

**SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 111: NOT REALLY NEED YOU ANYMORE**

Shi Qi carefully observed the manuscript for almost ten minutes and finally managed to confirm that it was Si Eucalyptus' handwriting.

The key was... why would the god of learning know that he had lost his manuscript?

The only people who knew about it were Lin and Xi, Nicco, and the teacher who led the competition twenty minutes ago.

But even if the teacher had asked the school teacher to send a backup, it would not have been possible to send the manuscript with the school seal in such a short time...

Unless Si Eucalyptus knew in advance that her manuscript was lost.

Either he had foreknowledge, or else he knew that someone had stolen her manuscript.

"Shi Qi, prepare to go on stage." The staff's voice came from the door.

When Qi folded the manuscript in half and stuffed it into the breast pocket of her polo shirt, she got up and walked out.

Lin and Xi rarely spoke to give her a cheer: "Little sister, cheer up."

When Qi turned around and smiled, "Thank you, senior brother."

This refers to his help in delivering the script, but also refers to his cheering himself on.

The only thing on the stage is a table where the microphone is placed, with your name and yardage on it.

When Qi raised his steps up to the stage, he bowed deeply to the judges and teachers on the stage, before walking to the microphone.

She scanned the stage, the scene is still familiar, but the stage, but not the previous life that lost the manuscript and anxious self.

This game, is the whole live broadcast, at this time, all the classes in the school will watch the class students' participation live.

Then let the person who stole the manuscript see that she, Shi Qi, can win beautifully even without a manuscript.

The first thing you need to do is to take a look at the actual product.

Where is the manuscript?

When Qi glanced at a figure in the back row, her heart was sweet.

The company's main business is to provide a wide range of products and services to its customers.

The voice of Timothy is clear and melodious, sometimes calm and sometimes emotional, the spoken language is very standard, but not like the standard Fan's recording that is mechanical and dead.

The judges on the stage were fascinated, nodding their heads and looking appreciative.

Once a person has missed something, even if there is a chance to make up for the regret, the other party seems to have grown beyond your expectation.

There is a voice in his heart...

The actual fact is that you can't get a lot of money from the company.

The time seven on the stage, calm and confident, surrounded by the aura of heaven, let people feel dazzling attention.

At this time, the students of the senior class (2) all cheered up.

"Shi Qi is so damn...handsome! Beautiful!"

"I declare unilaterally, Shi Qi is my goddess from now on! Whoever has a problem with her will have a problem with me!"

Some of the boys were so excited that they couldn't speak smoothly.

"Eh eh eh eh, where do you put the goddess of learning by saying this?" Some girls argued.

"That's right, we are a pair of time seven and the god of learning, okay, a good man and a good-looking woman, a natural pair, the kind of official match!"

"Go go go, don't disturb me to see the goddess."

It is said that confident people have a unique beauty, and the girl on the stage, too dazzling.

Xu future a snot a tear, her young students in front of so many people off script speech, not easy ah.

And at this time, the senior (one) class.

Ye Si Nian stood on the podium, holding the classroom with a drawbar, pointing to the blackboard screen speaking a fluent English, confident and dazzling girl.

"See? This is my future wife, Ye Si Nian!"

His proud little proud look fell in the eyes of the students underneath, and they all looked down at their books.

The girls on the stage were muttering and spitting in their hearts, fart!

It is known that the second class of the soft girl fairy Shi Qi and the first in the grade is a pair of good, how did it become your future wife?

What are you dreaming of in broad daylight?

The girl is delicate and soft, the little figure looks small and cute.

Wake up, you don't want to scare her to tears!

But they do not dare to say it, yesterday, Ye Si Nian just because of fighting was another disciplinary action, the review has not been turned in yet...

The three days two head outside the fight, this kind of bully, they do not dare to mess with.

## **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 112: SHE WAS ALSO REBORN LIKE HERSELF**

When Qi's speech soon ended, she walked boldly to the front of the stage and once again bowed deeply to the judges.

But when she raised her head again, she didn't see that figure anymore.

She froze, and only after the staff prompted her to go backstage.

When she caught a glimpse of Song Qihua, she didn't have time to think much about it and asked Nicco, "Sister, where is the person who was sitting here?"

Natalie smiled, "He's gone."

When Qi heard that, she was about to run towards the entrance, but the teacher hurriedly stopped her, "The contestants cannot leave the arena until the competition is over."

The first thing you need to do is to get a good idea of what you're doing.

You can't go looking for it, at least send a message.

Song Qihua's voice came from behind, "The rules of participation, no electronic devices are allowed."

"..."

When Qi sat back in his seat bitterly, Nicco comforted, "When the results are announced after the competition, you can go."

"..." There were still results to be announced.

Nearly thirty students, it was already 4:30 pm when the competition was finished.

The moderator went on stage and the staff accounted for the scores.

When Dicky leaned back in his chair, from time to time, he stared at the electronic clock hanging on the back wall of the staff side.

Is the god of learning back to school?

This time is not on the way home from school?

Well...the game is not over yet.

She had never felt so tormented by time.

The teacher who led the competition mistook her for being nervous about the results and frequently looked over at the staff accounting desk.

She patted Shi Qi's shoulder and said soothingly, "Don't worry, you played superbly, you'll definitely have a good score."

Lin and the West gaze meaningful, this is only the first year of high school, after all is the back wave pushing the front wave, a wave is higher than a wave ah.

He had to have this awareness when he was a senior, the city bridge would have become his girlfriend.

The results were announced by an old professor of the competition, who spoke in a measured manner, and the students at the bottom waited nervously and anxiously.

She felt that the professor's voice tone, if Pao Qingtian made a new drama, can consider to go to the Lord Pao voice.

There were three people for the third prize, two for the second prize and one for the first prize.

In the words of Lin and Xi, no one was happy to come, he had lived abroad, plus the "mistake" made on the last National Day ... so he was forced to represent the senior class and was pulled over to go through the motions.

As for whether or not you can win the award, does it matter?

Not important.

At the moment, he wanted to go back early, to get back to school before the end of the school day and accompany Ichibashi home.

When the results were announced, Nicco took the second prize, and when the first prize was announced and Qi's name rang out, the teacher was overjoyed.

She had brought out two winners this year, so the prize money was secure.

Qi and Nicco were rushed to the stage to receive their awards.

The trophy was a crystal trophy and a certificate.

When Qi was holding the trophy and the certificate in her other hand, she felt like she had returned to the scene of her predecessor, when she won the Best Actress.

She suddenly misses the spotlight at that time.

At the lobby, Si Eucalyptus stood behind the crowd, silently looking at the screen of the winning students and teachers judges group photo.

The girl on the tip of his heart was surrounded in the middle, dazzling and beautiful.

Since when had she grown up to be so dazzling?

Si Eucalyptus had a guess in his heart, but he was not sure.

This guess made all the previous unthinkable, all traceable.

For example, why in this life, and originally unrelated Xu Qingzhi warmed up.

For example, why did she meet Ye Si Nian again.

For example...she knows her habits and cleanliness, and takes care of herself at every turn.

Perhaps, Shi Qi, also like himself, was reborn.

The time seven on the screen, and the impression of the spotlight on the center stage of the attention of the new star overlapped.

Si Eucalyptus heart mixed emotions.

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 113: YOU LET ME BITE BACK, EVEN IF WE ARE EVEN**

The evening was almost nightfall.

The temperature of the night dropped, and the bare legs under the school uniform skirt were really chilly, so she walked back and forth with small steps in front of the house.

The original thought was that Si Eucalyptus was back, but the result was that no one opened the door by the doorbell.

This is to go where, don't be what accident?

In the pocket, when Qi's hand clutches the speech, she has too many doubts to ask, to ask, need to ask.

At this time, the sound of the elevator doors opening rang.

There were only two residents on this floor, so it could only be Si Eucalyptus who had returned.

She turned around to look, only to see Si Eucalyptus walking slowly with his school bag.

Seeing Shi Qi at the door, Si Eucalyptus froze. At this moment, shouldn't she be celebrating with the teacher's other players at a dinner party?

When she saw him, she decided not to ask about the manuscript.

Si Eucalyptus asked, "Is something wrong?"

When Qi raised her finger and pointed to Si Eucalyptus' house, "...I forgot my keys, can I stay at your house for a while first?"

She raised her little head, her eyes burning, with a little hidden hope, cute.

Si Eucalyptus couldn't refuse.

He opened the door and brought her into the house.

When Qi changed her slippers, they were big, they were Si Eucalyptus' spare slippers, which made her little feet look even smaller and more delicate.

She stepped on the wide slippers and her steps were a bit difficult.

Si Eucalyptus moved his gaze away without moving. He turned on the heating, went to the bathroom and washed his hands, took the cup and went to the kitchen.

Time seven sitting on the sofa, looking at the figure in the kitchen, she came to make up.

How can the god of learning look as if nothing has happened, so unconcerned?

The first thing you need to do is to get a good idea of what you are getting into.

She got up and felt that the slippers were really uncomfortable to wear, so she simply stepped on the cold floor with bare feet and tapped her toes into the kitchen.

There was no sound of footsteps, and she appeared behind Si Eucalyptus silently.

When Si Eucalyptus was washing the fruit, Shi Qi stretched out his finger and gently poked Si Eucalyptus at the back of his waist.

The company's main business is to provide a wide range of products and services to its customers.

The words were not very smooth.

The company's main business is to provide a wide range of products and services to its customers.

"Nah, you let me bite back too, even if it's even, we'll make up."

Her expression was tinged with a little arrogance.

She was betting, betting that the god of learning would let himself bite back, a cleanliness freak like him, would he?

The first thing you can do is to find out where you are in his heart.

This is how Si Eucalyptus reacted to the meaning of her words, his earlobe slightly red.

He took the lollipop in Shi Qi's hand and placed the candy at his lips, calmly, "Good."

When Qi heard his answer without hesitation, it was silly, it was that easy?

She raised her hand, put both hands on Si Eucalyptus' arm to hold it, and tiptoed slowly closer.

The exquisite features are getting closer and closer, and the crimson lips are getting closer and closer...

His heart couldn't stop beating faster.

At this moment, he was sure that the Shi Qi in front of him was the Shi Qi who had been reborn after the car accident.

The girl that he had silently watched and liked for years.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to take advantage of the situation, why not take advantage of more?

The most important thing is to learn from him, apologize, he wants to chase after, let him kiss back!

The only thing is that they are also a twenty-something, the loss is not their own.

The first thing you need to do is to get a good idea of what you want to do.

## **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 114...ACCIDENTALLY KISSED**

After waiting for a long time, I didn't wait for that soft touch, did the little squirrel get shy and regret it?

Si Eucalyptus slightly opened his eyes.

Only to see Shi Qi tiptoeing upwards...

Her little body jumped, but she couldn't reach it.

Seeing Si Eucalyptus opened his eyes and looked at himself, Shi Qi suddenly felt embarrassed and a bit humiliated...

"That...can you squat down a little?"

She tried to negotiate a little.

Si Eucalyptus was silent: "...". Did she want to laugh herself to death?

When the seven frustrated hanging small head, certainly no one is worse off than themselves, so easy to toe bold for a time, but defeated in height.

The actual fact is that you can find a lot of people who are not able to get a lot of money from the internet.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to go up on your tiptoes, tilt your head up, and kiss him steadily on the lips.

The soft, slightly cool...

Si Eucalyptus' eyes widened abruptly.

Before Si Eucalyptus was able to react, Shi Qi backed away from his body, lightly covering the corners of his lips, exclaiming, "Ya... accidentally kissed."

Then hung a small head, tone soft and innocent, "Yes...sorry, I did not mean to..."

When Qi heart can't stop the smugness, sticking out the little tongue licked the lips twice.

What? The little aunt is deliberate, slightly slightly slightly.

The company's main business is to provide a wide range of products and services to its customers.

This acting skills and the previous life than, really bad enough.

After those "blood and tears" lesson, Si Eucalyptus does not intend to just let her off the hook, not to mention continue to take a soft policy.

If the situation continues like this, Xu Qingzhi or Ye Sian will replace him sooner or later.

The first thing you need to do is to get a good idea of what you want to do.

The company's main business is to provide a wide range of products and services to its customers.

She seemed to be sure of her place in Si Eucalyptus' heart.

Shi Qi's heart was sweet.

Si Eucalyptus lifted his hand and grabbed Shi Qi's little cheek, and with slight force, he stuffed the lollipop into her mouth.

"I didn't say that."

He turned around and continued to wash the fruit, and in a place that SiQi could not see, the corners of his mouth rose slightly in a nice arc.

When Dicky bit into the lollipop, the rich strawberry milk fragrance filled the taste buds.

It is really sweet.

The actual fact is, the gods need her to be responsible for this or not, ah?

The actual fact is that you'll be able to get a lot more than just a few of the most popular and popular items.

When Qi was leaning against the wall with a lollipop, he watched Si Eucalyptus cut the fruit, moving slowly and carefully, pleasing to the eye.

It is true that good-looking people are good-looking in everything they do.

After watching for a long time, she suddenly regretted a little.

Just now should be more kiss for a while, really wasted a good opportunity ah.

What to do, she is greedy to learn God.

After seeing Si Eucalyptus put the fruit on the plate. When Qi again obeyed her heart's thoughts, she said, "Do you want to kiss back?"

"It's even, right?"

Si Eucalyptus was silent: "..."

If she had been reborn in a previous life, he would not hesitate to kiss her now.

The response to the little squirrel provocation was sufficient.

But if she was not reborn, a real teenage girl...

Si Eucalyptus felt a sense of guilt in his heart.

"Don't." He carried the plate, skipped over SiQi, and walked outside.

When Qi's little face is confused, not kiss back, will not feel at a loss?

She followed him with her short legs and sat back on the sofa, staring at Si Eucalyptus without a moment's hesitation.

The first thing you need to do is to get a good idea of what you're getting into...

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 115 - DO YOU WEAR IT?**

The company's main business is to provide a wide range of products and services to its customers.

Time Qi was slightly bored and took the grapes and sent them to his mouth.

Strawberry flavored sugar with grapes, what a strange taste.

Si Eucalyptus asked, "What time will your mother be back?"

The company's main goal was to get the best out of the market.

"She said she won't be back tonight."

Time Qi intended to molest Si Eucalyptus and see what he would do.

In fact, Timothy's mother was on a business trip these days and really couldn't come back.

However, her keys, but she remembered to bring them every day, so she would go back later.

Si Eucalyptus' fingers tapping on the keyboard paused and looked sideways at Shi Qi, "You want to spend the night here?"

The tone of voice is light and calm, but there is no special reaction.

I wanted to see what kind of expression would appear on the god of learning.

The result is that Si Eucalyptus face is calm, half a special expression, "Well, there are two rooms, you go pick one."

Time Qi: "... just... just this?"

Ch, not funny.

When Qi took the school bag, stepped on the big slippers, "cheat you, I'm going home."

Si Eucalyptus watched the small figure finally disappear in the living room, the door.

The room was once again silent.

Rather a pity.

After a few minutes, the doorbell was knocked, did it leave something behind?

The squirrel with a small head and no visible face was in the eye.

She looked a little helpless.

"What's wrong?" Si Eucalyptus asked.

Timothy nuzzled, teary-eyed and aggrieved, "I...my keys are missing...woo..."

It must be that person who lost the keys in his bag when he stole the manuscript.

Si Eucalyptus: "... God is not to blame?"

When Qi stretched out his small hand, tugged at the corner of the god's coat, and asked carefully, "Si, can you take me in?"

The man who was in the room was a very good man.

When Qi carried the small schoolbag on his back, he ran into the house again.

"There are two guest rooms on the right hand side, you can pick one for yourself, the spare quilt is in my room, I'll bring it to you."

Si Eucalyptus took the wide pair of slippers out of the shoe cabinet again.

Shi Qi had always known that Si Eucalyptus lived alone, but he didn't expect the other two rooms that didn't live were spotlessly clean.

Si Eucalyptus held the quilt pillow from the cabinet and sent it over, seeing that Shi Qi stood at the door of the room and hesitated to go in, "Don't worry, the room has been cleaned every week."

He opened the closet next to him, "There are a few loose clothes, you can pick one to wear."

The first thing I did was to take a look at the closet behind Si Eucalyptus, only to see that there were T-shirts and shirts inside, "Have you worn them?"

Si Eucalyptus froze, thinking she was minding...

"Sorry, I'll go buy a new one now."

"Hey...no need." Time Qi hastily pulled him back, I am not you, and do not have a cleanliness fetish.

Just curious, ask a question.

...

In the room, after taking a shower, Si Eucalyptus looked at the book, late to hear the sound of the door opening.

How come you still haven't finished washing?

He got up and walked out, knocking on the bathroom door, "Shi Qi, are you still not done?"

It's been nearly an hour.

The girl's bath is so slow?

Shi Qi's voice came out from inside, "Soon soon!"

She looked down at the casual pants that Si Eucalyptus thought were the shortest.

Oh.

After all, she was...not worthy.

I really want to wear this long to the floor, the fabric all tired at the ankle pants out, facing the god of learning?

What a joke, ugly, too ugly.

It also looks like you have short legs.

When Dickie nimbly took off the pants, the wide black shirt just covered the thighs, like a skirt.

She stepped on those big slippers and opened the bathroom door and walked out...
