

The God Of Medicine Son-in-law Chapter 6 -

After the birthday party, because Xiao Chen gave them a face today, Zhao Sulan liked him a lot.

Chen Meiqin snorted coldly when she left.

“Sulan, it’s not your sister-in-law who said you. Your son-in-law is really not a good thing. You look at his sneaky face and eyes. You can’t help being hurt by him.”

She felt uncomfortable when she thought of what had happened just now.

“A white eyed wolf waste deliberately made us lose face in front of President Jiang.”

Zhao Sulan’s face was ugly. Before she could say anything, Chen Meiqin opened sarcastically.

“Speaking of it, Yaqing is still poor. Marrying such a loser will ruin the rest of his life.”

Chen Meiqin sees Zhao Sulan’s face getting more and more ugly. Then she leaves with satisfaction. Zhao Sulan turns and points to Xiao Chen’s nose and yells.

“It’s all because of you. My daughter can’t lift her head in front of everyone. Why don’t you die!”

Then he got on the bus angrily and deliberately left Xiao Chen behind.

Wu Yaqing didn’t say anything when he saw this situation. He glanced at him and didn’t ask him to get in the car. He drove away directly.

Xiao Chen took a taxi back by himself. When he got home, everyone fell asleep. He went back to his sundry room with light hands and feet.

The next morning, Wu Zhongchao swaggered to work and mentally calculated that some of the new employees looked good and had the opportunity to contact them.

Then the personnel manager of the head office came in.

“Who is Wu Zhongchao?”

When Wu Zhongchao saw the personnel manager, he immediately greeted him with a flattering smile on his face.

“I am!”

The personnel manager glanced at him and then opened his mouth expressionless.

“You’re fired!”

“What? Why did you fire me?”

Wu Zhongchao couldn’t believe it.

“The boss personally issued the order. The reason is to ask yourself if you did something you shouldn’t do.”

Wu Zhongchao was stunned. He didn’t react until he was driven out of the door of the store, but he didn’t dare to fool around and had to go back in anger.

As soon as I got home, I immediately hugged the old lady’s leg and cried loudly.

“Grandma, you must help me. I’m going to be bullied by a waste and can’t live?”

“What’s going on? Speak slowly!”

Wu Zhongchao held his breath in his heart and began to add fuel and vinegar at this time.

“It’s not Xiao Chen’s waste. He encouraged the boss to fire me by knowing our boss.”

Chen Meiqin’s face turned blue when she heard this.

“What, that loser dares to do this. He is a savage who doesn’t know where to come from. He eats and drinks from our family and dares to revenge you!”

Seeing the old lady frowning, Chen Meiqin quickly sat beside her and whispered.

“Mom, you have to decide for Zhongchao. Xiao Chen is just a dog of our Chen family. Now he’s riding on our heads to shit. In another two years, I’m afraid he won’t even pay attention to you.”

Chen Meiqin looked down at Wu Zhongchao as she said.

“Yes, grandma! But I dare to be so arrogant when I know a big man. Maybe I’ll drive you out of the Chen family if I’m dissatisfied with you one day...”

“He dares!”

The old lady’s crutches banged and became furious.

“Go, go to him now, ask him to apologize to you, and then help you restore your original position.”

When Wu Zhongchao heard this, a smile appeared on his face, and he was still cursing Xiao Chen on the road.

When Wu Yaqing went to work here, he took Xiao Chen with him for the first time, and the two went to the hospital together.

Xiao Chen usually works as a busboy in the medical school. Wang Miaomiao looked at Xiao Chen contemptuously.

“Here, clean it up! You loser can’t even clean the floor. Sister Yaqing has been unlucky for eight years to spread such a waste as you.”

Wang Miaomiao gave orders to Xiao Chen. He was a little slower and just yelled.

At this time, the voice of another little nurse came from outside.

“Sister Miao, go and have a look. Sister Yaqing seems to be in trouble.”

Hearing this, Xiao Chen put down the mop and rushed out first.

At this time, there were many people outside. Xiao Chen just squeezed into the crowd and saw Wu Zhong raise his hands very high, as if he was ready to do it.

“You dare!”

He rushed up quickly and stood in front of Wu Yaqing. Then he grabbed his hand and twisted it clockwise.

Wu Zhongchao immediately issued a painful cry.

“Ah, it hurts. My hand is breaking!”

Although Xiao Chen doesn’t quarrel with them on weekdays, Wu Yaqing is his inverse scale, and no one can move her.

“You trash, let go of my son!” Chen Meiqin hurriedly turned her head and cried to the old lady, “Mom, look at this waste. You actually beat your grandson.”

When the old lady saw this situation, without saying a word, she beat down with the crutch in her hand. Xiao Chen was afraid of hurting Wu Yaqing, so she quickly released Wu Zhongchao and turned her back to protect Wu Yaqing behind her.

“What are you that dares to lay hands on my grandson!”

“Bang bang!”

The crutches fell on Xiao Chen's back like raindrops, and others felt pain when they saw this scene.

But Xiao Chen didn't hide or flash, and he bore it hard.

"Xiao Chen, you..."

Wu Yaqing looked at the man in front of her and her heart trembled.

"It's okay, I'm okay!"

Wu Yaqing bit her lips and looked at the reluctant old lady: "grandma, stop it."

"Stop? I'm going to kill this white eyed wolf today. I dare to revenge my grandson. Who gives you the courage!"

Wu Zhongchao's hand didn't hurt anymore. He was about to rush over and hit someone with his fist.

"You waste, I'll kill you today!"

Xiao Chen's fingers moved slightly, and a trace of sickness entered his body. Wu Zhongchao was stiff and fell straight in front of Xiao Chen.

Wu Zhongchao immediately howled like a pig.

"Oh, my good grandson, are you okay?"

The old lady quickly stopped and went to help him.

At this time, Chen Meiqin put her hands on her hips and glared at Xiao Chen: "I ask you, did you let Wu Zhongchao's boss fire him?"

"I don't know!"

Xiao Chen frowned and probably guessed what was going on.

"Who else can it be if it's not you? Don't try to understand and pretend to be confused!"

Xiao Chen said nothing. Wu Zhongchao stood up and stared at him fiercely.

"I don't care what method you use, immediately restore Zhongchao's position to me, otherwise, get out of the Wu family."

When the old lady finished, the crutch clubbed the ground hard and made a thump.

Xiao Chen took a deep breath and said, “grandma, I said it has nothing to do with me. Others are the bosses of large companies. I’m just a doctor’s assistant. People won’t listen to me.”

The old lady’s face was livid. She snorted coldly when she heard this, and then turned her head to speak to Wu Yaqing.

“Yaqing, he’s the son-in-law your grandfather found for you. Now your grandfather has died. Let’s divorce. I don’t want to see this waste.”

There were onlookers around, pointing at Xiao Chen.

Wu Yaqing’s face is not very good-looking. She forced herself to marry Xiao Chen three years ago. Now she divorced herself. What do you think of him? A puppet that can be manipulated at will?

“Grandma, I disagree!”

“What? You dare not listen to me!” The old lady widened her eyes and couldn’t believe it!

Just then, the voice of a middle-aged woman in the crowd rang: “Dr. Xiao, what’s the matter!”

The woman who suffocated yesterday is someone else’s mother.,

“Can I help you?”

Wu Zhongchao saw the other party and didn’t take it seriously. He scolded her, “what are you? Can you take care of our family affairs?”

The middle-aged woman’s face was like frost. Hearing this, she took a step forward with her bag.

“Dr. Xiao saved my son. His business is mine. I’ll take care of it!”
