

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 126 - DILLY-DALLYING?

Night

Xia Zhi Zhi and Shi Qi were in the kitchen washing dishes and loading plates, while Yang Xiao Ling was working on the hot pot base.

Xu Mirai was debugging the TV and the karaoke machine.

A New Year's Eve bash was about to start.

On the other hand, Si Eucalyptus was at home.

"Damn it! Are you washing dishes like this?"

"Fart, you cut that meat what did I say?"

"If you don't know how to do it, don't make trouble here, okay?"

"Yuck, I should be saying this to you!"

The kitchen came out with the sound of banging and banging as the argument went on.

Si Eucalyptus sat on the sofa reading a book, occasionally glancing at the direction of the kitchen.

After a while, leaves were thrown out of the kitchen, and some of them were thrown out of the kitchen...

Si Eucalyptus remained steady as a mountain, quietly reading a book.

Half an hour later, he put down the book and got up to look in the kitchen, only to see that the kitchen was full of vegetable leaves, pots and pans in a mess...

Some of the ingredients were thrown to the floor, miserable.

Si Eucalyptus slightly pulled the corners of his lips, the two shivering, fully aware of their mistakes, is waiting for the storm and thunder to fall.

Unexpectedly, Si Eucalyptus had a calm face and said blandly, "Still eating hot pot?"

The two men breathed a sigh of relief.

"Eat..."

"But it seems that we can't eat."

It was now 10 o'clock, and the supermarkets were already closed.

Si Eucalyptus raised his eyebrows slightly and did not make a sound.

The eyes of the late will light up, "they are not also going to play hot pot? The first thing you need to do is to go next door."

After a while, the doorbell rang.

The few people in the living room were preparing to eat and looked at each other.

Yang Xiaoling: "I just heard a quarrel next door..."

Xu Future: "This will not be here to dine, right?"

When Qi blinked, should not it, learning God cooking quite good ah, not to be to rub food.

The four people got up and went over, Xu Future looked at the cat's eye, only to see Zhou Yi's big face appeared in front of his own eyes, "Mom, yeah, what the hell."

A few people opened a small gap, only to see Zhou Yi and will be late smiling at them, "just now we see you seem to have bought quite a lot of food..."

"Girls have small appetites, so we thought..."

As we were talking, Zhou Yi was forward and was blocked by Xu Mirai's raised leg!

"So what, let us have a meal!"

"But our house is small, and can not sit ah." Xu Mirai smiled.

"It's okay, we're all pretty thin."

"But ... not enough chairs eh, or count."

Just see two people from behind, carrying out portable small stools and a few dozen RIO.

"We bring our own drink stools!"

"..." prepared ah.

Xu Future looked back at Shi Qi, only to see Shi Qi nodded before opening the door and letting the two in.

The two of them were allowed to enter.

The pot is hot and fragrant, the dishes are neat and tidy, a look at the chopsticks are not yet moved.

When Qi went to the kitchen and took out three more sets of dishes, "You two, later responsible for washing dishes."

The two of them waved their hands, "No problem."

The original Xia Zhi Zhi, who was sitting next to Qi, quickly moved and sat on the other side.

She was still very conscious of herself.

Only then did Si Eucalyptus sit down next to Shi Qi.

When there were more people, the atmosphere became lively, laughing and joking, a hot pot ate almost an hour.

Several people started to play cards and games again, and those who lost drew punishment.

The first time I saw the game, I was very lucky, and I won a few games, but I lost a few games.

The first thing you need to do is to take ugly pictures and stick notes on your face.

The first thing you need to do is to take a look at the two cards you are holding.

The actual fact is that you'll be able to get a lot more than just a few of the most popular and most popular ones.

After thinking about it, she still gritted her teeth, on 18.

"Well, then open the cards."

"3...2...1!"

Only to see, Si Eucalyptus and Xia Zhi Zhi 21 points, will be late and Zhou Yi 20 points, even Xu future Yang Xiao Ling have 19 points ...

"Come on, come on, draw punishment." The phone was opened by Huai Chi for her to draw.

When Qi was miserable, the pendulum scrolled, and finally stopped at the word "singing".

Time Qi: "..."

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 127 - SI EUCALYPTUS DRUNK

"Sing sing sing!"

Several people were so excited that they had never heard Shi Qi sing before.

Zhou Yi hurriedly went up to debug the karaoke equipment and ordered a song that was currently hot for Shi Qi.

When Qi was holding the microphone, she was apprehensive.

This is when Si Eucalyptus got up and left, going to the balcony, and also incidentally pulled the glass window of the balcony.

A few people are confused, what is this?

After a while, when Qi opened his mouth...

A few people covered their ears, still can not stop the attack of the magic sound.

The company's main business is to provide a wide range of products and services to its customers.

It had changed again.

She didn't go to the crossover, and she didn't get lost.

When Qi's wheat was eventually snatched away, a few people began to play again.

To the back of the play lively, several people idiom solitaire, one cup.

Zhou Yi and will be late to drink more, and even Xu Future and Yang Xiaoling also drank some.

The two girls are the first time to drink, the alcohol is not good, one or two cups will be dizzy, lying on the table fell asleep.

Xia Zhi Zhi looked at them and was envious.

To be able to live like this, how happy.

When Qi also drank some, but not much, this will see Si Eucalyptus has been drinking alone outside the balcony, get up and walk over, casually pull the glass window.

"Why don't you go and drink with them?"

The company's head was turned sideways to look at her, and the cold face was slightly red.

"You see, the moon is quite round."

Especially like, the day you had a car accident.

When Qi looked up, the dark night sky, hanging a full moon, bright and bright.

The distant night sky, fireworks bloom brilliantly, with a sound of fireworks.

The night sky began to float snowflakes, covering the whole city with a feathery coat.

It was the first snowfall of the year.

In the living room TV, the sound of the countdown to the New Year's Eve concert came, not quite true.

Time Qi leaned on the railing, stretched out his hand to catch the snowflakes, the corners of his lips curved, "Si Eucalyptus, it's snowing."

"Mmm."

"Happy New Year."

"Happy New Year."

...

At two o'clock in the morning, Shi Qi and Xia Zhi Zhi looked at a few people who had fallen down drunk and sighed slightly.

The two looked at each other and had to help move Yang Xiaoling and Xu Future into Shi Qi's room.

Two people occupied Shi Qi's bed.

Just when the two people tried to move Huai Qi, he hugged the sofa and wouldn't let go...

"Forget it, let them sleep in the living room, I'll go over there and get the quilt."

"Hmm." Xia Zhi Zhi nodded and gathered the dishes to clean them in the kitchen.

"Zhi Zhi, you sleep in my mom's bed tonight, I talked to my mom." It's always bad to let Zhi Zhi sleep in Song Yi's room, an older boy.

"Okay." Xia Zhi Zhi's answer came through the kitchen.

It's okay to be late and Zhou Yi, how come even Si Eucalyptus is also drunk?

When she was sitting on the floor, she looked at Si Eucalyptus who was also sitting on the floor and leaning against the sofa, just as she was sighing at such a face.

The company's main business is to provide a wide range of products and services to its customers.

When Qi thought to herself, since she was already awake, she could just send him back to sleep.

"Are you drunk?" She asked cautiously.

Si Eucalyptus was silent for a moment, as if confirming what she just meant in the words, and shook his head.

Time Qi gulped, so good, so cute...

She raised her hand and poked Si Eucalyptus's face, not really soft, hard.

"Get up, I'll send you back." She reached out and pulled Si Eucalyptus, trying to pull the person up.

The result was that Si Eucalyptus waved his long hand and threw her off, his eyes sulking.

The first thing that happened to her was that she was confused, what are you doing? Why are you throwing people away?

The company's main business is to provide a wide range of products and services to its customers.

The time seven: "I???"

Damn, how the fuck did you know?

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 128 - OF COURSE THE CUTE BOY SHOULD USE THE PINK SACK

Time Qi coughed twice, "What are you thinking, how could I possibly knock you out."

She went up to pull Si Eucalyptus again, "Come on, I'll send you back to bed."

Si Eucalyptus again shook off the small hand, and both legs moved helplessly, like a poor little child.

He stared at the two large bags on the blanket that could even fit a person, deflated his mouth and muttered, "The blue one looks good..."

"...the pink one Toki likes."

This time, Timothy was convinced that he was drunk.

"Ugh, forget it." It's better to let him sleep here.

She picked up the keys on the table and prepared to go out to get the quilt from Si Eucalyptus' house, but saw...

Si Eucalyptus propped up the pink marijuana bag and slowly got in, both hands propped up on the mouth of the bag, poking out a head to look at himself.

The black pupils of his eyes were dotted with stars, and his cheeks were red and flushed.

In the eyes of SiQi, it was like a little munchkin who was not yet involved in the world, cute and adorable...

The little munchkin Si Eucalyptus deflated his mouth, "You do not knock me out, it will hurt."

When the seven hearts are melt, this ... this is the god of learning?

The cold and indifferent god of learning?

My goodness, drunkenness is so cute?

Oooh...too cute!

No! I can't let others see such a cute god!

When seven immediately went forward, pulled up the sack side of the bag, pulling the short legs, dragged away with all their strength.

Three steps back to look, "little baby" innocent and confused big eyes have been staring at him.

When Qi's heart was tickled.

Look, I picked a pink one, a good choice, and so consciously packed himself away.

A cute boy should use a pink sack!

Don't worry, mama will take you home.

She opened the door, dragged the sack and headed for the door.

If not at this time the district's monitoring room staff did not notice this side, otherwise it is only to suspect that there are unscrupulous elements mixed into the district to abduct people.

When Qi opened the door next door, before dragging people into the house, was shocked by the scene inside the house as well as the visible kitchen.

World War ah?

She dragged the sack towards the living room, and after dragging the person successfully to the sofa, she took two breaths and hurried into the house to take out two spare quilts and ran back to the house.

Xia Zhi Zhi was wiping the table, glanced at Shi Qi, asked, "Where is the classmate, went back?"

"Well, I sent him back."

She put the quilt over the two of them, and only then did she and Xia Zhi Zhi clean up the garbage in the living room together.

"Zhi Zhi, you take a shower and go to bed, they made a mess over there, I'll help clean it up."

"Mm okay."

Only then did Shi Qi take the key out the door and go back to Si Eucalyptus' house.

She just opened the door and met the big eyes of Si Eucalyptus sitting in the sack.

He somehow moved, moved, moved to the door.

When Qi nervously peeked out and hurriedly closed the door.

She once again exerted all her strength, dragged the sack back to the sofa, squatted down and said, "Stay right here, don't move, understand?"

After a few seconds, Si Eucalyptus nodded heavily.

Only then did Timothy turn on the heating and went to clean up the kitchen alone.

The kitchen is messy, but it is easy to clean up, picking up the leaves thrown everywhere into a bag, tidying up the pots and pans with water, and then mopping the floor.

The whole kitchen is back to a brand new look.

When Qi stretched out, yawned, "Harm, what is all this."

She returned to the living room, only to see the little munchkin kept his eyes open in the direction of his side, and did not know what he was looking at.

The little face was red and flushed, and Timothy was so tickled that he wanted to bite a few.

"You want to hit me." The company's main business is to provide a wide range of products and services.

When Qi sat down, face to face with him, "I did not."

"Yes, and wanted to put me in a sack..."

The company's main business is to provide a wide range of products and services to its customers.

I go...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 129: SISTER TAKES YOU BACK TO YOUR ROOM TO SLEEP

Time Qi silently took out the phone from Si Eucalyptus' pocket, tugged his hand, took the fingerprint and unlocked it.

Then clicked on the camera mode, took the cup against the phone and stood directly on the table.

The company's main business is to provide a wide range of products and services to its customers.

The company's main goal is to provide a comprehensive range of products and services to the public.

The first thing you need to do is to get a good idea of what you are getting into.

"You also added another girl's WeChat, bah, scum."

The company's main business is to provide a wide range of products and services to its customers.

"... "Ghost believe that gesture is to do part-time, but...dry really good.

When Dickie was in a happy mood, he raised his hand and ruaed Si Eucalyptus' head twice, "Good boy, sister take you back to your room to sleep."

But Si Eucalyptus suddenly up a face, "You and Xu Qingzhi play, not with me."

"I didn't." Again talking nonsense drunk.

"You did!"

"No." Still quite unreasonable.

"Thirsty..."

"... "Those who don't know think I owed you in a previous life.

She got up and took some warm water with the quilt, walked over and handed it to Si Eucalyptus, her small mouth muttered a few words, "Just you are thirsty, I am still thirsty."

The action of Si Eucalyptus drinking water paused, moved away from the water cup, and the other hand directly took the neck of Guo Qi and leaned forward.

The slightly moist thin lips directly against the time seven.

The first thing you need to do is to get a good idea of what you're doing.

This is his initiative ah!

The first thing you need to do is push away or not push away?

The first thing you need to do is to get a good idea of what you're doing.

The first thing you need to do is to get a good idea of what you want to do.

The whole living room even the heating has risen a few degrees.

The first thing you need to do is to get your hands on the right person.

She couldn't tell if it was her own heartbeat or Si Eucalyptus'.

When she couldn't catch her breath, Si Eucalyptus suddenly let her go, and before she could take two breaths, a coldness hit her...

The glass of water was spilled.

Si Eucalyptus was already leaning on the sofa, breathing evenly... and fell into a shallow sleep.

When Qi for a time, do not know what to do to react.

She sighed and raised her hand to take off Si Eucalyptus's water-soaked jacket and got up to help him step by step towards the house.

His room is the master bedroom, very large, the overall black tone.

When Dicky moved him hard to the bed, the whole person also paralyzed next to him.

Looking at his sleeping appearance, she sighed.

"Phew...I really owe you in my last life."

She rolled over and got up, went to the previous room and changed her clothes, before taking the water basin and fetching hot water, and took a towel to the room to wipe his face.

But it must be said that Si Eucalyptus drunk is indeed much more obedient than the other two on the other side.

When finished packing, it was already 3:00 am, when Qi yawned and fell asleep directly in the room.

At this time, the phone in the living room, in its owner's settings, a long time under the camera, automatically opened a half-hour save mode ...

The next day, Shi Qi returned home early, Xia Zhi Zhi in the kitchen pounding, saw the figure of Shi Qi back.

She did not say anything.

When Qi entered the kitchen, it turned out that she was cooking porridge.

"Zhi Zhi, you are so nice."

Xia Zhi Zhi smiled, "Go brush your teeth, we'll drink it first later."

"Mm-hmm."

Because the others were drunk, this would be a deadly sleep.

The two of them had a bowl of porridge each and drank it in small sips.

At this time, a message came in Xia Zhi Zhi's WeChat.

She immediately put down the spoon back to the message, with a light sweet smile on her face, when Dicky understood, is a message from the side of a repair.

On the other hand, knocking fruitlessly on the door of the side of a repair received a WeChat, unconsciously relieved.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 130 DON'T WORRY, I DON'T CARE

After Yang Xiaoling and Xu Mirai woke up, they freshened up, drank congee and left with Xia Zhi Zhi.

Zhou Yi returned to Si Eucalyptus' side with Xu's masterpiece before he left.

The doorbell woke Si Eucalyptus, his head vaguely painful, he scratched his head, went over to open the door, but was shocked by Zhou Yi's face, the whole person was refreshed.

He finally couldn't help but laugh.

Zhou Yi was confused, "What's wrong, is there anything on my face?"

He touched his face, nothing touched, which ran to the bathroom to see... a flower face printed into his own eyes.

"I go! Xu Future! I'm not finished with you!!!"

The house was cleaned up and cleaned up, and was stunned.

Sure enough, Si Eucalyptus was Si Eucalyptus, and could not be seen in a normal way.

But Si Eucalyptus' eyebrows knitted slightly, "I just got up."

His fingers rubbed the corner of his forehead, feeling like he couldn't think of anything.

Hui late: "Tianluo girl?"

Si Eucalyptus turned around and picked up his phone, but it was already turned off.

He took the phone back to his room to charge it, and when he came out again, Zhou Yi and Hui Chi had already left.

He returned to the living room, sat on the sofa, and suddenly glanced at it, and there was a pink thing lying under the cabinet next to him.

He bent down and dragged it out, it was a pink marijuana bag...

The Siku was silent, was it possible that yesterday, he was really knocked out by the squirrel?

He lightly stroked the corner of his forehead, no wonder his head hurts so much.

When Dicky covered the pillow lying on the bed, head melon constantly recalled the scene last night, the little face red red red.

She and the gods kissed again.

To be precise, this time it should be the gods kissed her forcibly.

And also kissed for so long, tingling and tingling.

The more you think about it, the more shy you will be, ah ah ah ah, last night there was nothing to feel, today the more you think about it, the more you feel your heart thumping unbearable.

I do not know how the gods wake up, should not be like last time, and apologize, right?

He did not say that the kiss will be responsible for it?

This time it's not just a kiss, he's also sticking his tongue out!

When Qi thought about it, she decided to go over and find out what was going on.

She took a big porcelain bowl, spooned a bowl of hot porridge, and went out to knock on Si Eucalyptus' door.

Si Eucalyptus had just finished taking a shower and was toweling off his hair when he opened the door.

When he saw Si Eucalyptus, Qi's eyes unconsciously fell on his crimson lips.

It is probably because last night kissed for a long time, feeling a few points more red than usual.

The hair was wet, one drop slid along the end of the hair over the neck and collarbone, and finally slipped into the clothes.

When Qi looked blushing, "Drink... drink porridge?"

Si Eucalyptus turned sideways to let her in the door, which closed the door.

The two sat on the sofa, he dried his hair, and only then held the porridge and drank it slowly and methodically.

"That...your place was quite messy yesterday, so I helped you clean it up a bit." The time Qi opened his mouth.

She was ready to ask the god what he thought about his forced kiss last night.

The company's main business is to provide a wide range of products and services to its customers.

It seems that the little squirrel really put himself in the sack last night and sent him over.

When Dicky saw that he didn't react at all, he reminded him again, "Yesterday you spilled your water cup and your jacket got wet, so I put it in the washing machine for you."

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what's going on.

Did he pretend that nothing had happened on purpose?

But she looked at Si Eucalyptus, his face was calm, not at all like pretending.

Could it be...

"Do you still remember what happened last night?"

Si Eucalyptus paused, "What is it?"

"The incident where you put me in a sack?"

Time Qi was confused: "???" I put you in a sack?

Si Eucalyptus smiled, some spoiled, "Do not worry, I do not care."

When Qi's face changed, he got up and left, the door was thrown open with a loud bang...

"Boom!"

Si Eucalyptus a shiver, and what?
