

The Divine Shot pierced through Luke's head, ending the haughty grandmaster's life.

After getting rid of Luke, Kayson went back to heal Bob.

However, Bob became agitated as he said, "Mr. Yarde, can you save my sister first?"

Kayson took a look at the woman lying in a pool of blood under a television.

"Sure."

He walked over and pushed the television away. He flipped his sister over, and to his surprise, Bob's sister was quite a beauty compared to Bob's average face.

He injected some of the evergreen energy into his sister to heal her wound. After that, he performed the needling technique on her to speed up the healing process.

Bob's sister regained consciousness roughly ten minutes later. She opened her eyes, and the first person she saw was Kayson.

"W-Who are you?" Yuna looked at Kayson, her face turning pale in fear.

Bob hastily said, "Yuna, he's my friend, Mr. Yarde. You don't need to be scared of him."

Yuna's eyes turned red around the rims, and she rushed forward to hug her brother.
