

## Act 3 ~> The End Of All Things

---

"Punch my face  
Do it 'cause I like the pain  
Every time you curse my name"

"I know you want the satisfaction  
It's not gonna happen  
Knock me out"

"Kick me when I'm on the ground  
It's only gonna let you down  
Come the lightning and the thunder  
You're the one who'll su er, su er"

~Alec Benjamin
