Chapter 821 The Terrible Wound

Gloria smiled and said casually, "Who knows?"

"How dare he! I can't believe it!"

Gloria snickered and said nothing more. Nydia couldn't help laughing. "They must be in a bad mood. They hate your guts and have been trying so hard to kill you, but now there is nothing they can do."

Nydia saw through their attempts. If Gloria was killed, Jordy would not go easy on them anymore.

Without Gloria's efforts to benefit the Collins Group, there will be no need for the White Group to exist!

Gloria smiled slightly, "My darling, you're so smart."

"Of course I'm, as a reflection of you."

Gloria laughed, "And I'm a reflection of you, sweetie."

That was what Jordy heard when he walked in. His face dropped and his sharp eyes fell on the door of Gloria's room.

Nydia was watching this in horror. Gloria's wound had barely healed and now was bleeding. Nydia paled visibly at this sight. It's as bad as it looks.

After a full day and night, the deep wound showed no sign of healing!

Nydia looked so worried, and her playful smile vanished!

It really pained her to see the terrible wound on Gloria's back. Gloria's skin had felt soft and smooth before!

And it was flawless, but now...

When the doctor was tending to Gloria's wound, he tried to divert her attention from the pain. However, she seemed to have higher pain tolerance than he thought. She did not even wrinkle her brow. The doctor stopped trying and instead began to focus on his job.

The doctor was particularly skilled so that Gloria was not in too much pain. When it was done, he got up from the couch and said to Gloria in a businesslike tone, "You have to eat bland, healthy food. The wound is deep. Keep it dry. It'll take a little longer to heal. And you should avoid strenuous exercise."

"Got it," Gloria nodded along.

Chapter 823 They're Machines, Without Feelings

They came at Gloria, and she was injured. If she went out again, she might be attacked by them. It was not good for the inspection, so Jordy had to go alone.

Jordy said vaguely, "I went to the police station and gave them some money."

Gloria's eyes flickered as she realized his purpose of donation.

She nodded. "Oh yeah, that's real work."

Gloria already guessed what Jordy was up to. The Nossel Scenic Area was a wonderful scenic spot that needed to be developed. When that day came, it would be totally different.

It was not part of the country, and everything was not in good order. The country would try to take over it step by step.

The first step was to establish law and order so that the area would be governed in an organized way.

Chapter 824 What's Her Problem?

Staring at Jordy's cold face, Gloria said indifferently, "A lot of women want to marry you, Mr. Collins, and Miss Roberts is one of them. Old Joseph Collins would like to see her be your wife, and she would like to give you a baby as long as you marry her. Why don't you go for her? Even if we remarry, we'll live a dull life like a machine. We don't love each other. Let's not deceive Karen any longer. It's not fair for her."

Gloria finally realized that she should not tell lies to Karen anymore, maybe not even a white lie.

She didn't think it was a white lie. Instead, it was a deception.

In an instant, a chill was felt all over the room.

Gloria did not feel anything but said tiredly, "I'm tired. I want to rest. Is there anything else that you want to talk about?"

Jordy laughed angrily. Is she kicking me out?

She used to try so hard, and he felt disturbed by it. However, she was now so cold to him, and he hated it.

"Why should I take orders from you? I'm not going out!"

George's face clouded over with anger. He was trying so hard to contain himself. "If you don't come out, I'll break down this door! You may not be able to sleep tonight!"

Nydia was speechless.

What's wrong with him?

Nydia now dared not play hardball with him!

She felt extremely insecure staying in the same suite with him. And she was afraid that he would break down her door. After all, he was rich and powerful!

He could really break down the door if he wanted! It was a cinch for him.

Darn it!

It pisses me off.

Chapter 826 Gloria's Gone

Jordy's cold eyes darted towards the bed!

The bed was made, and there was no sign of Gloria. Jordy looked towards the bathroom but found the
door wide open. She was not there!

Jordy's face hardened. He pulled out his phone and called Gloria, only to hear a female voice notifying him that the phone was off.

Jordy's face turned graver. He dashed out the door to George's room.

Jordy rang the doorbell and kept knocking on the door. George shouted irritably, "Who the hell is it? Stop thumping my door!"

George never thought it was Jordy. Again came the pounding. Louder. More urgent. George irritably flung the door open.

He saw Jordy standing in the doorway when he was about to curse.

George was dumbstruck. "What the heck! It's you. What's your problem? You kept thumping my door."

"Where's Nydia?"

"Give me back my phone!"

Nydia sounded displeased. She didn't like it when someone was going through her phone without permission. This was Gloria's message to her.

It was a good thing that Gloria didn't badmouth Jordy. If she did, Nydia would be the one to blame.

Nydia snatched her phone back. Jordy looked dour and quickly stepped outside without saying anything.

George hurried forward and said, "Where are you going?"

Nydia frowned and sensed that something was not quite right. Jordy left in a fury, his face set. Was he going to find Gloria?

At this thought, Nydia became worried.

"Is he going to find Gloria? Jordy has some unfinished business here, doesn't he? I'll go look for her!"

As Nydia opened her mouth to speak, she sensed something wrong. She turned to George and said, "I don't think I should tell you this. What if you tell Jordy? Gloria doesn't want Jordy to know where she is."

George snorted. His eyes glittered with sarcasm.

Nydia frowned, her full of displeasure.

"Why are you sneering?"

“I am stupid or you’re a fool? Do you think Jordy can’t find Gloria without you? Don’t you think it’s ridiculous?”

Nydia was speechless.

You bastard! You’re talking bullshit.

The next moment, Nydia gritted her teeth and said, “Let him go find her. It’s better than hearing any news from my mouth.”

George snorted again. Gloria meant nothing to him. He didn’t care if she lived or died.

Gloria closed the door with a frown and looked at Jordy coldly. “What’s the matter with you?”

In days gone by, Jordy would have left in a fury!

But now, he didn’t leave.

He stayed and cast his dominant aura over the place. The plants in the house seemed to wither as if they had got a very powerful vibe from him.

Gloria's frown deepened. "Jordy, I don't think it's in your character to stay in my house."

"If it wasn't for Karen, do you think I would stay here?"

Gloria snorted and thought he was being irrational, but she didn't doubt his story. After all, if it wasn't for Karen, Jordy would have walked away.

Chapter 830 Jordy's Concerns

For an instant, the air in the room seemed colder!

Even George and Nydia felt the creeping chill outside.

The sun was shining, but they both felt a little horrified.

They were silent and exchanged glances unconsciously.

There was a murderous look in Jordy's cold eyes, but Gloria met his gaze without flinching.
