

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 10 CP SENSE OF BOTH

Yang Xiaoling thought about it, a serious and serious face, "But the school prohibits early love."

Xia Zhi Zhi: "Don't be so serious, look at Si Eucalyptus classmate is not very handsome?"

Yang Xiaoling nodded her head, indeed better looking than others.

Xia Zhi Zhi: "Do you think Q Q Q is pretty?"

Yang Xiaoling nodded her head like a chicken eating rice, Q Q Q is the most beautiful girl she has ever seen.

Xia Zhi Zhi's smile became more and more bizarre...

...

Xu Future looked at Yang Xiaoling, "Xiaoling, what are you dazed about?"

Yang Xiaoling came back to her senses, "Ah? I...I was thinking about the papers I left in the classroom the other day."

Saying that, she looked over to the end where two boys were walking side by side.

It was Si Eucalyptus as well as his tablemate, Hui Chi.

The two did not know what to say, it looked very pleasant, suddenly the two stopped in their tracks, Si Eucalyptus came closer, the whole face came up...

Yang Xiaoling hurriedly turned her head back, her little face was hot.

The first thing you need to do is to get a good idea of what you're doing.

At the other end, Si Eucalyptus: "There is nothing in the eyes."

Huizhi blinked, "Really?"

"Well."

The company's main business is to provide a wide range of products and services to its customers.

Si Eucalyptus looked in the direction he pointed, "Hmm."

"She looks like she's not too happy, but I always feel like she looks familiar..." Huai Chi racked his brain and thought about it, but still couldn't remember.

"Have I seen her somewhere before?" Huizhi questioned.

Si Eucalyptus glanced at him lightly, "No." Turning around, he walked towards the kiosk.

"Eh, you wait for me."

The two went to the commissary, but were told that the senior department's commissary did not sell frozen drinks during military training.

Huai Chi covered his heart, "crying in pain" and complained about his dissatisfaction, "Auntie... you discriminate against us freshmen."

Aunty of the kiosk glanced at the tender-skinned boy in front of her, this year's freshmen, not good-looking, but quite a lot of drama.

It is true that they have not yet experienced the poisonous beating of life.

Director Zhang is worried about the new students military training after exposure to the sun and eat frozen products is not good for the body, but also may be heatstroke, etc. Therefore, every year, the freshman military training, are prohibited kiosks selling frozen drinks.

Students suffer, which also led to the rise up to the sophomore and senior brothers and sisters have bad intentions...

"Gather!" The instructor gave a thunderous order, and those around him quickly got up and stood.

"Twenty minutes more to practice kicking square step!"

The instructor tried to "assimilate" her with the surrounding students in this way.

After several students were "assimilated" by her, Qi was sent to the back row...

A small figure in the back, is hidden to death, she can only see the front of a class of boys who are a head taller than her.

And not coincidentally, next to her, was Si Eucalyptus.

The first thing you need to do is to take a leave of absence on the day of the parade.

If it wasn't because of himself alone, dragging the whole class, how embarrassing, after all, last life is because of himself, and finally their class lost with the third place.

"Wrong." A cold voice rang out lowly.

"Huh?" Time Qi looked sideways at Si Eucalyptus confusedly.

"Wrong kick again." Si Eucalyptus reminded once again.

Time Qi: "...". She seemed to understand why the instructor had placed her at the end, or next to Si Eucalyptus.

The god of learning is a person who, no matter what, will not be "assimilated" by himself.

At this time, Hui Chi gulped, "Si Eucalyptus, look at the stairs..."

Not only is it Si Eucalyptus, the people who heard it around, also all looked over.
