

**SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 96: INVITATION TO BIAN YI XIU**

Song Qihua sent the two to the entrance of the district before driving away.

Bian Yixiu carried his bag, and Xia Zhi Zhi followed behind him with his head hanging.

At this moment, he finally opened his mouth and asked, "Are you afraid of me?"

The company's main business is to provide a wide range of products and services to its customers.

Bian Yixiu, was the kindest and most...likeable teacher she had ever seen.

"No, teacher."

Side Yixiu rubbed his chin, still couldn't figure it out, "Then how come every time you see me, you look like you've seen a tiger."

The feeling that the little girl gave herself was the kind of look that hated to dig a hole to hide.

But neighbors, always meet.

Every time you run into, Xia Zhi Zhi will deliberately pull away and pretend not to see.

In school, but will call a teacher, but every time hang your head afraid to see people.

Is it possible that you are too ugly and scare people?

Xia Zhi Zhi suddenly did not know how to answer positively, "I have not seen a tiger..."

Bian Yixiu smiled, "Isn't it quite good now?"

He took out the key and opened the door, his hand slightly against the door, Xia Zhi Zhi ran in at a small pace.

"Does your stomach still hurt?"

Xia Zhizhi shook her head, "It doesn't hurt anymore."

She looked up and saw the elevator numbers pulsating until they reached 1 and the elevator doors opened.

The two people walked in back and forth.

Xia Zhi Zhi suddenly remembered that after Bian Yi Xiu's mother went back home, he seemed to be living alone.

"Teacher, do you usually cook for yourself?"

Bian Yixiu froze, not really expecting her to ask himself a question.

"No, I don't know how to cook." He answered truthfully.

He ate bread for breakfast, Song Qihua's bento for lunch, and occasionally ate a bubble noodle in the evening or ordered a takeaway.

Xia Zhi Zhi hesitated for a moment, "Teacher, I'll cook later, do you want to... eat together?"

It is also considered a thank you.

The side Yi Xiu subconsciously to refuse, and some curious, "You can still cook?"

It's just a teenage girl, but she can cook.

"Hmm." Xia Zhi Zhi nodded, usually she also lives alone, naturally meals and what not, she has to do it herself.

"Where are your parents?" Bian Yixiu will only remember that it has been a long time since he had seen Xia Zhi Zhi's parents.

In other words, they should have only met once, or successively.

When it comes to parents, Xia Zhi Zhi's expression dimmed a bit, "They don't live here."

They have long been divorced, each have families and children, they are just a left behind, no one wants the burden of goods.

The only thing that reminds her that she's still alive is the huge amount of money she gets every month.

The most likely... they are also afraid of deep feelings...

Xia Zhi Zhi has never been so self-satisfied.

Bian Yixiu seems to understand something from her unnatural performance.

The heart slightly sighs, obviously still just a small child, but this independent.

He had some pity for this student in front of him, "Then if you don't mind, I'll give you a hand?"

Xia Zhi Zhi did not react to his words for a moment.

The first time I was a student, I smiled, "Although I do not know how to cook, but wash vegetables and cut meat, or okay."

Once he said that, Xia Zhi Zhi understood.

Her white cheeks were hung with two light dimples, "The teacher does not need to do it, just eat."

Side Yixiu looked up at the electronic screen, the number of floors jumped, immediately arrived.

Xia Zhi Zhi gaze fell on the hands of side one xiu, like so warm and good-looking hands, rational is writing, rather than cooking.

The side of a repair is like a person outside of the world, all kinds of good, is the kind of standing there, let feel the temperament is outstanding, do not dare to easily approach.

Like this kind of person, Xia Zhi Zhi both joy and admiration.

## SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 97: ALL ARE GOOD-HEARTED PEOPLE

When she got home, Xia Zhi Zhi took the lead and opened the refrigerator. After thinking about it, she took out the radish and corn and green vegetables, and took out the ribs and chicken wings to defrost.

She has always liked to eat light, every week will go to the supermarket to purchase a week of vegetables.

I don't know if Bian Yixiu likes to eat light or spicy...

After a while, the doorbell was rung, Xia Zhi Zhi trotted over and saw Bian Yixiu through the cat's eye, the corners of her mouth curved slightly.

She hurriedly opened the door, "Teacher, please come in."

The side of Yixiu carrying temporary to the supermarket downstairs to buy the fruit into Xia Zhi Zhi home.

Xia Zhi Zhi took a bottle of mineral water from the refrigerator and put it on the table, "Teacher, you wait first, the meal will be ready in a moment."

"Mm."

Bian Yixiu sat on the sofa and surveyed the surroundings.

The living room is clean and tidy, the furniture is simple, there is no TV and these appliances.

There was a water dispenser next to it, and only a pink cup was placed on the table.

There were a few pairs of girls' shoes on the shoe rack, and only one pair of slippers.

All signs indicate that Xia Zhi Zhi, has been living alone.

Everyone has their own secrets, and every family has its own story, Bian Yixiu thought.

The aroma of food came from the kitchen, and Bian Yixiu couldn't help but look forward to it, it's been a long time since I had a good meal.

The first thing you need to do is to get a good idea of what you are getting into.

All are home-cooked dishes, but the color and appearance is complete, side a repair suddenly have a feeling of being a teacher in vain.

I'm ashamed of myself.

After living for more than 20 years, even the food is not as good as the young girl will do.

Xia Zhi Zhi searched through the cupboard for a while before finding a set of unopened dishes, washed them and ran them through the hot water again.

The side Yi Xiu look in the eyes, although he also live alone, but he is already an adult.

Xia Zhi Zhi is different, she is still just a student, this age of girls, should have enjoyed the love of parents and family...

Xia Zhi Zhi looked at Bian Yixiu expectantly, "Teacher, you try it."

The side of Yixiu picked up the chopsticks, picked up a piece of green vegetables into his mouth, did not spare praise, "very delicious."

Xia Zhi Zhi is happy, pick up the meal, she is in a particularly good mood today, appetite.

This usually empty house, as if at this moment, because of the arrival of Bian Yixiu, and a little more humane, warm.

The first time I was in the house, I was in the house.

When he finished eating, he took the initiative to clean up the dishes, "I'll wash it."

It has always been a fine tradition of the Bian family that someone cooks and someone else washes the dishes.

Xia Zhi Zhi nodded her head in a small way, "Thank you teacher."

She walked over and took out the fruit that Bian Yixiu brought over and put it in the box, then put it in the refrigerator.

At this time, a receipt slip fell out from the bag, the date shown on it was today, the time, was an hour ago.

It was the fruit that was bought specially for the sake of being a guest...

She hesitated for a moment, lying by the door, looking at Bian Yi Xiu in the kitchen.

He moves slowly and methodically, which is pleasing to the eye.

Xia Zhi Zhi looked at the picture, a little surreal.

Teacher, eating at her house and still washing dishes?

"Teacher."

"Hmm?" Bian Yixiu looked up at Xia Zhi Zhi.

Xia Zhi Zhi hand slightly pressed on the edge of the door, "Usually I eat alone, and occasionally do not control the amount of food..."

"If the teacher does not mind, can you help to eat together occasionally?"

Side Yi Xiu hand movement paused, this meaning, is inviting himself to rub a meal?

He couldn't help but remember when he met Song Qihua, Song Qihua also invited himself to help eat...

It is a good-hearted person.

**SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 98: BLINDING SMILE**

The first thing you need to do is to get a good idea of what you're doing.

Side Yi Xiu like to see her nervous, heart slightly sigh, in the end is still just a child, nodded, "then the teacher every month to pay you some food fees."

In fact, Xia Zhi Zhi cooked meals, much better than take-out, let's say, he ate twice as much as usual today.

Xia Zhi Zhi breathed a sigh of relief and couldn't contain the joy in her heart, "Well, then what the teacher wants to eat can send me a WeChat and say."

The side Yi Xiu smiled, "I'm not picky."

...

The next day

The next day, Yang Xiaoling was limping, and he felt a little guilty.

So much so that throughout the day, whether Yang Xiaoling was fetching water or going to the toilet or going to the canteen, he quietly followed.

This, Yang Xiaoling also found out.

At this moment, she just finished fetching water and turned her head to see that it was Hui Chi.

"You also came to fetch water?"

Huai Chi froze and nodded hastily, "Mm-hmm, I... I also came to fetch water."

Yang Xiaoling raised her eyebrows slightly, "Then, where is your water cup?"

The company's main business is to provide a wide range of products and services to its customers.

The time seven is much smarter than him.

He smiled awkwardly, "Let me help you back."

Yang Xiaoling looked at him like a fool, "Huichang students, I am worn skin, not broken feet, can walk by themselves."

So you don't have to follow me all the time, you should go and follow Si Eucalyptus.

The company's main business is to provide a wide range of products and services to its customers.

The good looks are the original sin.

The company's main goal is to provide the best possible service to its customers.

The two of them were just coming back from the cafeteria, glancing at the two figures, a face confused, how did these two walk together?

"Time seven students?" Someone called out.

The first thing you need to do is to look at the person you're looking at and see that it's Xu Qingzhi, who also looks like he just came back from the cafeteria.

"Student Xu."

Xu Qingzhi smiled, "Just call me Xu Qingzhi."

Shi Qi nodded slightly, "You too, just call me Shi Qi."

Xu Qingzhi handed the mineral water in his hand to Shi Qi, "Thank you for the mineral water yesterday, a gift in return."

He actually does not like to owe people anything, let's say, two candies, just teach her to play basketball.

Yesterday's bottle of mineral water, the water needs to be returned today.

Although Shi Qi did not know, but saw that he had two bottles of water in his hand, still took over a bottle, "Thank you."

Xu Qingzhi like a completed task, the whole person a sigh of relief.

"By the way, you participated in the math competition?"

When he went to hand in the registration form today, he happened to see Shi Qi's competition indication form.

She seemed to be very good at math.

"Well, yeah."

"I also participated."

Shi Qi smiled, "Please teach me more."

Xu Qingzhi participated in the math competition she knew, in his last life, he also went to the national competition and finally took back the second prize.

Not far away, Si Eucalyptus with a water bottle, his eyes fell on those two.

The smile on Timothy's face fell in his eyes, extraordinarily harsh.

When Qi's eyes were sharp, she caught a glimpse of Si Eucalyptus, was she going to get water?

She was just about to wave, but saw Si Eucalyptus turn around with the water bottle and enter the classroom without looking back.

"..."

Xu Qingzhi saw her looking over there and turned back to look, but she wasn't looking at anything, "What's wrong?"

"Nothing, class is about to start." Time Qi looked at his watch.

"Well, talk to you later." Xu Qingzhi smiled and went into the classroom.

When the corners of Qi's mouth slightly pursed, how she felt, these two days Si Eucalyptus a little strange?

It seems to be a bit indifferent to himself.

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 99: KISSED?**

When school ended in the evening, Shi Qi had just packed her school bag when she saw Si Eucalyptus had already left with her bag.

What happened? Why didn't he wait for himself these two days?

When the book was haphazardly stuffed into the bag, he chased after it with his school bag.

The two of them went out early today and did not ride bicycles.

When they got out of the school gate, Shi Qi jogged to catch up with Si Eucalyptus, she panted, "Why are you running so fast?"

The company's main business is to provide a wide range of products and services to its customers.

Time Qi: "What???" Personal attack?

It's been like this for the past two days, with a cold attitude towards himself.

"Have you taken the wrong medicine?" Time Qi asked cautiously.

Si Eucalyptus pursed his lips tightly, and what swirled in his head was always that image of her giving candy to Xu Qingzhi.

There was also the image of the two of them playing ball, and the image of her giving the water she gave to Xu Qingzhi.

This reminded him of when he first moved here, he helped Shi Qi carry two buckets of water in the elevator.

At that time, she gave herself two candies, pink and small and cute.

That was the first time someone gave himself candy.

So...her candy was not just for herself.

A certain place in Si Eucalyptus's heart sank, his gaze fell on Shi Qi and stopped in his tracks, "Well, low blood sugar."

The first thing you need to do is to get a good idea of what you are doing.

She took out her jacket pocket...er.

The company's main business is to provide a wide range of products and services.

The company's main business is to provide a wide range of products and services to its customers.

The company's main business is to provide a wide range of products and services.

The company's main business is to provide a wide range of products and services to its customers.

The problem that he had not thought about when he came back from his rebirth.

The butterfly effect that arose because of himself, he changed, and she became acquainted with her, but the time seven also changed, now Xu Qingzhi, just like the original self.

The first thing you need to do is to get a good idea of what you want to do.

The thought of this possibility, his heart slightly seized pain, palms of cold sweat.

...

The first thing you need to do is to get to a nearby kiosk, buy two lollipops, and rush back.

The street was empty, and occasionally cars whizzed by on the road, when Qi was anxious, not fainted where it was!

She jogged around and looked around, until she reached an alley and glimpsed the figure leaning against the wall inside, and only then did she breathe a sigh of relief.

"I thought I told you to wait for me there, why did you come here."

She took out two lollipops from her pocket and handed one to Si Eucalyptus, "Hurry up and eat it."

Si Eucalyptus had a depressed look in his eyes and looked preoccupied, he took the Alpine lollipop but did not rush to tear the package.

When Qi tore open the lollipop in his hand and licked it, the strong strawberry milk flavor filled the taste buds.

She casually threw the package in the trash can next to her, raised her hand and took the lollipop to her lips and licked it again...

At this time, Si Eucalyptus suddenly came forward, the shadow of the wall close, when Qi froze, biting the lollipop turned around.

"What..."

The shadows of the evening fell.

The company's main business is to provide a wide range of products and services to its customers.

The hand holding the candy didn't move, like it was frozen, unable to move.

The lollipop was on her lips, Si Eucalyptus biting the sugar on his lips, his face magnified countless times in front of his eyes, as if he was going to kiss it.

The time seven heartbeat like thunder, chaotic without rhythm, he knows what he did...

Is it low blood sugar fainting daze?

The heart of Si Eucalyptus slightly moved, strawberry milk flavor in the tongue diffused, he remembered the two sugar.

The bottle of mineral water again...

The heart is sunken and stifled, suffocating, he moved closer and closer, side angle, slightly cool thin lips gently touching the time seven...

The warm and soft touch, "boom", Shi Qi's brain is blank.

### **SO THE GOD OF LEARNING HAS A CRUSH ON ME - CHAPTER 100 - YOU'RE A SON OF A BITCH!**

In autumn, night falls fast.

When Qi Qi suddenly opened his eyes wide, his whole body blood rushed up to his head, the person in front of him magnified countless times tightly closed eyes, ciliary feathers gently trembling...

The slightly pursed lips of Si Eucalyptus fell gently at the corner of Si Q's mouth and chin, like a piece of feather, light and airy.

When Qi's heart beats like thunder, his earlobes are red, and he forgets even the instinct to blink.

He...was he careless, or did he do it on purpose?

But for a moment, Si Eucalyptus withdrew his head and slightly lowered his eyes, as if realizing what he had done.

The actual squirrel was in a daze, as if struck by lightning, his heart flashed with a trace of remorse, and a little sweet.

The first thing you need to do is to get a good idea of what you're doing.

Although not a kiss, but this is too ambiguous and intimate...

She nervously looked forward to what Si Eucalyptus would say next.

The first thing you need to do is to get a good idea of what to say.

The Shi Qi in front of him, childish and innocent, hung his head innocently, as if he was angry and sad and aggrieved.

The first thing you need to do is to get a good idea of what you're doing.

These three words are like a bitter cold wind, which instantly blew out the warmth in Shi Qi's heart.

She snapped her head up and stared at the dark eyes of Si Eucalyptus, with apologies and guilt, but no joy.

The heart that was beating so strongly just now instantly sank to the bottom.

Why say sorry...

So, he didn't mean to kiss himself, he didn't have special feelings for himself, let alone like him.

It was his own self-righteous thoughts all along...

Timothy bit his pink and white lips, "A word of apology will do?"

Si Eucalyptus thin and dense long eyelashes trembled slightly, it was himself who was too impulsive, and now the little squirrel was angry.

Self-blame surged to his heart, "Just now it was my bad, you can blame me any way you want."

Get angry, hit me, scold me, any of these.

Only don't ignore me because of it.

The eyes of Timothy suddenly reddened, aggression can no longer be tensed, instantly burst out.

Her shoulders trembled slightly, angry, ashamed and annoyed, her tone choked, her eyes filled with tears, "You're a son of a bitch!"

"...I'll never care about you again in my life!"

When Qi's voice was so low and deep, it made the tip of his heart tremble in Si Eucalyptus' ears.

The first thing you need to do is to get rid of the problem.

She pushed away the Si Eucalyptus in front of her, turned her head and ran, Si Eucalyptus hurriedly reached out to grab her, but the white and tender hand crossed his hand.

The white and tender hand passed by his hand. Si Eucalyptus froze, and a picture of blood on the ground flashed in his mind...

When he went after her again, there was no longer Shi Qi's figure.

The company's main business is to provide a wide range of products and services to its customers.

The first thing you need to do is to get a good idea of what you're doing.

He clenched his fist hard and swung it at the wall, the pain pulled his emotions back, his anxiety dissipated, and his eyes were clear.

...

In the park

The first thing you need to do is to take a look at the slides and sit down with your hands on your knees, your head buried in your knees, choking.

The small figure was trembling, despondent and pitiful.

Although always knew that Si Eucalyptus did not yet have that kind of fondness for himself, but when the cruel reality was laid out in front of him.

It's still hard to feel.

She didn't want to be like her last life, regretful and inferior.

That beating heart seized a pain.

She cried in a small whisper, teardrops rolling down her cheeks and dripping on her school uniform skirt, the water stains haloing out little by little.
