

THE MOST GENEROUS MASTER EVER Chapter 332

Sorry. It wasn't that Ye Qiu was gloating, but... he really couldn't help it.

This guy was too tragic. When ordinary people heard these stories, their hearts ached for this unlucky fellow.

"Haha!"

As he thought about it, Ye Qiu couldn't help but laugh loudly.

The Purple Lightning Cloud Swallowing Beast's face darkened with anger. "Damn it, f*ck you. Could you be more humane?"

The intense pursuit continued. The Purple Lightning Cloud Swallowing Beast let go and fled crazily, sparks and lightning flying along the way. No matter how he ran, Ye Qiu followed behind him unhurriedly. After chasing for nearly a day, he still couldn't shake Ye Qiu off.

He was numb.

"Ah," After struggling with all its might, the Purple Lightning Cloud Swallowing Beast began to collapse. He sat on the ground, panting heavily. "Destroy me, I'm tired..."

The Purple Lightning Cloud Swallowing Beast sat on the ground and gave up his last resistance. It was mainly because he had really resisted, but it was useless. What else could he do other than surrender?

This hooligan was terrifying. He couldn't beat him or run away. Instead of being tortured to death, it was better to let nature take its course. This way, he would be more comfortable.

“Run. Why aren’t you running anymore?”

Seeing that he had stopped to rest, Ye Qiu didn’t press him. He stopped and teased. For some reason, he felt that this unlucky fellow was very to his liking. He could consider taking in an underling. When he had nothing to do, he could charge it, or he could bring it out for a walk. Life would definitely be very interesting.

Facing Ye Qiu’s teasing, the Purple Lightning Cloud Swallowing Beast was so aggrieved that it was about to cry.

.....

“What do you want? Can you give me a quick death? I didn’t offend you. No matter what, I have the bloodline of a divine beast. Can you give me some face?”

He had become autistic. Back then, his ancestor was so mighty. He was one of the few great rulers of the Nine Heavens and Ten Earths, a ferocious person who swept through the ages. Who would have thought that his descendants would become like this?

If he went down and met his ancestors, he would probably be too ashamed to face anyone. How embarrassing. If the ancestors knew that their descendants had such a thing, they would probably die of anger.

A dignified divine beast, an existence that shook history. Such a noble bloodline actually relied on hiding in the dark and deep space to struggle for survival for so many years. For the sake of his life, he actually specially used his cultivation to modify his appearance to scare his opponent.

Seeing his determined expression, Ye Qiu smiled and took a deep breath. He had finally returned to normal.

Back to the topic.

He thought seriously for a moment, lowered his head, and was silent.

“This guy is a living treasure. Although his cultivation is all used on his appearance, his combat strength is still enough to defeat ordinary Martial Monarchs.”

Ye Qiu didn't doubt this at all. He had just fought with the Purple Lightning Cloud Swallowing Beast and knew his approximate limit. It was not that this guy was not strong, but he was too strong. He did not have any combat experience and did not know how to use the endless power in his body.

He only knew how to posture and intimidate his opponents.

His studies went a little off track. His mighty and domineering appearance was not only to scare his opponents. If used properly, his combat strength was comparable to any Perfected Immortal in the world.

This was not an exaggeration.

This feeling was like he clearly had a nuclear bomb in his hand, but he didn't know how to use it. He only knew how to use the nuclear bomb to scare the enemy.

The meaning was similar. In any case, Ye Qiu was indeed a little frightened just now. However, his method also had a huge flaw. Once he could not scare the enemy, the following situation would happen.

After a while, Ye Qiu said seriously, “Yes, after hearing your tragic experience, I sympathize with you. However, you should know that even if I don't make things difficult for you today, you will still meet others in the future. They might not be as easy to talk to as me.”

Hearing this, the Purple Lightning Cloud Swallowing Beast's head sank and he was a little depressed. Ye Qiu wasn't wrong. It made sense. He had already encountered countless of them and was already numb.

"What can I do? I've already hidden here, but I'm still discovered by you. I'm in despair."

The Purple Lightning Cloud Swallowing Beast expressed that it was tired.

Ye Qiu smiled and said, "I have a good idea to help you solve this problem."

As soon as these words were spoken, the Purple Lightning Cloud Swallowing Beast's eyes lit up as if he had seen his savior. His aggrieved expression immediately changed. He grinned and said slyly, "From the first time I saw you, I felt that you had the looks of a celestial. You're stunning. I wasn't wrong. You can do it."

At this point, the Purple Lightning Cloud Swallowing Beast grinned and asked with a smile, "Tell me, how can I resolve my situation?"

Seeing that he had taken the bait, Ye Qiu smiled evilly and gradually became impudent. Hehe...

"Simple. Follow me from now on and be my underling. I'll protect you."

"Screw you." As soon as these words were spoken, the Purple Lightning Cloud Swallowing Beast was instantly exasperated and cursed, "You f*cking humiliated me? I'm a descendant of a divine beast after all. My bloodline is noble. At the beginning of the Ancient Chaos, I was a being that could dominate a world. You want me to be your underling?"

"Where should I put my handsome face if I become your underling? How can I face my ancestors? How am I going to explain this to my father in the future? You're just humiliating me. Impossible... I'll never do anything against my ancestors' wishes in my life."

The Purple Lightning Cloud Swallowing Beast refused. He might as well die if he was someone's underling.

Ye Qiu's heart trembled when he saw his determination. He didn't expect a coward like him to have such a stubborn side.

Yes, he had not thought it through. He had underestimated him.

Just as he was about to change his words, the Purple Lightning Cloud Swallowing Beast suddenly grinned and said slyly, "Tell me, what's the condition? I can't be your underling without any benefits, right?"

Ye Qiu: "???"

"Didn't you say that you wouldn't make a decision that goes against the ancestors' wishes?"

Ye Qiu was dumbfounded. Why did this guy suddenly change his attitude? He was a little shocked and could not keep up with his flexible thinking. He really thought that he had been rude and touched his bottom line when he saw his determined expression just now.

But it turns out that he had no bottom line.

The Purple Lightning Cloud Swallowing Beast chuckled and said, "Hehe, I have no choice. My survival is a problem now. I don't care about my ancestors' last wishes.

“It’s not impossible if the conditions are good. Perhaps I’ll grit my teeth and make a decision to go against my ancestors’ wishes.”

He was trying to persuade himself. What was the bottom line for him? That was to survive.

“Haha!”

Ye Qiu was amused. This guy was really a clown. He had no bottom line. He liked it.

After a while, Ye Qiu said, “Hmm... the condition is very simple. I can help you rebuild your ancestors’ glory.”

As soon as these words were spoken, the Purple Lightning Cloud Swallowing Beast’s eyes lit up and he instantly became excited.
