

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 61 - YOU'RE OUT OF YOUR LEAGUE, TIMOTHY!

The other people in class 3 also quickly went around to intercept.

Si Eucalyptus dribbled the ball left and right and ran two steps, suddenly, looking at the people in front of him, the corners of his mouth slightly hooked, a quick jump in place, the basketball was thrown up high, leaping over the heads of everyone, in the air through a fine parabola, a three-point ball accurately into the frame.

The whistle sounded and the game was over.

After the time stood still for two seconds, the applause was like thunder.

"Wow! So handsome!"

"Si Eucalyptus!"

Timothy also excitedly waved the colorful ball and jumped up, "Si Eucalyptus is so handsome!"

The next few people froze...

It was the first time I had seen Shi Qi so excited.

When Qi blushed, grabbed the mineral water on the side, drew two tissues and wiped, jogged over to the crowd.

The company's main business is to provide a wide range of products and services to its customers.

The boys around the room were all up in arms, "Wow!"

Because they had played basketball together, their relationship was much better, and several people flirted with Si Eucalyptus.

"Even the class flower of class 3 actually came over to send water, Si Eucalyptus is very lucky hahaha."

Si Eucalyptus swept a glance, "No, thanks."

Xiao Xue froze, and the smile froze on her face after she understood.

He was... rejecting himself.

The atmosphere once fell into an awkward, next to the boys have played laughing relief, "Si eucalyptus this person is like this."

The company has a cleanliness problem and does not take things from others."

So, it was quite a surprise that he could play basketball.

The company's main business is to provide a wide range of products and services to its customers.

When Qi was suddenly in a good mood, he drew two wet wipes and handed them to Si Eucalyptus, "Wipe your hands."

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to take the mineral water and hand it to him, and incidentally say, "The bottle has been wiped."

The company's main goal is to provide a solution to the problem of cleanliness.

He suddenly felt that he was no longer Si Eucalyptus's only "little baby".

The company has other dogs.

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services to the public.

The surrounding people are gradually dispersed, running to others to cheer.

When Qi water bottle again together, at this time, a breeze slightly blowing over, when the hem of Qi's skirt slightly lifted.

The action of Si Eucalyptus just to reach out and take the water stopped, "Wait."

When Qi was puzzled, he saw him walk over to the table where he put things, took a bag, and took something from the bag over.

The actual fact is that you can find a lot of people who have been in the business for a long time.

The actual fact is that the actual person is not a person, but a person who is not a person.

It is also true that the wind is so hit, just after playing ball sweat, blowing wind is indeed easy to feel...

The first thing you need to do is to get a good idea of what you are doing.

The two sleeves were tied in a knot.

The wide school uniform jacket, like a skirt, was slightly above the knee.

The company's main goal is to provide a good solution to the problem.

When Qi froze looking at Si Eucalyptus, and then hanging his head to look at the school uniform, only to see the location of the school logo over there, and the name...

The first year of high school (2) class Si Eucalyptus.

The school god actually gave her the school uniform jacket as a skirt?

The god of cleanliness actually gave his school uniform jacket to himself as a girl as a skirt?

The god of learning also personally tied his own clothes...

You're a great man!

After her emotions stabilized, she tilted her head to look at Si Eucalyptus who had finished drinking water and tightened the cap, and accidentally caught the slightly upturned corner of his mouth, as if he was smiling?

Was he in a good mood?

Yes, he won the basketball game today.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 62 - YE SI NIAN WHO FORGOT HIS WORDS

With the last game of the morning over, some people went to the cafeteria to eat, and some classes ordered boxed lunches that were delivered directly to the school entrance.

The second class paid some fees and ordered boxed meals and milk tea, etc. The boys in the class all followed the past to help carry them.

When Qi lazily sitting at the stairs to cool off, suddenly, someone behind her called out, the voice is a bit familiar.

She looked back and saw that it was a silly guy who was smiling at himself --- Ye Si Nian.

Time Qi once again doubted, after many years, that the high cold heartless words less iron-blooded warrior is really in front of this tart?

The actual fact is that you can find a lot of people who have been in the business for a long time, and you can also find a lot of people who have been in the business for a long time.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

The actual fact is that the actual person is not a person, but a person who is not a person.

"It is this jacket, blocking your temperament, or throw away good."

Time seven looked askance at him, "I think this clothes and my temperament very match."

The company's main goal is to provide the best possible service to its customers.

The company's main business is to provide a wide range of products and services to its customers.

"I like you, be my girlfriend..."

When the corner of the forehead jumped, raised his hand, "Stop!"

"You like me my ass, you are only how old ah, you know what like, you are early love tendency, this is not right!"

For the testy teenager Ye Sian, direct rejection set last time made, completely useless.

Then change one.

Ye Sian froze, then hooked his lips and smiled, "Of course I understand, since you saved me last time, I can't forget you, I can't think about tea and rice, I can't sleep at night..."

He paused as he spoke.

"Sorry, I forgot the words." Ye Si nian a serious face touched the note in his pocket, open to see.

When Dicky was full of black lines, stood up to leave.

Ye Si nian anxious, "Eh, do not go ah, you let me see the words..."

I go! This is so difficult to memorize!

He hurriedly chased over and blocked in front of Shi Qi, the hot day, the sun spilled on Shi Qi, looked warm.

Ye Si Nian suddenly had a bright idea, "Sun! Yes, you are my little sun! Light up my way forward!"

"Bright! Greatness!"

He proudly straightened his back and opened his hands, feeling that he was really literate today.

Time Qi felt that the Ye officer from her last life was her biggest misunderstanding of Ye Sian.

Not far away, Si Eucalyptus took two boxes of lunch and stood indifferently behind Shi Qi.

The first time I saw someone chasing a girl with a cheat sheet, I held back my laughter.

When Qi hugged the school uniform jacket, seriously one word extra clear said, "Since it is the sun, then worship Ye students with me to keep 149.6 million kilometers."

Ye Sian: "..."

Behind the Zhou Yi did not hold back, holding his stomach haha laughing, "Hahaha, no, laughing dead old me!"

Originally this Ye Si Nian is quite odd, did not expect this way of rejecting people when Qi...

He could hardly describe it for a while.

The corners of Si Eucalyptus mouth imperceptibly slightly up.

The first time I saw him, I saw him...

No, right?

He fell on Ye Si Nian and seriously looked up and down at this boy, although he did not look as good as himself, he was still good looking...

There was something else...

The actual fact is that the actual person who is in the marketplace is really a person.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 63: TEENAGER'S TROUBLE

When Qi turned around to look over, three people stood behind her silently at some point.

When you look at Si Eucalyptus' expression, Shi Qi inexplicably has a feeling of weakness?

How come every time Ye Si Nian appeared, Si Eucalyptus would happen to appear?

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to see that Xu Future and the others have come back, and only then did Shi Qi lift his steps and follow them to leave.

Ye Si after a long time before raising his head, "Why do you want to leave you so..."

Where is everyone?

He looked around, there was no one left.

...

A few people found a shady spot in the playground, sat on the artificial lawn, and divided the lunch boxes.

The first thing you need to do is to get a box of chicken fillets.

For such a few small piece of brisket, Shi Qi cherished, a few mouthfuls of rice before he could take a small bite of meat...

Xu Mirai carefully looked at Shi Qi, and finally when she was not prepared, chopsticks reached out, the box of rice to take the few pieces of marinated meat clip away, smoothly into the mouth.

When Qi looked at his box of rice only a few pieces of vegetables left, dumbfounded ...

She looked at Xu Mirai, teary-eyed and full of accusations, "Zhi Zhi, look at her..."

"Oooh...my marinated meat..."

She looked at the two pathetic pieces of cabbage and was heartbroken.

Xia Zhi Zhi looked at her box of rice and there was only one piece of meat left, torn again and again, she picked up that piece of meat...

In the expectant gaze of the time seven, into their mouths.

Mmm...it's delicious!

When Qi aggrieved, hanging his head, picking up two pieces of vegetables.

The meat has already been cleaned out by Huizhi and Zhou Yi, and there are only a few pieces of vegetables in the box.

The two of them were thinking, "Why don't we go to the canteen and get some food?"

At this time, Si Eucalyptus slowly and methodically moved his box of dishes to the front of Shi Qi, "Eat more."

After all, it is still in the development stage... to grow taller.

When a box of marinated meat appeared in Qi's sight, she jerked her head up and looked at Si Eucalyptus, her big eyes were filled with confusion, and the next second they were filled with emotion.

Ugh...

The god of learning is still good.

The god of learning must be secretly in love with her, there is no escape!

When Q Qi sweetly said, "Thank you Si Eucalyptus students."

The two shallow little pear swirls on the cheeks are cute and lovable.

The company's main business is to provide a wide range of products and services to its customers.

The actual fact is that he likes men or women?

The actual fact is that the actual person is a lot more than just a little bit of a person.

Yang Xiaoling's little face peeked out slightly from the lunchbox, peeking at Huizhi, seeing him staring at Si Eucalyptus and the meat that Si Eucalyptus gave to Shi Qi.

Look at it, look at it, jealous!

Her little face is red, how exciting.

Hui Chi faintly felt a line of sight kept staring at him, looked around and bumped into Yang Xiaoling stealing glances at his own appearance.

He did not move his gaze, he remembered that day in the library, from Yang Xiaoling book fell out of that photo.

The first thing you need to do is to get a good look at yourself.

Look, other girls are now secretly in love with you, and secretly watching you...

Sins ah.

So too good-looking is also a kind of trouble, alas.

At this moment, the youthful worries of the teenager loomed over him for a long time.

Yang Xiaoling saw that his mood seemed to have gone down, subconsciously looked at Si Eucalyptus, only to see that he slightly bowed his head in saying something to Shi Qi.

At this moment, when she looked at Shi Qi, it was as if she saw Ellie in the temptation to go home.

The familiar BGM echoed in her mind...

When Qi perceived an unkind line of sight, followed that line of sight and looked over, only to see...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 64 - THE STRANGE PICTURE

Not far away, Xiao Xue pinched the mineral water bottle, her eyes were staring straight at herself...

When Qi suddenly thought, even in her last life, without herself, didn't she still fail to chase after Si Eucalyptus?

At that time, who was treated as a hostile target by Xiao Xue?

"Qi Shi."

"Hmm?" When Qi withdrew her thoughts and looked at Si Eucalyptus who called her, she only saw that Si Eucalyptus took the water on the side, unscrewed the cap and handed it to herself.

Time Qi smiled, took a small sip and then handed it back to him.

Xu Future's eyes widened, full of pink, she regretted most, is to give the camera to Wen Congliang to take pictures.

Otherwise, at this time, she would have been able to capture this heartwarming scene.

Zhou Yi saw that she was not in a high mood and kept staring at Si Eucalyptus and Shi Qi, and thought she was envious of Si Eucalyptus for screwing the bottle cap on Shi Qi.

After thinking about it, he took the initiative to take the mineral water next to him, unscrewed it and handed it to Xu Mirai, feeling a bit suspicious of offering hospitality, he added a sentence.

"Open the wrong bottle."

Xu future froze, Zhou Yi was she stared a little heart a little embarrassed, and quickly stuffed the water into her hand, and got up to carry the bag containing lunch boxes to throw the garbage.

Xu Mirai nudged Yang Xiaoling next to him, "Ling Ling, do you feel that Zhou Yi is strange today?"

Yang Xiaoling looked at Xu Mirai suspiciously and raised an internal question, "Is there a day when he's not weird?"

Xu Future: "..."

Not far away, Wen Congliang, who was playing with his camera and taking pictures everywhere to practice, put down his camera and began to look through his masterpiece.

From the group photo at the beginning to the basketball team at the back, then to the cheerleading team, and finally stopped at this photo of a meal.

"Huh?" Wen Congliang's fingertips released on the screen, only to see that there were mainly seven people on it.

Shi Qi took the water from Si Eucalyptus, who hung his head to look at her, bottle cap still in his hand.

Xu Future stared at Shi Qi and Zhou Yi next to him picked up the water next to Xu Future.

The other side of Yang Xiaoling's eyes fell on Huizhi...

The whole picture is a bit "weird", as if the only really normal, only Xia Zhi Zhi.

Wait a minute...

Wen Congliang zoomed in on Xia Zhi Zhi, only to see Xia Zhi Zhi has been staring in one direction, the gaze is mixed with too many complex emotions, and the photo in that direction only a blurred back.

Wen Congliang put down the camera, looked around, against the location, that line of sight is ...

The location of that line of sight is under the soccer field, only two people sitting there dining and chatting.

It seems that has been there for a long time, one of the figures exactly and the photo of the back.

So Xia Zhi Zhi looked at, it was them.

Wen Congliang fingers slightly stiff, subconsciously want to delete this photo, but thought about it, he still ghostly this photo to keep.

Maybe he was overthinking it.

At the end of the field day in the evening, Class 2 took home a banner, three small awards, and four gold and two silver medals.

The second class cheerleading team also took the highest popularity award in the school.

Xiao Xue looked at Shi Qi, who passed in front of her and went to the stage to receive the banner, gritted her teeth and clenched her fingertips white.

If it weren't for her, this banner would have been the one to go on stage to receive.

Looking at the small award in his hand, the second place... what is the difference between the last place!

The corner of the award was pinched and crumpled, and the girl next to her looked shocked and gently patted Xiao Xue, "Student, what's wrong with you? Is it uncomfortable?"

Xiao Xue snapped back to consciousness and hastily pulled the corners of her mouth, "I'm fine, thanks."

When Qi came down with the banner, a row of people took a group photo around the back of the line to go back to the class line.

Xiao Xue suddenly walked forward two steps, in the time when Qi waist turn back to the class line, she slightly extended the foot...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 65: STOP IT WHEN YOU CAN

When Qi was holding the banner, she was so happy that she wanted to show it to her classmates, and she didn't pay attention to her feet.

She was stumbled by Xiao Xue's outstretched foot and fell down with an unstable weight...

Damn it! The moment she fell to the ground, her body fell unsteadily.

The moment she fell to the ground, she decisively made a strong effort, viciously smashed on Xiao Xue's outstretched foot.

At one time, both of them whimpered in pain.

Xiao Xue pain and hate, viciously glared at Shi Qi, but did not dare too loudly affect others, "Shi Qi you deliberately!"

When Qi cold eyes and low laugh, "Who deliberately have no points in mind?"

"You!"

At this time, people at the back of the line all noticed this side, Si Eucalyptus frowned slightly, lifted a step and walked over to help Shi Qi, asked in a low voice, "What's wrong?"

Shi Qi shook her head, "Nothing, I just fell accidentally."

Si Eucalyptus reached out and took the banner in her hand, remembering that she was injured last time, he asked reassuringly, "Didn't it hurt?"

Xiao Xue's eyes turned red with anger, this bitch is too scheming! Green tea white lotus flower!

"She will hurt what! I got stepped on by her so hard, I'm the one that hurts!"

Time Qi coldly snorted, not wanting to argue with her any more, and walked straight back to the line.

Si Eucalyptus looked at Xiao Xue indifferently, "You said, she stepped on you?"

Xiao Xue faintly froze and nodded her head, "Yes, it hurts, it's probably all swollen..."

She faintly held her leg, her gaze was expectant, "Si Eucalyptus, can you send me to the infirmary?"

Si Eucalyptus eyes darkened and said in a low voice, "If I step on it, Xiao students only really need to go to the infirmary."

Xiao Xue's face stiffened slightly, "What do you mean?"

"This time, including the last posting, stop in moderation."

Si Eucalyptus gaze cold, seeing the people in front of him blushing, he took the banner and walked back to the second class line.

Although the boys in the back can not hear what they are saying, but see Xiao Xue that face, are "pfft" a low laugh.

It is estimated that this third class Xiao Xue, like their second class Si Eucalyptus, but Si Eucalyptus, and the time of the little fairy interesting

And look at the little fairy, the heart only brush problems and study.

Oh my God, a proper love quadrangle ah!

Xiao Xue's face was blue and white, how did he know that the last posting was his own...

The first time I thought of the eyes of Si Eucalyptus, Xiao Xue could not help but shiver...

The emotions at the bottom of her heart were changing.

She liked Si Eucalyptus, but the other party's attitude toward herself...

But...

Xiao Xue's eyes were cloudy, what she couldn't get, neither could Shi Qi.

For Si Eucalyptus Fang similar warning words, Xiao Xue did not take it to heart.

The first thing you need to do is to take a look at the situation...

Zhou Yi thought about it and was indignant, "It is not quite the same, today actually did not give me the meat."

Huai Chi: "..."

Which comes from the two goods.

Xia Zhiyi asked in a low voice, "What just happened? Did Xiao Xue bully you?"

She just seemed to see the three of them arguing in the back, but not quite sure, just want to go over, when Qi has come back.

When the three of them were in the back of the room, they were not sure.

She, Qi Shi, can fight and scold in this life, but not so weak.

Unexpectedly, Xia Zhi Zhi nodded seriously, her eyes sincere beyond compare.

The first thing you need to do is to get a good idea of how much you have misunderstood yourself.

The company's main business is to provide a wide range of products and services to its customers.

Time Qi faintly froze, then lightly smiled, looked up and pinched Xia Zhi Zhi's soft little face, "Good, thanks."

She was warm in her heart, if in a previous life, there was also a person, standing beside himself, saying this to himself, how good it would be.

The next boys' team, Si Eucalyptus quietly watched Shi Qi, see her unharmed, the corner of the tightly pursed lips slightly loosened.

The first thing you need to do is to get a good idea of what you want to do.
