

THE MOST GENEROUS MASTER EVER Chapter 37

With a cold snort, the aura of the Five Realms instantly pressed down. Yang Xiao circulated his energy to block it, but he still lowered his proud head when facing the pressure of the Five Realms. He was half-kneeling on the ground, his entire body drenched in sweat, and he was terrified and uneasy.

After the deterrence, Situ Changfeng withdrew his oppression. Yang Xiao looked deeply at him and said, "Many thanks for Senior's kindness in not killing me. Let's go."

Yang Xiao stood up from the ground weakly. Yang Xiao had never suffered such a huge loss in this lifetime.

Before he left, he looked at Xiao Yi and Zhao Wan'er with murderous eyes.

"Haha, it seems that this fellow has no intention of letting us go." Zhao Wan'er tugged at her red robes and smiled playfully.

Lin Qingzhu, on the other hand, had a grave expression as she said, "Wan'er, one Yang Xiao isn't scary, but the elders behind him are..."

Lin Qingzhu's concern was not unreasonable. After all, this was Guangling City. The Yang Family's strength was still very terrifying.

Moreover, the other party seemed to be a disciple of the Immortal Mountain's holy land. Even though the Heaven Mending Sect didn't fear the Immortal Mountain, they always maintained a friendly attitude. If they were to do so now, would it indirectly cause a war between the two sects?

Seeing that Lin Qingzhu was a little worried, Xiao Yi patted his chest and said, "Don't worry, Fairy! As long as I'm here, Yang Xiao won't dare to do anything too overboard. His Yang family has people, but my Xiao family is not to be trifled with either. If the two fairies don't mind, can you follow me back to Xiao clan and stay there for a few days?"

Lin Qingzhu was very surprised by Xiao Yi's suggestion. She could not understand why Xiao Yi wanted to help them. They were strangers who met by chance. Their friendship was average, and they even had some conflicts.

Xiao Yi actually went against Yang Xiao in order to help them. It was really a little confusing.

Hearing Xiao Yi's words, even Situ Changfeng was somewhat surprised. "Young Master Xiao is indeed a young hero, daring to be angry for a beauty. Such magnanimity has truly shown me a hand."

When Situ Changfeng said this, Xiao Yi felt a little guilty. He leaned over and whispered in his ear. "Senior Situ, don't make fun of me! I'm not doing this for beauty! I'm just afraid of their master. That guy is not human at all. If I don't take good care of them, I'm afraid that when he comes to Guangling City, I will die on the spot."

"Hmm?" Situ Changfeng was stunned for a moment. He looked at Xiao Yi with surprise and was very curious in his heart.

What kind of person could scare the bossy and domineering Young Master Xiao to this extent? Moreover, he was in Guangling City. Could he really kill him with his father, Xiao Zhan, supporting him?

"Young Master Xiao, is the person you're talking about very powerful?"

"It's more than amazing! It's insane. You should know about the two Five Realms experts from the Lin family, right? That guy had just lightly waved his sword and almost took the lives of those two old men. Oh my god, I've never seen such a fierce person in my life."

"Oh? Now that you mention it, I'm suddenly intrigued."

Situ Changfeng understood those two powerhouses from the Lin Clan very well. He had also exchanged blows with the other party before and knew everything.

The master of these two little girls had seriously injured them with a single strike? When had such an expert appeared in the Eastern Wasteland? He hadn't received any news at all. If it was as Xiao Yi had said, then their master was definitely a friend worthy of deep friendship.

"Hm, Young Master Xiao, what is the name of the great person you mentioned? Which immortal mountain is he cultivating on?"

"Heaven Mending Sect, Violet Cloud Peak's master, Ye Qiu..."

"Heaven Mending Sect, Violet Cloud Peak!"

After calming down, Situ Changfeng suddenly thought of a person. An old man with a transcendent aura. With his strength alone, he had suppressed all the immortal sects and holy lands of the Eastern Wasteland.

He was known as the strongest expert below the King-Ranked Realm.

Daoist Xuantian.

Could this person be Daoist Xuantian's disciple?

"So he's Perfected Xuantian's disciple! No wonder..."

Situ Changfeng clearly remembered that Daoist Xuantian was the previous master of the Heaven Mending Sect's Violet Cloud Peak.

Situ Changfeng deeply looked at Lin Qingzhu and Zhao Wan'er. With a single glance, he discovered the divine bone aura emitting from their bodies.

"Hiss... Two innate divine bones?"

Situ Changfeng sucked in a cold breath, his expression becoming somewhat nervous.

The divine bones themselves were very rare immortal physiques. The two of them actually had one each. Furthermore, their attributes were completely different. One was ice and the other was fire. Their grades were also extremely high.

Lin Qingzhu, who was the strongest among them, was already a first-grade Celestial realm. As for Zhao Wan'er, although she was only a second-grade Black Finger, judging from her aura, the scorching hellfire on her body was extremely shocking.

Her combat ability was not weak either.

These two geniuses were actually Ye Qiu's disciples.

"Unbelievable! I can't believe there's someone like that in this world! The Yang Clan must have not expected it this time."

The corner of Situ Changfeng's mouth curled up slightly as he muttered softly. He did not say anything and looked at Xiao Yi. He instantly understood why he wanted to offend Yang Xiao and protect these two people.

It turned out that the Xiao Family wanted to cozy up to the Heaven Mending Sect.

Yes, it was a very wise choice.

“Fairy, how is it? Do you want to stay at my house for a few days? Don’t worry, I, Xiao Yi, will never offend you. Earlier, I was ignorant and offended your master. Right now, I only wish to atone for my crimes and pray for your master’s forgiveness.

“As long as you guys are willing to follow me back, Yang Xiao absolutely won’t dare to do anything to you guys.”

After hearing Xiao Yi’s suggestion, Lin Qingzhu hesitated.

The main thing was that she did not want to blow things up, because there was still the Immortal Mountain behind Yang Xiao. If this matter escalated to the conflict between sects, they might cause trouble for her master. She didn’t want that to happen.

“Senior Sister, I think we can stay there for two days. Master already went to the depths of the uninhabited region yesterday! We don’t even know when he will return, so instead of going everywhere, we might as well wait for him here.” Zhao Wan’er chimed in as well. She wasn’t worried about the Yang Clan taking revenge, but it couldn’t be any better if she could avoid this sort of trouble.

After all, her identity was special. Unless it was absolutely necessary, it was best not to expose it.

“Okay, that’s fine too! We’ll do as you say then.” After some thought, Lin Qingzhu nodded. She was worried that her master would encounter some danger in the depths of the uninhabited region.

He should be fine with his Cardinal’s strength, as long as he didn’t encounter any Cardinal level ferocious beasts. However, it was better to be safe than sorry. That mysterious dark aura was simply too strange.

If he was tainted with inauspiciousness, even an Allheaven Divine Immortal would find it difficult to escape calamity.

Lin Qingzhu even felt a little regretful. Why did she ask her master to help her investigate the beast riot? If not, her master would not have taken the risk to enter such a dangerous place. She could only pray that her master would not be in any danger. Otherwise, she would never be able to forgive herself.

After getting Lin Qingzhu's agreement, Zhao Wan'er smiled gently and said to Xiao Yi, "Then, we'll have to trouble Young Master Xiao..."

"Hehe, not at all, it's nothing much. As long as Fairy doesn't mind. We'd better leave quickly. We have to be careful of Yang Xiao coming back to take revenge. This person has a strong desire for revenge. We have to guard against him." Xiao Yi urged and walked downstairs first.
