Chapter 221

Chapter 221 How Can It Be A Tie

Jonathan narrowed his eyes. Well, it went as he had expected.

However, Patrick, who had been nervous all the time, suddenly laughed. It was good as long as she surpassed the first one! It didn't matter even if Jordy surpassed her.

As long as she kept this ranking and order, no one would question his son again!

The next ten people would have the last competition!

The top ten would all be rewarded by the organizer, but big shots like Jordy and Gloria didn't care about rewards, trophies, etc. Gloria's home was almost full of them.

Today, it had exceeded the normal time. But it was the last game to decide the outcome, so it wasn't postponed to the second day

Just as everyone was looking forward to it, the game started!

This time it was the last, particularly difficult track, and the previous rules no longer applied. It required ten cars to go side by side now!

The track was very wide. When the referee gave the order, all the cars started instantly, and the cars of Gloria and Jordy shot out!

The cars were obviously of the same performance, but at this moment, their cars seemed to give the audience an impression of cheating, as if they had modified their engines.

In the blink of an eye, both cars shot out!

"Oh, my god!!!" Jennifer was completely shocked, "For the last game, Hannah has gone all out!"

"Jordy too!! Both of them are cunning, and they finally started to exert their strength!" Nydia couldn't help exclaiming in amazement!

Many people were dumbfounded! The match between masters was only a hair's breadth away!

These two were evenly matched!

Jordy and Gloria were driving fast, and the drivers behind were all a little dumbfounded.

In the blink of an eye, these two disappeared, but they were also driving!

How could there be such a big difference?!

They suspected that these two were cheating!

But Jordy of Collins Group was not like this. He should be really good, right? George

looked straight in their direction in shock. Oh, this woman! She didn't give her best last time!

But her opponent was Jordy this time. So she must use all her strength if she wanted to win!

Jordy had to use all her strength to compare with Gloria too.

At this moment, George felt more and more shocked by Gloria. Wasn't this woman too cruel?!

Why didn't she say anything when they got married? If he had known she was so amazing, would he have cared about her?

George frowned slightly. When he thought that there was no turning back for the two of them and they couldn't reconcile, he stopped thinking about it.

Just as everyone was staring, they suddenly came to the first turn. Jordy was on the outside, and he was slightly ahead at the beginning. But after this turn, Gloria quickly caught up with him and ran alongside him.

Jordy's face darkened a little, and he stepped on the accelerator quickly!

But Gloria was not to be outdone, and the two were driving side by side. Many people felt a little nervous. It had nothing to do with them, but such a stalemate situation was really exciting!

Jordy's face grew colder.

Oh, Gloria!

She'd been hiding it from him the whole time!

He stepped on the accelerator again, and his car shuttled like a rocket!

Nydia suddenly became serious. Gloria must not lose!

At the next turn, Gloria was on the outside, and she was a little behind. But she stepped on the gas, but in a moment she was driving side by side with him again!

Under everyone's gaze, the two cars were getting closer and closer, and they were about to face the finish line.

Some people couldn't help standing up for fear that they wouldn't be able to see the last wonderful scene!

But when the cars crossed the finish line, everyone was shocked! They were looking straight at the two cars, and the referee was also a little dumbfounded.

"It's a tie?"

"My God! No way!! How can it be a tie?!"

Chapter 222

Chapter 222 They Had A Heated Discussion

The next moment, the two got out of the car. Gloria didn't even look at Jordy, and she just walked to her seat as usual.

Whether it was victory or defeat for others, it had nothing to do with her.

She just saw that she and Jordy were tied.

As soon as she sat down, Nydia exclaimed happily, "Oh, we won!"

When George heard her voice, he sneered coldly, "It's a tie. How can you tell that you won? Don't be so shameless."

Nydia rolled her eyes at him and said, "You're shameless!"

Gloria sat down and didn't look at George, but George couldn't help but look at Gloria. Oh, this woman! He had been defeated by her twice in a row. He was going crazy! Nydia was adding fuel to the fire! He wanted to slap Nydia hard.

Jonathan was no longer interested in looking at the third-placed racer and focused his eyes on Gloria instead.

Hannah?

Why did he find this woman so familiar?

Had they met before?

—

Soon, Jordy walked back. Looking at his slightly sullen face, Jonathan slightly curled his lips and said, "Mr. Collins, I didn't expect you to be so good at racing. I'm impressed."

Jordy glanced at him lightly and said, "Thanks."

With that, he sat in his seat, and this time he didn't seem to have any intention of leaving.

George looked at Jordy subconsciously. According to Jordy's temperament, he wouldn't wait for the result at all. Anyway, someone was watching. He should be happy as long as he got a ranking, but

now he...

George rolled his eyes. Could it be because Gloria was here?

God!

Jordy seemed to be getting colder and colder. Although Patrick wanted to laugh happily, it didn't seem right at this time. He cleared his throat lightly and held it back.

Soon, all the racers behind also finished the game.

But everyone didn't seem to have much interest in looking at those people. All they had in mind was the scene of Gloria and Jordy racing. Many people had been looking in their direction with great interest after they came back.

When the host came out to announce the final results, no one looked surprised.

But some of them couldn't help but talk about it, "Don't you think that the woman who played for the Lloyd Group looks a bit like the big shot three years ago?"

"How could she look like it? She's Hannah! What's there to question about?!"

"Damn! It's Hannah!?"

Many people were shocked!

The next moment, they were even more astonished, "Then Mr. Collins is amazing! He can draw a tie with Hannah!"

"Yes, Mr. Collins is very surprising. He has so many things to do every day. How could he go racing?"

"Well, maybe Mr. Collins is more amazing. After all, he doesn't have much time to practice driving"

"But Hannah has disappeared for three years. If she didn't practice driving for three years, wouldn't she be a little rusty? Besides, these things are inconclusive. You can be sure that Mr. Collins didn't race when he had time or Hannah she didn't touch a race car when she disappeared for years?"

They had a heated discussion.

But among the people they were talking about, one was calm while the other looked cold. George could feel it.

He turned his head, looked at Jordy, and let out a light cough.

Chapter 223 They Went to Have Hot Pot

Jordy ignored him.

George reluctantly approached him and whispered in his ear, "Can you restrain your emotions? You're being so cold! Besides, do you want people to think that you're angry because you didn't take the first place?"

Jordy's sharp eyes instantly landed on George's face, and George was instantly defeated, "Alright, forget it."

The ranking had been finally determined, and the host was talking enthusiastically about the award.

Gloria smiled at Bryson and said, "Bryson."

Jordy heard her deliberately changing her voice, and his face darkened. Why did she sound so affectionate?

Bryson looked at her and said, "What's wrong?"

"Send someone else to receive the award in a while. I'm going back first."

There was no point in staying here, and she didn't want to be anywhere near Jordy. She was not afraid of him. She just felt annoyed.

He had wanted to compete for this project in person, and it was an accidental encounter, but now she just wanted to get rid of him.

Bryson blinked slightly and said, "Then let's go together. Are you hungry? Let's have a meal together."

"Of course! Oh, Glo...baby! You are the hero today, and Bryson has to reward you!!" Nydia's face was

full of excitement, and she almost let it slip again!

But Jordy noticed something wrong!

Even George noticed something was wrong! It was Gloria! The sound of his knuckles rubbing was a little abrupt.

But Bryson didn't notice that much at all, and he said directly, "Let's go. It's just the four

of us
tonight.”

He looked at Patrick again and said, “Dad, we’re leaving.”

Patrick nodded quickly and said, “OK. Take care of the three of them.”

Bryson smiled and nodded.

He looked at Gloria as if waiting for her approval. Gloria hesitated for a moment and finally nodded, “Okay, let’s have a meal together.”

They stood up together, greeted Patrick with a smile, and left together.

Jordy coldly watched Gloria leave and didn’t speak. George frowned slightly and looked at Jordy. But before he said anything, Jordy suddenly got up.

George got up quickly and asked, “Where are you going?”

Jonathan narrowed his eyes. Looking in the direction they were leaving, he seemed even more serious.

Hannah was not simple. He must have seen this person somewhere before, but he couldn’t remember it now.

He looked at his assistant and said, “Go and check all Hannah’s information immediately. The more detailed the better.”

“Yes.”

At this moment, it was getting darker, but the host was still talking.

But no one was in the mood to listen to the host, and they all watched these people leaving.

Gloria and the others got into the car together, and Bryson sat in the passenger seat.

He turned to look at them and said with a smile, “What would you like to eat?”

Gloria didn’t respond, but Nydia looked intrigued, “Why don’t we have hot pot?!”

“Hot pot? Hot pot is good!!” Jennifer’s eyes also lit up, “I want to eat something spicy!!”

“Hah, Bryson can’t handle spicy food. Let’s order a two flavor hot pot!”

Bryson smiled, and he looked at Gloria subconsciously, as if waiting for Gloria’s decision.

Chapter 224 You’re Right Not to Get Back with Gloria

Gloria nodded, “Okay, let’s have hot pot. It’s been a long time.”

“Great!” Nydia looked extremely excited, “Even though it was a tie today, this result is perfect!! Bryson, are you happy this time?”

Bryson smiled and nodded, “Yes, if it weren’t for Gloria, I’m afraid it would be difficult for me to

take over the company this time. Gloria, thank you.”

Gloria felt a little uncomfortable when Bryson looked at her with affectionate eyes. She looked away and just smiled, “You’re welcome. We are friends, and it’s what I should have done.”

Bryson could hear that Gloria was emphasizing the word "friends". Even Jennifer and Nydia heard it.

Jennifer's eyes darkened slightly. If Gloria was willing to be with Bryson, would Bryson feel less upset?

Even Nydia sighed helplessly. It seemed Gloria still hadn't gotten over it. Bryson smiled and said, "I know."

They fell silent, and the atmosphere seemed a little weird.

The driver was a little puzzled. They had been chatting happily just now. What was going on now?

Jordy and George were sitting in the back of the car at the moment. George turned to look at Jordy and said, "You are not in the right mood. You two are divorced now. Do you have feelings for her?!"

When George had said something like this before, Jordy snorted. This time it was no exception.

He glanced at George coldly and said nothing, but his eyes were full of disgust.

George looked at him and felt speechless, "If you go on like this, you will destroy yourself sooner or later. You'd better make up your mind."

Jordy frowned, "Shut up."

George was speechless.

He secretly sighed. The couple had already fought in full swing, and they couldn't get back together. But seeing Jordy's emotions, he noticed something was wrong. Jordy still didn't realize his feelings for her?

Or was it really that he and Carlos were overthinking?

The car was still moving slowly. George glanced at him and said, "I'll be home soon. Would you like a drink tonight? If you don't, I'll go straight down."

"Go down."

George's face darkened, "Damn! Why are you so cold?!"

Jordy looked sullen and didn't speak to him. George said aggrievedly, "I left a girl today to accompany you to participate in the competition in this damn place, and you didn't even use me. Oh, why did I give up a girl and come here to see your cold face?"

Jordy raised his eyes slightly and looked at him coldly, "If you don't like it, don't play around. Once you meet the right girl, do you think you are worthy of her?"

"Hey, girls come and go! Besides, aren't girls just for fun?"

Jordy frowned, obviously disagreeing with his point of view, but Jordy didn't bother to persuade him.

George suddenly thought of something, looked at Jordy, and said with a smile, "If Carlos hadn't kept saying that you had feelings for Gloria, I wouldn't have thought about it. Since you are so firm in your opinion, I'm telling you, don't look back. You're right not to get back with Gloria."

Remarriage Never And Go Away Chapter 225

ay to play with girls, but you really can't be too emotional with a girl, otherwise..."

He sneered, thinking of his father as an example, but he didn't want to bring it up again.

Jordy frowned slightly and said, "Not everyone is like your father."

"I don't want to fall in love with a girl anymore with my father as an example. Okay, I'll get off after turning the corner, and we'll get together another day."

George looked like a careless playboy, but there seemed to be a bit of bitterness in his eyes.

Jordy didn't say anything.

After George got off the car, he leaned back in his seat and closed his eyes. At this moment, it was completely dark, and Jordy drove all the way home.

He entered the house as usual, but there was a faint fragrance in the living room. Jordy frowned

immediately. If other men smelled this fragrance, they might think it was good, but he was very

annoyed.

He glanced around coldly.

Hearing the door opening, someone upstairs quickly walked down.

The sound of footsteps was clear. Jordy immediately raised his sharp eyes and looked toward the

stairs.

He didn't like having servants when he was at home, so the servants had to leave after finishing

their work.

But now there was still someone left!

Today Jordy was already burning with anger, and the person who left behind obviously picked the wrong time. She could even feel the hostility in the house, making her subconsciously fold her arms when she felt a little cold in her half-naked back.

The girl walked downstairs slowly. She was wearing a white suspender skirt with a short top and a

short bottom. All her curves were in the right places. Every time she took a step, he could see her

skirt swaying slightly. Her legs were long and slender.

If it was another man, he probably would not be able to control his desire long ago.

However, when Jordy saw it was Angela, his eyes were even fiercer!

“Why are you here?” He questioned in a cold voice.

Angela tried her best to release her charm at this moment, and she hadn't expected Jordy to say that. Her complexion changed slightly. At this time, shouldn't he rush up to hug her and take her?

But why did he ask such a cold question?

For a moment Angela didn't know how to respond.

Jordy's sharp gaze made her face flush. She took a deep breath and said, “I...”

“Get out!” Jordy's voice was cold, and he didn't want to talk to her at all.

Angela's face changed drastically, and she looked at Jordy in disbelief, “Jordy, are you driving me

away?”

She seemed somehow wronged. She was looking at him with misty eyes on the first step.

The coldness in Jordy's eyes became stronger and stronger, “Angela, I am grateful that you saved me, but don't challenge my bottom line!”

Jordy was so angry today and he wanted to have some private time at home, but Angela was picking the wrong time!

Angela looked at him in disbelief, and couldn't help bursting into tears.

“Jordy, is that what you think of me?” At this moment, she controlled the restlessness and panic in her heart, tried her best to stay rational, and walked toward him instead.

Today, she had deliberately put a lot of things on her body. The fragrance would make many men intoxicated, and it was prepared by her mother for her. She also liked this smell very much herself.

Chapter 226 How Could He Just Leave?!

However, she didn't know that the closer she got, the stronger the fragrance and the more unhappy

Jordy looked. He was just standing at the door without even changing his shoes.

Seeing that Angela was about to come over, Jordy immediately said solemnly, "Don't come!"

What was the smell on her body? It smelt so bad!

If Angela heard what he was going to say, she would probably tremble with anger.

But now, she was also very flustered. She stood there, looking at him in disbelief,

"Jordy, in the

past, I didn't want to destroy the marriage between you and Gloria, and I wanted to try my best to

bring you together. But now... you have become enemies, and I know you're not getting back together."

"But you know, I knew you earlier than Gloria, and even like you more than Gloria. You said that you were willing to marry me, but... has everything changed?"

Angela couldn't help laughing at herself lightly, "It seems that it's just my wishful thinking. I won't misunderstand again in the future."

As Angela said, she wiped her tears and looked at Jordy's complicated face. She smiled, "I won't

embarrass you again. I'm sorry I shouldn't have expected too much."

With that, Angela turned and went upstairs.

She wasn't walking fast. She was waiting for Jordy to stop her, but..

She had walked halfway up the stairs without hearing his voice. She wanted to look back at this moment...

She wanted to see his expression, but she didn't dare to. She was betting that Jordy would be

soft-hearted because she had become a vegetable for him.

She even secretly began to count down.

Five, four, three, two...

Angela was getting slower and slower. Just when she was about to count the last

number, Jordy suddenly said in a deep voice, "I still have a lot of things to deal with and I'm afraid I don't have the energy to marry you now. The Collins Group is also a mess. If I marry you right now, you know."

Angela's eyes lit up!

His explanation was enough!

She immediately turned around to look at Jordy, "Jordy you're still willing to marry me, right?"

She could no longer control herself and immediately went downstairs, wanting to walk to his side

Jordy frowned and said immediately, "It's not the time yet. The media is paying much attention to you and me, and the Collins Group can't stand too much hype right now.

Angela, please don't come here again in the future."

Angela's face turned pale instantly, and she froze in place. She had thought that he was just trying to explain to her. But now it seemed that he was trying to drive her away?!

How could he do this to her?!

Angela's body was shaking, "Jordy..."

She looked at him with tears in her eyes, and didn't say another word. Logically speaking, when a woman went this far, a man should know what to do to her.

But Jordy was not an ordinary man at all. He just looked at Angela lightly and said, "Pack your things and leave here. I still have something else to do."

With that, Jordy stopped looking at Angela, turned, and walked out.

Angela was stunned.

He was leaving? How could he just leave?!

She wanted to catch up immediately, but her reason told her that Jordy didn't like her staying here at all, and it would only make him more annoyed if she rushed up!

Remarriage Never And Go Away Chapter 227

Remarriage Never And Go Away

Chapter 227

Chapter 227 His Eyes Were Full of Affection

But why did it become like this?!

Why?!

Angela tried to keep herself calm, but there suddenly came the sound of a car driving away from outside.

"Jordy..." Her tears fell down her face. Why on earth did it become like this?

Gloria had divorced Jordy and she had driven Gloria away from Jordy's side. But how could it

become so bad now?

According to her plan, as long as they divorced, she could marry Jordy immediately, but now...

Jordy had already driven away. He was thinking about what had happened today with a cold face.

He thought about the scene where Gloria was driving without looking at him and what she had said to her father and him the last time they met at the cemetery. This woman had completely changed, and she was no longer obsessed with him as before.

Originally, he should be happy that she didn't pester him anymore.

Oh, this woman! She had been working against him over and over again!! She had not only discredited him at the party but also defeated him in court!

Now she was even helping the Lloyd Group on the race car to fight him for that project! What the hell was Gloria trying to do?!

Did she have to take revenge on him? This damn woman!

The more Jordy thought about it, the more annoyed he became. He stepped on the gas, and suddenly picked up speed.

Along the way, no one dared to compete with him mainly because his speed was too fast, and the license plate number of his car suggested that he was not someone that ordinary people could afford to mess with.

They could only avoid him...

Jordy felt irritated, and he unknowingly drove to...

Jordy slammed on the brakes subconsciously and frowned deeply when he thought about what George had said.

George said he liked Gloria now? What a joke!

How could he like such a woman? She was vain and hypocritical!

She and her father had teamed up to plan his marriage and forced him to do so many things. What was there to like about such a woman? Moreover, this woman had been lying to him the whole time!

She was a big liar!

She had approached him clearly with a purpose!

Why would he like such a woman?

Jordy closed his eyes, holding the steering wheel with his left hand and rubbing his eyebrows with his right hand.

He took a deep breath and was about to leave.

However, he suddenly saw a car stop downstairs in the community where Gloria lived. He knew that car.

Soon, two people got off the car, and it was Bryson and Gloria. She was still in the same dress as before. Jordy suddenly sneered. She hadn't changed!

There was a slight smile on Bryson's face. He said, "Gloria, thank you for this time."

At this moment, it was late at night, and Gloria just said with a smile, "You're welcome. You can drive them back. It's getting late, and I won't keep you guys."

She was also a little tired today and wanted to go to bed early.

Bryson naturally saw her exhaustion, and he nodded quickly, "Then go to bed early. We will meet again another day."

Bryson's eyes were full of affection.

Gloria looked a little awkward, and nodded, "Okay, I'll watch you leave."

Bryson had wanted to walk her upstairs. But knowing she wouldn't agree, he nodded.

Gloria turned around and entered the community when their car drove away.

She entered the elevator, and she was alone. But when the elevator door was about to close, someone suddenly walked up to her!

Chapter 228 I Can Give It to You

Gloria thought that someone was in a hurry to enter the elevator and subconsciously pressed the

open button. But when she looked up, she saw Jordy!

She looked shocked!

Even though she knew that she had changed her appearance now. But when Jordy suddenly rushed here and looked at her with a gloomy face, she certainly knew what he was thinking.

Gloria frowned slightly. Did he come here to take revenge on her? Did he think she was messing up

his plan again?

Gloria looked up at him slightly but said nothing.

Jordy suddenly sneered, "Gloria, you're getting better and better!"

Gloria's eyes changed slightly. Well, he recognized her.

She clenched the bag in her hand and looked at him defensively, "Mr. Collins, did you come here so late to say this to me?"

However, before the elevator went up, Jordy pressed the button on her floor number.

Gloria frowned. But the next moment he suddenly grabbed her wrist, and Gloria hurriedly struggled.

"What are you doing?!" she glared at him.

Jordy looked angry, "Gloria, tell me, when are you going to be done with your childish trick?!"

Gloria was speechless.

Childish trick?

She didn't want to talk to this man and tried her best to pull out her arm, but his strength was too

great. She kicked at him, but he seemed to know her routine, and immediately dodged it and looked

at her coldly.

But before he could speak, the elevator suddenly stopped. Looking at the open elevator door, Gloria frowned slightly and was still hesitating whether to go out or not. Wouldn't he want to enter her house?!

But when she looked at the floor number, she found it was only halfway. Then a woman appeared in front of them.

When she saw Jordy's sharp eyes, she trembled with fright, and quickly said, "I'm sorry. I was

going downstairs, and I accidentally pressed the up button..."

Gloria was speechless.

The elevator door was closed again, slowly ascending. Gloria gritted her teeth and said, "Bastard, let me go!!"

"Bastard?!" Jordy's eyes were extremely gloomy!

Gloria fell silent.

She had scolded him many times in her heart, but this was the first time she had ever scolded him in his face.

She struggled to pull out her hand, but Jordy stared at her. She frowned, "I never wanted to work against you! But you refused to divorce me! As for the lawsuit, I was interested in this case. As for this race, I'm just helping my friend. I'm not as naive as you think, and I won't always fight you. I just hope I will never see you again."

He was so annoying.

Jordy was already very annoyed. When he heard her last sentence, his emotions exploded!

"You don't want to see me again!?" He suddenly pulled her into his arms with great force, and Gloria slammed into his strong chest all at once.

At this moment, Jordy's heart trembled. The fragrance on her body instantly entered his nose, but not only was he not bored, he even felt that he liked the smell, unlike the smell left by Angela when he arrived home, which made him sick.

Gloria's heartbeat quickened instantly! She widened her eyes and looked at him in astonishment, "Jordy, what are you doing?!"

Knowing that there was no way for her to push him away, Gloria gave up struggling and no longer wasted her strength.

Jordy suddenly locked her on the elevator wall the next moment. He looked down at Gloria condescendingly, and said mockingly, "Gloria, name your price. As long as you don't go against me, I can give it to you."

Remarriage Never And Go Away

Chapter 229

Chapter 229 Did You Ever Talk to Me?

Gloria was trembling with anger. He still thought she was a vain girl!

When she divorced, she could have taken this opportunity to negotiate terms with him, but she gave up the villa. How could he still think she was a vain girl? She sneered, "I won the case for Jonathan this time. You paid an extra 10 billion in compensation and Jonathan wired all the money into my account. Do you think I'm short of money?"

Jonathan had given her the money, but she wouldn't take it. She was going to find an opportunity to give it back to him.

Jordy was pissed off by Gloria's words.

The elevator stopped again, and this time it was on the floor of Gloria's house.

He directly pulled Gloria and walked out quickly. Gloria's face darkened, and she did not want to open the door.

But Jordy looked at her and said coldly, "Want me to take you to my house?" Gloria's eyes were full of anger. But when she thought about how Jordy had knocked on her door frantically two days ago, making her neighbors angry, she finally didn't dare to make trouble anymore. She took the key and opened the door.

When the door was closed, Gloria glared at him and said, "Jordy, what the hell are you doing?!!!"

Jordy looked at her coldly and said, "With new men, Gloria, you can ignore anyone. You're hitting on Jonathan and Bryson at the same time, aren't you?" Gloria just felt that her blood was boiling!

Jordy was mean as before!

She forcibly restrained her emotions and did not quarrel with Jordy, because what was the point of arguing with him? Who did he think he was? What she wanted to do had nothing to do with him.

Gloria looked at him coldly and said, "Mr. Collins, you are so angry today, and even mocked me so much. Are you falling in love with me again?"

Jordy suddenly sneered, "Gloria, who do you think you are to make me fall in love with you. When did I ever like you?"

His words stabbed Gloria like a dagger!

But the next moment, Gloria laughed softly. Well, this was Jordy. She just said that to irritate him and make him go away.

Gloria nodded, "You're right. Since you don't have any feelings for me, why are you pestering me?"

Jordy, you'll make me misunderstand you and it's annoying, you know?"

The disgust in her eyes was obvious, and Jordy laughed in anger. But before he could speak, Gloria continued, "I'm not naïve enough to go against you. Even if I am, Mr. Collins, you're so powerful and there is no need for me to come to my house to talk to me if you want to deal with me."

Jordy was speechless.

His eyes were sharp and angry, "Why have you lied to me again and again?!"

Gloria was slightly startled. He didn't seem to answer what she had asked just now and suddenly brought up a new topic. The next moment she chuckled softly, "I've lied to you? Why did you ask me anything? Did you ever talk to me?"

Gloria suddenly smiled bitterly, "Well, you talked to me once the day after that

incident. You said you hated me so much. Grandma often forced us to go to the old house for dinner. Other than that, did you ever talk to me?"

Remarriage Never And Go Away Chapter 230

Remarriage Never And Go Away

Chapter 230

Chapter 230 She couldn't Control Her Emotions

Jordy's face changed slightly. Gloria's words left him speechless. He didn't even know what to say.

There was sarcasm in Gloria's eyes. She had once wanted to tell him everything on her mind, and she also wanted to tell him that she was not that useless, and she could walk side by side with him, and she would not hold him back, and she was willing to contribute to the Collins Group.

But she could only swallow it. He didn't even look at her. What was there to say to him? Seeing Jordy frown, as if he was thinking about it, Gloria slightly sneered, "Mr. Collins, you should

go. If you always come in and out of my place, it's not fair to my cousin, right? Aren't you getting married soon? Even if it's for Grandma's sake, I'll go to your wedding."

Gloria was putting it lightly, but she didn't know that this had completely aroused Jordy's anger!

"Don't worry. I won't disturb your life in the future, and I'll try not to have any intersection with you, and try not to let you see me. But if something like today happens again, you can't blame me, because I have my circle and people I should help. Even if the opponent is you, I will not go easy on

you."

Jordy's face darkened even more.

Gloria sneered in her heart. Just when she was going to say something more that he didn't like to

hear to drive him away, she was suddenly pulled into his arms by his strong arm!

Gloria's face changed suddenly!

He had done it in the elevator just now. She looked at him in a panic, and struggled without thinking, "Jordy, are you crazy?!"

"I'm crazy! I'm crazy enough to come to see you!" Jordy roared.

Gloria was stunned, and looked up at him in disbelief, "Then what are you doing now?"

He was still imprisoning her. Even though the two of them had never had any intimate contact, he had been forced by Grandma a few times to sit beside her, so her smell was still so familiar.

Gloria tried her best to restrain her emotions, but she still found her heart beating faster and faster.

She was divorced. She had given up on him, but it was impossible for her love that she had held on to for so many years to disappear at once, and she didn't even believe it herself.

She just felt much more relaxed when she didn't have to hold on to it any longer, and she could forget him little by little

But now he appeared in her sight from time to time, and he even rushed into her house like today!

Jordy, you are a bastard!

Was that how he played with her feelings?!

The more she thought about it, the angrier she became. She suddenly kicked at him hard!

Jordy hurriedly dodged it. Gloria looked at him angrily and said, "Mr. Collins, we're divorced! Don't go too far! Please leave!! I don't want to see you again! You have no right to tell me what to do! You can kill me if you can!"

Jordy's face was blue with anger. Looking at Gloria's cold face, he gritted his teeth and said, "Gloria! This is my last warning to you! Stop playing these childish tricks! And don't let me see you flirt with Jonathan and Bryson again. What would the media say about me? They would say I married a slut!!"

"Jordy!!!" Gloria was shaking with anger. At this moment, it seemed she couldn't control her emotions.

Jordy snorted coldly and left without looking at her.
