

THE MOST GENEROUS MASTER EVER Chapter 36

When they entered the private room, Xiao Yi bowed humbly and did not lose his manner of a big family. “Greetings, Fairy.”

Zhao Wan’er covered her mouth and laughed. This fellow knew a little about etiquette, but his movements were a little stiff. It was obvious that he didn’t use it often. It was a last-minute effort to showcase his elegance.

“I didn’t expect Young Master Xiao to be so well-mannered. You’ve really impressed us.”

Xiao Yi was overjoyed inwardly and said, “No, no. I’m keeping a low profile.”

“These two are?” Seeing two unfamiliar faces, Xiao Yi could not help but ask curiously.

He knew Lin Qingzhu. She was Ye Qiu’s disciple and Xiao Yi had seen her more than once. However, Zhao Wan’er and Little Ling were a little unfamiliar.

Lin Qingzhu explained, “This is my junior sister, Zhao Wan’er.”

“Oh? So you’re Perfected Ye’s disciple. Nice to meet you.” Xiao Yi was shocked when he heard that she was Ye Qiu’s disciple and quickly greeted her.

In his heart, he was even more envious. Ye Qiu’s disciples were all so good-looking. Sigh, why don’t I have such luck with women?

“Right, may I know where your master is?” Xiao Yi asked carefully.

Lin Qingzhu secretly chuckled and explained, “Don’t worry, my master isn’t here.”

“Oh...” Hearing that Ye Qiu was not around, Xiao Yi immediately heaved a sigh of relief. I was scared to death. It was good that he wasn’t here. It was good that he wasn’t.

When he heard that Ye Qiu was not around, Xiao Yi immediately regained his usual confidence. He spoke with confidence and assurance, completely different from his previous playboy demeanor.

At this moment.

In a private room on the other side of the restaurant, Yang Xiao was drinking alone. A servant hurriedly ran in and reported.

“Young Master, I found it! Those three women seem to know Xiao Yi, the young master of the Xiao family. They are enjoying themselves on the second floor.”

“What?” Hearing that, Yang Xiao was instantly enraged. “Xiao Yi, that useless person?”

Yang Xiao was furious. He had always looked down on Xiao Yi, this profligate son who only knew how to have fun. If not for the fact that his father was a Five Realms expert, Yang Xiao did not put him in his eyes at all.

Zhao Wan’er and the other two rejected him, who was more outstanding, and went to sit with Xiao Yi, that useless person.

Yang Xiao was completely enraged.

“Damn it, b*tch. I thought they were someone with a prominent status. They actually rejected me and went with that useless Xiao Yi. Hmph...”

“Let’s go! I have to vent my anger today. I’ll let them know who is the number one young master in Guangling City.” As he said, Yang Xiao rushed out of the door and went straight to the second floor.

His rage had already overwhelmed him, and he couldn’t care less.

At this moment, Xiao Yi was still worrying about how to build a good relationship with them to ease the grudge of offending Ye Qiu.

Suddenly, Yang Xiao brought a few lackeys and barged in.

“Hmm?” Xiao Yi frowned and realized that the person was Yang Xiao. He was puzzled. Was there something wrong with this kid? I didn’t provoke him. Why did he come here?

Walking into the private room, Yang Xiao said to Zhao Wan’er in an eccentric manner, “So you like this kind of trash?”

Zhao Wan’er smiled but didn’t say anything. Lin Qingzhu wanted to draw her sword but was stopped by her. She could tell that Yang Xiao probably thought that they had taken a liking to Xiao Yi and was unhappy.

These young masters of aristocratic families usually refused to submit to anyone. He had been given the cold shoulder. Now that he saw Xiao Yi sitting with them, how could he not be angry?

Having thought this through, Zhao Wan’er revealed a meaningful smile. Interesting.

She laughed playfully and said, "Young Master Xiao, he said you are trash."

The corner of Xiao Yi's mouth twitched as he gritted his teeth. "F*ck! How dare any Tom, Dick or Harry call me trash?"

This was intolerable. It was not easy for him to regain his dignity in front of a beauty, but he ruined it with just one sentence.

At this moment, Elder Xu whispered in his ear, "Young Master, this Yang Xiao should be here for the three of them. We can make use of this opportunity to help them settle their troubles and express our goodwill to Perfected Ye."

Xiao Yi's eyes lit up. Why didn't he think of this? Fortunately, Elder Xu reminded him.

He had previously offended Ye Qiu. If he helped them deal with this problem, Ye Qiu might forgive him. This was an opportunity.

Thinking of this, Xiao Yi smiled at Zhao Wan'er and Lin Qingzhu. "Don't worry, fairies. Leave this person to me."

"Oh, then I'll leave it to Young Master Xiao. Good luck, Young Master Xiao." Zhao Wan'er smiled playfully. She didn't panic at all.

At this moment, Xiao Yi was already burning with anger. He stood up steadily from his seat. "I was wondering who it was, so it's Young Master Yang! What's the matter?"

"Hmph..." Seeing Xiao Yi acting like a hero saving a beauty, Yang Xiao gave a disdainful smile and said, "Xiao Yi, if you know what's good for you, disappear right before my eyes. This matter has nothing to do with you. If you insist on being stubborn, don't blame me for not giving you face."

Xiao Yi did not retreat and only said, "Sure, I want to see what you can do to me. In my life, I, Xiao Yi, have never known how to write fear. Your Yang family is great, but my Xiao family is not to be trifled with."

Yang Xiao was stunned when he heard that. He looked straight at Xiao Yi and felt very puzzled. This hedonistic young master would usually hide from him. Why was he suddenly so unyielding today?

In fact, Xiao Yi wasn't really stupid. He naturally understood that the Xiao family's strength was not enough to fight against the Yang family. However, one must not forget that there was a huge monster standing behind the two people that he was protecting.

Heaven Mending Sect.

Moreover, they weren't ordinary disciples, but disciples of Violet Cloud Peak and Ye Qiu.

Xiao Yi deeply understood Ye Qiu's protective nature. He would definitely not stand by and watch if he knew that the Yang family dared to touch his disciples.

When the two of them were at each other's throats, Elder Xu secretly hinted to the servants who had been following them behind him to hurry back and report to the family head. That person did not dare to hesitate and quietly left the restaurant.

"Xiao Yi, I haven't seen you in a few days! Your courage has increased. You weren't so tough in the past." Yang Xiao laughed instead of getting angry. No matter what the reason was, he had to vent his anger today. At least, he could not let the useless Xiao Yi suppress him.

"Haha, I'll be tougher in the future."

Xiao Yi's abnormality made Yang Xiao a little uncertain. Did he take the wrong medicine?

"Boy, you successfully angered me! If I don't teach you a lesson today, I won't be called Yang Xiao."

He was so furious that he could no longer care about anything else. He was about to order his subordinates behind him to attack when a cold voice came from behind.

"Young Master Yang! You want to make a move in my restaurant? Could it be that you don't take me seriously?"

A middle-aged man in a gray robe walked over coldly. He was the owner of Xunyang Pavilion, a powerful Five Realms elite with unknown origins.

Yang Xiao did not dare to make a move even if he was furious in his heart after he saw his arrival.

The owner of Xunyang Pavilion had the surname Situ and his name was Changfeng. It was said that he came from an extremely mysterious ancient clan.

Xunyang Pavilion's businesses covered the entire Eastern Wasteland, and their power was extraordinary. No matter how much Yang Xiao grew, he wouldn't dare act rashly in front of him.

"Senior Situ, it was my fault just now. I lacked consideration. Please don't blame me." Yang Xiao looked at Situ Changfeng with fear and calmly said.

Situ Changfeng sneered and only said, "Humph, I don't care what grudges you have. Your father doesn't even have the qualifications to cause trouble here, how could you."

"Get lost..."
