

THE MOST GENEROUS MASTER EVER Chapter 65

“Hmph, don’t be too smug. This is just the beginning.” Qi Wuhui said to Ye Qiu with a dark expression. He was about to say a few harsh words, but the other party ignored him. He immediately became even angrier. He waved his hand and walked to the Hidden Sword Peak’s team to start lecturing.

Lin Yi walked over dejectedly. “Master, I’m sorry. I’ve embarrassed you.”

“Hmph, trash. I told you to cultivate diligently, but all of you didn’t do your job properly. Do you know how embarrassing it is now? The reputation of my Hidden Sword Peak has been completely lost by you. Now, the entire sect is watching us make a fool of ourselves. Do you think you haven’t embarrassed yourselves enough?”

Qi Wuhui reprimanded coldly. The disciples beside him did not say a word and did not dare to make a sound.

Anyone who dared to oppose him would be courting death.

At this moment, a man in green walked out and said, “Master, don’t be angry. This is only the first round. You can see how I regain the dignity of the Hidden Sword Peak in the next round. The dignity of my Hidden Sword Peak is not something anyone can trample on.”

Hearing this, Qi Wuhui finally felt a little relieved and said, “Very good, Feichen, the next round will depend on you. I’ve always thought highly of you. You must regain the dignity of the peak. Don’t disappoint me.”

Li Feichen smiled confidently and said, “Don’t worry, Master. I will definitely not disappoint you.”

He was extremely confident because he was the second disciple of the Hidden Sword Peak, second only to Qi Hao. His cultivation had reached level three of the Celestial realm.

His next opponent was Lin Qingzhu.

He did not believe that he could not take down a little girl who had just entered the sect three months ago with his third level of Celestial realm cultivation.

Qi Wuhui felt much better when he saw that his second disciple was so confident. He calmed down and turned around to look at Ye Qiu.

He thought to himself, ?Laugh. See how I return the humiliation I suffered just now. Hmph, you were lucky enough to win. Do you really think that my Hidden Sword Peak has no one?

Qi Wuhui composed himself and returned to his seat under everyone’s gaze.

He heard Daoist Tiantong and Ye Qiu chatting.

“Haha, Fellow Daoist, your disciple has really given me a surprise. Not only has she grasped the strongest fire in the world, but her cultivation has also reached the astonishing Celestial realm at such a young age. I can’t imagine how high her cultivation will reach in the future.”

Daoist Tiantong sighed from the bottom of his heart. He had thought that his disciple was already outstanding enough. He realized that there was no lack of geniuses in the world after visiting the Heaven Mending Sect. There were many people who were more outstanding than them.

They just did not like to show their faces and kept a low profile.

“I’m very curious. How did you raise her cultivation to the Celestial realm in just a month?”

As soon as the question was asked, everyone looked at him curiously.

Ye Qiu smiled faintly and said, "It's nothing. It's just a precious bone of the Five Realms."

"What!"

"A Five Realms descendant's precious bone?"

As soon as these words were spoken, everyone was shocked, even Meng Tianzheng.

He originally thought that the reason why Ye Qiu could break through to the Cardinal realm was because he had absorbed that precious bone.

Who would have thought that he did not absorb it at all and gave it to his disciple?

This...

Wasn't he too generous?

Everyone had heard that Ye Qiu had defeated two experts with a single strike and snatched away the precious bone back then.

Everyone knew that he had the descendant's precious bone of Five Realms, but they didn't know how he dealt with it.

Normally, in the eyes of other peak masters, they would probably absorb it themselves. After all, this Five Realms precious bone was extraordinary. If they could absorb it, it would be enough for them to break through to the Cardinal realm.

However, what they didn't expect was that not only did Ye Qiu not absorb it, he even gave it to his disciple.

At this moment, even Qi Wuhui revealed a shocked expression. He really couldn't understand how Ye Qiu made up his mind to give such a good treasure to his disciple.

"Oh my god, where can I find such a good master? I want one too."

It doesn't matter if there's a precious descendant bone or not. I just want to acknowledge such a master who never hides anything from his disciples."

"Is it too late for me to transfer to Violet Cloud Peak now? I'm waiting online. It's urgent..."

Everyone shed envious tears.

From the looks of it, Violet Cloud Peak was a hot commodity. Whoever could enter would soar into the sky. Would they be afraid of not becoming an immortal with such a good master?

Even He Wushuang, who was behind him, was a little jealous. After realizing this, Daoist Tiantong hurriedly changed the topic. He did not want to lose his beloved disciple after coming to visit.

"Haha, Daoist, you're really an extraordinary person. This is the first time I've seen such a broad-minded person. I'm impressed, impressed..."

After a long silence, Meng Tianzheng finally spoke. He said to Xu Feng, "Continue the competition."

Xu Feng nodded and said loudly, "Second match of the Martial Meeting, Violet Cloud Peak's Lin Qingzhu versus Hidden Sword Peak's Li Feichen."

"Please enter."

As Xu Feng's voice sounded, Qi Wuhui's expression gradually improved. He turned to look at Li Feichen and said, "Go and end the battle as quickly as possible. Find back the dignity we lost just now."

"Don't worry, Master."

Li Feichen smiled confidently and jumped onto the arena. That extraordinary figure attracted the attention of many people.

After Li Feichen appeared, Qi Wuhui looked at Ye Qiu meaningfully. He had already planned how to humiliate him later.

Ye Qiu ignored his strange gaze and turned around to say to Lin Qingzhu, "Disciple, go and have some fun."

"Okay." Lin Qingzhu nodded. Her temperament was cold as she held the Violet Cloud Sword in her hand and walked onto the arena step by step. Unlike Li Feichen, who liked to show off his skills.

Lin Qingzhu stood there without saying a word when she arrived at the arena. That bone-piercing coldness slowly spread out.

Everyone couldn't help but exclaim.

Such a beautiful appearance surpassed that of a fairy. She was slender, elegant, and cold.

"Are you guys ready?"

The two of them nodded. Xu Feng immediately said, "Okay, let's begin."

After announcing the start, Xu Feng walked down the stage. Li Feichen cupped his hands and said, "Hidden Sword Peak, Li Feichen, Junior Sister, please guide me."

"Violet Cloud Peak, Lin Qingzhu! Please guide me..."

Lin Qingzhu only responded coldly and did not do anything. Li Feichen was very dissatisfied. However, he didn't care. He slowly pulled out his sword and said, "This sword is called a Fuyou. It's made of black iron of the Hantan and is incomparably sharp. Junior Sister, be careful."

Lin Qingzhu frowned and felt that the other party was talking too much nonsense. She only said coldly, "Come on."

Li Feichen, who wanted to show off, flew into a rage out of humiliation when he saw that the other party did not take him seriously.

"Since Junior Sister is so anxious, I won't stand on ceremony."

In an instant, the aura of a third-stage Celestial realm erupted. Under that shocking pressure, Li Feichen slowly pulled out his sword.

“Haha, Junior Brother Ye, I wonder if my disciple can catch your eye?” Below the stage, Qi Wuhui smiled in relief and deliberately said to Ye Qiu.

Ye Qiu only smiled faintly, “Yes, not bad. Third level of Celestial realm. This disciple must be Senior Brother’s favorite disciple, right?”

Qi Wuhui didn’t hide anything and smiled. “Haha, of course.”

As soon as he finished speaking, the battle on the stage instantly erupted.

Li Feichen had successfully gathered his Qi and his sword technique was extremely sharp. He attacked Lin Qingzhu’s left side with a starting stance.

Lin Qingzhu was neither fast nor slow. She only turned her body sideways and dodged the attack. She did not even pull out the Violet Cloud Sword.

Li Feichen was furious that his sword attack was dodged so easily. He erupted with the power of a third-stage Celestial realm expert, wanting to end the battle as quickly as possible.

“Very good. You’ve successfully angered me. Prepare to receive my anger.”

Li Feichen began to consolidate his sword intent with the sword in front of his chest. He did not hide the power in his body and erupted. In an instant, a powerful sword intent suddenly erupted, covering the sky and earth.

“Gasp... I didn’t expect Li Feichen’s attainment in the Sword Dao to reach such a high level.”

“Looks like Violet Cloud Peak is going to lose this time.”

Everyone was shocked and discussed.

The peak masters looked at each other as they felt their pressure multiplied. They did not expect the Hidden Sword Peak to have so many experts. It seemed like it would not be easy for them to obtain a good result this time.
