

Girl Boss 636

## Chapter 636

Bob's pupils constricted after he heard what Kayson said.

He thought his ears or his mind was playing a trick on him as he asked in disbelief, "Y— You want me to stay in Eden Joy, Mr. Yarde?"

Kayson nodded.

"I'll be honest with you. I'm putting together a team. I don't know about other people, as for you... Well, although we just met each other not long ago, I think you should be able to handle the task."

Beads of cold sweat

began forming on Bob's forehead as he said, "Mr. Yarde, I'm not exaggerating things, but if I don't have anyone to support me, I won't be able to hold the position..."

Kayson smiled and said, "I'll ask a grandmaster to be your bodyguard."

Bob was stunned. His breathing became faster as a glint crossed his eyes.

"If you can get a grandmaster to be my bodyguard, then I can try it, Mr. Yarde!" After that, he gnashed his teeth and added, "You're the one who saved my life. If you want it, I'm willing to give it back to you. However, I have a favor to ask of you, Mr. Yarde. I hope you can protect my sister if something happens to me."

On the side, Yuna's face was filled with worries, and her eyes were red around the rims.

"My sister is the only family I have in this world. As long as she's happy, I don't care what happens to me."

It occurred to Kayson that Bob really cared a lot for his sister, and he began to look at Bob in a new light.

"Don't worry. Neither of you is going to die when I'm here with you."

When Bob thought of how Kayson healed both him and his sister to full health, he was relieved.

Kayson asked, "Do you know Master Gould?"

"Master Gould?" Bob thought for a while and shook his head. "Nope. I don't know him."

Kayson continued. "He's one of Eden Joy's grandmaster-level fighters."

Bob was slightly startled as he replied, "Eden Joy is a big organization. There are a lot of people who I've never seen before."

Kayson nodded. "Don't worry."

He planned to ask Zidane to be Bob's bodyguard. He was the one who had cured Vivian's Soul-silencing Curse. Zidane was indebted to him, so he was certain that he wouldn't say no.

"If anyone dares come after you again, just mention my name. If they don't know me, then tell them that I'm the one who killed Zeus."

Bob nodded. After that, Kayson walked over to Luke and pulled out a few cards and a pouch.

"Go do something about these cards."

Bob took over the cards. As for the pouch, Kayson was curious about it, so he took it away.

After Kayson left, Yuna went forward to Bob and asked admiringly, "Brother, who is this Mr. Yarde?"

Bob looked toward Kayson in respect and said, "I don't know. We just need to know that he isn't someone ordinary."

Yuna nodded. Although this was the first time she came across Kayson, she knew he was someone special and felt her brother was really lucky that he could come across someone like him.

At this moment, Luke's phone rang.

Bob's heart skipped a beat. He took a deep breath, walked over to pick up the phone, and answered the call.

"Hello."

An impatient voice rang out from the other side of the line. "Bob? Aren't you dead yet? Where is Luke?"

Bob was enraged when he heard the voice. This was because the man on the phone was the son of the high executive who had sent Luke over to take his sister away.

"Herein, Luke is dead!"

"Huh? Bob, how dare you call my name!?" Herein growled in rage. "Get over here and apologize to me now. If not, I'll turn your sister into our plaything!"

Chapter 637

Bob became even angrier after what Herein said.

He had been working for Eden Joy for many years. Even if they did not appreciate his hard work, he had done his job at the very least. He did not expect he would come to this in the end.

"Herein, I won't work for Eden Joy anymore!" Bob said coldly, "From now onward, I'll be working for Mr. Yarde!

If you dare to lay your finger on my sister, you're disrespecting Mr. Yarde!"

Herein scoffed and said sarcastically, "Mr. Yarde? Since when have we had such a person in Skyspring? Why didn't I know about it?"

Bob said, "He comes from Clouspring, and he's the one who killed Zeus. Now you know who he is?"

Herein fell

silent for a moment. Honestly, Bob did not know if he was doing the right thing or not. He was not some one from a higher social circle, so he did not know much about Zeus.

What really fueled his confidence was the scene of Kayson defeating four grandmasters.

"You're talking about Kayson Yarde ?" Herein's voice changed.

Bob was stunned as he could sense fear in Herein's voice.

His

heart picked up its pace, and it seemed to him that whoever Zeus was that got killed by Kayson, he must be someone of high status.

Bob straightened his back and said confidently , "That's right! Mr. Yarde killed Luke as well!"

Herein hung up the call instantly.

Bob heaved out a sigh of relief and seemed agitated. He turned his head around and said, "Yuna, we're in luck! Mr. Yarde is even more terrifying than I thought he was!"

Yuna was happy as well and replied excitedly, "Brother, we need to maintain a good relationship with Mr. Yarde."

"You're right!" Bob let out a long sigh and continued. "Mr. Yarde is a righteous person. Nothing will go wrong if we work for him, unlike those people from Eden Joy. No matter what I do, they'll only treat me like a dog."

After Kayson came out of Bob's place, he decided to go look for Zidane.

When he was on his way, he received a call from him.

He did not know why, but

Zidane sounded anxious, "Mr. Yarde! You've got to help us! My granddaughter suddenly collapsed, and her face turned black. She looks like a zombie now!"

Kayson frowned slightly and picked up his pace. "I'll be there in three minutes. Stay where you are, and don't touch her."

"You need to hurry up, Mr. Yarde! She's vomiting blood now!"

Kayson picked up his pace without saying anything and arrived at Vivian's house in less than three minutes.

Zidane was a grandmaster , but he was so anxious right now that he nearly got to his knees and prayed to heaven.

When Kayson appeared in his vision, he nearly jumped on him.

Kayson ignored him and made his way up to Vivian in the kitchen.

She was lying on the floor. Her skin had become so dry that it seemed as if all the water was leaving her body.

Kayson hastily injected some evergreen energy into her, and only then did her condition improve.

“Master Gould, please go get me some charm papers. Hurry.”

“Okay!”

After Zidane left, Kayson pulled out his silver needles and stuck them into her acupoints before transferring some lighting energy into Vivian.

“Extermination Curse... They really are going to kill Vivian. It seems like the one who cast the Soul-silencing Curse is from Eden Joy.”

Kayson knew what was going on with Vivian. This was because this aura was similar to the aura he had sensed when he came here to help her remove the Soul-silencing Curse.

Soon, Zidane returned. Kayson took over the charm paper and drew something on it. This was the “Fixate Charm” he had learned from the Shamanian Society, and it was the perfect counter to the Extermination Curse.

The last time he had gotten some charm papers from Poison Pop, one of them was the Fixate Charm.

Chapter 638

Kayson had read through all of them, so he had memorized all the drawings inside of his head.

He put the Fixate Charm on Vivian’s chest, and as soon as he activated it, Vivian’s condition improved.

Soon, her skin turned back to its original color.

Zidane heaved out a sigh of relief after seeing that his granddaughter was fine. However, there was still some fear lingering inside of him.

Kayson captured the aura of the person who had cursed Vivian and harrumphed coldly inwardly. Since that person liked to curse other people so much, Kayson was going to let them have a taste of their own medicine.

Kayson was not familiar with the Killing Curse, but he felt it should be more than enough.

Joe, the man who worked for Yulene’s friend, Cullen, was good at cursecraft, and he was ruthless.

If Kayson hadn’t removed the curse in time, Yulene would have fallen into their hands already.

Therefore, Kayson was going to use Joe’s curse to retaliate against the person who had cursed Vivian.

He closed his eyes and activated the Killing Curse.

Dozens of miles away in a mountainside villa...

There was a white-bearded old man in the living room. He cracked his eyes open and waved his hand in the air.

An explosion occurred, and something dropped to the floor.

On the couch, a middle-aged man in a maroon suit was stunned and asked, "What happened, Master West?"

Master West fell silent for a moment before replying, "Someone dispelled my Extermination Curse and saved Vivian. Not only that, but they also cast the Killing Curse on me. Although its power isn't great enough, it still shocks me."

The middle-aged man was stunned. "What? Other than Master Gray, there are other people who're good at spellcraft and cursecraft too?"

Master West replied, "I'm not sure about that. But one thing I'm very sure of is that this person isn't very good at cursecraft. He seems to have used the Fixate Charm from the Shamanian Society to save Vivian.

"He's just a piece of trash who relies on charm papers. He's not a threat at all."

The middle-aged man heaved out a sigh of relief and said, "I see. In other words, Vivian escaped death again?"

His face sank. "D\*mnit! Why is she so hard to kill? Since Zidane has the guts to cut ties with Eden Joy, I must teach him a lesson. Otherwise, people will think that Eden Joy is some place where they can come and go as they please!"

Master West said indifferently, "Don't worry. She won't be able to escape next time as I'll be using a stronger curse on her."

The middle-aged man hastily asked respectfully, "Are you going to take some rest now, Master West?"

"Yeah. I've used up too much energy. I need to take some rest now."

"Alright. I won't be disturbing you then!"

At Vivian's house...

"Grandpa..." Vivian called out to Zidane weakly after waking up.

Zidane's face was filled with joy as he said, "You scared the hell out of me, Vivian. It's all thanks to Mr. Yarde. If it weren't for him, we wouldn't be talking to each other right now."

Kayson chimed in and said in a serious voice, "Master Gould, this isn't over yet. This Fixate Charm won't work forever. We need to find a way to pull the person out of the dark."

Zidane let out a bitter smile and said, "Of course, I know what you're saying, Mr. Yarde. But the question is that I don't know where they are."

Kayson thought for a while and said, "Maybe I have an idea, but you need to prepare yourself. After all, there is a high probability that it's someone from Eden Joy who cursed Vivian."

Zidane's expression changed. "Eden Joy?"

Kayson replied, "Yeah."

Zidane gnashed his teeth and snarled, "D\*mn you, Eden Joy! just said I wanted nothing to do with them, and they have started to do something like this to me!"

Chapter 639

Kayson had a bad impression on Eden Joy. However, this organization was mysterious. Even Admiralporium knew not much about them.

Kayson asked, "Master Gould, you're a grandmaster as well. Even if you're no longer working for them, there's no need for them to do something so evil to you and your granddaughter. After all, it's better to make friends than to make enemies. Do you know why they're doing this to you?"

Sighing, Zidane

said, "I'm not so sure about that either. But Eden Joy has been notoriously known for their ruthlessness. There was once a fighter who got his tendons severed when he said he wanted to leave Eden Joy.

"In their words, since we've enjoyed the benefits brought by Eden Joy, we have to pay the price when we want to leave.

"But that fighter only became a master because of the benefits and resources he got from Eden Joy. Besides, he also stole something from them when he left.

"Therefore, I think they're being merciful for severing his tendons only."

As he was speaking, he remembered something and said, "I have an old friend. He also tried to leave Eden Joy, but it seems like he failed.

"And I haven't seen him since then. Could it be... Did something bad happen to him?"

Kayson squinted and asked, "Is this friend of yours a grandmaster too?"

Zidane nodded. "Yeah. By the way, are you really the one who killed Zeus, Mr. Yarde?"

Kayson smiled and said, "Yeah. He was trying to kill me, so I killed him back."

Zidane was shocked inwardly. He now felt that it was normal that he couldn't defeat Kayson.

"What a coincidence. This friend of mine has fought Zeus before too," said Zidane. "However, he was no match for Zeus, so he ran away midway through the fight.

"He said that if it weren't for Zeus chasing after someone else, he might not have been able to escape from him."

Nobody knew how powerful Steelification Doyen was more than Kayson did.

If he could still survive after fighting Zeus, it meant he was also rather powerful.

Kayson thought of Juniper after listening to Master Gould's story. When Zeus came after her, it was the friend of her master who stopped Zeus. That's why she could escape from Zeus.

He asked, "Master Gould, does your friend have a friend in Greenspring?"

Zidane thought for a while and replied, "Now that you've mentioned it. He mentioned that he had a friend in Greenspring when I was drinking with him.

"However, that person is already dead. He has two disciples, and he has been watching over them."

Kayson had some ideas and said, "Master Gould, could you inform me when you have news of your friend?"

Master Gould was stunned for a moment but did not ask anything. Instead, he nodded and said, "Sure. I'll inform you when I have news of him."

Vivian had recovered as well. She walked up to Kayson and said, "Mr. Yarde, thank you for saving my life again."

Kayson smiled. "Don't mention it, Ms. Gould. Actually, I came here because I have a favor to ask of you, Master Gould."

Vivian smiled at him back sweetly and said, "You can call me Vivian, Mr. Yarde. Ms. Gould sounds strange to me."

"Alright then."

Master Gould was happy and asked, "Then you can call me Grandpa Zidane. My name is Zidane Gould. It's fine as well if you want to call me Mr. Zidane.

"What is the thing you want me to do for you? You can let me know, and I will see if there is anything I can do about it."

Kayson then told him that he wanted him to protect Bob.

Master Gould seemed a bit surprised as he said, "Bob is also one from Eden Joy. I can't believe that he has already joined you."

Master Gould had a high position in Eden Joy, so he knew about Bob.

Kayson nodded. "He said the son of a high executive wanted his sister. He didn't want to offer his sister to him, so they sent Luke after him.

"I've already killed Luke, so Bob's working for me now. However, I'm worried that Eden Joy will send someone after him again."

Master Gould smiled coldly, "Okay. I'll protect Bob. If Eden Joy has the guts to send more people after him, I'll kill them all."

His granddaughter had nearly died, so he was not going to go easy against Eden Joy anymore.

Chapter 640

Master Gould did exactly what he said and went to Bob right after that, leaving Kayson and Vivian.

Vivian spoke up softly. "Mr. Yarde..."

"Just call me by my name."

Vivian beamed and said gently, "Kayson, you've saved me twice. I'll buy you a meal."

Kayson agreed with a nod and the two of them went out.

The Soul-silencing Curse had affected Vivian for about two years, so she was semi-unfamiliar with how much society had changed. Kayson had also always lived in the village, and it had only been a little over a month since he had come to the city, so the two of them were actually pretty similar.

They casually picked a restaurant and took a seat after ordering food.

Vivian sighed. "I feel like I was in a long dream..."

Kayson understood what she meant and told her, "Stop thinking about the past. Since the danger has been resolved, it's more important to keep looking forward."

Vivian beamed radiantly. "You're right. I just feel rather emotional. It's like losing two years of your life, don't you think?"

"Don't be too sad about it. Those people will pay for it. Grandpa Zidane won't let them off the hook."

"My grandpa treats me the best." Vivian nodded.

The two of them chatted while they waited for the food to be served. Vivian was actually an optimistic girl. She was 21 years old and she was supposed to be in university, but she had wasted two years because of the Soul-silencing Curse.

It was fortunate that Zidane had applied for a break on her behalf, so she could still go back to school once the semester started.

Kayson asked, "Where are you studying?"

"I'm studying history at Skyspring University. My friends from freshman year are probably preparing for an internship now," Vivian replied.

Kayson felt quite envious as he commented, "You get to go to school, though. Forget about university, I haven't even been to pre-school."

Vivian was shocked. "For real? But you're so skilled!"

Kayson winced. "I have lived in the mountains since I was a kid. All my knowledge comes from my mentor."

“Then your mentor must be amazing!” Vivian grinned. “If you’re interested, I can take you around Skyspring University when classes start.”

“Can you do that?”

“Of course. Universities everywhere are open to outsiders, so everyone can visit.”

Kayson replied, “I didn’t know that. Do give me a tour then.”

“Sure thing!” Then, Kayson espied a familiar silhouette hurrying outside through the glass. The person saw him as well and looked delighted, changing direction to enter the restaurant hastily before approaching Kayson.

The person seemed thrilled. “Mr. Yarde! It’s wonderful to see you here!”

Kayson was surprised. “Silvan? Why are you here?”

The guy was the police captain, Evan’s mentee, and a distant Killick, Silvan.

Back when Kayson had saved Evan and discovered the crystallized energy underneath the pool, Silvan had been there as well.

Silvan’s eyes were red as he moved to get on his knees with gritted teeth.

Kayson stopped him and asked, “What are you doing?”

“Mr. Yarde, I’m begging you to help me!” Silvan pleaded in a shaky voice.
