

The God Of Medicine Son-in-law Chapter 5 -

The original lively box was silent in an instant, and the needle dropping could be heard.

All faces are as like as two peas, and that's incredible.

Except that the ginseng given by Wu Zhongchao was more valuable, they gave thousands of gifts.

Who would have thought that the incompetent son-in-law who had just been ridiculed by them gave such a valuable gift.

Two hundred thousand!

You can mortgage a house with three bedrooms and two living rooms in Donghai city!

Wu Zhongchao, who had been waiting to see a good play, suddenly collapsed. His face was green and white for a while, which was unspeakably ugly.

At this time, Zhao Sulan, Xiao Chen's mother-in-law, said, "see, 200000 bracelets. You can buy them as soon as you say you can. Which family can afford it? Filial piety comes first. Others dare not compare. Who can compare with our family?"

Zhao Sulan's voice echoed in the box, and her eyes dodged one by one. No one dared to look at her, which satisfied her vanity.

His father-in-law Wu Changqing didn't speak, but kept glancing at his eldest brother Wu Changshan. The meaning was self-evident.

Wu Changshan's face turned pig liver and couldn't say a word.

"Aunt three, can't you read it wrong? This bracelet can also be worth 200000?" Wu Zhongchao hasn't given up!

Jia fenge's eyebrows stood up: "I'm professional! If I'm not mistaken, this should be bought by Yisheng jewelry head office. Am I right, Xiao Chen?"

"That's right." Xiao Chen nodded.

At this time, he had understood that when his feelings were in the jewelry store, the jade bracelet held by Jiang Haotian was not 30000 or 40000, but 200000!

He deliberately added the label.

"Sure enough!"

Jia Feng looked clear: "a few days ago, I went to the head office and looked at this bracelet. If the price was not too expensive, I would have bought it at that time."

"Who doesn't know that he has 300 yuan of pocket money a month and 200000 yuan of this bracelet? How can he afford it? Can't he steal it?" The eldest Aunt Chen Meiqin said something sour.

Unexpectedly, this sentence immediately made everyone in the box fry.

"Yes, how can he afford such a valuable bracelet?"

"I see, this bracelet is very suspicious!"

Listening to the comments of the crowd, Wu Zhongchao quickly stood up, pointed to Xiao Chen's nose and said, "waste, tell me honestly how the lanolin white jade bracelet came from? Did you steal it? How dare you steal such valuable jade. Now I'm afraid the police have searched for you outside?"

Xiao Chen frowned and didn't speak.

"Xiao Chen, tell me honestly how you got this jade bracelet." Wu Yaqing's face was frosty and asked, "can't you really steal it?"

Xiao Chen shook her head and said truthfully, "it wasn't stolen, it was given to me."

what?

Hearing this, Wu Zhongchao immediately burst into laughter: "ha ha, I'm really laughing to death. Who do you think you are? Someone gave you 200000 jade bracelets for no reason? Or were you taken care of, which was given by your old lover?"

The voice fell, and the people in the box immediately laughed.

Xiao Chen said seriously, "it was sent by a couple. The man's name is Jiang Haotian and the woman's name is Lu Wenxia."

"Xiao Chen, stop!"

Third aunt Jia Feng said solemnly, "President Jiang is the chairman of Yisheng jewelry. What's the identity of others and you? You don't even have the qualification to talk to others. Why should he give you such a valuable bracelet?"

At this time, the eldest Aunt Chen Meiqin said coldly, "it's ok if we see through stealing. Now we dare to argue. It's even more a crime. Please recruit it truthfully, otherwise don't blame me for killing my family!"

“Yaqing, listen to the third uncle and divorce him before he goes to jail. How can the Wu family want a thief to be their son-in-law?” Third Uncle Wu ChangLei said painstakingly.

His words were supported by many relatives.

Seeing that things were getting worse and worse, Xiao Chen had no choice but to say what saved Jiang Haotian’s life in the morning.

However, no one believed it.

Everyone looked at him with a look at the criminal, even Wu Yaqing was no exception, which hurt him very much.

At this time, the third aunt Jia Feng looked at Wu Zhongchao: “Zhongchao, I remember you recently applied for the manager of the branch of Yisheng jewelry store? Just call and ask?”

“Yes! Look at my memory. How can I forget it.” Wu Zhongchao applied for the job only yesterday. He had planned to announce it on Grandma’s birthday, but he forgot it when Xiao Chen stirred it up.

Wu Zhongchao took out his mobile phone. After a greeting, he hung up the phone. He looked at Xiao Chen with high toes: “waste, you’re finished. Our boss is also eating at Donghai hotel. He’ll come right away. He’ll come in a moment and see how you argue.”

Just after that, the box door was pushed open from the outside, and Jiang Haotian in suit and shoes hurried in.

“President Jiang, here!”

Wu Zhongchao quickly greeted the past with a flattering face. Immediately, he pointed to Xiao Chen: “it’s this waste. He stole a white jade bracelet worth 200000 from our head office.”

“Waste?” Jiang Haotian was stunned.

“Yes, President Jiang.” Wu Zhongchao said excitedly: “His name is Xiao Chen. He’s my Wu’s son-in-law. He’s been laid off for three years. His fart skills are useless. He eats soft meals at home every day. Do you think he’s a waste? Even if my Wu family is not a rich family, it’s more than enough to raise a waste man, but today, my grandmother’s 70th birthday, this waste stole from our head office for face...”

“Shut up!”

Jiang Haotian couldn't hear it anymore. He snapped at Wu Zhongchao and glared at him fiercely. Then he trotted to Xiao Chen, bent slightly, held Xiao Chen's hands and said respectfully, "Mr. Xiao, I didn't expect to meet you here. It's really fate."

Xiao Chen smiled and said, "it's really fate."

Seeing this scene, the Wu family were all dumbfounded.

The chairman of the board of directors was stunned. They didn't want to know each other.

Jiang Haotian walked up to Wu Zhongchao and said seriously, "I gave the white jade bracelet to Mr. Xiao. Do you have any opinion?"

Wu Zhongchao's scalp was numb. His boss's voice obviously contained anger. His head shook like a rattle: "no problem, no problem, I made a mistake, I made a mistake..."

Wu Changshan and Chen Meiqin's face changed greatly when they saw their son's submissive appearance.

Third Uncle Wu ChangLei and third aunt Jia Feng also looked unhappy and buried their heads very low. They were deeply afraid of being seen by Jiang Haotian.

The huge box was silent.

If it weren't for the Wu family dinner today, Jiang Haotian would have to teach Wu Zhongchao a lesson.

Although Yisheng jewelry head office dare not say that it is secret, it is also heavily guarded. If he can steal things from his head office, what jewelry store does he still open?

This Wu Zhongchao really has no brain and doesn't know the possibility of thinking about such a thing. The most important thing is that he still slanders his great benefactor.

What Wu Zhongchao didn't know at this time was that he had been blacklisted by his boss.

"Mr. Xiao, today is your grandmother's birthday. I won't bother an outsider."

With that, Jiang Haotian walked out of the box.

As soon as he left his front foot, Wu Zhongchao's back foot softened his leg and fell to the ground. The whole person collapsed.
