

Remarriage Never And Go Away Chapter 748-752

Remarriage Never And Go Away Chapter 748 You Believe This?

Joseph frowned, "Oh, calm down. I'm just asking."

Karen snorted, "It was your grandson who picked them not someone else. Why are you so angry?"

Karen didn't want to tell him the reason. Joseph couldn't press her for the answer. He would know it after asking the servants about it.

But... he was still angry!

That was his effort!

Those roses were picked just when he was out for some errands!

How could he not be angry?

Karen was thinking about what happened yesterday.

Although Gloria recorded it, she might not release it. Only one or two people would see the video and it wouldn't really be any evidence. Those people would still bully her.

She couldn't bear seeing her granddaughter being gossiped. Should she help Gloria spread it around?

Karen suddenly felt that she should do that!

She ignored Joseph, and went back to her room to get help.

The Collins Group.

Gloria was still working in her office.

She didn't know what was happening outside!

His mobile phone kept vibrating, which draw her attention.

When she saw that it was Nydia, she picked it up.

"What's the matter?"

"Something big! Very big! Are you busy now?" Nydia couldn't suppress her excitement though she knew Gloria was working.

Gloria raised an eyebrow, "Why are you so excited? Are you going to get married?"

"Come on! It's not about me! I think someone is just getting impatient!" Nydia was implying something, and her tone was playful, and there seemed to be an interrogative mood in her voice. Gloria was more confused.

“What on earth are you trying to say?”

“Come on, you are in the trending topic again!”

Gloria was confused.

However, Nydia did not tell her what the trending topic was but said helplessly, “You should be a star. Those real stars envy you for being so famous.”

Gloria was speechless.

She had clicked into Twitter.

Nydia continued, “Have you seen it?”

Gloria said calmly, “I’m on Twitter.”

Nydia was so excited. She said, “Can you tell me what happened? How could this...”

She wanted to keep Gloria in suspense, but she was eager to know the truth.

Gloria had clicked into Twitter and seen the first trending topic.

The post of Jordy’s grandmother.

Gloria was a little dumbfounded.

She directly clicked into the topic without responding to Nydia.

She needed to know what was going on.

However...

When she saw it was a monitor video clip, she was a little puzzled.

The monitor video clip in the Collins family's old mansion was stolen? Grandma's Twitter account had been hacked?

But... when she saw Karen's post, she was more dumbfounded.

What was... going on?

"Have you seen it?"

Light flickered in Gloria's eyes and she said yes.

Nydia couldn't suppress her excitement anymore, "Tell me why. Why did he pick roses for you?"

Gloria just curled her lip, "You believe this?"

Remarriage Never And Go Away Chapter 749 What One Was Afraid of Usually Happened

After all, it was just her revenge. She didn't want to tell Nydia why she wanted to get back at Jordy. It was a shame. She didn't want to be bothered about it.

So she said that casually.

Nydia believed in her and wondered, "Then... why did he do that? The three of you are in the video clip. Although we can't hear what you said, we can see Jordy picking flowers there."

"Karen wants me to get back together with him. That's all." Gloria didn't explain too much. She could only tell Nydia about grandma's wish.

In fact...

Grandma did this to prove her innocence, but she made up those stories.

She couldn't tell Nydia about the whole thing.

Nydia frowned, "Why do I think it's fishy?"

Gloria kept silent.

Nydia continued, "Why did Jordy pick roses for you willingly?"

Gloria suddenly chuckled, "You are mistaken. What grandma posted makes you think he picked those flowers for me. But it was Jordy's grandparents who asked people to plant those flowers."

"What you said made sense." Nydia thought for a while, but she couldn't find any clue. She felt that what Gloria said seemed right.

Gloria curled her lip, "Forget about the trending topic. It's just false news."

Nydia snorted and said nothing else.

Gloria smiled, "I have to continue to work. Come to my home in the evening. I will make something you like."

"Wow! Really?"

"Yes."

Nydia was so excited!

She loved the food Gloria made!

She quickly said, "OK! Get your work done. Don't work overtime! I'll pick you up with groceries!"

Gloria was speechless.

She said with a smile, "Okay, don't skip work often, and study those cases carefully."

"Okay, okay! Get busy, Miss Chef!"

"Hmm."

Gloria hung up the phone with a smile.

And she rested her eyes on Karen's post again.

Karen, [My lovely granddaughter is enjoying nine hundred and ninety–nine roses that were picked by that guy! I am so envious. They are really perfect for each other!]

She didn't criticize anyone, but told everyone that Jordy picked roses for Gloria personally and implied that they might get back together in the future.

Gloria sighed helplessly, raised her hand, and pressed her glabella.

In fact, she just wanted to punish Jordy, so that he would think it twice before he spited her again.

But now...

Grandma spread the news, and she couldn't hack her Twitter. If she did that, it might make things worse and she didn't want grandma to be sad.

Gloria was in a fret and a little regretful. She shouldn't have gone to grandma and let her punish Jordy.

Gloria rested her arms on the table with a pen in one hand.

After calming down, she went on with her work.

But...

What one was afraid of usually happened.

Troubles kept coming.

Remarriage Never And Go Away Chapter 750 Why Are You Involved with Jordy Again

Gloria had no idea what she would go through during the lunch break. She was still handling her work.

As for Joseph...

When he heard that his wife had posted something on Twitter that had become a trending topic, he opened his Twitter that he rarely used.

He gnashed his teeth in anger when he saw her post!

He specially prepared those roses for her!

However, Jordy took them to please others!

That was all his effort! That was the surprise he prepared for his wife!

But Jordy! That bastard!

Then...

He reacted the next moment. Jordy gave those roses to Gloria?

What the hell?

He frowned deeply and called Jordy.

Before Jordy could speak, he said with displeasure, "What the hell is going on? Why did you send those roses to Gloria?"

Jordy was calm. He didn't refute but said, "Do you have any problem with that?"

"Are you serious?" Joseph laughed angrily.

Jordy didn't respond.

Joseph said angrily, "What do you think? You and Gloria have got divorced, haven't you? How could you pick roses for her? What others will think?"

Jordy said calmly, "Jonathan has been pursuing Gloria, and the son of the chairman of Lloyd Group is also pursuing her. Do you know why?"

"Bryson grew up with her, and has long been deeply in love with her. Jonathan is a playboy, and he is your rival. He wants to piss you off by doing that! You are going to get Gloria back because there are so many people pursuing her?"

"Jonathan has never been a playboy." Jordy said calmly and slowly.

Joseph frowned, "That has nothing to do with you!"

Jordy wasn't in the mood to say anything else. He said quietly, "Anything else?"

Seeing that Jordy was going to hang up, Joseph roared, "I planted those flowers for your grandma!"

Jordy was speechless.

He could hear his grandfather's awkward tone. Calling him to question him was just an excuse.

A surprised look flashed across Jordy's eyes. Grandpa was old-fashioned and stubborn. Although he loved grandma deeply, how could he pocket his pride and plant flowers for her himself?

But the surprise was ruined by him before it was presented to grandma. Grandpa was really angry, so he called him?

After a pause, Jordy said quietly, "Sorry, I didn't know."

Then he said nothing else.

Joseph gritted his teeth, "You bastard! You'll see! This isn't over!"

He hung up the phone in a rage.

At the moment, he was sitting on the sofa with a livid face.

But at the thought of what Jordy had just said, his frown deepened.

What was so special about Gloria?

The sensational news on Twitter was known by everyone.

And Bryson... naturally knew it, too.

His heart was so broken that he could hardly breathe.

Gloria and Jordy were still in touch.

On the night of his car accident, Gloria told him that she was only in love with Jonathan.

But... why did she get involved with Jordy again?

Remarriage Never And Go Away Chapter 751 The Last Hope

She was never his. He had been deceiving himself.

He was more clear-minded after Jennifer came to him.

He had been resisting his desire to go to Gloria. He wanted to see if Gloria was still thinking about him and if Jennifer was mistaken.

As long as Gloria came to him, he could be sure that it was not what he thought But...

Gloria didn't take the initiative to come to him, and the air between them was stiff.

He was so sad, even considering letting her go.

But he really couldn't bear to do that...

After seeing this news, he knew that he really should let her go.

Bryson couldn't help taking a deep breath. He found Gloria's mobile number and dialed it.

Gloria had adjusted her state of mind and was ready to work for a while.

But suddenly she saw the call from Bryson.

She knew why he called her even without thinking.

She hesitated for a moment, and answered the phone.

“Hey, Bryson.”

“Hey, what are you doing?” Bryson’s voice was as gentle as ever.

Gloria’s eyes turned slightly. It had been a long time since she talked to him.

She felt guilty every day, but she felt more comfortable if he didn’t come to her. She always felt stressed when she talked to him, but she was afraid that he would be shaken up again if she told him the truth.

She came out of her trance and whispered, “Working. You didn’t go to work?”

His head injured had been cured and he could work in the company.

Bryson smiled, “Yes, we just finished the meeting.”

He lied. He didn’t have any meetings. He had been in the office all the time. He was like saying that he didn’t see the post on Twitter.

Gloria was wondering if he knew those things.

However...

She didn't mean to explain.

Bryson, however, was still clinging to his last hope.

As long as Gloria explained to him, he would believe that she still loved him and cared about him. It was just that she had been working and busy all this time.

He tightly held his mobile phone with an extremely nervous look.

Gloria responded, "I see."

She didn't know what to say.

Bryson waited nervously with full expectation, but only heard these two words.

His heart was completely broken.

Sure enough.

Gloria didn't love him. She agreed to be with him just because she was afraid that he wouldn't wake up.

She hadn't broken up with him just because... she was afraid that he would break down again.

Bryson showed a smile of self-mockery. He had too many wishful thoughts.

He thought Gloria finally loved him and he could finally be with her.

But in the end, it was just a misunderstanding. No, he... made a fool of himself.

Everyone knew the truth. Only he himself thought that Gloria really wanted to be with him and was moved by his sincerity.

Bryson's eyes were filled with bitterness, and he could hardly breathe because of heartache. He took a light breath and said softly, "Gloria..."

Remarriage Never And Go Away Chapter 752 I Will Always Watch Over You

Gloria's eyes turned slightly. She knew that Bryson had seen the trending topic.

He must feel very terrible.

But...

She didn't know how to respond to him.

If she explained, it would give him hope. If she didn't do that, it was like she was being irresponsible to him.

When Gloria was wondering Remarriage Never And Go Away Chapter 752 how to deal with it, Bryson suddenly said in a heavy tone, "In fact, I know that you were just afraid that I would not wake up so you agreed to be with me."

Gloria was stunned slightly, "You..."

Bryson chuckled, and there was sadness in it.

“Gloria, I already had that guess back then, but I liked to deceive myself because I loved you so much. I would think that you really wanted to be with me as long as I didn’t say it and stopped

thinking about it.”

Gloria pursed her lips. Once again, she did not know what to say, but she knew that since Bryson

had already mentioned this, he still got a lot to say.

She wanted to know what he was going to say.

He had been over her, or...

Gloria didn’t dare to think about it.

Bryson took a breath, suppressed his sadness, and tried not to choke on sobs. For him, losing Gloria was like losing his life.

In fact, if Gloria hadn’t encouraged him to wake up, he might have really died...

At that moment, he was hopeless. He did not want to wake up or have any connection with the world.

But... it was Gloria.

The person he had longed to be with all his life.

After taking another breath, Bryson said quietly, "But I have known that my thoughts were wrong over the past few months. Gloria, you always regard me as your best friend, or as you said before, your brother. We could just be that."

Gloria's look turned more complicated. Holding her phone, she didn't know what to say.

Anyway, she deceived him. It was she who toyed with his emotions and made a fool of him.

Gloria opened her lips and said in a stiff voice, "Bryson, I..."

"No, I know, I understand." Before Gloria could finish speaking, Bryson interrupted her.

Gloria sighed, and Bryson continued, "I know you did that for my good. I have never been angry with you and I will not be. You are the only woman I love and cherish in my life. Gloria, I will not push you again, and you should be free now."

Gloria was speechless.

Bryson chuckled in a sad voice, "In fact, Jennifer was right. If one really loves someone, he should set her free not trap her with his love. Keeping her around him is not love, but selfishness. Gloria, might have been too selfish before, but in the future, I will watch over you, and will not make it difficult for you again. Can we be friends again?"

"Bryson..."

Bryson was afraid that Gloria would refuse. He hurriedly interrupted her, "Gloria, promise me not to abandon me, OK? Don't be a stranger to me, OK? I will not pester you as I did in the past few months. I will get along with you as I used to."
