouted, "Hurry up and chase after it!"

After saying that, she entered the East Sea. In less than a moment, she had disappeared from Ye Qiu's sight and entered the immortal palace.

Seeing this, Ye Qiu hurriedly used the Kun Peng Treasure Technique and joined the battle.

After passing through the turbulence, Ye Qiu quickly entered the immortal palace. It was a vast white void. Above the clouds was a majestic hall. It was like an ancient Heavenly Court. It was extremely majestic and spectacular.

This was the first time Ye Qiu had seen this scene. He was shocked and secretly sucked in a breath of cold air. He casually tore open the clouds and saw Lian Feng in front of him. Ye Qiu quickly chased after her.

With the absolute speed of the Kun Peng Treasure Technique, Ye Qiu could be said to be an absolute expert in the speed domain. In less than a moment, he chased after her and caught Lian Feng, who had been forced back by a mysterious energy wave.

"Damn it."

She turned around and looked at the person who caught her. After realizing that it was Ye Qiu, Lian Feng heaved a sigh of relief and cursed.

"What's that?"

Ye Qiu frowned as he looked at the mysterious figure fleeing in the chaos.

Lian Feng calmed down and gradually calmed down. She said, "It's a longevity medicine, Yellow Plum Blossom."

“What?”

Ye Qiu was shocked. It was actually a yellow plum blossom. This was a heaven and earth spirit root, the best of the best.

Ye Qiu, who originally didn't have any desire to fight, immediately became interested.

“Interesting. No wonder it ran. It turns out to be a spiritual root of heaven and earth with intelligence.”

According to his preliminary judgment, this yellow plum blossom was at least a high-grade longevity medicine. If he could get it and give it to Lian Feng, wouldn't he be able to reach the heavens in a single step?

“Hehe, I won't stand on ceremony.”?As he thought about it, Ye Qiu revealed an evil smile and gradually became impudent.

Who could withstand the temptation of the Longevity pill?

One had to know that the current Ye Qiu was only a step away from the Deva Realm. If he could obtain this yellow plum blossom and set up a trap, Ye Qiu would be able to establish an immortal body and enter the Immortal Dao.

If he was lucky, he would trigger a return of a hundred thousand fold.

“What are you laughing at?”

Lian Feng felt a chill in her heart when she noticed Ye Qiu's evil smile. She felt like she had fallen into the arms of a big bad wolf. The worst thing was that this guy used the opportunity to catch her just now to hug her tightly. It made her heart beat faster.

She was scared.

"Haha, it's nothing. I suddenly remembered something happy." Seeing her careful appearance, Ye Qiu smiled awkwardly. He pinched her pretty face and said, "Lian'er, wait here. I'll go get the Longevity pill for you."

Lian Feng blinked. The moment their eyes met, her body trembled.

"Ah," Hearing this, Lian Feng blushed and her heart raced.

Damn it, this guy used that strange secret technique again. She felt as if her body had been electrocuted. She was numb and weak. After a while, Lian Feng recovered. She knew very well that Ye Qiu never joked with her like this.

Usually, he would not go back on his word when he said he wanted to get something for her.

I'm also very grateful in my heart. This damn nouveau riche is using such methods to destroy my fragile heart again.?

However, she quite liked this feeling. As long as it was a gift from Ye Qiu, she liked it very much.

After a while, Lian Feng regained her original coldness and reminded, "Be careful. There seems to be some mysterious forbidden technique in that layer of chaos. I was almost seriously injured just now."

After her reminder, Ye Qiu came to a realization and looked at the other figures in the clouds in the distance.

Clearly, they were also stopped by this forbidden technique. Therefore, they could only covet the yellow plum blossom and could not continue chasing.

“Hmm... Interesting. Let me see what kind of forbidden technique it is.”

Ye Qiu smiled and let go of her. He slowly walked forward. As soon as he arrived at the cloud wall, he felt a shocking power flickering with lightning. It was extremely invasive.

Ye Qiu searched around in the chaos and suddenly revealed a smile.

“Found you!”

As soon as he finished speaking, he suddenly pushed out his hands. In an instant, his hand techniques changed and he deduced the laws.

In an instant, the entire chaotic void distorted. Under the activation of the Infinite Universe Palm, its true appearance under the fog was gradually revealed.

“Purple Lightning Cloud Swallowing Beast?”

When everyone saw the huge creature in the fog, they were shocked and secretly sucked in a breath of cold air.

“Immortal beast! This, this, this...”

After the aura of the Purple Lightning Cloud Swallowing Beast was exposed, everyone's faces instantly turned pale.

That Purple Lightning Cloud Swallowing Beast was actually a legendary immortal beast. This was an existence comparable to a Perfected Immortal.

"Impossible. How can such an expert appear in the mortal world?"

Everyone panicked, unable to believe what they were seeing. There was the suppression of the Heavenly Dao in this world. No matter how powerful an existence was, as long as they came to this world, they would definitely be suppressed.

This was also the reason why Ye Qiu could continuously kill immortals.

But now, this Purple Lightning Cloud Swallowing Beast was actually not suppressed at all. It was truly an immortal. Although it had yet to reach the Perfected Immortal realm, it was still a peak-level Deva realm existence. His strength was not something they, Martial Monarchs, could compare to.

The moment the Purple-Lightning Cloud Swallowing Beast appeared, everyone suddenly realized why this yellow plum blossom had not been taken away after staying here for so long.

It turned out that there was a Purple Lightning Cloud Swallowing Beast guarding it.

"It's over. Looks like this longevity medicine is destined to have no fate with us."

In the face of absolute strength, no matter how greedy a person was, they did not dare to take a step forward. The pressure of the Purple Lightning Cloud Swallowing Beast was extremely strong. Even Ye Qiu felt a suffocating pressure.

After a while, he finally adapted to this suppression.

“Immortal beast. I didn’t expect such a terrifying existence to be hidden under this immortal palace.”

Ye Qiu secretly took a deep breath and was already prepared to fight.
