

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 36: HE IS THE BRIGHTEST BENT MOON

The two of them should have been standing together.

Zhou Yi was dumbfounded, why did he feel that Si Eucalyptus and Shi Qi were a good match?

The company's main business is to provide a wide range of products and services to the market.

When the time came for him to start showing off, he looked at Si Qiu, "Why are you here?"

"I came."

Si Eucalyptus gave her a reassuring look and reached out to take the touch screen pen in Shi Qi's hand, He Zhaoyin at the other end had already mastered the key to solving the problem.

Only then did Shi Qi retreat from the field, Si Eucalyptus took the pen and began to write on the screen, and the people on the stage were astonished again.

"This is another person from the seventh grade?"

"How come this seventh grade is full of handsome and beautiful girls?"

"That's right, the one from Tsinghua's engineering physics department is also a graduate of seventh grade."

Director Zhang was happy, "Which class is this again?"

The side of a repair smile, "is also the second class of senior, this year's freshman grade first."

Last time not also freshman representative to speak, it seems that director Zhang is forgotten.

The first thing you need to do is to get a good idea of what you are getting into.

The first thing you need to do is to get a good idea of what you want to do.

The first thing you need to do is to take a look at the actual person you are looking at.

In her last life, she was standing on the stage, looking up at this unattainable boy, at that time, she did not dare to say a word with him.

The same class for two years, weibo did not add, just silently memorized his cell phone number, observe him from afar.

The first thing you need to do is to get to know the person you are talking to.

At that time, it felt that everything was still enough.

Suddenly, the applause thundered, when Qi jerked away from the memories, it turned out that it was Si Eucalyptus and He Zhaoyin both solved the last problem.

The two people used a very different way, the big screen full of the process of solving the problem, breathtaking.

It was completely unbelievable that it was done by two high school students.

Song Yi remembered that this boy, the one whose sister sent the umbrella, could not help but admire him a little.

The corners of Toki's lips curved up slightly, smiling more purely than ever.

The most important thing is that you can get the most out of the moon, and you can get the most out of the moon.

There are so many stars, the moon may not be able to see itself.

But it does not matter, she when seven, will try to become the brightest of the North Star.

Several professors were invited to the stage, the leaders and several Tsinghua and Peking University students also went to the stage to prepare for a group photo.

Director Zhang waved to Shi Qi and Xu Yuzhi with a kind smile, "You two come here quickly."

Of course, Shi Qi didn't want to let go of being able to take a photo with Si Eucalyptus, so she immediately climbed onto the stage with her short legs.

Song Yi wanted to ask her to stand next to him, but he saw her running to the boy on her heels.

He Zhaoyin smiled and sidled up, "Stand here."

Shi Qi was grateful and stood next to Si Eucalyptus as she wished, and said sincerely to He Zhaoyin, "Thank you."

He Zhaoyin's eyebrows arched, "You're welcome, my name is He Zhaoyin, I'm a senior in first high school, and you?"

The first thing you need to do is to get a good impression of him and give her a chance to stand next to the god of learning, "My name is Shi Qi, a senior in the seventh grade."

He Zhaoyin: "You are quite good at problem solving, I have a few good sets of real questions, I don't have time to brush them for the entrance exam, are you interested?"

When Qi heard this, he immediately replied, "Of course, do you want to sell them to me? How much?"

Originally set close to the He Zhaoyin: "... I actually want to send you.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 37 I BROUGHT

When Qi looked at He Zhaoyin expectantly, the latter smiled and said, "Lend you to fill it out, later add a WeChat to facilitate communication."

The first thing you need to do is to get a good idea of what you're doing.

The first prize of last year's national math competition was awarded to He Zhaoyin, and the questions he had were definitely unique.

The first time she thought about it, she felt that this student from the first middle school was quite generous.

Next to him, Si Eucalyptus indifferently glanced at the two, "I brought it."

Both of them looked at Si Eucalyptus in unison, and the latter indifferently said, "I also want the real questions, He students don't mind one more person?"

He Zhaoyin paused, then smiled, "Of course I don't mind."

"Good, all look to the camera!"

When Qi subconsciously looked at the camera, "click", along with the flash, a photo to freeze the scene.

The first thing you need to do is to take out your phone and give it to He Zhaoyin to scan the QR code. He Zhaoyin said meaningfully, "Remember to push my micro-signal to Shi Qi."

"Mm."

Shi Qi and Si Eucalyptus were then called over by Director Zhang, who took the two to meet several professors and some brothers and sisters from Tsinghua and Peking University.

The two listened to some compliments, and Shi Qi felt that it was happier and prouder than being praised for their good looks in their previous life in the entertainment industry.

The seven middle school has always been considerate to guests, this time, the crowd was taken to the cafeteria to drink afternoon tea.

He Zhaoyin: "I didn't expect your school to have afternoon tea."

When Qi shook his head and said, "That is today."

He Zhaoyin laughed, it was true.

Song Yi put away his phone and walked up to Shi Qi with big strides, "Just now was very impressive."

It's rare to hear a dog egg compliment itself, and Shi Qi can't help but feel good about it.

Yu Miao smiled, "Yes, after all, brother is so good, sister how will be poor ah."

The two of them are the same.

But these words in Shi Qi's ears, but she was not happy, she is excellent or not, and dog egg has what to do?

Who is happy to live under the halo of others?

This Yu Miao, really know how to pat the dog egg's ass.

When Qi tsk two, straight speed up the pace to get the meal.

Song Yi realized afterwards that this is not quite right, slightly displeased to look at Yu Miao, "Sister, careful what you say."

The first thing you need to do is to get a good idea of what you are doing.

When Qi took the tray, he scanned the canteen and found that Dog Egg had already found a seat.

This guest is not the same, there are students to deliver meals.

He Zhaoyin walked over, "Shi Qi, where are you sitting?"

I saw another figure walking over, followed by two other people, Shi Qi was surprised, "How come you two are here?"

Zhou Yi laughed, "It's a good thing I came, otherwise I wouldn't have seen you and Si Eucalyptus shine, A Chi, right?"

He nudged Huai Chi next to him, who nodded his head, but he still couldn't understand how Shi Qi got such a bad score in physics.

When Qi thought about it, "Let's sit at the same table later?"

"Sure, where to sit?"

When Qi pointed in the direction of Song Yi, "Sit there, there are just five seats left."

The five of them went over and sat down, and Qi put down her plate and sat next to Song Yi.

Si Eucalyptus sat down next to Qi, and the other three people also sat opposite.

Song Yi exchanged his hot milk tea for Shi Qi, "Girls don't drink iced ones."

At this time, Yu Miao washed his hands and came over, but saw that his seat was taken by Shi Qi, and the other four seats were also occupied.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 38: HOW CAN YOU ADD FRIENDS LIKE THIS?

Yu Miao was slightly unhappy and said to Shi Qi, "Sister Shi Qi, this is my seat."

When Qi slightly raised his eyebrows, "But, I sat down first, sister Yu, otherwise you should pick another seat?"

Yu Miao was indignant, even if this person is Song Yi's sister, but occupying her own seat is too much, "Shi Qi, I just sat next to Song Yi, just to wash my hands."

When Qi skimmed her mouth, raised her hand to hold Song Yi's arm, making a dependence, "But I like to eat with my brother, ah."

Song Yi rarely saw her rely on himself like this, no matter if it was a trick or not, he was always happy, he just wanted to speak, Si Eucalyptus then said blandly, "Since she has already taken the seat first, or we can switch to the next table."

When Qi's eyes lit up, the god of learning this trick is really high, she looked at Yu Miao, "Since Yu Miao first occupied the seat, then return it to sister Yu."

The six people with their dinner plates changed to the next table, Yu Miao was so angry that her face turned blue, this Shi Qi, is definitely a stumbling block, specifically to annoy himself!

When Qi faintly glanced at Yu Miao that face, as well as look at their own eyes, happy, dog egg Song Yi's girlfriend, how can it be her.

The first thing you need to do is to be as smart and beautiful as yourself.

He Zhaoyin looked interested, this girl played a little nature to be quite cute.

Afternoon tea, when Qi ate extra delicious, the way back also in a good mood.

After returning home, Shi Qi did two questions and suddenly remembered He Zhaoyin's questions, so she took out her cell phone and sent a WeChat to Si Eucalyptus.

The chat interface was stuck on the sentence sent by the god of learning on his own initiative.

The first thing you need to do is to get a good idea of what you're doing.

The first time I remembered that she had accidentally gone to sleep last night and hadn't replied until now.

The first thing you need to do is to take a look at the website.

The first thing you need to do is to get a good idea of what you're doing.

The other end, the hand vibrated two times, Si Eucalyptus clicked to see, glanced at the time, is 18:20 minutes.

Si Eucalyptus: No.

After a few seconds, the opposite side replied again.

The first thing you need to do is to get a good idea of what you're doing.

Si Eucalyptus indifferently repeatedly looked at it several times.

The first thing you need to do is to get a good idea of what you're doing.

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

The first thing you need to do is to make sure that you don't have to wait for a reply like you did last night.

The first time I saw a message from the god of learning.

The actual fact is that you'll be able to get a lot more than just a couple of days to get a lot more than just a couple of days.

The actual fact is...

The god of learning is focused on his studies and is not good at using mobile software, so it seems normal that he can't push business cards.

The first thing you need to do is to get a good idea of what you're doing.

The company's main goal is to provide a solution to the problem.

I would like to know what the god's parents look like, if I could also see his room would be better...

The message beep interrupted her thoughts.

It was indeed a message from Si Eucalyptus, only that it was a group chat with the number of people (3) displayed on it.

The actual problem is that you can't get a lot of people to do this.

When Qi thought about it, it wasn't good to be so direct with the god of learning, so she sent a cute emoji packet of a small doughnut greeting.

She was satisfied looking at the interface, so much better.

The other end, is drinking water brushing the phone of He Zhaoyin, "poof" a mouthful of water sprayed out

The company's main goal is to provide a good solution to the problem.

Didn't he know that he could add friends even after pulling a group chat?

After this, He Zhaoyin identified that this Si Eucalyptus was a nerd.

He clicked on Shi Qi's WeChat in a happy mood and added his friends.

After that, he also @sheQi in the group.

He Zhaoyin: @Shiqi, already added your friend, agree.

When Qi: ok.

The two messages, Si Eucalyptus brow slightly frowned, this can also add friends?

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 39: VISITING THE HOUSE OF THE GOD OF LEARNING

After looking at the group chat for a long time, Si Eucalyptus saw that no message had popped up after a few minutes, he slightly pursed his lips and clicked on Shi Qi's private chat box, tapping his finger a few times.

The first thing you need to do is to get a good idea of what you're doing.

The second physics test paper of the first repair of the side is worrying, see the message of Si Eucalyptus, the brain turned, why not find the god of learning to help her fill?

The god of learning is so powerful, he must have filled it out in a few swipes.

The first thing you need to do is to get a few papers together and put on a light jacket and go out with a pen and paper.

Song Yi was in the room with the experimental project group of students video, and did not notice the movement of Shi Qi out.

When Q Q held the paper and pencil and paper, came to the door of the god of learning, stroked his hair, little heart can not restrain the "thump thump thump" straight beat.

The company's main business is to provide a wide range of products and services to the market.

The door opened after a while, and what caught Shi Qi's eye was a black cardigan pajama shirt of Si Eucalyptus, who looked like he had just taken a shower, and his hair was still slightly damp.

The first thing that I did was to look at the newest version of the newest version.

The first time I saw a home dress, I saw a home dress.

The first time Si Eucalyptus saw the home dress squirrel, hair loosely tied into a small pill, halter top with a light jacket, the lower body wearing sports shorts, set a pair of legs, white and long.

The company's main business is to provide a wide range of products and services to its customers.

When Qi blinked, "I have a few physics papers will not."

The corner of Si Eucalyptus lips slightly hooked, is to ask him questions, is not stupid, "then what?"

The first time I saw this, I was very happy to see it.

Si Eucalyptus: "...". What an amazing mouth.

Is he looking up to the little squirrel or looking down on the little squirrel?

When Dicky sat down in the living room as she wished, she took a look around and found that it was really clean, pure black and white, and everything was neatly arranged, just like in military training...

Si Eucalyptus poured a glass of water and put it in front of Shi Qi, who was stunned, this...

She looked at the coffee table and found that there was only this one cup.

In other words, this is the god of learning's cup?

When Qi's little heart was pounding, she took the glass of water and took a small sip...

The warm water slid along the lips of the entrance across the throat, when Qi's small face a hot.

In this way, rounding up, she and the god of learning, also considered indirectly kissed.

The first kiss of the god of learning.

Si Eucalyptus saw her blush slightly and asked, "Is it too hot?"

He took the air conditioner and adjusted the temperature down a bit.

When Si Eucalyptus asked this question, Shi Qi blushed even more, oh my god, what was she thinking.

"It's...okay."

The company's main business is to provide a wide range of products and services to its customers.

When Qi blinked, he asked, "Learn...Si Eucalyptus, do you know?"

Si Eucalyptus: "...". Of course I can.

He got up and went into the bedroom, Shi Qi was confused, what to do?

Did the god of learning also think that I should give up treatment?

The company's main business is to provide a wide range of products and services to its customers.

When Qi was confused, "This is?"

"Middle school physics notes and high school physics notes." Si Eucalyptus answered truthfully.

The company's main business is to provide a wide range of products and services to its customers.

Then, I heard Si Eucalyptus say, "You look at the notes and do the paper, and you can ask me if you don't know."

Those few papers are very simple, just the contents of the notebook can be solved.

When Qi skimmed his mouth, but did not want to give the god of learning the impression of not learning well, only to pick up the pen, aggrieved to turn over the test paper...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 40 POSTING STORM

The silence of Si Eucalyptus, here we go again, is such a pair of eyes, full of accusations of their own aggression...

He suddenly felt dry mouth, subconsciously picked up a cup to drink water, just touched the mouth of the cup, suddenly remembered ... this cup just a small squirrel used.

When Qi blinked his big innocent eyes at Si Eucalyptus, he is not a cleanliness fetish, how this will not wash the cup and drink directly?

For a moment, he did not know whether to put it down, or continue to drink.

The first thing you need to do is to take a few sips and put it down.

Time Qi couldn't believe it, he really just drank it?

This does not need to be rounded up, really is indirectly kissed!

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

The book was opened by Si Eucalyptus, and he looked at it, "Well."

The first thing you need to do is to get a good idea of what you are doing.

The company's main business is to provide a wide range of products and services to its customers.

When Qi waved her hands, "Nothing, nothing."

She hurriedly dropped her little head and painstakingly studied the physics papers of this group of people.

The first time I saw the first kiss, I also did not have the first kiss, this rounded up, is not a kiss!

She was happy in her heart.

And I feel a little bit of a loser.

After more than half an hour, her cell phone rang, is Xu future WeChat phone.

She silently moved the test paper away and clicked to answer.

Xu Future's excited voice came, "Shi Qi! You are too awesome!"

The first thing you need to do is to get the phone out of the way, and Xu's voice is too loud.

"What's wrong with me?"

"I'm telling you! The video of your answer today has been uploaded to the posting bar, you are on fire, now many people are asking about you."

Time Qi frowned slightly, how she felt that this matter appeared on the posting bar now, not good.

"The two of you on stage photos, I tell you, now spread everywhere, and now there are many of you two cp post! The two of you are the gods of learning, the heroes save the beauty, you want to give your body to each other hahaha..."

Time Qi: "..."

She silently looked up at Si Eucalyptus, only to see him looking at himself for a moment, and then he asked, "What's a cp post?"

At once, the atmosphere was quiet.

In the phone, Xu Future's voice stopped abruptly.

When Qi heard a thud, bad.

In the next second, a deafening roar came from the phone, "Shi Qi! How come the god of learning is in your room??"

"Oh my God! Is it true that the cp I knocked ? ? ? ?"

"I..."

Time Qi silently pressed the hang-up button.

She looked at Si Eucalyptus, only to see the school god's face written all over the doubt, thought, she explained without a red face, "cp is the meaning of good friends."

Si Eucalyptus nodded his head with seeming understanding and moved the test paper back in front of her, "Continue, there are still a few big questions."

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to look at the postings that Xu Future said, he poked in to see, at first it was some words of praise, slowly pull down, but began to change.

The first thing you need to do is to get a picture of your child.

The youngest one has plastic surgery, and so on.

Some even said that her junior high school grades were a mess and the video was just a claptrap.

The actual fact is, the words that complimented Shi Qi turned into insults.

The first thing you need to do is to get a good idea of what you are getting into.

Zhou Yi's voice came, "I see that there are people who have the intention to blacken Shi Qi."

When Qi heard his name, he raised his head in confusion and looked at Si Eucalyptus, "What's wrong?"
