

Remarriage Never And Go Away Chapter 581

Chapter 581 Driven Crazy

Gloria twitched her mouth a bit, and Nydia showed traces of sneer in her eyes. Martha could be so

hypocritical! How could she call white black and black white?

“Emmm... I can do nothing. Angela is still young. If she continues like this, her life will be ruined...”

Gloria went to the chair beside Angela's bed and sat down. She fixed her eyes on Angela and opened her mouth, “Angela White.”

When she heard this, Angela's eyelids fluttered.

Doesn't she make a recording? Why did she call my full name?

But at the next moment, Angela suddenly saw the light. Anyway, there were so many recordings on the Internet, and Gloria wouldn't bother to use that trick again.

Above all, the recording was released by Jordy, which also had some impact on Gloria. She must

didn't want the recording to go public, either.

Feeling the gaze of Gloria, Angela quickly restrained herself from mulling.

Gloria, on the other hand, put on a smile. “All people have to find their position in the world. In short, everyone has to know his or her limitations.”

Claude, Martha, and Angela looked terrible in an instant!

But Angela still remained silent as if she didn't hear anything.

Martha would never watch her daughter be humiliated like this. She immediately said, “Gloria, Angela can't take any mental irritation.”

Gloria turned her eyes to Martha and said, “You tell me what I should do. Keep lying to her and tell her that Jordy still cares about her and will marry her?”

Martha was stuck dumb for a moment. “... She got depressed because of this thing.”

Gloria nodded. "That's it. If Angela knows the truth, she should leave him and live her life well. She can't act like a pathetic failure and ruin her life this way."

"You..Gloria, I said..." Martha began haltingly.

But before she could finish, she was interrupted by Gloria.

Of course, Gloria had no intention to talk to Martha at all. Instead, she turned to Angela and spoke.

"Jordy has no heart. You know what he did to me, then you can imagine what he could do to you or any other woman. Do you still think you are special to him or you are the woman in his life? He only felt sorry for you from the beginning to the end. Now, even his pity for you is gone."

Angela was so mad.

Bitch!

How dare she!

Angela finally figured out why Gloria was here today.

She is trying to provoke me to anger!

Angela sneered with her whole being. But she would never give up and let Gloria get what she wanted!

Taking a deep breath, Angela suppressed her anger, raising her eyes to Gloria. There was an indifferent expression on Angela's face, just like she didn't care about anything or she heard nothing at all.

Gloria still smiled. "Angela, why are you so stubborn? You were dumped indeed. But so what? There is nothing to be ashamed of. Why do you have to cling to someone who doesn't even love you?"

If it wasn't for the current situation, Nydia would break out into laughter. Gloria was really awesome! Every word she said was a needle piercing Angela's heart.

Angela must want to refute and yell aloud. Yet she couldn't. She could only listen to these harsh words and swallow her pride. Excellent!

"Gloria, stop saying this to Angela. You may go back now." Martha was even driven mad, not to mention Angela.

Remarriage Never And Go Away Chapter 582

Chapter 582 Willing to Give up

Martha knew that Gloria was here provoking my daughter!

How could Martha tolerate such humiliation?

Gloria just curled her lips and turned slowly to Martha.

“Aunt Martha, she becomes depressed maybe because you spoiled her too much. She always wants something that doesn’t belong to her and holds high hopes. So she could only end up being a dead loss.”

“You...” Martha was so furious that she wanted to insult Gloria back. But she couldn’t say anything for fear that Gloria was recording again and put it on the Internet later. Then all people would be firmly convinced that the three of the Claudes were wronging Gloria, a kind-hearted person.

Damn!

What a malicious she-devil!

Claude looked kind of gloomy. But at the thought of the company’s affairs, he could only restrain himself. He gazed at Gloria and said in a gentle voice, “Since you are here, I have something to tell you.”

Gloria nodded. She knew what he wanted to say but she still played ignorance. “What thing?”

Claude took a breath, making a visible effort to control himself. Calming himself down, he said in a flat voice, “I have made a decision. You’ll be responsible for the cooperation with the Collins Group for the next year. And when the project is to be started will be up to the Collins.”

Angela rolled her hands under the quilt into fists when she heard this. She couldn’t accept it. Gloria had divorced Jordy. Angela was only one step to success. But now Jordy and Gloria got entangled again. Angela was on the verge of going mad.

Gloria raised her eyebrows and turned to Angela. “Look, Angela. Giving up can be a redemption

sometimes. I left Jordy, and I am happy.”

Angela was speechless.

What does this bitch mean? Is she showing off that Jordy starts to care about her and insists on

cooperating with her after she leaves him? Is she declaring war?

Bitch! Bitch!

Angela was not willing to give up. She swore to herself that she'll beat Gloria sooner or later.

Gloria, on the other hand, didn't bother to stimulate Angela anymore. She just looked at Claude with a relaxed pose. "Uncle Claude, I'll follow the order of the company for sure. But with my good performance, I want a promotion."

Claude was stunned.

Without striking a blow, Gloria had finished five projects successfully, which were almost impossible to be done by all other people. It was reasonable for her to ask for a promotion. If not, people would laugh at Claude for being petty.

For a moment, Claude turned gloomier but he couldn't say no to Gloria.

After a long while, he went on, "I'll think about it after the cooperation with the Collins is settled down."

Gloria coked her eyebrows. "You are the chairman of the Whites. Of course you can do this to me, but only because you are being too busy to consider my promotion thing. In that way, what you said to Angela might be used as evidence against you. You know the current situation of our company and what others are saying about you. You can refuse me but I am not sure that you can still lead the company with so many people targeting you. This is just my suggestion. You are the one having the final say."

Claude was dumbfounded.

How come he never knew that Gloria had such a smart mouth? Her words stung Claude.

"Anything else?" Claude didn't want to talk to Gloria anymore or made any promises.

Martha, fearing the recording thing, dared not say a word. Angela could only still be a depressed person and kept silent.

Seeing that the families of three choked with silent fury, Gloria couldn't help chuckling. "No. I am just here for a visit. But it seems that Angela can't recover in a short while. Angela, are you happy that you may end up living in this medical center your whole life?"

Chapter 583 I'm Not Reconciled!

Angela's pupils shrank, but she lowered her head, so no one noticed it.

Gloria didn't bother to look at her because she knew her too well.

Seeing her keep silent as expected, Gloria smiled, "If you really want to abandon yourself to vice, I'll step aside and let you be here forever."

Others might think Gloria had said such harsh words in anger because she was extremely disappointed, but these three people did not think so!

They believed this was her real thought!

She wanted Angela to be stuck here for the rest of her life.

Martha's expression became gloomier before she took a deep breath and said, "Gloria, how could you say such words? She is your cousin!"

Gloria smiled and said indifferently, "This is a cutthroat world! The weak are the prey to the strong. If one doesn't have the capability, he or she will be eliminated. Angela has lost her self-confidence and is so depressed, so I think she'd better stay here. This place can be her happy home. If she seclude herself from the outside world forever, maybe she could be happier."

Then, she turned to look at Angela again and continued, "Angela, don't let me down. Otherwise, people may find flaws in your story. Once they get to know the truth, they may..."

When Gloria deliberately stopped speaking with a meaningful look, Angela clenched her fists harder under the quilt, and her heart was racing with anger. She wished she could kill this b*tch

now!

She must kill her sooner or later!

Angela lowered her head to avoid Gloria's eyes, for fear of being exposed.

Nydia scanned her carefully and said, "Angela seems to react a little bit! is it because she is too angry?"

Gloria smiled, "It seems my method really works! Angela, you are a good-for-nothing!"

Angela was fuming with anger!

Bitch!

"She did not react at all. Although she's shutting herself up, her nerves are OK, so she can hear you.

Gloria, don't irritate her anymore! It will only make her suffer from a more serious mental breakdown!"

Gloria smiled, "Okay, then I will not continue disturbing you. I'll go back first. Uncle Claude, as for

the company's affairs, I'll wait for your arrangements."

Claude kept silent with a sullen face.

In the current situation, he could only watch Gloria and Nydia leave without saying anything.

When the door closed, Angela couldn't hold back her anger anymore, so she pushed all the things on the coffee table to the ground!

But she didn't dare to scold Gloria loudly, so the people outside thought either something was knocked over by accident or Martha or Claude was smashing things in anger.

Martha and Claude looked at her together without saying a word, but the looks in their eyes were blaming her for being unable to restrain herself.

"I am not reconciled!"

Her tone was full of anger, but she didn't dare to say it loudly.

After the door was closed, the people outside at least could not hear her voice if she spoke in a low voice.

Claude and Martha sighed in unison, but neither of them said a word. No one had expected Gloria to be able to corner them to such a point.

And they did not know whether she would push them harder in the future.

After a moment of silence, Martha said in a deep voice, "What's done is done. But we will try to figure out a way. Angela, there may be more things like this in the future.

Gloria will come to provoke you again, so you must control yourself! Otherwise, the consequences would be unbearable.”

Remarriage Never And Go Away Chapter 584

Chapter 584 Explanation

Angela bit her lower lip and said angrily, “I know! But she is too mean!”

Sometimes, she thought even though she could deceive the police, she would still lose control of herself in front of Gloria because she hated her to the core!

She thought she had done an excellent job today after controlling herself to such an extent.

Claude said with his eyes full of anger, “I’ll teach her a good lesson sooner or later!”

Martha glanced at him in silence. Gloria had grown up, and she had led them by the nose many times and often made them unable to resist. So, she did not think they could teach her a lesson.

After Gloria and Nydia went out, the latter couldn’t help laughing, “Gloria, you are amazing! It is hilarious! But Angela is really good at pretending! I did not see any flaw.”

Gloria smiled, “If she were not good at pretending, the police would have long suspected her.”

“Are you going to let her get away with it if she keeps pretending to be insane?”

“No way!” Gloria’s eyes were filled with irony when she said, “If they continue taking advantage of law loopholes, they will be exposed sooner or later. I am sure about it. Besides, I think it’s not bad to let her stay here like this now. It will torture her more than sending her into prison.”

Nydia kept laughing, “That’s right! She has to pretend to be insane every day! I will contact those powerful people and let them go to visit her often. If so, she will have to feign madness every day. Maybe it will really drive her crazy. Ha-ha!”

Gloria smiled, “Let’s go back.”

“Gloria, the purpose of your visit today...” Nydia was a little confused, but soon, she realized something, looked at Gloria, and said, “Your main purpose is to let your uncle promote you, right? You just wanted to anger Angela in passing!”

Gloria raised her eyebrows and said, "You discovered it?"

Hearing this, Nydia kept silent, and the corners of her mouth twitched slightly. She felt a little unsure about it, wondering whether she had guessed it right.

"You... have other plans?"

Gloria smiled, "No, you guessed my main purpose of this visit right."

Of course, there was another hidden purpose that Nydia didn't know, but Gloria didn't want to tell

her lest she should worry about her.

Nydia couldn't help nodding, "I see. That's not bad. Claude will definitely give you a promotion within the next few days!"

Gloria smiled, and then, they got in the car.

Suddenly, Gloria's cell phone rang, and she narrowed her eyes when seeing the phone number.

TOV

Seeing her hesitation, Nydia asked suspiciously, "What's wrong?"

Gloria had never added anyone to her contact list, so Nydia didn't know who was calling her at all.

Gloria shook her head, "It's okay."

Then, she picked up the phone and said, "Mr. Brown, what's up?"

"I told you to call me by my name. Why do you always sound so cold and distant?" Jonathan said in a soft and helpless voice.

Gloria's eyelashes trembled, but she kept silent. After a while, he said softly, "I'm back."

After a moment of silence, she responded, "I see."

"Is it convenient to meet now?"

"Don't you need to have a rest first?"

Jonathan smiled lightly, "I want to see you more than to rest."

Gloria pursed her lips in silence. She had cooperated with the Collins Group, so she must explain to the Brown Group sooner or later. Moreover, she couldn't become an enemy with Jonathan, so she had to account for the cooperation as soon as possible.

Chapter 585 Pampering and Helplessness

After a moment of hesitation, she said, "Where are you now?"

"I'm going out of the airport. We can meet in a place near you. Wait for me anywhere you want."

Jonathan should know how things were going on, but he had never stopped her because he respected her. Therefore, she was grateful to him from the bottom of her heart.

If he had intervened, things would have been much more troublesome, or maybe she would have

been obstructed and then failed.

"OK," she said and hung up the phone.

Nydia smiled slightly, "Tsk, he is chasing after you!"

Gloria raised her hand to tap Nydia's forehead and said, "What nonsense are you thinking about every day?"

"Of course, I am thinking about business! Seriously, why don't you accept Jonathan? He is

handsome, powerful, and rich. He is standing at the top of the pyramid!"

Gloria said helplessly, "There's no reason. I won't date him no matter what. I'm going to meet him later. Let's find a restaurant nearby."

"Okay, I'll send you there. But you two must have an important thing to talk about, so I'll wait for you in another private room."

"You can join us."

Nydia shook her head without hesitation, "No! I don't want to be a third wheel! I happen to have some work to deal with. I think I can complete it after you two finish talking. Call me when you're

done. I'll drive you home."

Hearing her unwillingness to join them, Gloria didn't force her but nodded.

After they found a restaurant with a good environment nearby, Gloria sent Jonathan the address.

Seeing there was no problem, Nydia said, "Sit down and wait for a while. Don't hesitate to call me if there is any problem. I'll be in the room next door."

Gloria nodded and watched her walk out.

After more than half an hour, Jonathan arrived.

When he walked in and saw her alone, he asked in surprise, "Miss Maguire is not here!"

"She is waiting for me next door because she is afraid we will talk about something important," Gloria said with a smile.

Sure enough, he knew what she had done today. But she had never intended to hide it, so it was not surprising for him to know.

The dishes had already been served on the table because Gloria had calculated when he would

arrive.

Jonathan washed his hands and sat at the table. Seeing Gloria's face become smaller, he felt a little distressed and said, "You lost some weight. How are you recovering now?"

Gloria slowly showed a smile and said, "I'm recovering well and feeling OK now."

Jonathan frowned slightly, "What are you going to do with the White family?"

"I will deal with them step by step." Gloria did not elaborate, but her brief words were thought-provoking.

Jonathan looked at her and said softly, "Don't hesitate to tell me if you need my help. If you had not insisted on doing it in person, I would have long destroyed them."

Gloria's eyelashes trembled slightly when she raised her eyes to look at him, and then, she said, "Even though you were out of town recently, you should know the cooperation between the White Group and the Brown Group."

She did not speak anything more, but her meaning was obvious.

Jonathan stared at her with his deep eyes and said, "Gloria."

She pursed her lips, waiting for him to continue speaking.

Jonathan sighed slowly and said in a doting but helpless voice, "What am I supposed to do with you?"

Hearing this, Gloria slightly furrowed her delicate brows. But when she was about to open her mouth to say something, a person suddenly interrupted.
