Chapter 851 Trying to Be Brave

With that, Jennifer cried harder.

Nydia was distressed, "Oh! Don't cry! It's okay! He's not worth it! Bryson could only be our friend. If he really becomes your boyfriend, something terrible might happen!"

Gloria and Jennifer were speechless.

"Forget it. Just leave me alone. I'll be fine." Jennifer added.

Nydia didn't know what to say.

"Well, I need to take a bath." Jennifer said and then got up.

Both of them were going to spend the night at Nydia's home.

After all, they needed to take care of Gloria.

The doorbell suddenly rang, drawing their attention.

Nydia was confused, "Is it Jordy?"

Jennifer was a little surprised, "Huh? It's him? He said he wouldn't bother Gloria as long as we are with her, didn't he?"

Both of them looked at Gloria with a puzzled look.

Gloria stood up, "I'll check on it."

"No! You are a patient! We'll do this!" If it weren't for her injury, Nydia would have pushed her back to the sofa.

Gloria smiled and touched the tip of her nose in silence.

Then, Nydia walked to the door, "If it's Jordy, I'll send him away."

She walked to the door. When she saw that it was Jonathan, she was a little surprised. She turned to Gloria, "It's Jonathan."

Nydia was interested.

It was said that Mr. Brown had a high EQ

She and Nydia were not short of anything. Money, jewelry, purses, and other things couldn't attract them, and they wouldn't think it was a compensation but a perfunctory move.

Then what else would Jonathan do?

Even Jennifer was somewhat expectant.

Jonathan smiled, "It will soon be Gloria's birthday."

Jennifer was confused.

Nydia immediately rolled her eyes, "So you want us to prepare gifts for Gloria for her birthday? This is how you compensate us?"

Seriously?

Gloria pursed her lips in silence.

Jonathan smiled, "Good."

It fell quiet again in the room, and they all seemed to be at ease.

But...

The atmosphere in the room was a little strange because of Jonathan's sudden appearance.

Jonathan didn't think so. He spoke to them occasionally. Nydia and Jennifer were both very interested in the topics he mentioned and they started chatting.

Gloria pursed her lips and occasionally paid attention to what they were talking about.

Jonathan brought out very interesting topics. He was good at chatting. Even if he talked about something boring in business, people would listen to him with interest.

Chapter 855 Jordy Was Upset

Gloria’s wound recovered well in the next ten days. She decided to go to work.

Jordy hid the news that Gloria was injured from the others in the company. Harold only told them that she was sent away for work by Mr. Collins.

They wouldn’t have any doubts if they were told that it was Jordy who gave the job to Gloria, but if Gloria asked for the job, they would talk about her and think she was going to make waves.

Jordy didn’t go to see Gloria in the past ten days, but when he knew that Gloria came back to work, he immediately frowned and went to her office.

He opened the door without knocking on it

When he saw Gloria, who was dealing with the work, he looked sullen, “Who told you to come back for work?”

Gloria was surprised. She looked up and saw that Jordy had closed the door and walked in. He was staring at her with a gloomy face.

She didn’t expect that Jordy would come. She said quietly, “I’ve almost recovered.”

“Gloria! You...”

Before the woman could huff irritably, she suddenly stopped!

And the employees behind her were all dumbfounded!

What did they see?

Gloria sat sideways at her desk, and Jordy’s hand was on her smooth back. Gloria’s shirt had been unzipped from the back, and her back was fair, tender, and perfect.

Hearing the voice, Gloria immediately turned to the door, facing the crowd. Her shirt was loose on her, so she had to press on her chest to stop it from sliding down.

Gloria looked sullen and Jordy looked furious. So many people saw Gloria’s back. He was upset!

He quickly removed Gloria's gauze and found that her wound had scabbed as she said. He put the gauze back and zipped her shirt for her.

Gloria did not speak but suppressed her anger. Those people who suddenly appeared really pissed her off.

She took a breath and said coldly, "I really doubt whether you are a good leader. Your people made garbage-like schemes. I told them that and they got angry with me and wanted to get even with me. They didn't listen to me even if I said it was your idea. They saw us just now, and I guess they would spread the rumor that I got privilege by sleeping with you."

Jordy's face darkened, but he felt better after hearing Gloria out.

He said with a cold face, "I will deal with it.

Besides, even if she tried to persuade grandma, grandma still wouldn't allow her to go to grandpa's study. Then grandma would have a fight with grandpa. If she refused in person, grandpa would only be angry with her. Then they wouldn't have any fights.

Jordy seemed to be in a better mood. Gloria would only be confrontational in front of him. But she did this to grandpa, and he felt that there was finally someone who could disobey his grandpa with him.

Joseph gnashed his teeth, and then looked at Jordy with displeasure in his eyes, as if saying "this was the woman you chose and were defending?".

Karen looked at him coldly.

Gloria and Jordy rested their eyes on Karen at the same time. Gloria said directly, "Are you okay?"

Gloria grabbed Karen's wrist and put her fingertips on her pulse inadvertently.

Karen patted the back of Gloria's hand with the other hand, and looked at her face with a loving look, "I'm okay. Don't worry."

Gloria nodded, and retracted her fingers, but was still holding Karen's hand. She said with a smile, "Oh, okay, that's good."

Jordy looked at Karen, "What is your heart trouble? You didn't sleep well?"

Karen glanced at Joseph, who had already lowered his head, and said angrily, "I got the heart trouble after being angry with your grandpa!"

Joseph felt extremely aggrieved, but he didn't dare to refute it.

He was no longer arrogant and domineering as he was just now.

Gloria was amused, but she didn't say it. Otherwise, Joseph might blow his top.
