

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 136: THE FIRST PLACE IN THE GRADE CHANGES HANDS

On the day of returning to school to get the final results, the results bulletin board was crowded with people.

When Qi was drinking milk and eating bread, he was suddenly startled by Xu Mirai.

"Do...do what?"

XuFuture was so excited that he stuttered and stretched out his two claws to rua the small face of Qi Qi, "My Qi Qi baby, you are too good!"

"Really give the sisters strive!"

The first time I saw you, I was so confused, what did I do again?

Xu Mirai grabbed the milk and bread and shoved them at Xia Zhi Zhi, pulling her towards the grade list.

She pointed to the grade list, "Look! Who's number one?"

When she looked in the direction she pointed, she saw that the place where the two words Si Eucalyptus were usually written, at this time, her name was written on it...

The first of the year, senior class (2), Shi Qi.

When she was angry, she really let her take the first place?

The people around you are talking.

"See, the little fairy to engage in learning, a minute to step on the god of learning ah!

What's under the feet, it's called shoulder to shoulder!

"The little fairy is simply, people and good-looking, learning and powerful, envy."

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

"You did not find, since the time seven and the school grass to go together, this speech took the first not to mention, now the results also rose so fast!"

"Sure enough, with the right person, it will become excellent."

"The right person." Si Eucalyptus repeated.

When Qi turned around, she caught a glimpse of the god's black face, and she waved her hands in small increments, "No, I didn't! They are talking nonsense!"

That flustered look, cute as can be.

The first thing you need to do is to get a good idea of what you're doing.

When Qi's face was red.

The first thing you need to do is to get a good idea of what you're getting into.

"Very impressive, this time the physics test 84," Si Eucalyptus unstinting praise, very satisfied with his own results.

When Qi hung a small head, have a little weak.

At this moment, in the office.

"Congratulations, Mr. Liang, your class is the first in the grade again." The English teacher and class teacher of the first class said.

Liang Xin smiled from ear to ear, "No, congratulations to you too, Shi Qi this final, English again, full marks, and your class, also improved several well."

"Which is not as good as your class, Si Eucalyptus and Shi Qi."

"Oh, Shi Qi is also improving a little."

The two women complimented each other commercially.

At this time in the office, there are two people who are out of place.

One is the class teacher of class three, Yan Cheng.

This time the grade list top ten, only into a Xu Qingzhi, the third.

One is the physics teacher, Bian Yi Xiu.

He rubbed his eyes, looked at the report card again, rubbed his eyes again, looked at it again...

It was really 84.

He didn't even have any hope for Shi Qi's physics anymore, but she gave herself a big surprise.

It seems that this semester's bonus is available again.

What to do with it?

The neighboring children to buy some tonic?

...

Xiao Xue looked at the grade list, she fell to 15, and then compared to the first time Qi, heart is not a good feeling.

She treated Shi Qi as her rival, but in fact, the other party did not take herself seriously.

Or rather, she didn't have the capital to be treated as her rival.

She bit her lip and left, but she bumped into someone at the corner of the corridor.

"Ah, it's Xiao Xue."

It was Pang Jing from class 2.

Pang Jing smiled a little sarcastically, "I heard that you got 15th place in the exam this time, how come you've dropped?"

"You say you, before also everything and other people when Qi than, alas, really people than people, angry people noi."

Xiao Xue snickered, so to speak, is trying to use themselves as a knife?

This moment is in a bad mood, she is hitting up to give herself vent.

"Before in the auditorium, I saw you stole the speech of the time seven, I see, and her everywhere compared to the person, it is you, right?"

"And the previous posting, also you find people deliberately come under my post with the wind direction, right?"

"Yes, you are the only one who can play these dirty tricks."

"Pang Jing, you are still so disgusting."

"Do you think that if you are like this, Si Eucalyptus will look at you?"

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 137 - THE SECOND CUP IS HALF PRICE

Pang Jing's face was blue and white, "If you can't look at me, can you look at you!"

Xiao Xue was not impressed, "There are many people in this world who are better than Si Eucalyptus."

"If he can't see me, that's his loss."

She raised a step to leave, thought, and advised a sentence, "I advise you, those unorthodox means do not use again, that person... is not easy to mess with."

But Pang Jing didn't listen to any of it.

She had been in the same school and class with Si Eucalyptus since elementary school.

She was the one who found out about Si Eucalyptus first, those who came later, why should they be the ones to take the lead!

...

The first thing you can do is to get the first place in your grade, and you are still happy.

"The first thing you need to do is to get a good idea of what you're doing.

The first thing you need to do is to look up at Si Eucalyptus.

The first place is still mine. The first place is still mine, isn't it?"

The first place is still mine, isn't it?" Time Qi was confused and didn't understand what this meant.

The people in the back of the room, such as Xu Future, heard a goose bumps. The god of love is so flirtatious!

The first thing you need to do is to get a good idea of what you're getting into.

The first one is the one who got the first place.

Wait, isn't this a disguised way to take advantage of yourself?

She hurriedly trotted to catch up with the superior eucalyptus, making a small fist to beat up.

The company's main business is to provide a wide range of products and services to its customers.

This day really can not live.

Otherwise, he disguised as the light of the righteous path, to go to the director of Zhang to report a wave?

Yang Xiaoling always felt that she saw the signs of revenge in the face of the late.

Could it be that... Pin Ru is finally going to resist?

Hiss...here comes the main event.

She hurriedly took out her phone and wrote this down.

Recently, the novel she had serialized on the internet in a certain sleeve was getting hotter and hotter, and readers were secretly waiting for the male protagonist to retaliate after he would pool his heart after being robbed of his sweetheart.

I really did not expect that she is so a write, this novel also fire?

When her paycheck arrives next month, she must buy some snacks or something to thank her classmates.

"Hey, that new milk tea store over there I heard is good, go try it?" Xu Mirai suggested.

Several people followed.

"The new store best-selling activities, the second cup half price oh." The clerk said.

Xu Mirai counted, "1.2...7...seven of us, let's buy eight cups."

"Eight cups, exactly, I drink two cups." Zhou Yi grinned.

Xu Future started fighting with him again, "Why, I want to drink two cups!"

"You drink so much, be careful of gaining weight."

"I don't want you to care!"

"What do you want to drink?" Yang Xiaoling looked at the drink list.

Xia Zhi Zhi froze, "No, I don't want to drink, you guys just drink."

"Huh? You can try it." Yang Xiaoling said, "The taste should be good."

When Qi thought about it, Xia Zhi Zhi wanted to drink the second cup half price with Mr. Bian.

But what would happen to her in her senior year of high school? Was there a health problem?

"No, I don't like to drink milk tea." Xia Zhi Zhi again refused again.

Seeing that Xia Zhi Zhi kept refusing, several people could not force it any further.

"In that case, then okay, then let's have 6 cups."

When Qi looked down at his phone, it was a message from Song Yi, come on, this one is on vacation and is coming again.

Si Eucalyptus: "Hello, please ask for two cups of white peach oolong."

Xu the future and Zhou Yi again argued fruitlessly, she long hand a sweep Yang Xiaoling, "We two together."

The remaining Zhou Yi and will be late, face to face.

Will be late: "I do not drink." The second cup is half price.

Zhou Yi pulled the corner of his mouth, this Xu future, how to get angry so easily.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 138: TO LOSE WEIGHT

Si Eucalyptus took two cups of white peach oolong and handed one of them to Shi Qi.

When Qi took it, he took a sip, the sweetness was just right, "Hmm? How do you know I like to drink this?"

The company's main business is to provide a wide range of products and services to its customers.

Time Qi seemed to believe it, but not believe it.

Xu Future sipped the extra-large cup of milk tea and felt a burst of satisfaction in his heart.

After several people said goodbye, they separated and went away.

The company's main business is to provide a wide range of products and services to its customers.

Si Eucalyptus: "Making money."

"Make money for what? You do not have enough money?"

This morning, she carefully stepped on the electronic scale, afraid to alarm it, the numbers jumping rapidly, suddenly behind the penetration of Song Yi's voice ...

"It's a little fat."

When Qi jumped down in a hurry, "You're the fat! Your whole family is fat!"

Song Yi slightly raised his eyebrows, "My whole family is quite fat."

"..." Accidentally counted himself in.

"Order takeout, what do you want to eat?" Song Yi asked.

When Qi deflated his mouth, "do not eat, diet."

Song Yi also did not say anything, went straight back to the room.

When Qi took off the body of the big outside, and again on the electronic scale, see the number less 0.2, a sigh of relief.

Pick up the phone to send a friend circle.

Time seven: winter not to take off a piece of cotton clothes do not know that they can be so thin.

Less than a few minutes, Xu Mirai commented.

XuFuture: so you are to weigh deliberately take off the cotton clothes?

Time Seven: Nonsense!

Xu Future: I can imagine a ball of time seven.

When Qi sniffed and sniffed, so fragrant...

She pulled her short legs over to the dining table and squatted, blinking her big eyes, "Brother, can I have a bite?"

Song Yi Wei raised an eyebrow: "You do not eat, to lose weight?"

Timothy raised his finger, "People just eat a small bite to relieve their cravings."

"All right." Song Yi took a roast meat and stuffed it into Shi Qi's mouth.

When Qi took small bites, swallowed slowly, the rich taste of roast meat, eaten extraordinarily fragrant.

After she finished one, she blinked her big ignorant eyes and continued to look at Song Yi, "Brother, people want more."

"..." said the good diet?

...

At night, Shi Qi touched his stomach, thinking, or else go cook a bubble noodle to eat?

At this time, the phone WeChat came to the message.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 139 - YOU CAN CHEW SLOWLY

The night market in M City started about ten days before the New Year.

When Qi wore a big white fluffy maid and wrapped a red scarf, the whole person was warm and cute.

She looked up for Si Eucalyptus while looking at her phone.

Time Qi: Where are you, I don't see ah?

After a while, the message came back.

Si Eucalyptus: turn around.

When Qi froze and turned around to look, Si Eucalyptus was standing behind her, the lining was a cafe shirt overalls, and then a white tweed long jacket, looked a little thin.

When Qi looked at it, he felt cold for him.

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to its customers.

"You bend over a little, I can't reach it."

Si Eucalyptus smiled and slightly bent down, allowing Shi Qi to put the scarf on himself.

The red scarf set off his whole body with a festive look, which really tasted like New Year's Eve.

The first thing you need to do is to put on the wide plush hat on her back, and there are two little fluffy ears on the hat.

This time, it really became a snow white glutinous rice pill.

The heart of Si eucalyptus soft, on hand rua a handful of that plush big hat.

So cute.

When Qi blinked, "Are you hungry?"

The first thing you need to do is to get a good idea of what you're looking for.

The first thing you need to do is to get your hands on the right one.

Probably because she was wearing a lot of clothes, and her hand had been placed in her jacket, her hand was very warm, and it warmed up Si Eucalyptus' hand that was slightly cooled by the wind.

The night market is not yet the busiest, many fun vendors are not yet in place, scattered is some snacks.

The two of them ate and drank enough and went to the nearby living library to read a book.

When Qi suddenly remembered, last time Si Eucalyptus said, earn money to raise squirrels.

"Si Eucalyptus, what does your squirrel look like, is it cute?"

"Lovely." The corners of Si Eucalyptus' lips were slightly hooked.

Time Qi: "I also want to see."

The god of learning actually has a pet, too rare.

Si Eucalyptus hesitated for a moment and took out his phone.

The company's main business is to provide a wide range of products and services to its customers.

The phone was open to the camera, it was the selfie mode, on the screen, it was himself.

When Qi froze, only then reacted, his face was hot and red.

"Who wants you to raise ah..."

She buried her face into her clothes, the hat was pulled, and her whole face was covered.

"You."

Si Eucalyptus expression serious, when Qi small face red, raised his hand to pull the hat, and shrunk himself into the hat.

The table is not large, a handsome boy in a white jacket, opposite sat a doughnut with ears...

The small ball is smoking hot.

Si Eucalyptus covered his mouth and smiled lowly, hot, the taste is just right, you can chew slowly...
