

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 14: INCLUSION OF CLASSMATES' SHORTCOMINGS

Yang Xiaoling and Xia Zhi Zhi looked around Xu Mirai, to be precise, they were looking at the phone in Xu Mirai's hand.

"Hey, it's really Shi Qi Qi."

"QiQi, you're on the posting bar."

When Qi Qi came out of the shower, wiped his hair, walked towards them, "What posting bar?"

"Choose the most beautiful freshman in your mind."

When Qi glanced at it, she saw that Si Eucalyptus' name and picture were also on the top.

The most important thing is that you have to be able to get the most out of your life.

The first thing you need to do is to take a look at the photo.

When Qi glanced at the head of a boy message, claiming that he was bent.

The corners of the mouth of the time Qi slightly twitched, indeed, the beauty of the god of learning, is not divided into male and female, proper "Wan Chai pier".

Xu Future smiled mysteriously, "good people donated."

Xia Zhi Zhi looked suspicious, "Now there are still such kind-hearted people?"

Xu Mirai looked at Shi Qi, "If you don't believe me, ask Shi Qi, it was donated by a kind-hearted person."

Under the simple gaze of Xia Zhi Zhi and Yang Xiao Ling, Shi Qi nodded his head with a clear conscience.

The first thing you need to do is to ask the person who has been forced to "donate".

The owner of the phone is now hugging Si Eucalyptus and crying, "Oh... Xu Future is a robber! Shrew! A tigress!"

The first one is Xiao Xue, and now there is a new one, Xu Future."

A pillow smashed over, hit the 40-yard face, will be late that explosive temper rubbed up, backhanded copy of the pillow and slippers is dry, "How dare you do it to this suave and handsome face of the master!"

The innocent were hit and joined the melee, and the dormitory was in a mess.

Si Eucalyptus looked at the material physics in his hands, the noise coming from his ears, his brow furrowed, or else change the dormitory?

"203! What's the noise! Come out and gather!" The instructor in the corridor gave a roar.

The three people shrugged their heads and walked out one by one, with a cold-looking Si Eucalyptus walking behind them.

"What's all the noise! Say!"

Zhou Yi bore the brunt of it, "Report to the instructor! Huichie hit me with a slipper!"

Huichie's head was on fire, "Nonsense! It was you who hit my handsome face first!"

"I called it self-defense!"

Instructor: "....." This year's freshmen, not only do they have a lot of shit, but they are also thick-skinned.

The handsome and handsome, but not yet dry?

Can they be as handsome as the instructors?

As a result, four people were punished to stand in front of the dormitory for half an hour.

Si Eucalyptus: "....." Change of dormitory.

...

All the way to the parade this day, when the seven failed to change the same hand and foot.

The instructor placed her directly in the middle of the crowd, which is also considered to be a muddle.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

The actual future sunscreen, several people did not dark too much.

When Qi happily carried his luggage bag home, humming along the way.

The song passed into the ears of Si Eucalyptus, who was following the same road, his firm face pursed his lips, his expression was cold, and his eyebrows had a few hidden moments.

The actual fact is that there are no perfect people, you have to have a heart that tolerates the flaws of your classmates.

The first thing you need to do is to stop your bicycle and lock it, and once you turn around you will see the same bicycle stopping Si Eucalyptus.

When I thought of my last life when I sang a song in a variety show and my fans left, I felt a thud in my heart.

In the elevator

"You... Just heard it all?" The time seven asked cautiously.

The company's main business is to provide a wide range of products and services to the market.

Si Eucalyptus took out the key and opened the door, the tightly pursed lips suddenly spoke, "In fact, everyone has flaws..."

I don't know what came to mind, he didn't continue and closed the door.

Leaving Toki in a mess in the wind.

No, you come back... I can explain!

Ouch... My image...
