#### Chapter 22 (Part 1)

After two days, Lyzza received a notice letter from Gideon's lawyer. Just as it said, the letter stated that it wanted to take Summer.

He looked at the bed inside the hospital when his son squealed when Gideon tickled him on the stomach. Her daughter is a daddy's girl in an instant. There was a trace of joy on his face when he saw Gideon when he opened his eyes. Even though he was pale, he was naughty to hug and talk to his father. "Daddy, no! I won't do it anymore. I surrender. No!" it screamed and laughed.

Gideon chuckled and scooped Summer in his arms. The child hugged his father's neck tenderly. Gideon kissed Summer's forehead and returned her hug.

Summer waved as he looked at her. "Mommy!"

He smiled at her and stood up from sitting on the sofa. He just got back from his flight. His mom and Gideon did not agree that he was absent from his class at the airlines. This is said to be the responsibility of their son. And true to his words, he found Gideon arguing with Summer. "How are you feeling, hmm?" he asked his son softly and sat on the other side of the bed. "It was fun, Daddy is here. Thank you for finding him, Mommy." Her eyes shine with happiness. "I love you." She gave her a flying kiss that made her chuckle. He bent down close to her and gave her a kiss on the forehead. "I love you too, Baby." Then he adjusted his seat and was stunned when he met Gideon's eyes looking directly at him. His eyes were cold and emotionless. She was swallowed by the intensity of his gaze on her, as if reading the contents of his mind. "Mommy, kiss Daddy too. I saw my classmates' mommies and daddies kissing whenever they saw each other."

He closed his mouth at what his son said. He averted his gaze and his cheeks heated up. The idea of kissing him with the current situation of them is awkward. They are both annoyed with each other. Him, irritated with the idea that she hides Summer. And her, with the idea of him getting Summer from her.

Then what? His son will have a stepmother and hurt him? She and Gideon will die if even the tip of Summer's finger is injured because of her stepmother. She knows a lot of kids being physically violated caused by their step-parents. He knows only a few who have true love for their husband's son. Advance if you think in advance. Can she be blamed when that is one of the things that a mother like her fears.

“Come on, Mommy. You already kissed me. Kiss Daddy too so we’re a happy family.”

He shook his head and ruffled her loose hair. He immediately complained about what he did.

“Mommy, don’t mess up my hair. Mamila just combed my hair and now I look like a witch again.”

“No, you are not.”

Summer gave her a cheeky smile. Labas ang gilagid nito. “Really? Tito Cai said that I look like a witch in the Hansel and Gretel movie.”

“You’re just being fooled.”

“I know, Mommy. But he is still my favorite Tito.” He turned his gaze to his father. “Where’s your sister, Daddy?” “You know that I have one?” “Yes,” the boy nodded. “I saw you at the mall, didn’t I?” “Yeah.” Gideon chuckled. “Her name is Carollate. You wanna meet her?” “Yes, Daddy. She looks like a princess!” “Alright. I’ll tell her.” Summer squealed with joy and was even applauded. “I’ll ask her to fix my hair.” Summer talked to her father until he fell asleep. It is no longer as pale as it was the first day it was hospitalized. When he saw that Gideon had laid it on the bed, he immediately turned around and was about to go back to the sofa. However, his iron-like hand grabbed her wrist. He raised an eyebrow at her as they pressed their lips together, asking what he needed. “About my proposal, ” it coldly spoke to him. He looked down and weakly snatched his hand from her. Gideon offered him a proposal about their daughter’s custody. He wants them to get married for their daughter’s sake. He said if he wants Summer to stay in his power, he has to marry her. It was a very good deal on her part. She will be with Summer and Gideon will not be far from her son. He knows what he can do just to follow what he wants. This man is f\*lthy rich and he can flip the law in just a snap of his fingers. “I am not a very patient man, Lyzza. Summer will be discharged tomorrow morning and she will go home to my house. Whether you like it or not. I gave you three days to think about it, the clock is ticking,” his voice was arrogant and powerful as he spoke. 2 He looked down and weakly snatched his hand from her. Gideon was a freaking manipulative dictator and she hates him for that. She hates the fact that he didn't even listen to her. She hates the fact that Gideon was rich and

powerful and she has no match against him. He went back to sitting on the sofa and didn't answer it. He wasn't in the mood for it

answer again with this man like last two days. He was unreasonable, she didn't listen to him. He thought it was mature for its age. But he made a mistake because this one was too stubborn. It was only five o'clock in the morning and Summer was already awake and had breakfast. The boy was excited and almost stomped to get his clothes and get dressed. "Mommy, when will Daddy come?" The father has been open-mouthed for a while now. He glanced at his wrist watch and yawned. "It's only quarter to six. Maybe he will come later."

"What time?" this is a naughty question.

He sighed and lazily put socks on his son. "I do not know. He did not say anything. Let's wait for Ate Nurse to remove your IV, okay? Then when your daddy is not here, we will go home." The boy's eyebrows met and his snout lengthened. "At our house?" "Yes. Your Mamila and Tito Caius will also be coming to bring our things." Summer's snout grew longer and curved downward. He sighed again when he sniffed.

"Daddy told me na uuwi raw po tayo sa big house niya. He said he will pick us up. Did he lie to me?"

He caught his senses when he felt as if something clicked there. "Summer, Baby," he began and sat on the edge of the bed next to her. "Because there are things

He was interrupted when the lock of the door turned and it opened. Gideon who is now a fresh crisp with his jeans and white t-shirt, smiled at the kid. Her hair is still wet, she looks freshly bathed and her nose smells delicious.

She had a sudden desire to run to him, cling to his nape and sniff his manly perfume. However, before he could do the madness that was running in his mind, Summer screamed with excitement and almost ran towards the door. "Hey," he greeted his son. "Good morning, my Sunshine." Gideon's voice was soft and his eyes were still wide as he looked at their son. He adores their baby that much.
