

Remarriage Never And Go Away Chapter 1141-1142

Chapter 1141 Why Were They Friends?

“Sh*t... you horny bastard! It’s not healthy! Stop being addicted to it!” Abelard, who had been silent, suddenly said.

He was the most outgoing person among them.

And he liked to comment on things.

Clarence hacked Gloria’s computer by accident, so Gloria fought back directly. Unexpectedly, she saw a pile of junk videos, and then she deleted them directly.

Clarence almost blew his top for this. He went through so much trouble to get those things, but

Gloria deleted them directly...

It gave him a headache!

The corner of Jonathan’s mouth twitched, and he turned to Gloria, “Just ignore them.”

“She’s already here. How could she ignore us? Am I right? Miss White?” Abelard had a leisurely smile on his lips. Gloria looked at him. His character was similar to George’s.

After a pause, Gloria replied, “I don’t understand.”

Jonathan took a look at Gloria, “Come here and sit down.”

Gloria did not speak but walked up to Jonathan and sat down.

She still didn’t know what work Jonathan was going to talk about with her here... Or it was just a lie?

Gloria pursed her lips and did not speak. She was already here, and couldn’t leave suddenly.

These people were quite talkative, and the atmosphere was good. Gloria’s sudden appearance didn’t

stiffen the atmosphere. They all talked relaxedly.

About half an hour later, Jonathan raised an eyebrow and said calmly, “That’s enough. Let’s get

down to business.”

The others fell silent and looked at Jonathan.

Jonathan took a look at Gloria, with a smile on his lips, “This time, it was them who found that

someone was going to slander Poppy. If you need to make any stunt, Clarence can help you.”

Clarence laughed angrily, “You want me to help you? OK! Recover my porn first, or I won’t do anything for you! And will even help your enemy!”

“Oh! For God’s sake! Can you stop talking about your porn? We’ve got a girl here! You idiot!”

“Shut up! You idiot! And she is not like a girl, okay? She just deleted my precious porn! What kind of girl could do that?”

Gloria was speechless.

Clarence’s hair was long and he looked like an elegant artist. But how could an artist talk about porn like this? Gloria just thought it was a waste of his handsome face.

She looked away.

Jonathan’s blue veins on his forehead twitched and he turned to Clarence. Although he didn’t say a

word, the meaning in his eyes was obvious.

Clarence was speechless.

Damn it!

Why were they friends?

The next moment, he leaned against the sofa chair and stopped talking!

Chapter 1142 His Good Impression Was Ruined Again

After a pause, Jonathan said with a calm look, “I’ll leave this matter to you. You’ll work out the

plan.”

Clarence turned his head and didn't want to look at Jonathan. He wanted him to work out the plan? Was he kidding? His porn was gone!

Gloria was sitting next to Jonathan. She had no thoughts on this matter. Since Jonathan arranged it like this, he must have got fully prepared. There might be nothing that she should worry about.

Her top priority was to design the product. And... she had other things to do. She needed to get them

done as soon as possible.

Abelard sneered, "Now his mind is filled with that garbage. Who knows what he is thinking? I guess

. he will die sooner or later on women!"

"It's not a bad way to die, is it?" Clarence said without blushing and didn't mind being judged.

"I can't believe him." Abelard looked at Clarence with a helpless look and felt that Clarence was

hopeless. He was speechless.

"Let's get down to business." Jonathan didn't want to waste his time on this. He rested his eyes on

Clarence.

Clarence frowned slightly with dissatisfaction in his eyes.

Gloria sat there and never meant to speak, as if what they were going to discuss had nothing to do

with her.

A few minutes later, Clarence compromised. He said, gritting his teeth, "Fine, I'll do this!"

After saying that, he began to talk about the plan seriously, and a trace of surprise flashed across

Gloria's eyes.

Although Clarence seemed to be a jerk, horny and disgusting, his plan was really good and impressive.

Gloria paid no heed to him, and now she was pondering on what he said.

Clarence finished speaking, and then Abelard added, "You are finally normal. You should use your brain like this!"

"Screw you! I've always used my brain like this, okay? Then recover my porn. I'm serious!"

If it were someone else who deleted his porn, he could get it back. No, maybe others couldn't even find it in his computer.

But... Gloria was different! She was good at computers. He failed to get his porn back after spending

a lot of time on it. He was distressed during that time!

Gloria raised an eyebrow and ignored him. She told them the loopholes she found in the plan.

After she finished speaking, Clarence's eyes were filled with surprise. "You had a point. Let me

think about it."

Then he had an idea and thought of another way. After he said it, the others all thought that this plan was better.

"Not bad! This plan will do!" Clarence boasted. After saying that, he looked at Gloria with a flattering smile, "I've done my best to help you. Can you get my porn

back?"

Gloria was speechless.

The corner of her mouth twitched, and his good impression that had just built up in her heart was ruined again.
