

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 5: PLEASE GIVE WAY

When the girl's eyes were slightly raised, she leaned against the bathroom door and looked at her mother, taking a quick look at your naturally beautiful, beautiful daughter.

Then she heard her mother ask herself in an extremely shocked tone, "My little boy, did you get a facelift?"

When Qi was speechless: "..."

Even eight years later, there is no cosmetic surgery that can take only half a day to heal.

The next day, when Qi put on contact lenses, long hair tied into a ponytail, the whole person youthful and energetic, the original fair and soft little face completely exposed, with the school uniform, the whole person is lovely.

When the mother of the time propped up his chin with one hand, viewing his daughter's little face, like looking at some artwork.

"Mom, what do you keep looking at me for?" Timothy asked while taking a bite of the egg and muttering his little mouth.

The little face was bulging, like a little squirrel wrapped in pine nuts, cute as can be.

Mom covered her mouth and laughed, "What are you talking about? Mom is not looking at you, she is looking at the artwork she created."

"... "No, I can have this face, it must be because of you.

When she saw that Qi had finished her breakfast, her mother grabbed her keys and hurriedly followed her up, "Qi Qi, it's getting late, let's take you to school on the way."

The company's main business is to provide a wide range of products and services to its customers.

This time it is obvious that they got up early, she is on the way up?

When the mother secretly glanced at the rearview mirror sitting in the back seat of the daughter's little face, how beautiful ah, is simply the young self.

When the next class reunion, she must take her daughter with her!

When you think of the envious eyes they will have, your mother will be overjoyed.

The first thing you need to do is to get a good idea of what you're doing.

In the "reluctant" gaze of his mother, Qi lifted his school bag and stepped into the school gate with his little legs.

The student council standing at the entrance of the school checking froze, this student is a new student?

It's really good looking.

The first time I saw the first class, I was in the second class.

The weather is really nice today.

Then, she was stopped.

"This student, are you looking for someone?" It was the class teacher, Ms. Liang.

She had already looked at the information of the students in the class, and there was no such thing as the little girl in front of her.

"Teacher, I'm Shi Qi, I'm also in senior class "2"." ShiQi answered obediently.

In this life, she must be a good student in the eyes of the teacher, to be worthy of this cute and innocent little face.

The teacher froze and flipped through the booklet in her hand, the top was a picture of Shi Qi's junior year, although she and the little girl in front of her looked like two people, but her features were similar.

"...go in and sit down." Liang teacher stared at Shi Qi, the current students, take off an eye, like a new person.

At this time, a cold voice rang out with a faint detachment, "Classmate, please make way."

"Wow..." Shi Qi subconsciously side-stepped.

The company's main goal is to provide a comprehensive range of products and services to the market.

The first thing you need to do is to take a look at the gods' distant appearance and lick your lips, walk into the classroom with short legs and find an empty seat.

The company's main goal is to provide a comprehensive range of products and services to the market.

"Hiss..." the people around sucked in a breath of cold air.

What a cute girl ah.

The people in front of her also turned back to talk to her, "Wow, Shi Qi, you look so cute."

"If only I could be half as white as you."

The girl next to her looked at her and said, "I wish I could be half as white as you are."

The girl next to her looked at Shi Qi and was dumbfounded for a while, Shi Qi looked at her, this was her best friend in her previous life.

The corners of her mouth couldn't help but raise, "Hello, my name is Shi Qi."

The girl's face heated up, "My name is Xu Future."
