

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 121 - NOT CHARGING YOU FOR ACCOMMODATION

Study Room

When Qi was lying in front of his desk, he was doing some serious calculations and looking at other materials from time to time.

The two of you did not study all night yesterday, right?"

The best time to be alone, not a meeting, watch some movies or something?

The first thing you need to do is to look at the book in your hand and not change your expression, "Shouldn't you study?"

The first thing you need to do is to get a movie.

The first thing you need to do is to see a movie and a date to promote a small relationship.

The two of them are sure to quarrel and reconcile in a few days, and now they are living at home.

The first thing you need to do is to get a good idea of what you're doing.

It is true that the more well-behaved you look, the more rebellious you are in your heart.

The company's main business is to provide a wide range of products and services to its customers.

The actual fact is that you can't be so euphemistic as to drive people away and disturb them.

When Zhou Yi finished washing the dishes and was about to lie down on the sofa to rest for a while, Huai Chi was in a hurry and dragged Zhou Yi to leave.

Zhou Yi struggled, "Do...do what you!"

"Don't pull and tug, let people see how bad!"

He patted the clothes, only to see will be late whispered, "Si eucalyptus to watch a movie with time seven dinner date, we two do not stay here to delay others."

Zhou Yi's eyes lit up when he heard that!

"No, no, no, I want to stay here to see! Back to take a few pictures, so that the future of the woman Xu red eyes."

The first thing you need to do is to take a look at the back of your head, "Shoot, shoot, shoot what, do not want to live?"

The light bulb of Eucalyptus, is it fun?

Zhou Yi was finally forced to pull away, he held the last struggle to ask a question, "They are really dating?"

He gave a blank look, "Isn't that obvious?"

...

When Qi got up and went to the living room to get water, he was surprised to find that both Huizhi and Zhou Yi were gone.

"Si Eucalyptus, why are they gone?"

Si Eucalyptus looked up from his book and said lightly, "Maybe you were studying and inspired them to study and go home to study."

Time Qi suddenly realized, so it is, "By the way, did you contact the locksmith for me?"

Last night Si Eucalyptus said he would help her contact a locksmith to change the locks today, after all, the keys were lost and it was not safe anymore.

Si Eucalyptus paused, got up and picked up the phone, "I'm on my way."

The company's main business is to provide a wide range of products and services to its customers.

...

"Hey, hello." Si Eucalyptus dialed the district's property management number.

The other party listened, "Okay, okay, we'll go over this afternoon to change the locks, we have to trouble the owner of the house to register a certificate."

Si Eucalyptus paused, "Tomorrow, she's not in today."

Finally, the other party said that they would come upstairs at two o'clock tomorrow afternoon to change the locks.

Si Eucalyptus hung up the phone and went back to the study.

When Qi put down his pen, he asked him, "How about it, is the appointment ready? What time will you come over?"

The property owner said the maintenance workers are off this afternoon and will come back tomorrow at two o'clock."

When Qi frowned, so ah ...

"Then won't I have to stay here with you for one more night?"

The company's main business is to provide a wide range of products and services to its customers.

Time Qi: "... Is this a question of accommodation fees?"

If you let your mother find out that she stayed at the next door neighbor's house for two nights, you will only have to carry a big knife and cut the god of learning.

"Si Eucalyptus, the matter of me staying at your place must not be known by a third person, especially my mother."

Si Eucalyptus faintly stated, "You must have forgotten that there are already two know in the morning."

When Dickie's little face stiffened, for the sake of the god of learning, for the safety of his own life, she suddenly felt that it was necessary to put those two knowers ... extinguish a mouth.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 122 - EXPERIMENTATION? LITTLE WHITE MOUSE?

Night

The two of them went to the supermarket near the neighborhood to buy something, Si Eucalyptus pushed the cart and walked slowly and methodically.

When Qi looked at the little girls sitting on the trolley, she was envious.

This supermarket cart is able to carry up to one hundred and twenty pounds of people.

It is said that because the supermarket owner's girlfriend likes to sit on the cart, and then the owner customized a batch of carts to carry people in the supermarket.

Many couples to shop, will let the girl sit in the cart and push away.

When Qi she never sat.

The company's main business is to provide a wide range of products and services to the public.

He pushed the cart to a position against the wall, when Qi was confused, "You want to buy dolls?"

That row, all the color dolls, soft and soft, cute.

Si Eucalyptus pointed to the cart, said blandly, "not want to sit, come up."

When Dicky's little face a red, "No, the supermarket a lot of people."

The two of them are a couple.

Although she thought is quite sweet, but if the acquaintance bumped into, will not play finished?

"Really not?"

"No." When Qi gaze some reluctance.

The brakes on the trolley were off, and he bent down slightly and reached around, picking up Shi Qi and putting him in the trolley.

The first thing you need to do is to get a good idea of what you're getting into.

What happened.

The first time I saw her in the cart, she was just like a delicate doll, delicate and lovely.

He smoothly took down a small pink hamster doll next to him and stuffed it into her arms.

Then push the cart towards the snack area.

When Qi hugged the pink hamster for a long time, in Si Eucalyptus' eyes, it was like two little hamsters staring at each other with big eyes.

When Qi sent out the inner question, "You want to buy it?"

Si Eucalyptus: "It's for you."

"???" What?

Is he being possessed by Song Yi?

How come he started giving away dolls too?

The corners of Si Eucalyptus' lips curved, feeling happy that he had pushed two squirrels.

When I returned to Si Eucalyptus' house, Shi Qi was holding the little squirrel, staring at it with big eyes, and finally thought it was quite cute.

Si Eucalyptus carried two big bags of stuff: "The key is in the jacket."

When Qi stretched out his small hand into the jacket pocket to feel, thinking, the normal routine should not be in the pants pocket?

The people in the TV series and novels are in the pants pocket ah.

The god of learning really does not take the usual path.

She effortlessly took out the key to open the door, and was quite disappointed.

The company's main business is to provide a wide range of products and services to its customers.

He asked, "What's wrong? You look down."

When Qi deflated his mouth, "Other people put their keys in their pants pockets, but you're the only one who's special."

Si Eucalyptus: "What??" What did I do wrong.

...

The first time I've seen Si Eucalyptus cooking, Shi Qi volunteered to help.

She also took her cell phone in her pocket and was ready to take two photos.

As a result, when she saw how Si Eucalyptus was cooking, she was in turmoil.

In the kitchen, there was a whiteboard hanging on the wall, and inside the cabinet were measuring cups, kitchen scales and other tools.

Only to see Si Eucalyptus in front of the shelf a recipe.

A sweet and sour pork, he, how many grams of sugar, how many milliliters of vinegar, how many grams of meat ... control precise, no difference.

Each slice of meat was sliced evenly thick and thin, neatly placed on a plate.

The way he poured the vinegar with the measuring cup made Shi Qi's eyes stutter.

Finally, to the board to record data, she finally could not help but sarcasm.

You think you are in the laboratory?

You think you're doing an experiment?

I'm not your guinea pig!

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 123 - WRAPPED UP LIKE A BALL

A dinner took Si Eucalyptus 45 minutes.

When he came out with the dishes, he caught a glimpse of Shi Qi lying on the sofa, both hands propped up on his chin, looking at himself with complicated eyes.

He was puzzled, "What's wrong?"

Time Qi shook her head, "Nothing."

She got up and went to the table, only to see a meat, a dish and a soup on the table, the plate is very elaborate, it looks like a full range of colors and flavors.

She took a small piece of sweet and sour pork with chopsticks and sent it to her mouth, sour and sweet, but it was delicious...

It's not at all what Shi Qi expected.

She did not mince words and gave a praise, "Knock delicious!"

I didn't think that the god of cooking was really good.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you're doing. You don't think it's a bit of a spoiler to mention washing the dishes before you even start eating?

The company's main business is to provide a wide range of products and services to its customers.

The actual fact is that you will be able to get a lot more than just a few of these.

So the god of learning does not like to wash dishes.

It seems that in the future, if the god of learning to get his hands on, you have to have a dishwasher to do.

...

The weekend flew by, and it was Monday.

The math competition class also started training to brush up on their problems.

Fifteen students, including Shi Qi and Si Eucalyptus, will attend one session of the competition class every afternoon after school, until their second year of high school, to participate in the city competition.

Those who were selected to compete in the provincial competition will be given more problems to prepare for the math competition winter camp and the training competition.

Those who are selected in the final round will participate in the National Mathematics Competition finals in the second semester of their sophomore year.

The goal of the contestants in the competition class is to make it to the final finals.

When seven suddenly some confused, the god of learning this life, not to participate in the physics competition?

How can I be guaranteed a place in the physics department of Peking University after that?

This time, the competition class teacher Yu is on stage to explain the competition process.

When Qi stretched out his finger and poked Si Eucalyptus next to him, he handed over a small slip of paper.

The note read: You are so good at physics, don't you want to participate in the physics competition?

He froze, and his eyes were slightly sunken.

In his last life, it was because he went to the finals of the winter camp physics competition, not in school, the daughter of the time Qi was bullying, he knew nothing about it.

In the end, the competition did take the prize, but when the seven, also transferred to school.

This is one of the things he regrets the most.

The first thing you can do is to take a look at the paper and say something back.

The first thing I did was to get a new one.

Time Qi: Excuse me.

Suddenly, Yu Qing on the stage knocked on the blackboard, "The two students at the back, since they are so idle to pass notes, why don't you help the teacher go to the office and bring the set of test papers on the desk?"

Si Eucalyptus, Shi Qi: ...

The students in the front row have turned around to see, the god of learning and the fairy have made up?

So fast?

All began to pass notes.

Harm, after all, is wrong to pay.

Two people got up and left from the back door, when seven sighed, "But you participate in the math competition, is the back is ready to enroll in the math department?"

Before participating, himself is quite interested.

But the god of learning, obviously interested in physics, ah, it is difficult not to his life, will take the path of mathematics?

Si Eucalyptus: "I don't go guaranteed, and I can get into the college entrance exam."

"..." Interrupted again.

...

The weather is getting colder and colder at the end of December, and when you walk out the door, you can see people wearing cotton jackets everywhere.

The first thing you need to do is to get a good idea of what you're doing.

The company is not very afraid of the cold, every day to see themselves wrapped up like a ball like the time seven, can not help but want to laugh.

The actual fact is that you will be able to get a lot more than just a couple of times.

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 124 - KNOCKED OUT AND PACKED AWAY

Xu Mirai only wore her school uniform jacket, she was never too afraid of the cold.

"Shi Qi, if you are so afraid of the cold, how can you go with us to the New Year's Eve countdown?"

The first time I saw the company, I was able to find a way to get to the next district's square to countdown to the New Year.

The first thing you need to do is to get a good idea of what you're getting into.

In my last life, the New Year's Eve, because of the crowd, everyone was crowded apart, followed by the crowd, they can not find themselves where.

A person in the street shivering.

The back was still taken away by the traffic police uncle to maintain order.

Think about that year, that bitter winter wind, that strange street, when seven now still a little afraid.

Xu Future: "That can't be, this is our first time together across the New Year, how can you not come."

Yang Xiaoling thought about it and suggested, "Otherwise, we find an indoor, we can still play hot pot together and eat."

Xia Zhi Zhi nodded in agreement.

When Qi thought about it, this suggestion seems to be not bad eh.

"My mom is going on a business trip that day, you can come to my house, too late can also sleep directly in my house."

"Good, then we bring a change of clothes over that day, after school, go over, we all go together to buy some hot pot dishes ~"

"Yeah, yeah, yeah."

...

It was on the day of the thirty-first.

The first day of the year was the thirty-first, when Zhou Yi and Hui Chi dragged Si Eucalyptus with them, saying that they would accompany this poor brother, who was the only one in the family, to celebrate the New Year tonight.

When they stepped into Si Eucalyptus' house, Zhou Yi was the first to say, "Eat hot pot!"

Si Eucalyptus face expressionless, "No."

It will make the living room dirty.

Huichang: "Raise your hand to vote!"

In the end, Huizhi and Zhou Yi won 2:1, and they dragged Si Eucalyptus to the neighborhood supermarket.

Si Eucalyptus' face was slightly stiff, this is his house, are these two people tired of living?

And at night, in order to prevent Shi Qi from getting lost like he did in his previous life, he had to follow Shi Qi out.

But seeing two people so happy, his heart slightly sigh, just, let them eat a hot pot is it.

This side, four girls pushing a cart, sweeping in the snack area.

As they walked, they arrived at the daily necessities area.

Xu Mirai glanced at the various sacks hanging on the shelf, elbow pushed the time seven, "Eh, I said your god so many people covet, you do not want to buy a sack home?"

"Find a dark and windy night, the god of learning knocked unconscious, packaged away?"

When Qi disdainfully brushed aside, "I do not care to use this kind of unorthodox method."

Xu Future snickered, and hurriedly said to Yang Xiaoling and Xia Zhi Zhi, "You two look at her, I said your family god of learning these four words, Qi Qi did not refute at all hahaha."

When Qi's face slightly red, and pretended not to care, "It is obvious that you are talking nonsense, I did not pay much attention."

Yang Xiaoling sighed, alas, will be late students are wrong to pay after all.

A few people pushed the cart quickly towards the vegetable area, "Eh eh eh eh, isn't that the god of learning them?"

A few people looked in the direction Xu Mirai pointed, only to see Zhou Yi sitting in the cart, will be late pushing the cart, God of learning while holding goods, while throwing Zhou Yi ...

Suddenly, a few girls pushed each other to the three.

One of the girls tied with double ponytail, small face red, face shy to talk to Si Eucalyptus.

Xu Future snorted and laughed, "I told you, there are many fans of the god of learning, look, this shopping a supermarket are people want to weibo."

"But it's okay, the god of learning is not going to give..."

The words ended abruptly.

The four girls looked at each other.

Only to see the god of learning out of the phone, to the girl's hand screen, as if in the sweep code.

Timothy's face changed slightly, huh.

The first thing you need to do is to get a good idea of what you're doing.

When Qi's small face sank, "take the sack."

"..."

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 125: USE PINK SACKS OR BLUE SACKS?

Faced with a row of flowers and various colors of various patterns of marijuana bags, when Qi fell into a tangle.

Is it better to buy pink, or blue?

Xia Zhi Zhi leaned over the shelf to glance at her, "Qi Qi, you really buy ah?"

"Buy!" Time Qi directly ripped off both of those.

"... "Amitabha Buddha, bless the students.

Time Qi glanced at Xia Zhi Zhi and asked, "Do you want one?"

Although the side teacher is tall and big, but this sack looks big and good quality and sturdy.

Xia Zhiqi red face, waving his hands, "No...no no."

Which she dared to take the sack set side teacher ah.

Seeing that Qiqi took two sacks, Xu Mirai and Yang Xiaoling were confused, "Qiqi, what are you doing with two?"

It's hard to say, is to set two?

Who else?

Could it be that what was said in the posting was true? Xu Qingzhi?

When Qi Qi deflated small mouth, "I did not think of which color to use, two together."

"The actual fact is that you will be able to find out what color sacks you like.

"How come there's no hot pot base?" Xia Zhi Zhi rummaged through the shopping cart.

"I think I forgot to take it."

Time Qi put the two sacks in the shopping cart, "I'll go get them, you guys line up first."

"Okay, hurry up."

Timothy quickly ran towards the food area with his short legs.

Si Eucalyptus pushed the cart and slowly walked over to the checkout line.

"Well, how come it's you?" Zhou Yi caught a glimpse of Xu Future who was in front of the line.

"What, you're allowed to shop here and not us?"

Seeing that the two were about to quarrel again, Yang Xiaoling hastened to persuade them to stop.

Si Eucalyptus looked around and still didn't see the little squirrel's shadow.

Where did it go?

Huai late glance at the shopping cart, full of ingredients and snacks, but only two sacks of marijuana, particularly conspicuous

"What are you buying sacks for?"

Yang Xiaoling is putting the ingredients in the shopping cart to the charge table, "Qiqi bought it."

"What did Q Q buy the sacks for?"

"To cover Si Eucalyptus with..."

Before she finished her sentence, Xu Mirai and Xia Zhizhi quickly covered her mouth, and laughed, "Set...set the lion!"

"Yes, for the lion set."

Hui Chi, Zhou Yi, Si Eucalyptus: "..."

All heard it, there is no use to cover up.

Huizhi asked curiously in a low voice, "Why did Si Eucalyptus buy the sack?"

Is it because Si Eucalyptus did something wrong to make the little fairy angry?

Or is it the fun of the young couple?

Yang Xiaoling shut up and did not answer.

Xu Future saw that they all heard, directly said, "Ch, Si Eucalyptus just added someone else's WeChat, we all saw it."

The two of them snorted with laughter, what add WeChat ah! It's just a part-time job.

The two of them laughed.

Zhou Yi curiously asked, "But what does this have to do with the sack?"

"It is convenient to knock out and take away."

"..."

"Then why two? Buy one get one free?"

"She's debating whether to use pink or blue."

At this moment, Timothy ran back with two bags of hot pot base.

One bag of spicy and one bag of tomato flavor, just enough to cook a mandarin duck pot.

She trotted over, but caught a glimpse of Si Eucalyptus three people lined up right behind a few people.

"What a coincidence." Timothy smiled.

"What a coincidence hehehe." Hui Chi and Zhou Yi waved their hands.

Si Eucalyptus was silent.

Just a moment ago, he knew that this woman had the untoward idea of trying to knock him out.

After paying, a few people carried the basket to the side to fill the bags, when Qi puzzled, just now Si Eucalyptus how to ignore themselves.

Looking at the two marijuana bags, she stared suspiciously at the three little sisters in front of her, "You three, did not give up my sacks, right?"

The three people tacitly shook their heads and pursed their lips.

Only then did Timothy put down his heart.

So this is in the end with the pink is good, or blue it?
