

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 56: PEACH BLOSSOM BLOOMING

When she was about to take the bag from him, Si Eucalyptus handed her a bottle of mineral water.

When Qi froze, remembering Xu's words, she subconsciously thought the bottle of water was from Xiao Xue.

She pouted and grabbed it from Si Eucalyptus' hand, wanting to daintily unscrew the cap and drink it all up in one go...

However, she struggled to unscrew the cap, feeling that her hand skin is going to wear out, still can not unscrew.

The first time I saw her, I was very impressed.

The next moment, he saw her vow to fight with the mineral water, the forehead corner jumped.

The next second, he saw Shi Qi directly on the mouth to bite the bottle cap...

The next moment, he saw Si Eucalyptus bite the cap of the bottle.

"Hiss..."

When Qi covered her mouth, she looked up at Si Eucalyptus with teary eyes and whimpered, "It hurts..."

That look was like the aggravated look of a little squirrel that had been clucked by its own pine nuts...

Si Eucalyptus could not hold back, "pfft" a laugh.

Time Qi: "?" Laughed?

The god of learning laughed?

At this moment, Shi Qi felt that in this October, the March peach blossoms were blooming, and the fragrance of flowers filled the air.

She stared blankly, and when Si Eucalyptus saw her staring at him, he realized that he had lost his temper.

He reached out and took the mineral water bottle in Qi's hand, only to see a shallow tooth mark on the cap, he gently twisted it, and the cap opened.

When he shoved the water back into Qi's arms, she still hadn't come back to her senses, and this dumb look was so cute.

Si Eucalyptus did not hold back, raised his hand and gently rubbed the round little head, "Silly."

When seven feel like their hearts on a small boat, in the lake, swing ah swing ~

She hurriedly took a sip, chased up, came up next to Si Eucalyptus, fingertips tugged on Si Eucalyptus' sleeve, "You smile again ~"

"Hmm?" Si Eucalyptus looked down at her in confusion.

"Smile a little more!"

"Don't." Si Eucalyptus took a step away, pulling the distance between the two.

When Qi pouted, how nice it looked when she smiled, why did she always have a blank face?

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to the public.

"What is her relationship with the god of learning?"

"They would not be in..."

"Impossible, early love is explicitly prohibited in the seventh grade, how can people knowingly violate it."

"But both of them are good looking, they look so good together."

Xiao Xue fingertips clenched white, glared at the girl next to him, "Where match, on a vase, the results are not even on the top ten of the grade list."

This kind of girl, how to match the boss eucalyptus.

...

The day of the sports meeting, all parts of the playground were properly arranged by the student council.

The first thing you need to do is change your uniform and go to the classroom, where there are only cheerleaders.

"Hey, what is this, can you paint your face?"

"No, no...it's not for that!"

"God, you guys don't move, I'll do it!"

When Qi looked at Xu Mirai's face, which was as red as a monkey's butt, Lai Meng's blush was contributed to her face.

At this time, outside the classroom, a few girls from class 3 passed by and laughed mockingly, "Xiao Xue look, ugly, how can anyone make themselves look like this."

Xiao Xue put on makeup today, her face was pink and her lips were tender, she slightly hooked the corners of her mouth.

Xu Future's anger came up and he yelled out the window, "What's the third class saying! Will not respect people ah!"

First the other day to provoke their class, and now so scolded people, this is not when they are soft persimmon let people pinch!

Xiao Xue covered her lips and laughed lightly, "I advise you not to go to the playground to shame, or your class will definitely lose the competition."

The girls in the class were furious, and one or two of them wanted to rush out...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 57 - MAKEUP FIASCO

Lai Meng a few people have stopped, Xiao Xue sneered, just this?

When Qi frowned, "If I recorded that just now, I wonder how Xiao Xue students will react?"

Xiao Xue fiercely turned around, I do not know when Qi was already standing behind her.

She was wearing the same cheerleading uniform as herself, the yellow top set off her skin white and tender, the pair of straight long legs is a sight to behold.

Xiao Xue had lost weight for a week for today, but... looking at Shi Qi's slim waist without a trace of fat, she was envious and jealous.

"Did I say wrong! It is indeed very ugly ah, go out can only affect others."

She snorted coldly and walked away with the girl.

Xu Future was so angry that her eyes were red, she hadn't touched these, what's wrong with not being able to wear makeup, is there such an insult!

Lai Meng gently patted a few girls and comforted.

Time Qi looked at the figure of Xiao Xue, made up like this, but also dared to make a big speech in front of himself.

She entered the classroom, swept a dozen girls, with different faces, coldly said, "All wash the makeup."

"Huh?"

The other girls are doing fine, they don't need to wash all of them.

When Qi walked to the crowd, looked down, the brand of cosmetics is not bad, on the face safe.

She pointed to a girl who had not yet put on makeup, hooked a finger, "You come here, the others go wash off."

Lai Meng now understood, when Qi is to help them makeup, but ...

Lai Meng looked at Shi Qi's plain face, Shi Qi didn't seem to be wearing makeup either, would she?

A few girls came around, and in her last life, she had to put on makeup every day when she went out, so she often had to do it herself.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

The girl stared nervously at Shi Qi with wide eyes, Shi Qi sighed slightly, "Close your eyes."

As time passed, several people watched Shi Qi's skilled make-up technique and were stunned.

The girl holding the mirror, astonished open mouth for a long time can not close, "this ... this is me?"

At this time, to wash the face of several girls will also come, see the girl a new look, excitedly ran over, "I also want I also want."

When Qi smiled, "you first to Lai Meng to make a bottom, and then come over to my side, I help you make."

Several girls have come together to Lai Meng, when Qi went over and pulled Xu Future to sit down, "Are you stupid, she scolded you, you scolded back."

"Usually and Zhou Yi quarrel so powerful, how is Xiao Xue said two sentences, even retort will not?"

Xu Mirai bit his lips and looked at Qi Qi with red eyes, "Qi Qi...woo..."

Time Qi sighed, "Well, if you cry, later on the makeup is not good to become ugly, can not blame me ah."

Xu Future heard, hurried to hold his mouth, huffing and puffing, the look of crying and laughing, the two people have given a laugh.

The two of them laughed at the sight of a dozen people who had finished their makeup and tied their long hair into a ponytail.

Lai Meng looked at Shi Qi, "Shi Qi, don't you wear makeup?"

When Qi smiled, pointed to himself, "You think I need to put on?"

The first thing you need to do is to get a good idea of what you're doing.

When Qi picked an orange lipstick from Lai Meng's makeup bag, "Here, I'll just put on a lipstick."

Lai Meng smiled and handed over the bottle in his hand, "Put on a sunscreen, so you don't get tanned."

"Thanks."

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 58: LITTLE SHORT SKIRT

The playground was crowded with people, and the third class cheerleading team, sixteen in total, had just arrived at the playground and attracted the attention of the crowd.

"Wow, it's beautiful, what class is that?"

"It seems to be from class three, that one seems to be Xiao Xue from the posting."

"It doesn't seem to look as good as in the photo...but it's still pretty good."

"Later to ask for a weibo?"

Ye Si Nian frowned, took down the textbook covering his face, impatient, "What's all the noise!"

The boy smiled, "Boss, look, it's that Xiao Xue on the bar, good-looking!"

Ye Si Nian "ch", "None of my business, if you make more noise, you will all be thrown down."

The boys looked at Ye Si Nian and put the textbook over his head to make up for the sleep, and could not help but sigh, the boss is the boss, will not be tempted by the beauty.

At this time, there is another basketball game finished.

From time to time, Wen Congliang looked at the phone, will be late wondering, "class president, what's wrong?"

"Lai Meng and the girls are not down yet."

This their class basketball game and three thousand meters long run will start soon, this cheerleading team has not come.

"Hmm? What's going on?" A few boys have gone over, "When they came down just now, didn't they already change their clothes?"

Wen Congliang: "said Xu Future they do not know how to make up, and then by the third class of girls ridiculed, several angry are crying, this will be corrected."

Zhou Yi frowned, "Crying?"

"Well."

Si Eucalyptus hand holding the book paused, then closed the book and took out the phone.

When Wen Congliang said this, those boys who were secretly glancing at the third class cheerleaders next door all withdrew their gazes.

"Bah, the girls in our class look better without makeup than they do with makeup!"

"That's right, the girls in our class are beautiful one after another, they don't need makeup."

"Brothers, we will beat the third class to the ground to give our class girls a good fight, do not agree!"

"Yes!"

"Beat them a...crap!"

"Look!" A boy pointed over there and the crowd surged.

The crowd looked in the direction he pointed, only to see a dozen girls wearing yellow and white cheerleading uniforms were walking this way, could not see the faces, but could see the youth and vitality overflowing from each one.

When they got closer, the class couldn't say anything, and all that remained in their heads was...

"Crap!"

Zhou Yi stared at Xu Mirai with wide eyes, this... this is Xu Mirai?

It's too good-looking, right?

He unconsciously swallowed his mouth, the exquisite face kept waving in front of him.

Xu Mirai hooked the corner of his mouth and walked over, "How about it, auntie look good?"

She looked half as if she was holding her breath.

Zhou Yi's eyes unconsciously fell on the pair of thin white legs, he squirmed and moved away, "such a short skirt does not suit you."

Xu Mirai cut a sound, "How is not suitable, obviously very suitable, okay, look at my legs, how straight and white and fine..."

She said, then lifted the leg shake, Zhou Yi face red, and hurriedly blocked, hurried to stop, "Yes, yes, aunt you do not shake, this many people!"

Only then did Xu Mirai realize that her behavior was a bit inappropriate, and she hurriedly stood up in a disciplined manner.

She glanced at Zhou Yi, saw him squirming to look away, but his ears were red and red, can not help but also red cheeks.

The two living treasures that are so red that they are comparable to red tomatoes are making up the appearance of the future baby, and she couldn't hold back her laughter.

The company's main business is to provide a wide range of products and services to its customers.

He frowned lightly...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 59: EVEN IF YOU LOOK GOOD, YOU WON'T LIVE TO BE TWENTY-FIVE

When Qi felt a different line of sight, he looked after the line of sight and saw that it was Si Eucalyptus.

The original did not feel anything, suddenly some embarrassment, secretly pulled the skirt, pulled down.

The company's main business is to provide a wide range of products and services to its customers.

The white skin, slim waist...

He slightly uncomfortably looked away and moved his eyes away.

"Okay, everyone get ready!"

Timothy nodded slightly and went over to the basketball court with everyone else.

Si Eucalyptus looked at Hui Chi, "There is a bag in my classroom table, find someone to bring it for me."

Huizhi was puzzled, but let someone go get it for Si Eucalyptus.

In this game, it was senior class (2) versus senior class (3).

Both classes each had cheerleaders, and surprisingly, the uniforms were the same.

The boys from class 2 were determined to beat class 3 to the punch because of the cheerleading team.

When Qi stood in the leading position, he had a clear view of all the conditions on the basketball court.

The basketball court is filled with people in three circles, after all, this ball game, the god of learning Si Eucalyptus and the school grass Xu Qingzhi are present.

The two of them want to see how they compete for a high or low look.

Zhou Yi elbow pushed Si Eucalyptus, "That one over there is Xu Qingzhi, second place."

"But this kid is really handsome, the school grass...look, even Shi Qi is looking at him."

The action of Si Eucalyptus drinking water slightly a meal, side gaze to look at the cheerleading team, the most conspicuous girl, gaze has been falling on that ball uniform written 1 boy.

When Qi inadvertently saw the basketball team of class 3, the boy surrounded by the middle.

The company's main business is to provide a wide range of products and services to its customers.

When Qi suddenly had an impulse to change Xu Qingzhi's life for him.

The company's main business is to provide a wide range of products and services to its customers.

As the music of the radio sounded, the players on the playground only had to go back, the rest of the people squeezed to the front to see the real thing.

"Who is that cheerleading team?"

"You mean that one? I think it's from the first year of high school (2)."

"Well, the one in the lead, isn't that the one on the posting, Toki, feels even better than the photo."

"Yes...much better looking than Xiao Xue of class 3."

"Xiao Xue is not even as good as her with makeup..."

"Shhh..."

The girl signaled her not to go on, only to see Xiao Xue passing by with a water bottle and glaring at the girl.

The ultimate is to talk about people behind the back is also heard by the parties concerned, the girl's eyes dodging, pulling friends to run...

However, she was not wrong.

The cheerleading team warmed up the playground, the sight of the playground were attracted to go, teenage girls, youthful, even teachers did not hold back in looking, have sighed time.

Wen Congliang with a camera in the capture, his task, is the class of each person's style are recorded, which can be the most precious memories of each future students.

On the sidelines, Xia Zhizhi sat quietly at the scoring table, looking at her classmates' lively appearance, a flash of envy in her eyes.

With a whistle sounding, the basketball was abandoned high, and Zhou Yi grabbed the ball first, giving a good start to Class 2.

Bian Yixiu looked at her sideways, "Why aren't you participating?"

He had seen the form of class 2, basically every student, either participated in the competition, or cheerleading, but only Xia Zhi Zhi, did not participate in anything, that's why they were arranged to help in the logistics office.

Xia Zhi Zhi didn't look at Bian Yixiu, her gaze stayed on Shi Qi and the girls, answering the question, "Teacher, they are so pretty."

The side YiXiu smiled, "You are also the same as them."

Xia Zhi Zhi pulled the corner of her lips, did not speak.

Not the same, she and Qi Qi and the girls, how can they be the same...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 60 - THE MOST DAZZLING BOY

Then the whistle sounded and the first half ended with Class 2 leading Class 3 by two points.

The people around have come forward to send water, when seven originally played the game to the god of the idea of sending water, but ...

At the moment, she can only watch those students go up one by one to hand towels and mineral water, and then dance with their own bored action repeated cheerleading gymnastics.

The company's main business is to provide a wide range of products and services to its customers.

The skirt is not particularly short, but because of the magnitude of the action, one can't help but suspect that it will be raised in the next second...

The company's main goal is to provide a good solution to the problem.

The bag was handed over to Si Eucalyptus from the other side, and he asked, "What did you ask someone to get the clothes for..."

It was still the school uniform jacket.

Because of the cleanliness of Si Eucalyptus, every time there is a change of season, school uniforms and other clothes have to be taken to a special cleaning store to be disinfected and exposed to the sun.

The actual fact is that it's not cold even though it's windy today.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you're doing. No girlfriend?

I don't know. This sentence should be given to yourself!

I am handsome and dashing, how could I not have a girlfriend by the age of 25.

The second half of the basketball game, class 3 is obviously more cautious, carefully protect each ball, and finally grabbed back the points, both sides are evenly matched.

People around were shouting, "Go Si Eucalyptus!"

"Go for Xu Qingzhi!"

"Go for senior class (2)!"

"..."

The voices were so intertwined that it was hard to hear who was shouting.

The teenagers on the court were in high spirits, the sharp sound of basketballs hitting the ground, the summer sunlight spilling on the court, and a breeze blowing from time to time.

Even when playing basketball, the atmosphere was tense, and Xu Qingzhi still had a warm smile on his face.

The face of Si Eucalyptus is still the same, let people can not see the emotions, but Zhou Yi convergence of the usual hangman's nature, than usual are more serious.

The two classes are permeated with a war between if not...

Zhou Yi's athletic figure shuttles back and forth, each dribbling posture and shooting action, all attracting a cheer from the people in the field.

When Qi subconsciously looked at the next Xu Future, as expected, Xu Future's eyes were almost glued to Zhou Yi.

Xu Mirai face is slightly hot, little heart fluttering, my God... how she feels Zhou Yi this stupid thing is a little handsome?

No, no, no! It must be an illusion!

She took a few sips of water from the box next to her and blinked at the court, where Zhou Yi was dribbling the ball and leaping, and a two-point shot landed steadily in the box.

The field was cheering!

I still feel so handsome!

At this time, there was a thin sound of chatter from the back.

"Who's that boy?"

"The shirt says Zhou Yi, wow, really the boy playing ball is handsome ah."

"Later, go over and deliver water..."

"I'll deliver the towel!"

"Hey, why are you grabbing it from me!"

Xu Mirai looked back at the two girls who were arguing, bristling, where handsome...

When Qi resisted the urge to laugh, moved away to look at Si Eucalyptus.

In fact, Si Eucalyptus has always been focused on learning, sports or something is also to go to the gym to run, so playing basketball is really not his strong point.

But...

The first thing you need to do is to get a good idea of what you're getting into, and that's not going to affect your looks or IQ.

The boy she likes is the most dazzling one on this.

The time passed a little, 3 class ahead of 2 class two points, has been pulling.

If the game continues like this, it will be over and Class 3 will win.

Zhou Yi dribbled the ball and suddenly passed the ball to Si Eucalyptus, who had been performing mediocrelly, in the last half minute, who jumped up and caught the ball.

Xu Qingzhi quickly went over to intercept it, and the atmosphere on the field reached a high point, with everyone holding their breath...
