A Night With Gideon Chapter 25 By Pariahrei

Chapter 25

Lyzza kept looking at her cellphone while waiting in the waiting lounges of Vesarius airlines. It's past five in the afternoon and he's been waiting for Gideon's driver who he's picked up from time to time for the past three days. Manong Nelson didn't have a text saying he couldn't pick her up, so she wonders why he hasn't been there until now.

"Sister Lyz," Quincy Mae waved to her, dragging her suitcase while running towards her. "Why?" he asked and glanced at her. "Are you going to the anniversary?" "I do not know. Isn't that night? Maybe Summer will find me?" The anniversary it says is the anniversary foundation of the airlines that will be held on Saturday. They were told earlier by Ms. Helen that they were interns at the party. It is said that all airline employees are always involved in the company's anniversary foundation. And this year, it's not just a party, there's also an auction for the charity chosen by the Vesarius family. "Maybe you can take Summer with you. I will take care of it. Just go. Just attend those once in a while." "I don't promise. I will ask Sir." Quincy Mae winced when she called Gideon. As much as possible because he calls Gideon 'Sir' when they are at work. Especially if there are people around them.

"Asus, Sir. That's your husband. So we should call you 'Ma'am'. It can also be 'Senorita Lyzza'," Quincy Mae giggled and kept her mouth shut and blinked. "Not really," he countered, laughing. "We are not married. He is Summer's daddy so we live with him now." "Not yet. But you're going to get married, aren't you? You're going to marry him, aren't you?" He sighed and nodded slowly. Quincy Mae squealed and stomped around in excitement. Suppressing the scream from his mouth as he hit her on the arm. "I feel giddy! It's destiny." "That's just practical. Pure business. So that Summer can have a complete family." "I believe in you, Ate Lyz." It hit his arm again. "That's where it's going too. I'm invited to the wedding, right?"

He laughed as he trotted off again with a dreamy expression in his eyes." When there is."

Because Gideon was not mentioned in anything. He didn't even ask about it because he was apart

as he was shy to ask about that matter, it was also busy for the past few days. He is the same.

When he wakes up in the morning he will prepare for the flight, Gideon will also go to the office. What she likes the most about morning is that, Gideon always takes care of Summer and he always prepares their breakfast.

There was no mention of that during the past three days that he and his son stayed in the penthouse. As soon as he woke up in the morning, someone had prepared breakfast and his baby, who always wakes up before him, was already eating. And before she could even finish her food and was about to take care of her daughter, Gideon was stopping her and telling her that Summer will take care of it. Then, they will drive Summer to her school and kiss the little girl goodbye. And then she and Gideon will enter the airlines together, kiss him before they part ways. Yep, they really look like a typical happy family. "Hey, blushing," Quincy Mae teased and poked him in the side.

He was startled and laughed at what he did. "Quincy Mae!"

"But not really, Sister Lyz. When is the wedding so I can prepare. It's embarrassing if I look 'poorita'. For sure then. Just at Sir's penthouse..."

If Quincy Mae could speak, it would seem that her family is not rich.

"Just, Sister Lyz. Go to the anniversary party. Then let's take a picture, I'll just envy the witches in the other section. It's good for them." It looked like a demon laughing in the seat. Jhaica and two of her friends had been kicked out from the airlines. He was indeed the first to slap Jhaica which was captured by CCTV. But due to the thorough investigation of Ms. Helen, it turns out that the rumors about her came from Jhaica. But she doubts that Ms. immediately believed. Helen with a loophole in what was seen on CCTV.

He remembered how Quincy Mae went with Gideon when things went wrong. And knowing Quincy Mae, this one also went crazy. Even more so when he knew he was right, the woman's mouth really opened. He made sure to report to Gideon about the bad words being spread about him. The school did not kick out the three. They just sent them to the other airlines, cheaper than the Vesarius'.

"Mommy!" He heard Summer's shrill and cute voice so he looked around. Summer waves to him as he is in his father's arms going down the escalator that connects the airlines and his office.

Summer was wearing her pink dress and pink shoes. His shoulder-length hair was also tied high while his bangs almost stuck to the child's eyes.

He stifled his own laughter when he saw Summer's furry pink bag slung over Gideon's shoulder. He was big and looks respectable in his expensive

suit but the bag ruined it all. Summer gave him a big smile when they finally got close to them. He immediately lowered his father and moved to his lap. "How's your

day? Hmn...he asked softly and kissed her on the lips. "I have stars again, Mommy. Look!" He showed him the back of his palm." Teacher Ninan said that I am very good little girl. And I told her that I already have a daddy." The boy reached out and cupped both of her cheeks with both of his hands. "She was shocked, Mommy. Good thing, Daddy brought me to school. Nina's teacher saw Daddy." 3 He hadn't even mentioned to his two friends that they were already living in Gideon's house.

"Hello, Aunt Quincy Ganda," Summer waved at Quincy Mae. "Hello, Baby Cutie." These two have an endearment for each other. Quincy Mae turned to Gideon and bowed respectfully. "Good afternoon, Sir." 1 Gideon just nodded with an emotionless face before turning his gaze to them. Quincy ignored that because every employee of Vesarius Airlines is used to his face not even reacting. He took his suitcase and guided him upright. "Let's go?" "O-Okay." He adjusted his hold on Summer and turned to Quincy to ask if he wanted to come with them. The woman refused because she was going to buy something at the mall.

He and Summer sat in the passenger seat while Gideon put his suitcase in the trunk of his car. "It's okay to sit down, Baby. So that Daddy can put seatbelts on us." "Okay." She placed her legs on either side of his thighs-front sitting on his thighs before wrapping her small hands around his neck and burying her face in his chest. "Daddy, seatbelt please." She even bats her eyelashes at her dad. Gideon chuckled and obeyed their daughter. He crouched down near them and put a seatbelt on them. "We'll go to boutique first to buy you some clothes," Gideon informed him as the car was starting to drive out of the airlines compound. "What for? I still have clothes at home. "We are going to my parents' house tonight and I bet you don't want to face them dressed like that." . "Daddy? Do you have a mommy and daddy too?" "Yes, sweetheart."

"Mamila too?" Summer asked innocently and still blinked at her father. Gideon chuckled and took a glance at them. "Yeah. We will have dinner with them. You like that?" "Yes, Daddy. Yes." He nodded excitedly one after the other. "Alright." He turned his gaze to her again while glancing at the front. "Mama and Caius will be there too. Don't be nervous." She rolled her tongue on her lips. "I'm not nervous." The corner of his lips rose and grabbed his hand. "Your hands are cold." He quickly snatched her hand which made the man just laugh. He didn't speak anymore, but just bit his lower lip firmly.

Is this meeting the parents? Cupping her palms over her thighs, she swallowed several times. He's just not nervous. So nervous!
