

The God Of Medicine Son-in-law Chapter 11 -

Li Ruilin and others are very curious, but they can't take the initiative to ask.

The director was even more surprised. Only he and his wife knew about his bad behavior. Over the years, the husband and wife who originally had a harmonious relationship because of this matter also began to have estrangement.

Now Xiao Chen revealed the secret, which surprised him and humiliated him at the same time.

He blushed, but couldn't help asking, "you... How do you know?"

"Director Xu hasn't enjoyed the happiness of being a man for a long time?" Xiao Chen said faintly, "don't hide your illness from the doctor. Besides, it's not a big problem."

Xiao Chen glanced at director Xu: "if director Xu doesn't believe it, take it as if I didn't say it."

Although Zhang Xian didn't know what the problem was with director Xu, he also persuaded him nearby in order to make a face for Xiao Chen.

"Yes, you should see a doctor when you are ill."

Because of what Xiao Chen said, director Xu was in no mood to eat and hurriedly ended the meal.

After thinking for a while, director Xu gritted his teeth and said, "since Mr. Xiao is a doctor, stay and show me. I also want to see if Dr. Xiao can really cure me."

He has had this problem for six or seven years. I don't know how much he has eaten and how many experts he has seen, but he is still half dead.

Xiao Chen's words made him look forward to it. What if he really cured himself?

And if he really can't cure himself, he can also take the opportunity to choose between Wu Changqing and Li Ruilin.

Wu Changqing is worried. Others don't know about Xiao Chen. He knows it clearly. Xiao Chen is just doing chores in his daughter's hospital. He is submissive on weekdays. Where will he see a doctor!

"Director, my son-in-law doesn't have much ability. If he makes a mistake, don't take it to heart."

Li Ruilin sneered and said, "the director likes it. It's your son-in-law's luck. Just now Zhang Bureau said Xiao Chen is very powerful. You're so modest. Don't you want the director to recover?"

Wu Changqing couldn't answer this. He stared at Li Ruilin, walked out of the box and waited anxiously.

Xiao Chen was calm and collected. He first checked the director's body, then ran the disease pulse and absorbed the disease Qi in the director's body.

However, in order to cover up, he deliberately massaged the director's back.

"Director Xu, your disease has been eradicated. You will know when you go back tonight."

Director Xu is still a little skeptical. After all, he has had this problem for so many years. Xiao Chen can eradicate it only by massaging his back. It's strange to think about it.

"You'd better make sure you're telling the truth, or your father-in-law's life will be hard."

Director Xu also threatened before leaving, asking Xiao Chen to keep his illness confidential.

On the way back, Wu Changqing didn't say anything, but his face was obviously a little ugly. He was more worried about director Xu's trouble tomorrow.

After returning, Wu Changqing told Zhao Sulan about it. The couple were still in the room, and Zhao Sulan was already furious.

"I said long ago, don't take this waste. You just don't listen. Now it's OK, and you're implicated. Why don't this waste die!"

Zhao Sulan hated Xiao Chen in her heart,

"Divorce, he must divorce his daughter tomorrow!" Zhao Sulan clenched her teeth and said.

Wu Changqing sighed: "what can I do when I come back tomorrow?"

On the other side, director Xu came home and looked at his wife who had not been intimate for a long time. His eyes couldn't help brightening.

Unable to resist the restlessness of the body, I feel that my strong wind is slowly rising.

It was not until his wife repeatedly begged for mercy that he called in the Golden Army.

The next morning, as soon as Wu Changqing arrived at the unit, he was called to the office by the director. Wu Changqing was very upset. He said that what should come came after all.

“Chief, are you looking for me?”

Director Xu patted him on the shoulder. “Lao Wu, you are a veteran of our unit and have been sitting in the position of deputy for several years.”

Director Wu Changqing just doesn't know his attitude.

“I thought about it. You should become a regular after working as a deputy for so many years.” Director Xu said.

Wu Changqing was stunned and was stunned at that time.

“Chief, this... This...”

Looking at the cramped Wu Changqing, director Xu smiled: “your son-in-law is good. He helped me a lot this time. Anyway, I want to thank him.”

Although Wu Changqing didn't know exactly what had happened, when he heard the Secretary's words, he was probably clear in his heart that this job change was mainly brought by Xiao Chen.

“It is also his blessing that the director can use him.”

Wu Changqing said respectfully.

“When you go back, help me take a word with Dr. Xiao and say I'm well. Thank him very much for his treatment.” Director Xu said, “no, it's not good. It took me some time to visit Dr. Xiao in person.”

The director felt uneasy and wanted to invite Xiao Chen to come again.

When Wu Changqing came back from work, his feet were like stepping on cotton, light and heavy.

After returning home, immediately share the news of becoming a regular with your wife.

“I'll be a little better for our son-in-law in the future. Anyway, it's a family now. It's still reliable at the critical moment.”

Wu Changqing explained all the causes and consequences of this matter and the reasons why the director gave him a promotion. A large part of it was to look at Xiao Chen's face.

Zhao Sulan brushed her lips and took all this for granted.

“There’s nothing to be thankful for. This time he made it up by himself. It’s not his own weakness. How can you be laughed at?”

“The director said that he would visit in person in two days.”

.....

Xiao Chen used to eat dinner alone in the kitchen. Today, Wu Changqing called him on the table for the first time.

Xiao Chen glanced at Wu Yaqing and Zhao Sulan. Although Zhao Sulan didn’t look very well, he didn’t say anything.

However, Xiao Chen just sat down and suddenly the mobile phone rang.

He picked up his cell phone and saw that it was Jiang Haotian.

“Brother Xiao, my father suddenly fainted. Is it convenient for you to come now?”
