

THE MOST GENEROUS MASTER EVER Chapter 330

For a moment, the entire void was filled with lightning.

The moment the other party moved, their nervous hearts erupted.

There was no turning back. Neither side knew the other's strength. They only cared about using their strongest precious technique to intimidate their opponent.

When they thought of this, the scene naturally became very spectacular.

As a result, the Purple Lightning Cloud Swallowing Beast roared into the sky. Space began to distort and flashing lightning surged over.

Ye Qiu frowned and didn't dare to take it head-on. The Immortal Slayer in his hand suddenly attacked. He held the sword in his right hand and his left hand wasn't idle either. He pushed the energy of the Infinite Universe Palm and blocked bolt after bolt of lightning.

This battle was earth-shattering and shocked everyone present.

"Oh my god, I can't believe it. These two guys are actually so terrifying. Are they going to pierce through the sky?"

All the Martial Monarchs were shocked. This battle had been brewing for a long time, and they were already prepared for the storm.

However, they were really frightened when they saw this scene.

In less than a few seconds, the two sides had already exchanged several rounds and gradually became confident.

In the beginning, Ye Qiu had been in a passive state because he was afraid of the other party's strength. He deliberately showed weakness, wanting to find the other party's flaw. Therefore, he could only block and not take the initiative to attack.

At this moment, the Purple Lightning Cloud Swallowing Beast suddenly discovered in surprise.

.....

"F*ck, am I that strong?"

Feeling its shocking lightning technique continuously suppressing the ferocious person below, the Purple Lightning Cloud Swallowing Beast immediately felt that it could do it again. It turned out that he had not only been styling all these years.

His innate divine power had already been cultivated to the limit by him. It was just that he rarely fought and lacked confidence, thinking that he was unable to do it.

After thinking this through, the Purple Cloud Swallowing Beast was instantly excited. Hehe, who said that I only do styling and don't know how to fight? Come out and I'll slap you to death.

The Purple Lightning Cloud Swallowing Beast gradually became excited. The lightning technique it used became even more violent, causing the entire void to distort.

"Phew..."

On the other side, Ye Qiu had just withstood a wave of lightning techniques. He took a deep breath and gradually became excited. He had figured out a pattern as he sensed the spatial laws around him.

He immediately understood that this Purple Lightning Cloud Swallowing Beast had a supreme divine power technique, but it did not know how to use it. When it was used, it was extremely crude and filled with loopholes.

Thinking of this, Ye Qiu's face darkened. He cursed inwardly when he thought of his fear just now. "Damn it, I thought this guy was some ruthless person. He scared me. It turns out that he's a fool. He's just pretending."

He finally understood that this guy in front of him was only scary in appearance. His true strength was far from what he should have reached. Just now, he deliberately made that arrogant expression to scare Ye Qiu away.

Thinking of this, Ye Qiu gradually relaxed and revealed an excited smile.

"Lightning technique? Haha... Ancient divine beast, not bad, not bad. In that case, follow me from now on and be my charging treasure."

Ye Qiu's smile gradually became impudent, and he didn't hold back anymore. He had enough of wasting time with this kind of trash. He suddenly opened his arms and stopped dodging the Purple Lightning Cloud Swallowing Beast's attack. He began to activate his lightning techniques.

In an instant, a shocking thunderstorm condensed in front of his chest. Ye Qiu smiled and looked at the Purple Lightning Cloud Swallowing Beast without saying a word.

"Hmm? What is he doing?"

The Purple Lightning Cloud Swallowing Beast could not understand his actions. Did he give up resisting because he knew that he could not defeat the mighty and domineering beast?

Thinking of this, the Purple Lightning Cloud Swallowing Beast was delighted. “Hehe, I knew it. How could I be so weak? After all, I have the bloodline of an ancient divine beast. My ancestors were so glorious.

“Look, this young and handsome human youth in front of me has already admitted defeat the moment he saw my handsome and domineering aura. He’s prepared to submit to me and follow me.”

The more the Purple Lightning Cloud Swallowing Beast thought about it, the more excited it became. He could tell that Ye Qiu was very strong. If he could take in such an underling, who would dare to have designs on his Longevity pill in the future? If he had nothing to do, he would bring him out for a walk. That would be a proud trip.

After making up its mind, the Purple Lightning Cloud Swallowing Beast became even more excited. Since Ye Qiu was like this, he wouldn’t stand on ceremony. He wanted to take this opportunity to let the other party feel his might so that he could subdue him.

“Roar!”

With a shocking roar, the Purple Lightning Cloud Swallowing Beast roared into the sky. In an instant, the flickering lightning became completely violent.

This shocking power caused the entire immortal palace to tremble. Everyone’s faces instantly turned pale.

“This... this power...”

They were trembling and could not speak clearly. They stammered and everyone became nervous.

They could feel that the power of the Purple Lightning Cloud Swallowing Beast had been pushed to the limit by him. If they were in that void, they would definitely be reduced to ashes in an instant.

For a moment, everyone began to feel nervous about how Ye Qiu would receive this move.

Ye Qiu opened his chest as if he didn't care about this move and struggled wantonly.

"No."

Seeing this, Lian Feng panicked. She did not want to be a widow at such a young age. She wanted to rush into the void with all her might. However, there was a spatial barrier. It seemed like a short distance, but it was indeed a chasm that she could not cross.

Oh no, I'm going to lose my husband at such a young age. At this moment, this thought appeared in Lian Feng's heart.

Surging lightning smashed down like a huge tree. It ruthlessly smashed onto Ye Qiu's body, stirring up a dense fog as if he had been charred.

"Oh..."

No one dared to look at the miserable scene. They covered their eyes. After a moment, they opened their eyes again and were suddenly surprised.

"What's going on?"

In the void, the rolling lightning of the Purple Lightning Cloud Swallowing Beast continuously nurtured the lightning pool in front of Ye Qiu's chest. Under the continuous attacks, it gradually became stronger.

This sudden change shocked everyone into disbelief.

"How is this possible? What lightning technique is this?"

For a moment, everyone was at a loss. Even the Purple Lightning Cloud Swallowing Beast was dumbfounded.

"That works too?"

His lightning technique could not be said to be the strongest in the world, but it was still a top existence. How could it be absorbed by the other party? This didn't make sense.

After being struck by the lightning, the smile on Ye Qiu's face became even crazier. He was incomparably excited as he felt the violent lightning power in his body become more and more destructive. His guess had really come true.

"Nine Heavens Divine Punishment to enforce justice on behalf of the heavens? Haha! What a good act of enforcing justice on behalf of the heavens. Is this the true profundity of the supreme immortal technique? I finally understand."
