

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 91: A BEAUTIFUL MISS

The actual fact is that you can find a lot of people who have been in the business for a long time.

The first thing you need to do is to get your hands off the phone.

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

The first thing you need to do is to get a good idea of what you are getting into.

The afternoon is two physics classes, and a physical education class.

This is the first physical education class since the beginning of the school year, the students are looking forward to it, and Timothy is no exception.

Therefore, Bian Yixiu felt that the two classes, the students underneath were extraordinarily exuberant.

He smiled, "It seems that everyone is eager to go to physical education class."

The students saw that they were seen through, they straightened their backs and looked at the blackboard without squinting, "No, teacher, we just love physics class!"

The side of a repair slightly raised eyebrows, "then I go to discuss with your physical education teacher, borrow a physical education class?"

The students at the bottom of the room were anxious, and Bian Yixiu stopped teasing them.

When the bell rang, Wen Congliang distributed the stack of forms on the table.

In the physical education class of the seventh middle school, the students were free to choose the project, and then different teachers were assigned to the class.

Therefore, classes of the same time period are all together in PE class.

When Shi Qi got the form, she hesitated for a moment. She wanted to choose badminton, just like in her previous life, so that her physical education score was secure and safe.

But she wanted to take physical education with Si Eucalyptus... Finally, Qi gritted her teeth and ticked the "basketball" column on the form.

If you can't play, just practice more and get a passing grade!

Xu Mirai saw her choose basketball, did not hesitate to follow the basketball.

Xia Zhi Zhi hesitated for a while and finally checked the box for table tennis.

Yang Xiaoling chose badminton, which she was good at.

However, when everyone gathered in the playground and stood in line for each item, Shi Qi was confused.

Si Eucalyptus also froze.

The reason was that Qi was in the basketball team, while Si Eucalyptus was in the badminton team.

A hundred thousand question marks floated over Shi Qi's head, what the hell? Why would the god of learning choose badminton?

In the end, what went wrong?

The expression is bitter, and finally can only follow the line, led away by the tall basketball teacher.

The company's main business is to provide a wide range of products and services to the market.

Si Eucalyptus was silent, feeling that he had added to the problem.

The same section of physical education class, there are senior three and four classes.

The teacher arranged according to height, Shi Qi ranked first in the girls' team...

The view in front is unobstructed, can also see the badminton team, she felt the sweetness of height for the first time.

The boys team in the first place, is Xu Qingzhi, he is not short, 178 height is also just right.

The physical education teacher looked a little serious, but in reality, he was growling in his heart.

These girls why not go to choose volleyball ah, jump rope and so on.

I don't know.

He had hoped that the physical education class, can sneak a break.

"This semester, a total of eighteen physical education classes, the usual attendance and performance accounted for 20 percent of the grade, the midterm exam accounted for 30 percent, the final exam accounted for 50 percent."

"Teacher, may I ask what the exam is?" A girl raised her hand and asked.

The physical education teacher looked at the form in his hand and thought, "The ratio of men to women is not bad, so why not..."

"Well, I'll tell you directly, you also have a goal to work hard, this midterm exam, is the two-point shooting 10, a 10 points, 60 points is considered to pass."

"Final exam...10 layups, also the same."

The boys' team jumped for joy, this is too easy!

This shooting a few balls, a few lay-ups, a matter of minutes, now the test is no problem ah.

At this point, the physical education teacher's eyes flashed a wry look, "Of course, that's the girls' test, the boys well..."

"Each boy is responsible for teaching a girl, the girl to pass the test, you also count, the girl to fail the test, then make up the test together."

This word, the two teams, are quiet and silent...

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 92: XU XU QING FENG, XI XI STOP

When Qi wanted to cry, she just knew this teacher would be so screwed up, that's why she wanted to take lessons with the god of learning ah!

The actual fact is that you will be able to get a lot more than just a few of these.

But now, not only is the god of learning no more, she has to practice ball bitterly herself.

The boys' team has looked at the girls' team, one or two are surprised and heartbroken.

The surprise, right, male and female with the welfare ah.

This heartache it... in case you can not teach, finished, failed.

The physical education teacher put down the word, let people free to form teams, they took the pro point of the sports committee together to get the ball.

The physical education teacher just left, those tweedledum boys have gathered around.

There are a few boys, directly rushed to the time seven, "classmate classmate, I can play basketball, you and I group!"

"No, classmate, I play better than him."

A few men are competing with each other, all wanting to be in a group with the famous little fairy of the bar.

The first thing you need to do is to get a good idea of what you want to do.

There are also other guys looking for Xu Mirai, to say, Xu Mirai fair skin, cheeks as tender as can pinch water, excluding the big personality, or very cute.

However, without waiting for those boys to speak, Xu Future was pulled away by Zhou Yi, who waved his hand, "Sorry, I booked it first."

Xu Mirai blinked, what? Booked?

She broke away from the pig's foot, "What are you doing, what reservation ah."

At least let her pick one, she has to pick one that plays better!

Zhou Yi looked at her with downcast eyes, "We are in the same class, and you are more familiar, I teach you, should not you thank me?"

Xu Mirai bristled, "I can also pick someone else's ah, it is not necessary for you to teach ..."

"Is someone else as good at basketball as me?"

"Uh..." This is the truth, at least the last school sports meeting, class two and three, Zhou Yi is indeed the best ball playing.

This side, Shi Qi sad face, Zhou Yi and Xu future good, but he was left alone.

Xu Qingzhi hesitated, refused the girls who came to form a team, and walked towards Shi Qi.

"If you don't mind, we are a group?" The voice is gentle.

When Qi looked at him sideways, this moment was like going back to a previous life.

At that time, she was in a state of full internet blackness, wearing a mask and sunglasses, her head was bruised and she came to the hospital alone.

Fear of being photographed by paparazzi, fear of being written about again with messy news.

At that time, Xu Qingzhi was just like now, wearing a white coat, walking over with a polite light smile on his lips.

"If you don't mind, can I help you?"

Time Qi remembered the two candies he had given only at noon, really a good person...

Such a person, even God is jealous ah.

She nodded, "Yeah, sure."

The physical education teacher came over with the balls, and there were 14 balls in total, just the right number of balls for two people.

After the roll call and registration, they were dismissed to practice on their own.

The breeze was cool and refreshing as the November season was already a bit autumnal.

"Have you ever played basketball before?" Xu Qingzhi asked.

When Qi shook his head, "No."

She has never liked to like sports, two lifetimes, have never touched basketball.

Xu Qingzhi thought about it, "Then practice shooting the ball first, right? Familiarize yourself with basketball."

Honestly, her height is a bit short, the back of the layup, I'm afraid it is a bit difficult.

Time Qi: "Hmm."

"Then I'll demonstrate." Xu Qingzhi, afraid of getting dirty by the ball, took off his school uniform jacket and hung it on the iron bar next to him.

The first thing you need to do is to take a look at the ball.

The sunlight shines on Xu Qingzhi's broken hair, the movement is gentle, slightly blowing, the school uniform silently slips on the ground...

When Qi bent down to pick up the school uniform jacket that fell on the ground, Xu Qingzhi stopped the action in his hands and walked over holding the ball.

The golden sunlight sprinkled on him, he came from the sunlight, the smile on his lips gentle and elegant, let people like spring breeze.

The actual fact is that there are so many girls who like Xu Qingzhi.

The actual fact is that you can find a lot of people who are not able to get a good deal on this.

The person is as its name.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 93: SI EUCALYPTUS IS JEALOUS AGAIN

Xu Qingzhi took the jacket and nodded slightly, "Thank you."

Time Qi smiled, "You're welcome for what."

She reached out to take the basketball and began to follow Xu Qingzhi's example, bending over slightly and patting the basketball in her hand.

However, the basketball in her hands, but bounced twice, then rolled down to the ground.

"Your movement is not right."

Xu Qingzhi walked over and placed his hand vaguely on the basketball, "It should be to grab the ball with your fingers, not your palm."

"When you slap the ball, relax your wrist a bit, it's a downward squeeze to slap the ball, not a pumping motion..."

Time Qi nodded, being taught.

When Xu Qingzhi explained, his hand had been empty, keeping a distance, not directly touching Shi Qi's hand.

This point, let Shi Qi feel comfortable, also feel Xu Qingzhi this friend, is to make the right.

However...

This scene, in the eyes of Si Eucalyptus, who was holding his racket not far away, was an eyesore.

What is Xu Qingzhi doing?

Oh, teaching her how to play basketball.

Why is she helping Xu Qingzhi with her clothes?

What are they doing? What is Xu Qingzhi doing so close to...

Hand!

He actually touched Shi Qi's hand!

"Si Eucalyptus!" Shi Qi shouted.

Si Eucalyptus turned back, long hand holding the racket, looking at the flying badminton, wrist force, fierce racket back.

The badminton flew back quickly with the wind, crossed over Huichie, and flew far away before landing on the ground.

Will be late: "..."

Playing a ball absent-minded even if it is, but also played so far, so that they look like a ball collector, forget it.

He took his racket and was ready to find someone else to play.

The company's face was unhappy, took the mineral water placed on the ground, unscrewed the cap and drank most of the bottle.

The two figures were stuck together again, and Si Eucalyptus took the unopened mineral water aside and went to the basketball court.

The company's main goal is to provide a solution to the problem.

Xu Qingzhi slowly corrected the mistakes of Shi Qi's movements, and now, Shi Qi has been able to play a series of shots of the ball.

She was overjoyed, "Thank you."

Xu Qingzhi smiled, "You're welcome, are you thirsty, I'll go buy water."

Shi Qi shook his head, "I'm not thirsty, are you thirsty, I'll treat you."

Xu Qingzhi taught her to play ball, please drink water in return should always be.

"Then let's go to the kiosk?" Xu Qingzhi proposed, he did not intend to let Shi Qi treat him.

At this time, Si Eucalyptus walked over, "Shi Qi."

Shi Qi looked back at the sound and saw Si Eucalyptus with a racket.

Why did the god of learning come over?

Not playing badminton anymore?

The first thing you need to do is to take a look at the table.

When Qi smiled, the gods really understand her, "Thank you."

She took the water and handed it to Xu Qingzhi, "Look, there is water, for you to drink."

The company's main business is to provide a wide range of products and services to its customers.

Si Eucalyptus: "... Heh.

Xu Qingzhi unscrewed the cap and drank a few mouthfuls of water, the knot in his throat rolled slightly, the action was casual, but pleasing to the eye, he took the water and walked over and put it together with his clothes.

When Qi was holding a basketball, he took a few more looks and couldn't help but sigh, "No wonder he's a schoolboy, even drinking water can be so handsome."

The hand of Si Eucalyptus holding the racket next to him was slightly hard, and a flash of meaningful emotion passed through his eyes.

"Aren't you thirsty?"

Time Qi nodded and shook her head, "Don't want to go to the kiosk."

School will soon be over, she still wants to practice for a while longer.

The other bottle of mineral water, only half of which was left, was handed to Shi Qi, "Hmm?"

When Qi looked at the heart slightly moved, this ... this is inviting himself and his indirect kiss!

She took it with trembling hands, "This water you drank, this is not good, right?"

When Qi said this, her hand honestly unscrewed the cap of the bottle.

At this time, Si Eucalyptus reached out and took the water over, and in front of Shi Qi, slightly tilted his head and drank a few mouthfuls, his throat knot rolled a few times along with the swallowing action.

A trace of water slid down the curve of the chin along the mouth of the bottle, and then slid into the collar along the neck.

He slightly lowered his eyes to look at Shi Qi, seemingly unintentionally but word by word, "I and he, who is more handsome drinking water?"

The first thing you need to do is to get a good idea of what you're doing.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 94: LITTLE GIRL, SHYNESS

Shi Qi looked at Si Eucalyptus like he was looking at a fool.

So, he was deliberately drinking water in front of himself to show himself who was handsome between him and Xu Qingzhi?

Although the scales in Shi Qi's heart were tipped to Si Eucalyptus' side, she was not happy to think that he had fooled her once again.

She looked away and skimmed her mouth, "Of course it's Xu Qingzhi, he's the school grass, recognized."

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is unscrew the cap and take two small sips, looking at the figure in the distance.

Or else go over to coax two sentences, compliment two sentences?

At this time, Xu Qingzhi came over, "continue to practice?"

When Qi hesitated for a moment, nodded, this will soon be the end of school, there is no hurry, "continue to practice."

...

The company's main goal is to provide the best possible service to its customers.

The actual fact is that you can find a lot of people who have been in the business for a long time.

Tsk, there is no humanity in the opposite sex.

Yang Xiaoling looked at Huizhi's lonely figure and felt pitiful. After hesitating for a while, she walked over, "Huizhi, want to play ball together?"

He froze, it was her.

He was inexplicably touched, brother brother, not as sweet as other girls.

If it weren't bad to fall in love early, he would really like to get to know the girl in his class who secretly has a crush on him.

In fact, she looks quite lovely.

The company's main business is to provide a wide range of products and services to its customers.

The two found a place with few people, by Yang Xiaoling first kicked off the ball.

Yang Xiaoling grew up playing badminton, therefore, the ball is very good, will be late also did not expect her to play so well.

At one time, the kind of energy to compete with each other came up.

He hit the ball back with more and more force, behind Yang Xiaoling gradually physical strength some can not keep up, but in the end is a long time so happy to play a, also very excited.

The more they played, the more they got excited. Suddenly, a late kill, Yang Xiaoling subconsciously rushed over to try to counterattack, but unexpectedly tripped over a stone on the ground and fell to the ground...

She fell to the ground, the palm of her hand is abraded skin, the knee also saw blood.

The incident happened suddenly, will be late to run over, squatting down to check, only to see her elbows, palms are abraded skin.

The sports pants at the knee are worn some, stones and blood mixed with.

"Does it hurt?"

The words just came out. And I hate to slap myself in the mouth.

It's hurt like this, can't it hurt?

Will be late ah will be late, she is a girl, you make a badminton at least also have mercy point ...

"I'm fine." Yang Xiaoling gritted her teeth to stand up, but her knees hurt badly.

Hui Chi face serious, "Sorry, I'll send you to the infirmary."

Before Yang Xiaoling reacted, he reached out his hand around Yang Xiaoling's back shoulder, the other around her leg, waist up to carry her.

Yang Xiaoling's center of gravity is unstable, subconsciously reaching out to wrap her arms around will be late, "You... you..."

Never been so close to a boy, unfamiliar breath surrounded himself, she felt her face hot.

Half a day, she could not say anything, hanging her head, earlobes red, "Thank you."

The time will be late, and guilt, and sigh, do not know how to describe the mood of the moment.

Fortunately, I did not fall on my face, otherwise, how would he compensate her ah.

In the school nurse's office, the school nurse took antiseptic solution and cotton swabs to help Yang Xiaoling clean the wound.

The school nurse is still thinking of sending her back again in the same way as earlier, Yang Xiaoling is red-faced, "No, please help me find Zhi Zhi..."

She and Zhi Zhi are on the same road, and Zhi Zhi is riding a bicycle today.

Will be late hesitation for a moment, nodded, took out his cell phone to Xia Zhi Zhi send WeChat, and called WeChat phone, but no one picked up late.

Finally, at Yang Xiaoling's insistence, will be late to help her back ...

The company's main business is to provide a wide range of products and services to its customers.

SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 95: TEACHER BIAN DID NOT HAVE A FIERCE AND VICIOUS SPIRIT

In the office, Song Qihua took off the pair of gold-rimmed glasses and sat on the side, bored.

Bian Yixiu packed up the information and put the laptop back into his bag, but he couldn't find his USB drive.

"What's wrong?"

The side YiXiu frowned slightly, "u disk is missing, probably left in the classroom."

"Then go look for it, I'll wait for you here." Song Qihua had half an intention to leave his chair.

The side Yi Xiu got up and left the office, heading for the classroom.

Just walked to the staircase, only to see a figure in a sweatshirt heading for the classroom, his steps stumbling a bit.

Xia Zhi Zhi?

At this time of the day, shouldn't she be in gym class, why would she go to the classroom?

He walked to the door of the classroom and was about to speak, but he saw Xia Zhi Zhi take something from her school bag, stuff it into her mouth, and then drink water.

Her face was a little pale and she didn't look too well.

Bian Yixiu hesitated for a moment, but still entered the classroom, "What's wrong, not feeling well?"

Xia Zhi Zhi was startled, and quickly looked up, it was side Yixiu ah.

"Teacher?"

The black flash drive on the podium was really left here, he put the flash drive into his pocket and walked towards Xia Zhi Zhi.

Out of the first reaction of seeing someone unwell, he reached out and probed Xia Zhi Zhi's forehead, "No fever, where are you unwell?"

His hand is different from Xia Zhi Zhi, some warm, probably because he just washed his hands, with a faint fragrance of hand sanitizer.

He was extremely close, the warmth of the breath swept over, Xia Zhi Zhi momentarily a little froze.

The side of a repair brow slightly frowned, put down the hand, pulled over the chair and sat down, "where is not comfortable?"

"Stomach pain?"

Xia Zhi Zhi's face was pale and she moved her mouth, "...well, her stomach hurts."

"Already took the medicine." Fearing that Bian Yi Xiu would let herself go to the school doctor's office, she added.

The hand under the desk shoved the medicine bottle into the school bag.

Bian Yixiu raised his hand to look at his watch, "stomach pain can not be careless, or go back to rest."

"It's also almost the end of school, you pack up, the teacher send you along the way."

Xia Zhi Zhi hesitated and finally gave a muffled "hmm", "Thank you teacher."

The first time I was in the car, I was in the car with Song Qihua.

"Another one added, when are you going to settle the road expenses ah?"

Xia Zhi Zhi's small face stiffened, and she quickly said, "Teacher, otherwise I'd better go by myself."

Saying that, carrying the school bag to run.

The side Yi Xiu frowned, pulling her bag back, "Teacher Song is joking."

Song Qihua glanced at the side of a repair, this guy, eat his, wear his, rub his ...

Sooner or later, he will be consumed by him poor.

When the time comes, if you can't even afford to marry a wife, you'll find him to settle accounts.

Xia Zhizhi sat in the back row, a little rushed.

The side of a repair and Song Qihua in the front row chatting, he saw through the rear-view mirror Xia Zhi Zhi some restraint, reassured, "you do not nervous, Mr. Song is not bad."

Song Qihua glanced at him, without mercy, "I think the little girl is nervous, because you, the fierce physics teacher, right?"

"Usually must not give students a lot of suffering to eat."

The company's main business is to provide a wide range of products and services to its customers.

She said, feeling a little embarrassed, slightly hanging small head.

Bian Yixiu froze and covered his mouth with a light smile, "Look, my students are all towards me."

Song Qihua smiled, and did not say anything, this guy, in school, always popular.
