

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 17: THE BOY IN WHITE

In the office, class teacher Mr. Liang was packing up the booklets and report cards, waiting for the class bell to ring.

The first class teacher, who is also the English teacher of the second class, is looking at the English papers of the second class, glancing at Liang Xin, who has not yet left, and speaks, "This Shi Qi of your class is not bad, she is the only one in the whole year who got full marks."

The tone of voice is unstoppable admiration and appreciation.

Liang Xin thought up, is that beautiful-looking girl, but ...

She took a careful look at the report card, the class ranked 20, moderate, English can full marks, but this physics, is not a little miserable?

17 points, really not a human being.

"Liang Xin, this Shi Qi in your class is a good seedling." The English teacher couldn't help but say one more thing.

The company's main business is to provide a wide range of products and services to its customers.

Back to the physics teacher to say a word to do.

"Alas, your class has Si Eucalyptus, and class 3 has a Xu Qingjian..."

"Which is like our class 1, we also inserted a Ye Si Nian, this is only a month after the start of the school year, the review has written several copies."

The class teacher of class 1 sighed, how come the class he was leading failed to come up with a first in the grade?

Liang Xin symbolically comforted a few words, his heart was happy, even if Si Eucalyptus chose science to go to another class later, this year's bonus is also a good deal.

At this time, Yan Cheng, the third class teacher, came in, and his eyes inadvertently collided with Liang Xin.

Liang Xin gave a cold snort, and Yan Cheng also turned his head away.

They looked at each other in disgust.

The first thing that happened was that the class bell rang and Liang Xin went to the class meeting with his report card.

The company's main business is to provide a wide range of products and services to its customers.

She puffed up, who posted this report card! This is obviously discriminating against me!

The bottom front row of Si Eucalyptus eyes are slightly raised, so hard to see the 17 points of the grade?

At this time, Liang Xin came in and glanced at Shi Qi's puffed up look and saw the report card, and it was clear.

She drew a report card and handed it to her, "Go back to your seat and look."

When Qi wanted to sleep, someone handed her a pillow, happily took it, two small pear nests sweet, "Thank you teacher."

The company's main goal is to provide a good solution to the problem.

Zhou Yi grinned with joy, he patted Si Eucalyptus, in a tone of sharing the joy, "Si Eucalyptus, did not expect when Qi so short hahaha, I posted when I did not expect her so short will look missing."

Zhou Yi felt cool.

The first thing you need to do is to get a good idea of what you're looking for.

That gaze, that tone, just short of a sentence, you are also a dwarf in my case.

Damn two centimeters.

Zhou Yi: "... I'm 178, I don't deserve it, goodbye.

Liang Xin re-stapled the report card, "This test, half of our class made the 100th grade list, especially Si Eucalyptus students, first place."

The class resounded with thunderous applause, everyone applauded for him, but Si Eucalyptus, the person in question, didn't react half-heartedly, looking down at his book.

People: "... " No wonder he was the first in his grade...

When Qi finished reading the results, her heart was full of joy, fifty-seventh place!

In her last life, she never made it to the top 100 list.

Hahahahahaha, a success!

Death without ... no, bah bah bah!

There are still regrets, this is not yet chasing after the god of learning?

She looked up at Si Eucalyptus, oblique angle, just saw a little subtle side face,
further down, is the school uniform white shirt ...

This is how it is, just a single back, is enough to make the heart ache.

The first thing you need to do is to get a good idea of what you're looking for.

It's a perfect match for him.
