

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 76 - DIARY

When Dicky was asked such a question, his thoughts drifted to the distance...

She remembered a lot, she remembered the boy with few words and a cold nature.

She remembered that her high school diary was filled with the same name.

The company's main business is to provide a wide range of products and services.

The time seven smiled and looked at the camera.

At this moment, Si Eucalyptus felt as if she was looking through the lens, and outside the screen itself on.

The girl in the screen smiled sweetly, "No, it will definitely be."

The corners of Si Eucalyptus' pursed mouth rose slightly, and at that moment, the peach blossoms of March bloomed.

He put away his phone, and an idea sprang up in his heart to go find her!

Si Eucalyptus hurriedly put his things in order and carried his bag out of the lab.

At this moment, he couldn't wait to see that little squirrel...

But the moment he stepped out of the lab door, an intense light dazzled his vision.

Si Eucalyptus was so bright that he squinted his eyes, and when he felt the light dissipate, he opened his eyes again.

Everything in front of him was pitch black, and he fumbled to open the lamp beside his bed.

At this moment, it was 3:00 am.

Did he just go back? Or was he dreaming?

Si Eucalyptus' heart went up and down, and his emotions were apprehensive.

He took his cell phone, opened WeChat, and saw a cartoon squirrel's avatar at the top of the chat list, and the nervous suspended heart finally sank.

He pulled out a drawer and took out a notebook, flipping it open to see a dense record of times, places and events.

On December 11, 2020, Shi Qi participated in an English recitation contest, lost his manuscript and lost the contest.

On December 31, 2020, Qi and his classmates crossed New Year's Eve and got lost on the way home.

March 2, 2021, Shi Qi changed his arts and science placement form and entered a science class.

...

September 14, 2021 - Lian Qing transfers to another school and approaches Shi Qi.

December 7, 2021 - Timothy's diary was stolen.

December 14, 2021, Toki was bullied.

December 18, 2021, Shi Qi had a fever and was suspended from school...

On this book, the word Lian Qing was circled.

Si Eucalyptus lips tightly pursed, holding the hand of the pen hesitantly down.

The butterfly effect occurred because of his own rebirth, so it led to a change in this life's Shi Qi?

That day at the airport, his mind suddenly appeared a lot of strange memories, these memories clearly tell themselves.

That was the future...it was never a dream.

However, those memories of Toki, until after the transfer began to study in earnest, the university debut to change the image...

Two years in high school have not said more than a few words with themselves.

But now the little squirrel, and what is going on.

For these changes, Si Eucalyptus didn't know whether it was good or bad.

In his last life, because he participated in a physics competition, he was not at school, and did not know that Si Q was in trouble because of the diary.

When he returned to school, he didn't have time to do anything before he found out that Shi Qi had a fever and sent her to the hospital.

After that, she changed schools and never appeared again.

And all this happened because of that transfer student, Lian Qing.

The diary that was stolen from her was filled with things about herself.

The day the wrecked Toki reappeared in front of his eyes...

The first thing you need to do is to take a look at the picture.

He looked at the photo on his phone screen. In the photo, Shi Qi was wearing a cheerleading uniform and Si Eucalyptus was carrying his school jacket to tie it on her.

The picture was so beautiful that he felt like he was in a dream.

Who is the person who stole the diary...

The first time I saw you...

This time, I will be by your side every step of the way.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 77: TEACHER BIAN...

When the results of the monthly exams came down, Shi Qi did not crowd to the grade list to see as before, in the classroom while nibbling on bread and listening to English.

The first thing you need to do is to get a good idea of what you are looking for.

And, according to the route of the last life, the next week the English teacher will find himself, let himself participate in the English recitation contest.

To practice first.

Zhou Yi got the report card from the office and was about to put it on the blackboard when he caught a glimpse of Shi Qi sitting in the classroom reading a book.

He moved up with bad intentions and was just about to tear open the tape and stick it on when a white, bony hand stopped him.

He turned his head to see that it was Si Eucalyptus.

Si Eucalyptus pulled down the score sheet, instantly lowering it by 15 centimeters.

Zhou Yi cautiously glanced at Shi Qi, saw Shi Qi wearing headphones listening to the Walkman, he whispered: "What are you doing so far down, it is not invisible."

The company's main goal is to provide the best possible service to its customers.

Finally turned back, glanced at him, a glance, "just can not see."

Zhou Yi: "... " then you look ah! What to go away, look at the report card ah you.

At this time, Xu Mirai and Xia Zhi Zhi they have eaten back, glanced at the blackboard that report card, quickly greeted Shi Qi, "Qi Qi, can read the results."

When Qi heard the movement, she took off her headphones and walked over.

This time, she looked flat, it is enough to see.

Xu Future tsked twice, "Zhou Yi, you posted the report card this time, quite humane ha."

Zhou Yi skimmed his mouth and waved his hand, "I'm not the one who posted it."

Not posted by Zhou Yi? Then who is it?

A few people have looked at the only other person left in the classroom, the god of learning.

The only thing is that the god of learning is wearing headphones, lying on the table napping.

The people in the class know that time seven is short, every time look at the grade report card have to stand on tiptoe to aim, and Zhou Yi every time bad intention to paste the list to the high.

The company's main goal is to provide the best possible service to its customers.

The last time I gave Shi Qi a school uniform jacket, and later protected Shi Qi openly dislike people.

Now even the report card is personally posted?

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

Xu Future rolled his eyes and pretended to pretend.

Yang Xiaoling looked at the report card, his own ranking behind is still in the tenth, at ease.

Her goal is, high school three years firmly can not fall out of the top ten.

The first time I saw a woman, I was in the middle of a class.

When Qi looked at his own results, self-evaluated a sentence, "It's still stable."

This time full marks in mathematics, and rose a few places, grade 32, and another step away from the god of learning.

Xu Mirai glanced at the results of the time Qi, spat, "indeed quite stable, it is estimated that the side teacher is now going to vomit blood."

"The side teacher deliberately gave you a small stove ah, you look at your physics this 17 points, can afford his old man?"

The first thing you need to do is to get a good idea of what you're doing.

The first thing you need to do is to take a look at the website.

Looking at the serious and serious expression on Xia Zhi Zhi's dumb and cute little face, Xu Future a few people puffed a smile.

Zhi Zhi was really in awe of Teacher Bian.

"Yes, yes, Mr. Bian is in his prime, not an old man."

Time Qi gaze complex, this is considered, protect the calf...protect the husband?

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 78: BAD MEMORY...?

In the afternoon, it was physics class.

When the time qi hang a small head, heart weak, not dare to see people, only hope to hurry out of class.

The side Yi Xiu from time to time to look in the direction of Shi Qi, see her completely afraid to look up at the blackboard, can not help but wonder whether he looks like a flood beast.

"Time Qi."

When Qi's heart whimpered twice, I was wrong, I should not for my own selfish desire...

Everyone's eyes in the class gathered on Shi Qi, and they thought to themselves, Shi Qi scored seventeen points in physics again this time.

Si Eucalyptus frowned slightly, but for a moment.

The first time he had doubts about his own "intelligence".

The same thought, there is a side Yi Xiu.

The first time he felt the helplessness of his best friend Song Qihua, he was crying and laughing.

"Listen carefully to the lesson." After thinking about it, he was afraid of hitting Shi Qi's motivation to study, and comforted, "It's always a point better than the last monthly exam."

"Ha ha ha ~" the classroom students can no longer hold back, coaxing laughter.

The next day, the god of learning was studying without any distractions and did not mean to laugh at himself, so he was relieved.

...

When school was over, Shi Qi was packing his school bag and saw Si Eucalyptus walking over with his school bag, happily carrying it.

The company's main business is to provide a wide range of products and services to its customers.

Time Qi was confused: "?"

What...what.

The face of the god of learning is not really good ah ...

Xu future a few people were going to go, this look, and fell back, took out the hand quickly recorded this scene.

Hey, the god of learning to Q Q Q's head touch kill yo ~

Yang Xiaoling subconsciously looked over there will be late, only to see him carrying a school bag standing alone on one side, she felt that the figure is so forlorn, that distant look at Si Eucalyptus classmate's eyes so sorrowful ...

When Qi subconsciously held his breath, big eyes tearfully looked at Si Eucalyptus.

But Si Eucalyptus reached out and spread his hands in front of her.

When Qi froze, what ... what, what do you want, money? The actual "all those years" drank the milk?

"Give me the physics test paper."

"The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to take a look at the book bag and hand it to Si Eucalyptus with a crumpled ball from the bottom of the bag.

The first thing you need to do is to get a good idea of what you are getting into.

The company's main business is to provide a wide range of products and services.

The first thing you need to do is to rub it out and scrape your hands on the table.

A bright red 17 appeared in front of everyone's eyes.

The company's main goal is to provide a solution to the problem.

At that time, the little squirrel also did it right.

When the seven heart a thud, ah ah ah, to reveal...

"I...my memory is not good!"

The first thing you need to do is to get a good idea of what you're doing.

How did he remember that when Dicky had a persona after his debut, he could not forget his lines and was known as a small machine for memorizing words?

This time, it is a bad memory.

The company's main business is to provide a wide range of products and services to its customers.

She nodded vigorously, "Mmmmmmmmm, bad memory."

Xu future without eyes, she are for the small table heart vain embarrassed.

At that time in the barbecue restaurant, claiming to brush the problem unforgettable people, also do not know who is...

The corner of Si Eucalyptus lips slightly raised, when the soul of the seven ah, with that smile, floating ah floating ah ~

Drifted across the lake ~ drifted across the ocean ~

The lavender of Provence

It smells so beautiful...

"It's okay, brush it a few more times." Si Eucalyptus' cool and calm voice interrupted her thoughts.

"The thing about memory is that it has nothing to do with brushing up a few more times," Shi Qi looked up at Si Eucalyptus with a small face, looking at him expectantly.

"So you can teach me by hand?"

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 79: NO ONE IS AT MY HOUSE

When Qi said this, it froze several people present.

So, it was actually Shi Qi who had a crush on Si Eucalyptus, right?

Xia Zhi Zhi thought to herself.

The actual fact is that you can't be sure that you're going to be able to get a good deal on your own.

A few people listened to Si Eucalyptus' words, and vaguely felt that something wasn't quite right, right?

They would hesitate to ask, "Si Eucalyptus, when did you start using the study room, didn't you not use it before?"

Si Eucalyptus casually and perfunctorily said, "A while ago."

Then he carried his book bag and walked out of the classroom.

Yang Xiaoling is a painful, teary-eyed, look, how typical of the shaky voice slag quotes example.

You were not like this before...you don't love me anymore...

The first thing you need to do is to get a good idea of what you're doing.

When seven hastily lifted the school bag to follow up, "No, study room how to say it is not convenient."

The company's main business is to provide a wide range of products and services to its customers.

"Hand to hand teaching is of course to hand ah." The time seven rightly replied.

The new 24-hour life experience center has recently opened in the district, so you can go there for tutoring.

The company's main goal is to provide a better solution to the problem.

"The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

The kind of TV novel, after the date, the hero said to the heroine, my home no one...

The company's main business is to provide a wide range of products and services to its customers.

Shi Qi heatedly smiled and tugged on Si Eucalyptus' shirt sleeve, "So are you coming to my house tonight? I only have my mom at home."

Si Eucalyptus: "..."

The few people walking around the corner of the corridor with their companions stopped in their tracks.

The two of them have actually developed to the point of meeting their parents?

Zhou Yi and will be late is also hard to hide the shock, "Crap... you two..."

The two of them have been brainstorming about something, but he didn't mean to explain anything.

The first thing you need to do is to get a good idea of what you're doing.

"The actual fact is that you will be able to get a lot more than just a few of these. The company's main business is to provide a wide range of products and services to its customers.

In my last life, Si Eucalyptus also went to their home for dinner, when it was New Year's Eve, when my mother saw Si Eucalyptus alone for New Year's Eve, looking at his face, she felt sorry for him, so she brought him home and ate a "reunion dinner".

I hope my mom is not too enthusiastic this time, so as not to scare the god of learning.

The company's main business is to provide a wide range of products and services to the market.

In my memory, when I was in my sophomore year of high school, he had been to the home of Shi Qi once, and the way Shi's mother looked at him at that time...

Si Eucalyptus still can not forget.

Zhou Yi several people like a thunderstorm, his elbow pushed will be late, "just now, you heard what?"

He suspected that his ears were out of order.

It's hard to describe how he felt at this moment, "Si Eucalyptus is going to Shi Qi's house for dinner tonight."

After knowing Si Eucalyptus for more than ten years, that guy, Si Eucalyptus, had never come to his house to eat a meal so far.

Now he's going to go to Shi Qi's house, whom he's known for less than half a year, for dinner?

Ah shucks! The dog man.

Yang Xiaoling did not miss every single expression on Huai Chi's face, and she sighed slightly.

I only heard the new people laughing, but not heard the old people crying ah ...

The word "love" is the most hurtful since ancient times.

The first thing you need to do is to look at the new person's face.

He did something unintentionally to hurt Yang Xiaoling, why is she looking at himself with teary eyes?

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 80: A BOWL OF AFFECTIONATE...RICE?

At six o'clock in the evening, Shi Qi sat on the sofa and turned on the TV, but his eyes looked towards the door from time to time.

Timemom came out with soup in her hand. "Qiqi, didn't you say your classmates were coming, why haven't they come yet?"

This is the first time I've ever seen a person who is not yet here, so my mother is hungry.

When the doorbell rang, her eyes lit up, "I'm here now."

She did not even wear slippers, bare feet ran over to open the door, when the mother could not help but shake her head, not just a classmate, the child so excited, slippers are not even worn.

When Qi opened the door, Si Eucalyptus was standing at the door with a bag of fruit, he had changed his clothes, but it was also a home type, simple.

The first thing you need to do is to get a new bag of fruit.

However, also changed clothes, so formal well ...

It seems to be meeting the parents, eh ah, so shy ~

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you're doing.

When mom spoke, "Qi Qi quickly let your classmates come in to eat, what are you doing standing at the door?"

Qi Qi hurriedly took the fruit from Si Eucalyptus' hand and brought the person in.

Si Eucalyptus nodded slightly, "Hello auntie, I'm Si Eucalyptus."

Mom froze, it was a boy doll?

She thought that the classmate her daughter invited to dinner and study was a woman...

However, this boy is really good-looking!

The mother's eyes were shining, if he entered the show business, he would definitely be able to catch fire.

The company's main business is to provide a wide range of products and services.

The first thing you need to do is to put on your slippers and nimbly go over and pull up a chair, "Si Eucalyptus, you sit here."

Only then did Mom move her gaze away from Si Eucalyptus' face and said with a smile, "Good boy, when you come here, it's just like your own home, no need to be restrained."

Si Eucalyptus: "...Okay, thank you, auntie."

These words are exactly the same as in the previous life.

Time Qi hurriedly sat down in the seat next to her, hands propped up on her chin, and looked at Si Eucalyptus blearily.

The god of learning is so dressed, appearing in her home, so look, there is really a family feeling well.

When the mother enthusiastically pulled Si Eucalyptus, settled him in the chair, turned his head to the time seven, "still not go to your classmate to serve rice?"

The first thing you need to do is to get a good idea of what you're doing.

It's really an outer appearance association, cold and ruthless old mother.

However, to serve rice to the god of learning, it is the time to show their own tender and considerate.

The first thing you need to do is to get your hands on a bowl and run to the kitchen to scoop up the rice.

Timemom propped her hands on her chin and said with a smile, "Your name is, Si Eucalyptus?"

"Yes." Si Eucalyptus smiled faintly and nodded, compared to last time, this time he had adapted much more comfortably.

Mom couldn't hide the admiration in her eyes, "You're really good-looking, are you interested in acting? Or singing and dancing?"

If he could come to his own company, he could become an ace in his own company.

Si Eucalyptus froze and refused with a smile, "Auntie, I'm not good at it."

When Qi was carrying the rice, she heard the words and muttered, "Mom, Si Eucalyptus is number one in his grade at our school, his studies are important."

Sure enough, no matter in her last life or in this life, Shi Qiu's mother had an intention to abduct Si Eucalyptus into the entertainment industry.

Mom was even more surprised, a school bully! There can still be a school bully persona ah, good good!

When Qi was helpless, she put the rice in front of Si Eucalyptus, her eyes hot and expectant.

This is full of all the love she has for the god of learning ah, the love is deep.

When the mother also looked at Si Eucalyptus with an expectant face, "Quickly try auntie's handiwork."

Si Eucalyptus looked at the bowl of rice in front of him that was too full for people to put down their chopsticks, and the corner of his forehead jumped.

This little squirrel...

But when he raised his head and met the little squirrel's expectant gaze, he silently picked up his chopsticks, "...thank you."
