

## THE MOST GENEROUS MASTER EVER Chapter 73

In Ming Yue's memory, any move named after a dragon was extremely ferocious. When she first heard of Ye Qiu's technique, she thought that it was also an extremely domineering technique.

Curious, Ming Yue looked into Ye Qiu's eyes and continued to ask, "Junior Brother, what's so special about this move? Quick, tell me."

Her coquettish tone made Ye Qiu tremble.

"Special? Hmm..." Ye Qiu was silent for a moment. He said calmly, "Senior Sister, once I use this move... It was as if I was strolling on a silver plain and revealing the secrets of the forest. It was also like touching the sea of stars and exploring the other side of life. Or climb to the peak of a tall mountain and see the scenery of the mountains. It was also like exploring the mysteries of life in the indigo sea between the two rivers."

"Hiss..." The more Ming Yue listened, the more shocked she became. Could it be that... this was a God-grade secret technique?

"The power of the dragon is unstoppable! Once this move is used, even the fairies in the sky wouldn't dare to come to this world..."

When Ming Yue heard this, her cherry mouth opened, but she didn't know what to say. Even the fairies in the sky had to submit? How domineering was this!

She was shocked. She didn't expect Ye Qiu to have such a secret technique besides the Infinite Universe Palm.

The most terrifying thing was that this move actually had many profundities. This was probably something that only a God technique could do, right? She was a little afraid. She gradually came to a conclusion from Ye Qiu's descriptions.

This move was very powerful...

She thought to herself. If the person who received this move was me, would I be able to withstand it?

Hmm... I don't think I could withstand it.

She became even more curious and continued to ask, "What else? What else? Let's talk about it again."

Ye Qiu rubbed his chin and thought for a moment. The smile on his face gradually became evil. "Dancing in the wind and erupting in the chaos. It's not difficult to take out thousands of troops and horses. This move has the power to directly attack the enemy. It can kill the general of the enemy among thousands of troops..."

Ming Yue pursed her lips. There was a huge difference in her usual elegant style. She was stunned. Her watery eyes blinked, and she seemed to be thinking about something. She was very cute.

It made one want to kiss her.

"Junior Brother, this move must be very powerful, right? Is it a God-grade secret technique?" Ming Yue couldn't figure it out no matter how she thought about it. She only felt that the more she listened, the stranger it became, so she simply asked.

Ye Qiu nodded and smiled. "I think so." It wasn't too much to call such a sacred moment a God-grade technique.

Ming Yue's eyes lit up. I was right. This is really a god-grade skill. Hmm... I really want to see such a God-grade skill. As she thought to herself, Ming Yue looked at Ye Qiu with a sincere gaze. Her eyes were like

crescent moons as she revealed a charming smile. “Junior Brother, when are you going to demonstrate this God-grade skill to me so that I can broaden my horizons?”

Ye Qiu was stunned for a moment. He looked around and said with a strange expression, “That’s not good, right? Senior Sister, there are so many people here. I feel embarrassed. Senior Sister, if you want to see it, we can find a place with no one around and study it properly.”

“Really?”

Ye Qiu said casually, “When have I ever lied to you? How can I refuse if Senior Sister wants to see it?”

Ming Yue’s eyes lit up, but she didn’t think too much about it. After all, it was a god-grade technique. It was indeed inconvenient to demonstrate it in front of so many people. This god-grade skill was considered a trump card. Of course, the more confidential it was, the better. How could he demonstrate it in public?

She was secretly delighted that Ye Qiu was willing to share such a God-grade skill with her. It seemed like she still had a certain status in his heart.

Ming Yue was secretly delighted. She was so happy that she wished she could hug Ye Qiu and kiss him.

That was a god-grade technique. Although she was the master of a peak, the highest level of secret techniques she had comprehended was only Earth-grade.

She had never even learned a heaven-grade secret technique because there was no heaven-grade secret technique in the Heavenly Water Peak’s inheritance.

In the entire Heaven Mending Sect, other than the Heaven Mending Technique that only the Sect Master could cultivate, it seemed that only Violet Cloud Peak had secret techniques above the heaven-grade.

She really didn't know where Ye Qiu got these secret techniques from. Perhaps it was because Violet Cloud Peak's ancestors had once been glorious, so they had more treasures.

"Then let's agree that when we have time, we'll find a place where no one is and study it?" Ming Yue probed. She saw Ye Qiu's meaningful smile that revealed evilness and couldn't help but panic.

"Sure! I can't ask for more..."

She pursed her lips and her expression became strange. Why did it feel like... his smile was impure?

Ming Yue's heart trembled as she recalled the conversation just now. The more she thought about it, the more she felt that something was wrong.

Wait a minute...

After carefully thinking through, Ming Yue suddenly blushed and her mouth twitched. Ming Yue finally understood after seeing Ye Qiu's expression and hearing his description.

"Ah..." Ming Yue's mentality collapsed.

She actually chatted with Ye Qiu for a long time about such a topic, and she actually naively thought that there was really such a secret technique.

Ming Yue blushed. She wished she could dig a hole and bury herself. She finally realized what she had just said. She actually wanted to find a deserted place with Ye Qiu to study it.

Ye Qiu almost laughed to death. He suddenly felt that teasing this beautiful senior sister for no reason seemed to be a very happy thing.

This Senior Sister seemed to know about everything and relied on her charm to bewitch people, but in reality, she still lacked theoretical knowledge.

Hmm, it seemed like he had to find a chance to give her some lessons.

Ye Qiu pretended to be confused and said seriously, "Senior Sister, what's wrong? Why is your face red..."

"Go to hell. I'll never talk to you again." Ming Yue didn't know how to face Ye Qiu. When she thought of the topic just now, her face turned red again. Exasperated, she threw out a sentence and left in a panic.

"Master..." The Heavenly Water Peak disciples behind were confused. What was going on? Why did their Master leave? The Martial Meeting had yet to end.

Not only did the disciples of Heavenly Water Peak not understand, but even Zhao Wan'er, who was standing behind Ye Qiu, was also confused. "Master, what's wrong with Perfected Ming Yue?"

Ye Qiu smiled calmly and said, "I don't know. She might have thought of something happy."

"Something happy?" Zhao Wan'er narrowed her eyes. Ming Yue's fleeing back didn't look like she was happy.

For a moment, she suspected that something big had happened and she did not notice it.
