Chapter 1041 You Must Take Care of Yourself

Bryson did not say anything. He knew that Nydia was furious. He was also very angry with Gloria.

Nydia took a deep breath and closed her eyes. She was suppressing her emotions.

After all, they were in a public place, so she didn't say anything more.

They turned their gazes to Gloria, but she was exceptionally calm and showed no intention of saying more.

"Madam Norma, are you satisfied with this outcome?"

"It's fine," Gloria replied without hesitation.

Her reaction made Claude confused. Martha's heart skipped a beat as she sized up Gloria for a long time, but she still could not see anything on her face. She had an inexplicable bad premonition.

She was too sad to say a word.

Claude couldn't help sighing. "You have to take good care of yourself..."

Martha nodded and wiped her tears. "I know, Claude... you must take good care of Angela. Don't let her..."

At this point, she couldn't go on.

Claude nodded immediately. "I know... I know."

Angela grabbed Martha's hands and said in a trembling voice, "Mom..."

She could no longer control her sobs.

Yes, she had to endure!

She couldn't change nature in this place. She had to continue to be arrogant!

She had to maintain her previous image.

Furthermore, her mother had mentioned the reason for her father's death. It was not for no reason at all. This time, she had to maintain this image!

She would continue to stand by her mother!

As she thought of this, she had already kept all the negative emotions. She looked at Gloria, her eyes filled with helplessness and guilt.

Gloria did not care about others' gazes. She only stared at the person in front of her with a faint smile, "If you're so grateful, why don't you return the shares?"

Angela's expression changed. In the next moment, a trace of helplessness flashed in her eyes. She pretended to be sad and sighed softly, "Gloria, I know... I know you still blame me, but things are like this now. My mother... has also been punished. We owed you an apology before, but now I think it has been paid off."

She didn't want to maintain this appearance anymore after saying that. She was annoyed!

Gloria twitched her lips. No matter how the people present thought, she said with a faint smile, "A hypocritical face will be revealed bit by bit. I hope you are unashamed and do not let everyone see your true face in the end."

Angela's face instantly paled. They had already ended up like this. What else did Gloria want to do?

That explanation was flawless. Why did she still act like this?

“Alright, let’s go. I’m still hungry! It’s your treat today!”

After that, she pulled Bryson backward.

Bryson frowned and was still worried about Gloria. However, since Nydia had already said so and Gloria chose to leave with Jordy, he had no choice but to let Nydia pull him away.

Jennifer heaved a sigh of relief.

At this moment, Gloria followed Jordy into the car.

Jordy started the engine without saying a word.

Gloria did not speak either, because she was waiting for Jordy to speak first.

She was indeed very surprised to see her in court.

However, the car had already been driving for twenty minutes. Jordy didn’t say a single word. Gloria frowned as if she could not bear it any longer. She turned to look at the man in front of her.

Gloria was speechless.

For a moment, She did not know what to say.

Since she divorced Jordy, things might have changed a little.

Grandma had always stuck up for her, but grandpa had always looked down on her, which made more quarrels between them.

Gloria pursed her lips and did not say a word.

But this time, she felt that she had to make it clear to grandma. She did not want her to worry her at such an old age.

They soon arrived at their destination. Jordy didn't remain silent as before. Just as they were about to turn at the next intersection, he suddenly stopped the car.

Jordy didn't say anything else besides this. He didn't seem to question her too much, nor was he as aggressive as before.

Gloria's eyes flashed and were filled with confusion. What on earth was he going to do?

Jordy didn't say anything and just drove again.

He didn't look at her again until they arrived at the Collins' residence. After parking the car, he just sat in the driver's seat as if waiting for something.

Gloria didn't know what he was to do. She just got out of the car and walked towards the house.

She just changed another approach.

Karen looked at her hesitantly. "Hmm? You..."

She did not finish her sentence and kept staring at Gloria.

Gloria smiled. It was inconvenient to talk about these things there, so she only whispered, "Grandma, please don't worry about me. I'll settle it myself."

Chapter 1050 Am I Mistaken?

Gloria's eyes flickered. Seeing that Karen's eyes were unconsciously filled with happiness, her eyes flashed a hint of envy.

Although Joseph had never liked her, he loved Karen so much and doted on her.

Karen still felt happy. It was true love. They had truly held hands for their whole life.

Gloria smiled, "I know Grandpa loves you, but Grandma, don't argue with him because of me."

"Don't worry. Nothing's going on between your grandfather and me, and we've never argued because of you."

Gloria pursed his lips. She knew that no matter what she said, Karen would not change. She would still stand by her and stick up for her.

She was moved but also felt helpless. She didn't want her grandmother to be influenced by her case.
