

**SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 66 DEER IN THE HEADLIGHTS**

Evening

The afterglow of the sunset sprinkled on the two people walking side by side on the pathway, the shadows lengthening slightly on the ground.

The school jacket tied around Shi Qi's waist was swinging slightly, and Si Eucalyptus was following her with his school bag without slowing down.

"That...clothes I'll return to you after washing."

"Hmm."

When Qi glanced at the shoelaces were a little loose, he slightly squatted down to tie them.

Si Eucalyptus noticed that people stopped, looked down and also stopped.

At this time, a bicycle passed by at great speed from behind, when Qi was just about to stand up, she was pulled up by a hand and brought inside.

She felt herself crashing into a bosom, a light fragrance, very familiar, like the smell of laundry detergent.

When Qi carefully sniffed, it was indeed the smell of laundry detergent, and... it seemed to be the same smell as the laundry detergent she used to use at home?

The bicycle passed by the two "whistling".

But Timothy was immersed in the thought that the laundry detergent used by the god of learning was the same as her family's laundry detergent.

This is when she suddenly remembered that in her previous life, she and the god of learning often bumped into each other, notebooks, school bags and so on.

This is probably the wonderful destiny between her and the god of learning?

"Shi Qi?" The two of them had more than one thing in common.

When Qi froze and tilted her head, she saw a face close at hand.

It was so close that she only needed to stand on her tiptoes to kiss it...

"Time seven." Looking at the little squirrel that was getting closer and closer to him, Si Eucalyptus pursed his lips and called out again.

What did she want to do?

The actual fact that she just wanted to kiss the gods!

The first thing you need to do is to look at the indifferent expression of Si Eucalyptus and look at yourself suspiciously, shaking your head and throwing out all the thoughts you shouldn't have.

The first thing you need to do is to get your hands on a high school student.

The actual fact is that you have been studying for more than ten years and have lived for more than twenty years, can't you even afford to wait for that?

It's ridiculous...it's so ridiculous.

The actual fact is that you can't be able to get a good deal on your own.

The company's main business is to provide a wide range of products and services to its customers.

"Don't move."

The company's main business is to provide a wide range of products and services to its customers.

When Qi hung her head, the slightly cool touch at the cheek, her little heart could not restrain the thumping.

Her fingers were slightly twisted, highlighting her panic.

When Si Eucalyptus' finger touched the red lips, Qi's face was hot and her head felt like it was going to explode!

What does the god of learning want?

Is it because she is beautiful today and can't resist the attack of her beauty?

The first thing you need to do is to take it.

Just when she was thinking about closing her eyes, the slightly cool touch had already left.

Only to see the red on Si Eucalyptus' thumb and asked in confusion, "What is this?"

When the lipstick was wiped away, Qi: "..."

Looking at the puzzlement on that handsome face, the big question mark on his head, Shi Qi suppressed the emotions tumbling inside...

Hold on!

He's still just a high school student!

Rounding up, he is still just a baby!

The time seven, you should be happy, the god of learning does not know lipstick, how simple and ignorant ... as a white paper ...

I pooh!

"That is the lipstick of my grandmother!"

Time Qi stomped her foot, fiercely glared at Si Eucalyptus, turned her head and left.

Si Eucalyptus looked at her little action and thought, "I always wanted to wipe the lipstick off her lips through the screen before, but now it's complete..."

He put his hand on his lips, the corners of his mouth curled up slightly, in a happy mood, and his footsteps quickened as he followed the angry little squirrel.

"Walk slowly, be careful of falling."

"I want you to care!"

Casual titillation of girls' emotions...no...casual rubbing of girls' lipstick bastards!

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 67 - EARLY LOVE?**

When the monthly exam was approaching, Shi Qi and Si Eucalyptus were called to the office.

If either of them was called away alone, there would be nothing, but if they were called away together, it would inevitably lead to speculation.

Just like this, several girls next to her whispered, "I heard that Shi Qi and Si Eucalyptus are playing friends."

"No way...they're both good students."

"Good students can fall in love early?"

"Can Shi Qi be a good student? Come on, good students will be plastic surgery, and besides, she was at the bottom of the seventh grade...before the monthly exams, maybe people cheated."

"Where did you all hear that?" Someone curious, came over and asked.

The girl secretly took out her cell phone from her school bag and just wanted to show them, a hand appeared out of nowhere and snatched the phone away.

"What are you doing?" The girl was furious.

Xu Mirai glanced at her with cold eyes and shouted at Wen Congliang, "Class president, Pang Jing brought her phone to school privately."

Wen Congliang raised a step toward this, remembering Pang Jing a warning.

Pang Jing snatched back the phone and glared angrily at Xu Mirai, "Xu Mirai you're sick!"

This class, not all also two-thirds of the people have brought a cell phone, Xu Future himself must have brought.

Xu Mirai cold heave, "Pang Jing, better shut your mouth, don't let me hear you say half a bad word about time seven again."

The surrounding people have gathered around, Pang Jing can not stand, red face argued, "I did not say wrong, she is plastic surgery!"

Xu future that temper tantrum to rush over to hit people, Zhou Yi quickly stopped her, "are classmates, quarrel also forget, don't do it."

This in case the action to the teacher that, or Xu Mirai first action, afraid to write a review.

Xu Mirai glared at Zhou Yi, "Zhou Yi, Shi Qi is also your friend, she said so Shi Qi, you can listen to it!"

This Zhou Yi, elbows will turn to the outside!

At this moment, Yang Xiaoling and Xia Zhi Zhi came back from the kiosk, glanced at Xu Mirai and Pang Jing quarrel, without saying a word, rushed forward to help.

And at this time...

In the office, Shi Qi stood apprehensively, in fact, she was also a bit worried.

The actual fact is, she is also a little bit worried.

The steel is not made in a day and a month, at least give some time, right?

Compared to Qi, Si Eucalyptus is much more calm and collected.

When Shi Qi looked like this, in Si Eucalyptus's eyes, he looked like a vain person when he was caught in early love in the office...

The office is empty, he lightly coughed twice, whispered, "You do not panic, look like you are weak."

The time seven puzzled, what, I am weak?

"I am weak what?"

"You're like this, especially like being caught in early love." Si Eucalyptus thought of something, then said something.

Time Qi's small face was confused, "Early love?"

"Well."

When Qi tilted a small head, full of doubts looking at the expression of light Si Eucalyptus, "With whom? You?"

Si Eucalyptus was choked for a moment, half a day to figure out how to answer, and then did not speak.

The first thing you need to do is to get a good idea of what you're doing.

This is when the class teacher Liang Xin walked in with a teacher, Shi Qi immediately stood properly, like a good boy who actively admits his mistakes.

The first thing you need to do is to take a look at the website.

Si Eucalyptus nodded slightly, "Good morning, Mr. Yu."

Shi Qi then hurriedly bowed, "Good day teacher Yu."

Yu Qing looked at this scene and suddenly thought of the scene on the stage that day, and also remembered his high school years... He laughed, "Don't be nervous, make it seem like I'm the head teacher and am catching early love."

Si Eucalyptus tightly pursed his lips, as if he was holding back something.

When Qi: "... " still with the two words early love over?

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 68 - HOLDING...HOLDING HANDS?**

Liang Xin froze, early love?

She seriously looked at Si Eucalyptus, and then looked at Shi Qi...

Indeed, both good-looking, if she were younger, she would definitely be in love with spring.

However, these two...

One grade first, only study in his head, a daily brush, also only study in his head.

Both are not enlightened, there will be no early love problem.

Looking at the expressionless appearance of the two students, Yu Qing realized that the joke was not funny, he coughed lightly twice and went straight to the point.

"Actually it's like this, last time the math exchange, I found you two are good, now should you consider participating in the math competition, can also give yourself an extra path."

Time Qi froze, math competition?

I don't know what came to my mind, but I looked at her with my eyes slightly downcast.

When Qi thought about it seriously, in her last life, she studied liberal arts after transferring to another school and took the film school, if she remained like that, then the math competition would not be of much help to her.

But in this life, she wanted to go to the same university as Si Eucalyptus...

When Qi looked at Si Eucalyptus, she wanted to see what his thoughts were.

For a moment, the four eyes met.

Yu Qing obviously also found his sudden proposal a bit abrupt, "Or you go back and discuss with your family, next month is the competition class registration, you think about it and then talk to your class teacher?"

Two people nodded, which left the office one after the other.

Yu Qing smiled, "These two children, but it reminds me of high school, you and Yan Cheng."

Liang Xin frowned slightly, "Nothing to mention him for what."

"Things are so long ago, and you two now this are an office, how still vomit?"

At this time, class 3 teacher Yan Cheng walked in, glanced at Yu Qing, froze, and saw Liang Xin who was talking to Yu Qing.

He frowned slightly, and as if he saw nothing, sat back on his desk to organize the information.

Yu Qing looked at the "two", helplessly shook his head and sighed and left the office, leaving two people, a room quiet.

...

On the way back to the classroom, Shi Qi suddenly asked Si Eucalyptus, "Si Eucalyptus, have you thought about what university you want to go to?"

Si Eucalyptus footsteps slightly, "No, have you ever thought about it?"

Shi Qi shook her head, "Not yet, but if you have a goal, can you tell me?"

She looked at Si Eucalyptus' gaze, that emotion is extraordinarily firm.

Si Eucalyptus seemed to understand something, the corners of his lips curved, "Good."

When Qi froze, he smiled again...

She hung her head behind Si Eucalyptus, her face slightly warm.

The first time I saw her, I remembered a long, long time ago, and it seemed like yesterday...

He slightly slowed down his pace and walked side by side with her, their footsteps were neat and tidy...

He was in a happy mood.

Before reaching the classroom, the two heard the sound of arguing from the classroom, two groups of people led by Pang Jing and Xu Future were arguing, there was also persuasion in the middle, vaguely heard the name of Shi Qi.

Pang Jing was furious, flinging her textbook, "I'm not wrong! Her grades are so bad, what else is she good for but that face, good looks don't make a living!"

She just can't stand Shi Qi, how come she has such bad grades, but she goes with Si Eucalyptus every day, and so many people protect her!

The first thing you need to do is to get a good idea of what you're doing.

The first thing you need to do is to get a good idea of what you are getting into.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to take your hand.

**SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 69: SHI EUCALYPTUS PROTECTS HIS SHORTCOMINGS**

At this time, some people saw Shi Qi, who had walked into the classroom at some point, and silenced.

The first thing you need to do is to get a good idea of what you want to do.

But the time seven stand in place, hanging his head looking at his own hand, the surface looks no different, but in fact the heart ...

Holding hands... ah! Holding hands!!!

At this time, there is a little person in her heart dancing and celebrating, spinning and jumping around and spreading flowers and flowers ~

For a while, she ignored even the classroom students were talking about themselves.

Pang Jing and those few girls looked at the step closer Si Eucalyptus, obviously the same age, but the cold aura on Si Eucalyptus still made Pang Jing a few people shiver coldly.

The future of Xu is noisy and red, Zhou Yi sighed and gave her a hand to fan the wind, while screwing a bottle of mineral water to hand her to drink.

Pang Jing stammered and spoke up, "Si...Si students, we did not say you..."

Although at the beginning there was a reference to Si Eucalyptus, but the back also did not ...

But against the gaze of Si Eucalyptus, I still felt weak in my heart.

Si Eucalyptus swept a few people, under the gaze of all, indifferently spoke, "Your faces, indeed, can not be a meal."

All of a sudden, an eerie atmosphere filled the air.

The people looked at Si Eucalyptus, including Shi Qi, and their jaws dropped in shock.

This...this is what the god of learning said?

When Qi raised her hand and rubbed her eyes, her eyes widened and she looked.

The first thing she realized was that the gods were speaking for themselves...

But, this is too weird!

Now, the god of learning still protects himself and says such unbelievable words.

This...this direction is seriously contrary to the plot of the previous life ah!

In her previous life, she was able to speak to the god of learning three times a week...

The first thing you need to do is to calm down and go through the plot.

The first thing you need to do is to get your head out of the clutter and get your thoughts straight.

The first thing you need to do is to get a good idea of what you are getting into.

The company's main goal is to provide the best possible service to its customers.

Pang Jing's face was blue, she had known Si Eucalyptus since middle school, how could Si Eucalyptus say such rude words.

He must have been brought down by Shi Qi, his own poor grades and bad character also brought down the god of learning...

How can there be such a shameless person!

In the evening after school, when Shi Qi finished a paper, Si Eucalyptus and a few others also finished their duty.

On the way back, Shi Qi was wrinkling her brow, like a little old woman, bitter and hateful.

The company's main goal is to provide the best possible service to its customers.

When Qi footsteps a beat, sideways look at him, high nose, slightly pursed thin lips, expression light, but gave himself a feeling that his attitude is serious.

When Si Eucalyptus saw her looking at himself like this, he thought he had said the wrong thing, and was just thinking about which of his words was wrong when the little squirrel looked at himself with wide, innocent watery eyes...

"Why are you so nice to me?"

Toki's expression is serious, it was not like this at all in his last life, is it because of his own change that caused the god of learning to change?

Or is it that he has begun to like himself?

With this doubt, Shi Qi's gaze was somewhat expectant.

But when she suddenly asked this, Si Eucalyptus was caught off guard, and after a slight daze, he said, "...we are neighbors, or friends."

The answer to this question was obviously a loss, what the hell!

"Then there's no need to be so nice to me, tutoring and picking up and helping me out..."

She muttered and quickened her pace.

The company's main business is to provide a wide range of products and services to the market.

"Get ready..."

The voice floated into Shi Qi's ears, somewhat inauthentically, "Ah, what did you say?"

Si Eucalyptus' tone was bland, "Didn't say anything."

"Oh..."

Looking at Shi Qi's small figure, the corners of his lips rose slightly, little squirrel, those are nothing, be prepared...

I will treat you better in the future.

## **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 70: THE GOD OF LEARNING HAS BEEN SWAPPED?**

When the monthly exam came again, Shi Qi was very excited. This time, she was in the same exam room as the god of learning, which meant she was one step closer to standing next to the god of learning.

Early in the morning, she brought her pen and paper and followed behind Si Eucalyptus, her heart was full of joy.

When Si Eucalyptus sensed her behind him, he suddenly stopped in his tracks, and when Qi hung his little head, he directly bumped into him.

"Ooo ....."

Si eucalyptus can not restrain the corners of the mouth rose, and pursed the corners of the mouth, collected the smile, turned around, looking at the small squirrel small paws covering the small head of the look, aggrieved cute.

"Crash hurts?"

Time Qi hand a slight meal, immediately nuzzled, tilted the small face, pitifully looking at Si Eucalyptus, the pair of eyes, full of aggression.

"It hurts."

Si Eucalyptus suddenly felt a little weak, hesitated for a moment, reached out and rubbed her little head, "Next time don't walk with your head down."

"Wow..."

The back of the walk over will be late also stopped in his tracks, silently looking at the scene in front of him.

The one who reached out to the girl's head is definitely not Si Eucalyptus, he must have been swapped!

Yang Xiaoling and Xu Mirai, who were following behind, also stopped in their tracks.

Xu the future at this moment ruthlessly two thousand miles per hour to fly home to get the phone and camera ..... Too bad!

Yang Xiaoling looked at the despondent back, the heart like a knife, since ancient times, as long as there is a third party to interfere, the relationship will not go on, the original can only aggrieved despondent look at their love .....

In her head, once again resounded the temptation to go home BGM.

Why is the third party who interfered with the relationship between Si Eucalyptus and Hui Chi students is her good friend, she simply can not face her little sister straight.

In her head, Toki's face was also automatically AI changed face into Ellie's face.

The poor would be late students .....

Si Eucalyptus noticed a few lines of sight, followed the direction to look, met with a few eyes of unknown emotion, he silently withdrew his hand.

When Dickie glanced at Xu Future and the girls were looking at themselves, their little faces heated up and they hurriedly entered the classroom.

The company's main business is to provide a wide range of products and services to its customers.

Si Eucalyptus: "....." Where is the douchebag.

He took his pen bag and walked straight into the classroom and sat down.

Hui Chi felt that he had been ignored by Si Eucalyptus, and was "sour and aggrieved" in his heart.

Yang Xiaoling looked heartbroken, she and Xu future walked over, thought about it, she still raised her hand and patted Huizhi's shoulder, said in a comforting tone, "We are still small." The sky is the limit, there is no need to love a single flower.

The company's main business is to provide a wide range of products and services to its customers.

Although I know that he is indeed handsome, she also like himself to the point of private photos of himself in the book, but now actually can not control the feelings to directly on the hand?

The first time, he did not know how to face this class crush on his own little girl.

The company's main goal is to provide the best possible service to its customers.

The first thing you need to do is to get a good idea of how good you are.

The first thing you need to do is to get a good idea of what you want.

The seats in the examination room were arranged according to the ranking of the last grade list, Shi Qi sat in the back rows and Si Eucalyptus sat in the first position of the front row.

When he looked at Si Eucalyptus, Qi secretly swore that one day he would sit behind the god of learning and take the test together.

At this time, Xu Qingzhi, who had just sat down in his seat behind Si Eucalyptus, felt a slightly hot line of sight, and he turned around to check it out, and was facing a girl in the back row.

This girl he knows, before in the math exchange for the school glory, the last field day, her photo again in the school group chat and posting spread crazy.

It seems to be called time seven?
